MTI

This letter is to notify you that the Illinois Student Assistance Commission (ISAC) has received your *2018-19 Minority Teachers of Illinois (MTI) Scholarship Program Application/Promissory Note*. Your application/promissory note is complete; unless you need to make changes, there is nothing else you need to do at this time. However, because your application was not received on or before the priority consideration date of March 1, 2018, you will only be considered for a scholarship if funds remain after all timely eligible applicants have been awarded.

Award notifications are anticipated to take place after the fiscal year 2019 state budget is finalized. All ISAC scholarships are limited based on the number of eligible applicants and funding levels appropriated by the Illinois General Assembly. Therefore, you are encouraged to continue seeking additional financial aid resources to fund your educational expenses.

Processing updates and instructions for changes are available on our website, **isac.org**. If you have any questions, please contact an ISAC Call Center Representative via telephone at 800.899.ISAC (4722), or e-mail at isac.studentservices@illinois.gov.

It is your responsibility to immediately notify ISAC, in writing, of any changes to:

- your permanent home address and/or telephone number;
- the college you indicated on your application; and/or
- your request to be considered for this scholarship.

ISAC administers other scholarship and grant programs that can provide financial assistance to help you pay for college. To learn more about the financial aid process and available programs, visit our website, **isac.org**. In addition, you can find a variety of informational brochures through our website.
