^{*} In FY2010, ISAC received a lump sum for all programs. Funding was then cut in half. It was restored late in 2009 near the end of the first semester.

^{**} In FY2015, MAP was appropriated \$373.3 million; 2% was set aside for admin; total was cut by 2.25% leaving \$357.6 million for MAP.

^{***} In FY2016, MAP received an additional \$151.0 million FY17 appropriation which could be used for FY16 expenses.

^{****} In FY2017, the MAP appropriation was not received until July 2017. A late release of suspended awards was not enough to spend the amount.

^{*****} In FY2018, FAFSA filing began 3 months earlier, on Oct 1, 2016 instead of Jan 1, 2017. Extra filing time likely contributed to the increase in applications. Note: MAP historical suspense data can be found in Table 2.0d of the ISAC Data Book.
