* Beginning with the 1983-84 year, both ACT Assessment and SAT I scores were included in the State Scholar selection process.

** Beginning in 1992-93, students who scored in Illinois' 95th percentile or higher on their ACT Assessment or SAT I tests were automatically designated a State Scholar. Thus, these students are excluded from all mean calculations except the mean test score.

Beginning in 1999-00, the selection formula was changed to weight the test and rank scores equally.
