

The 2009-10 academic year was the final year for the Federal Family Education Loan Program (FFELP). Effective July 1, 2010, all new federal student loans come directly from the U.S. Department of Education (ED) under the William D. Ford Federal Direct Loan Program (Federal Direct Loans). As a result, the Illinois Student Assistance Commission no longer originates or services FFELP Loans.

Tables 3.0 - 3.3, which reported ISAC's FFELP Loan Guarantee Volume and Borrower Characteristics prior to 2011, are no longer relevant and have been discontinued in the ISAC Data Book. Previous years' tables containing this information may be found on ISAC's website at www.isac.org under Research & Policy in the Data Book section.
