Current Outstanding Balances:					
Amount	\$3,825,963,292	\$3,332,337,485	\$1,127,781,392	\$1,192,012,167	

* During FY08, IDAPP adopted an Illinois-centric model. This resulted in a large decrease in the origination of new loans. IDAPP also sold much of its portfolio and used the proceeds to reduce debt. This has resulted in a decrease to cash collections.
