FY2023 DATA BOOK

Introduction

The Illinois Student Assistance Commission (ISAC) Data Book is completed annually by the Research, Planning, and Policy Analysis Department. It is a collection of tables containing information regarding student financial aid programs administered by ISAC and is divided into five sections. **Part One** provides information pertaining to the appropriation history of the agency and summary data for ISAC-administered programs for the previous fiscal year. **Part Two** focuses on the Monetary Award Program (MAP), the State's largest need-based grant program. **Part Three** focuses on specialized scholarship and grant programs administered by ISAC. These programs include: the Illinois Veteran Grant Program, the Minority Teachers of Illinois Scholarship Program, the Illinois National Guard Grant Program, the Dependents' Grant Programs, the Student-to-Student Grant Program, the Illinois State Scholar Program, the Illinois Special Education Teacher Tuition Waiver Program, the Illinois Teachers Loan Repayment Program, the Golden Apple Scholars of Illinois Program, the Illinois Optometric Education Scholarship Program, the Nurse Educator Loan Repayment Program, Veterans' Home Medical Providers' Loan Repayment Program, and the John R. Justice Student Loan Repayment Program. **Part Four** provides information on the College Illinois! Prepaid Tuition Program. **Part Five** provides an overview of ISAC's statewide outreach activities. **Part Six** provides data on the Aspirational Institutional Match Helping Illinois Grow Higher Education (AIM HIGH) Grant Pilot Program.

Each year the Illinois Student Assistance Commission receives a State appropriation with authority to expend funds from State and federal sources. In FY2023, ISAC's State appropriation totaled \$975.331 million. This appropriation included \$686.6 million in State funds, authority to spend \$268.0 million in federal student loan funds, and authority to spend \$20.7 million in federal program funds. The dollars appropriated from these funds are used by ISAC to provide financial aid for students. Table 1.0 shows ISAC's appropriation history by program from FY1996 through FY2023. Table 1.1 shows a summary of program expenditures, and recipients for State fiscal year 2023 (July 1, 2022 to June 30, 2023).

**Table 1.0 Selected Program Appropriations and Total Appropriation History, Footnote Reference
2023 ISAC Data Book**

Selected program appropriations shown in this table do not sum to the Agency's total appropriation.

SLOF = Student Loan Operating Fund, FSLF = Federal Student Loan Fund, FRRF = Federal Reserve Recall Fund

- 1 Includes \$125.0 for collection activities related to Teacher Ed Programs.
- 2 Includes \$1,000.0 for activities related to SPRE.
- 3 Includes \$150.0 for the State Account Receivable Fund and \$250.0 for Higher-EdNet.
- 4 Includes \$2,000.0 for the MAP Reserve Fund.
- 5 Includes \$150.0 for the State Account Receivable Fund and \$235.0 for Higher-EdNet.
- 6 Includes \$2.6 million for MAP Summer School and Less-Than-Half-Time Demonstration Projects.
- 7 Includes \$100.0 for the State Account Receivable Fund and \$235.0 for Higher-EdNet.
- 8 Includes \$4,500.0 for the MAP Reserve Fund.
- 9 Includes \$4.0 million for MAP Summer School and Less-Than-Half-Time Demonstration Projects.
- 10 Includes \$60.0 for the State Account Receivable Fund and \$235.0 for Higher-EdNet.
- 11 All FY2002 figures reflect the original appropriation minus reserve requirements.
- 12 Includes \$2.0 million for the MAP Less-Than-Half Time Demonstration Project.
- 13 Includes the transfer of \$800,000 from MRS to IIA.
- 14 Includes \$300.0 for the State Account Receivable Fund and \$65.0 for Higher-EdNet.
- 15 Includes \$6,500.0 for the MAP Reserve Fund.
- 16 All FY2003 figures reflect the original appropriation minus reserve requirements.
- 17 Prior to FY2003, this Program was named the DeBolt Teacher Shortage Scholarship.
- 18 Includes \$135,000 which could be used for administrative costs.
- 19 Includes \$300.0 for the State Account Receivable Fund and \$65.0 for Higher-EdNet.
- 20 Includes \$6,670.0 for the MAP Reserve Fund.
- 21 Although ISAC had \$3.7 million in spending authority in FY2004, no funding was received for (S)LEAP.
- 22 Includes \$300.0 for the State Account Receivable Fund and \$10.0 for Higher-EdNet; but excludes \$115.0 GRF administrative reserve.
- 23 Includes \$300.0 for the State Account Receivable Fund but excludes \$91,000 GRF.
- 24 Includes \$300.0 for the State Account Receivable Fund.
- 25 Funding appropriated from SLOF for MAP.
- 26 Includes SLOF funding appropriated for MAP-Plus and MAP.
- 27 Includes \$300.0 for the State Account Receivable Fund, \$60.0 for Future Teacher Corps Fund and \$20.0 for National Guard Grant Fund.
- 28 Includes Byrd Scholarship, Paul Douglas Refund to ED, Federal S/LEAP and Federal College Access Challenge Grants.
- 29 Funding appropriated from SLOF for State Scholarship and Grant Programs.
- 30 Includes funding appropriated from SLOF for State Scholarship and Grant Programs.
- 31 Includes Byrd Scholarship, Paul Douglas Refund to ED, Federal S/LEAP, College Access Challenge Grants, and John R. Justice Loan Repayment.
- 32 Prior to FY2013, this Program was named the Illinois Future Teacher Corps Scholarship Program
- 33 Includes \$300.0 for the State Accounts Receivable Fund, \$140.0 for the Golden Apple Scholars Fund, and \$20.0 for the National Guard Grant Fund.
- 34 PA 99-001 made 2.25 percent reductions to the previously-approved GRF and EAF appropriations for FY15.
- 35 Approved budget allowed the use of up to two percent of MAP appropriation for administration; grant amount shown is 98.01% of the \$364,856,300 total MAP appropriation.
- 36 Includes \$300.0 for the State Accounts Receivable Fund; \$140.0 for the Golden Apple Scholars Fund; \$20.0 for the National Guard Grant Fund; \$997.7 for Outreach, Research & Training (GRF); and \$7,245.2 (1.99%) of the MAP appropriation (GRF).

Table 1.0 Selected Program Appropriations and Total Appropriation History, Footnote Reference Continued
2023 ISAC Data Book

- 37 P.A. 99-524 made \$151.0 million available during FY17 to pay outstanding FY16 claims. This is included in in the FY17 total.
- 38 P.A. 99-524 made \$513,000 available during FY17 to pay outstanding FY16 claims in the Dependents Grant Programs. This is included in in the FY17 total.
- 39 Under P.A. 99-524, the Golden Apple Scholars Program received an FY17 appropriation of \$3,249,000 which could be used for FY16 expenses. This is included in the FY17 total.
- 40 This amount was not appropriated, but was the maximum allowable expenditure from the State General Revenue Fund that ISAC could use for employee salary and benefits under court orders allowing for such expenditures in the absence of a complete state budget for FY16.
- 41 P.A. 99-813 expanded this program to include medical providers other than nurses beginning in FY17, and the name was changed from Veterans' Home Nurses' Loan Repayment Program to Veterans' Home Medical Providers' Loan Repayment Program.
- 42 Includes \$997,700 appropriated for Outreach, Research, & Training as well as a maximum of \$7,245,225 allowable in expenditure from the State General Revenue Fund that ISAC could use for employee salary and benefits under court orders allowing for such expenditures.
- 43 Includes \$300.0 for the State Accounts Receivable Fund; \$100.0 for the Golden Apple Scholars Fund; \$20.0 for the National Guard Grant Fund; \$997.7 for Outreach, Research & Training (GRF); and \$8,026.8 (2%) of the MAP appropriation (GRF).
- 44 Includes \$300.0 for the State Accounts Receivable Fund; \$100.0 for the Golden Apple Scholars Fund; \$20.0 for the National Guard Grant Fund; \$997.7 for Outreach, Research & Training (GRF); \$2,000.0 for ISAC Operations; and \$8,026.8 (2%) of the MAP appropriation (GRF).
- 45 Includes \$300.0 for the State Accounts Receivable Fund; \$100.0 for the Golden Apple Scholars Fund; \$20.0 for the National Guard Grant Fund; \$3,497.7 for Outreach, Research & Training (GRF); \$3,500.0 for ISAC Operations; and \$9,026.8 (2%) of the MAP appropriation (GRF).
- 46 Includes \$6,098.0 for EAF; and \$3,502.0 for Coronavirus State and Local Fiscal Recovery Funds.
- 47 Includes \$750.0 for EAF; and \$4,250.0 for Coronavirus State and Local Fiscal Recovery Funds.
- 48 Includes \$300.0 for the State Accounts Receivable Fund; \$100.0 for the Golden Apple Scholars Fund; \$20.0 for the National Guard Grant Fund; \$3,497.7 for Outreach, Research & Training (GRF); \$3,500.0 for ISAC Operations; and \$9,591.3 (2%) of the MAP appropriation (GRF).
- 49 Includes \$55.0 million in spending authority from SLOF for Coronavirus State and Local Fiscal Recovery Funds deposited into SLOF for ECACE.
- 50 Includes \$6,498.0 for EAF; and \$3,434.2 for Coronavirus State and Local Fiscal Recovery Funds.
- 51 Includes \$750.0 for EAF; and \$3,894.9 for Coronavirus State and Local Fiscal Recovery Funds.
- 52 Includes \$300.0 for the State Accounts Receivable Fund; \$100.0 for the Golden Apple Scholars Fund; \$20.0 for the National Guard Grant Fund; \$6,000.0 for Outreach, Research & Training (GRF); \$6,000.0 for ISAC Operations; and \$12,031.3 (2%) of the MAP appropriation (GRF).
- 53 Includes \$120.0 million in spending authority from SLOF for Coronavirus State and Local Fiscal Recovery Funds deposited into SLOF for ECACE.

School and Municipal Social Work Shortage Loan Repayment Program	\$516,465	81	\$6,376
Veterans' Home Medical Providers' Loan Repayment Program	\$26,400	11	\$2,400
IL Special Education Teacher Tuition Waiver Program	-	250	-
Illinois State Scholars	-	16,777	-
Total	\$670,630,122	182,754	

Students may participate in more than one program, therefore, recipient totals across programs do not represent total unduplicated students served.

¹ Expenditures, recipients, and average award are State funds only excluding institutional matching.

² The IVG and ING Programs were not funded. Number of recipients reflect student beneficiaries of waived tuition and fee charges at institutions.

³ Recipients are estimated assuming a \$250 average award.

The Monetary Award Program (MAP) provides grants to students to help pay for tuition and mandatory fees at Illinois colleges and universities and certain degree-granting institutions. Illinois is one of the largest providers of state need-based aid in the nation. To receive a MAP grant, a student must demonstrate financial need, be enrolled as an undergraduate for at least three credit hours per term at an ISAC-approved Illinois institution, be a resident of Illinois, and meet several other requirements. The maximum award level is set by statute and represents the highest award level that can be used in the MAP formula. The maximum award actually used in the formula has historically been dependent on available funding and application volume. Students apply using the Free Application for Federal Student Aid (FAFSA) or the Alternative Application for Illinois Financial Aid. In FY2023, 234,290 students were eligible to receive MAP grants. All of these eligible students, regardless of application date, were offered an award, however, only 146,753 (about 63 percent) enrolled and claimed their awards. There were 87,537 eligible students who either did not enroll in a MAP school, enrolled in a MAP school (not their first-choice school) where they were no longer eligible, or simply did not enroll at all.

The tables in this section provide a variety of Monetary Award Program data. The Monetary Award Program Award and Payout Summary (Table 2.0a), MAP Application Volume History (Figure 1.0), 2023 Monetary Award Program formula (Table 2.0b), History of the Monetary Award Program Maximum Award (Table 2.0c), Monetary Award Program Suspension History (Table 2.0d), Monetary Award Program Applications by Application Date (Figure 2.0), and the Monetary Award Program Formula Changes (Table 2.0e), provide historical and/or summary data. Information by sector can be found in Tables 2.1-2.3a and Figure 3.0. Information by institution, including information on institutional tuition and fee charges, is in Tables 2.3b-2.3e. Table 2.4a-2.4e present data by income and dependency status. Tables 2.5a-2.6f include information by class level, age, and enrollment status, application volume and present the characteristics of eligible and paid MAP applicants.

Total # MAP Eligibles	286,712	267,383	248,141	238,939	234,290
% Paid	44.9%	52.0%	56.4%	60.9%	62.6%
Mean Award Claimed	\$3,044	\$3,188	\$3,149	\$3,212	\$4,060
Effective Maximum Award	\$4,869	\$5,340	\$5,340	\$5,496	\$7,200
Payout	\$392,242,956	\$442,869,089	\$440,580,526	\$467,720,429	\$595,883,072
% of Appropriation Expended	99.7%	99.7%	99.6%	99.5%	101.2%

¹ In FY2015, MAP was appropriated \$373.3 million; 2% was set aside for admin; total was cut by 2.25% leaving \$357.6 million for MAP.

² In FY2016, MAP received an additional \$151.0 million FY17 appropriation which could be used for FY16 expenses.

³ In FY2017, the MAP appropriation was not received until July 2017. A late release of suspended awards was not enough to spend the amount.

⁴ In FY2018, FAFSA filing began 3 months earlier, on Oct 1, 2016 instead of Jan 1, 2017. Extra filing time likely contributed to the increase in applications.

⁵ In FY2020, MAP received an additional \$50 million in appropriation.

⁶ In FY2023, MAP received an additional \$122 million in appropriation. Because claims exceeded 98 percent of the appropriation, some unspent administrative funds (from the 2 percent) were put towards claims. Also, ISAC received an additional \$2 million from state funds to help cover MAP claims.

Note: MAP historical suspense data can be found in Table 2.0d.

Figure 1.0 of the 2023 ISAC Data Book
Monetary Award Program Application History
FY2009-FY2023

Table 2.0b of the 2023 ISAC Data Book
FY2023 Monetary Award Program Formula

FY2023 MAP Formula

Budget

1. Use FY2022 reported tuition and fees at all institutions, assessed at 100 percent at all institutions.
2. Use one living allowance for all applicants, set to \$5,020.

Resources

1. Use 80 percent of Pell Grant eligibility as determined by the FY2022 Pell Grant Payment Schedule, with a \$6,495 maximum.
2. Calculate the ISAC adjusted EFC by inflating the Federal EFC.

Adjusted Dependent Students' Parent Contribution:

Adjustment Factor = $[(\text{Parent Contribution (PC)} / 11,000 + 1.10)]$ rounded to 2 decimal places

Adjusted PC = PC x Adjustment Factor

Adjusted EFC = Adjusted PC + highest of Student Contribution or self-help expectation

Adjusted Independent Student Contribution:

Adjustment Factor = $[(\text{EFC} / 11,000 + 1.10)]$ rounded to 2 decimal places

Adjusted EFC = EFC x Adjustment Factor or self-help expectation

3. Use a minimum self-help expectation of \$1,800 for all students.

Award Amounts

1. Set the maximum award equal to the lesser of \$7,200 or the tuition and mandatory fees specified in the budget. Set the minimum award to \$300, and round maximum eligibility in \$150 increments to calculate partial awards.
2. Provide no award for applicants who have an EFC equal to or greater than \$9,000.
3. If determined necessary after first-term claims are received, either release some suspended applications to spend as much of the appropriation without exceeding it OR reduce second-and third-term awards to stay within the appropriation.
4. Students who have used 135 or more MAP paid credit hours are not eligible.
The 75 MPCH cap was eliminated by the RISE Act, effective January 1, 2020.

Statutory Maximum - MAP Maximum Award specified in statute (use in formula is subject to appropriation).

Maximum Award in Formula - Maximum award utilized in formula to cap eligibility.

Effective Maximum Award - Actual maximum awarded, differs from Max Award in Formula if a reduction factor is used or if award amounts are increased at payment.

¹ MAP-eligible students applying after these dates could not be paid due to limited funding. Suspended applications may be released if funding allows which happened in FY05 to 10/15/04, in FY09 to 8/1/08; in FY10 to 6/5/09, in FY12 to 4/8/11, in FY13 to 4/2/12, in FY14 to 3/16/13, in FY15 to 3/5/14, in FY17 to 4/14/16, in FY18 to 3/9/17, in FY19 to 4/4/18, and in FY20 to 6/26/19.

² EFC inflation method was simplified.

³ MAP received an additional \$151.0 Million FY17 appropriation which could be used for FY16 expenses.

⁴ The FY17 MAP appropriation was received in July 2017.

⁵ FAFSA filing began three months earlier due to changes at the federal level

⁶ All applications released 3/18/22 in FY22

ISIR count - unduplicated count of all Illinois FAFSA filers and non-resident filers who chose an Illinois school, including both complete and incomplete (no EFC calculated) applications

Total Applicants - count of completed FAFSA filings from Illinois residents

Announced Applicants - Illinois residents who completed the FAFSA, had not yet earned a bachelor's degree, and whose first-choice school was MAP-eligible

Eligible Applicants - subset of announced applicants who are eligible for a MAP grant at their first-choice school

Non-Suspended Eligibles - eligible applicants who submitted their FAFSAs before the suspense date

Suspended Eligibles - eligible applicants who submitted their FAFSAs on or after the suspense date

¹ In FY2018, FAFSA filing began three months earlier due to changes at the Federal level (Oct 1, 2016 instead of Jan 1, 2017)

² In FY2022, all suspended applicants were released on 3/18/22

Footnote Definitions of:

Total Application Volume - Illinois residents who filed a FAFSA

Announced Volume - Illinois undergraduate residents who filed a FAFSA and put a MAP-eligible school as first-choice

Eligible Volume - subset of announced applicants who are eligible for MAP at their first-choice school, or at the school they attend

Suspended Applications - applications filed on or after the suspense date

Figure 6.0 of the 2023 ISAC Data Book
Characteristics of Paid Dependent/Independent Combined MAP Recipients FY2023

Two-thirds of MAP recipients are women.

Three quarters of MAP recipients are from Chicago or the collar counties

A majority of MAP recipients attend a public university or a public community college

More than half of MAP recipients have no resources for college.

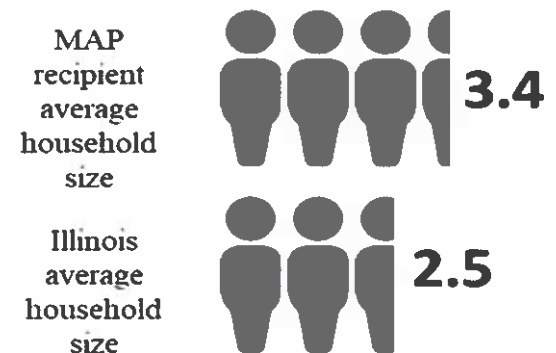

54 percent have a federal Expected Family Contribution (the amount they can be expected to pay toward college) of zero.

MAP recipients are from low-income households.

AY2022-23 MAP eligibility is determined on CY2020 income

MAP recipients come from larger sized households on average.

ISAC administers numerous scholarship and grant programs, and one tuition waiver program. The State Scholar Program, an honorary program, recognizes academic achievement of high school seniors. Eligibility for the Student-to-Student Grant Program and the Higher Education License Plate Grant Program is based on financial need. The remaining programs are financial assistance programs or loan repayment programs for students who meet special requirements.

Aspirational Institutional Match Helping Illinois Grow Higher Education (AIM HIGH) Grant Pilot Program: AIM HIGH is a grant program which makes awards towards a full-time undergraduate student's cost of attendance at Illinois public universities. The AIM HIGH grant is renewable if students continue to meet the eligibility requirements. All AIM HIGH-participating universities provide matching funding for institutional awards for students who meet eligibility requirements established by the university. This funding may or may not be available to the same students who receive the AIM HIGH grant, depending on how the matching program is designed by the university. Each university's AIM HIGH grant program is described in detail on the university's website. Additional information about AIM HIGH is available Part Six.

Early Childhood Access Consortium for Equity (ECACE) Scholarship Program: The federally-funded ECACE program is intended to address the shortage of qualified early childhood educators by encouraging the pursuit of credentials and advancement of already-held degrees in early childhood education. Awards are available for undergraduate study at public and non-profit private 2- and 4-year Gateways-entitled and Early Childhood Access Consortium for Equity member institutions. For students attending community colleges and public universities, the scholarship will cover the applicant's total cost of attendance for an academic year (including summer) after other financial aid received while students at participating non-profit private institutions may receive an amount no more than the cost of the most expensive program of study in the early childhood education field at an Illinois public college. Recipients of the scholarship are expected to continue or return to teaching or direct services in the early childhood care and education field in Illinois after they complete their program of study.

Illinois Veteran Grant Program: The Illinois Veteran Grant (IVG) Program pays for eligible tuition and mandatory fees at Illinois public universities and community colleges for qualified Illinois veterans or military service members with at least one year of active duty in the U.S. Armed Forces and who served honorably. Any member of the Illinois National Guard or a Reserve component of the U.S. Armed Forces who meets the eligibility requirements is considered a qualified applicant for the program. This grant is available for the equivalent of four academic years of full-time enrollment for undergraduate and graduate study. Veterans must have been residents of Illinois six months prior to entering the service, and must have returned to Illinois to reside, within six months of leaving the service. Recipients are required to enroll for a minimum number of credit hours each term. This grant is an entitlement program and is awarded to eligible applicants regardless of the funding level. *In FY2023, State funds were not appropriated to ISAC for the IVG Program.*

Illinois National Guard Grant Program: The Illinois National Guard (ING) Grant Program pays tuition and certain fees for enlisted members and officers of the Illinois National Guard to attend public two or four-year institutions for undergraduate or graduate study. Beginning with the 2014-15 academic year, new program rules have been implemented. Members who have completed less than ten years of active duty can use the grant for a maximum of *four* academic years of full-time enrollment. Once ten years or more of active duty ING service has been completed, the grant can be used for a maximum of *six* academic years of full-time enrollment. The six-year maximum eligibility is cumulative, and includes benefits received when members had less than ten years of service. *In FY2023, State funds were not appropriated to ISAC for the ING Program.*

Dependents' Grant Programs: The Grant Program for Dependents of Police or Fire Officers and the Grant Program for Dependents of Correctional Officers pay the tuition and mandatory fees without regard to financial need at any MAP-approved school for the spouse and children of police officers, fire officers, and correctional workers who were killed or permanently disabled in the line of duty. The grant may be used for an equivalent of 8 semesters or 12 quarters of undergraduate or graduate enrollment. Grants are funded by appropriation from the Illinois General Assembly and are applicable toward tuition and mandatory fees.

PART THREE - SPECIALIZED SCHOLARSHIP, GRANT, AND WAIVER PROGRAMS

Higher Education License Plate Program: The Higher Education License Plate (HELP) Program provides grants to students who attend Illinois colleges for which the special collegiate license plates are available. The Illinois Secretary of State issues the license plates and \$25 per each set of plates sold is used for grants for undergraduate students attending these colleges. Program grants may be used only for tuition and mandatory fees for two semesters or three quarters in an academic year. The number of grants and individual dollar amounts awarded are subject to sufficient annual appropriations by the Illinois General Assembly and the governor.

Grant Program for Exonerees: The Grant Program for Exonerees provides grants for up to the cost of tuition and fees to persons who have been issued a pardon by the Governor of the State of Illinois on the grounds of innocence of the crime for which they had been imprisoned or who have received a certificate of innocence from a circuit court. The program may be used to meet the costs of postsecondary enrollment at an Illinois public college or community college or for the cost of obtaining a high school equivalency certificate from an Illinois Community College Board-approved provider. Qualified applicants may receive Grant Program for Exonerees benefits for the equivalent of four regular school years (eight semesters) of full-time enrollment.

Displaced Energy Workers: The Displaced Energy Worker Dependent Transition Scholarship Program provides scholarship assistance to children (including adopted and stepchildren) of eligible displaced energy workers. The program was designed to support students who are deterred from attending or completing an educational program at an Illinois institution because of a parent's layoff from a retiring power plant or a closing coal mine. The scholarship pays tuition and fee costs at public colleges or community colleges for a period equal to one calendar year, including a summer term, for undergraduate or graduate study.

Minority Teachers of Illinois Scholarship Program: The Minority Teachers of Illinois (MTI) Scholarship Program provides scholarships of up to \$7,500 per year for up to four years to assist academically talented minority and bilingual students who plan to become teachers. Scholarships are available for undergraduate or graduate students enrolled at least half time. Students receiving this scholarship must fulfill a teaching commitment by teaching one year for each year of assistance at a nonprofit Illinois public, private, or parochial preschool, elementary or secondary school with at least 30 percent minority enrollment. If the teaching commitment is not fulfilled, the scholarship converts to a 5% interest rate loan and the student must repay a pro-rated amount plus interest.

Golden Apple Scholars of Illinois Program: The Golden Apple Scholars of Illinois Program recruits and prepares bright and talented high school graduates who represent a rich ethnic diversity for successful teaching careers in high-need schools throughout Illinois and provides scholarships to students pursuing teaching degrees. Illinois high school students must be named as a Golden Scholar by the Golden Apple Foundation. Students must be enrolled in a four-year institution designated as a participating college by the Foundation. Scholars receive financial assistance for four years in exchange for a commitment to teach for five years in an Illinois school of need. The required five year commitment must start within two years after completion of the degree or certificate program.

Nursing Education Scholarships: The Nursing Education Scholarships (NES) program provides awards to students pursuing a certificate in practical nursing, an associate degree in nursing, a hospital-based diploma in nursing or a bachelor's or graduate degree in nursing who demonstrate the greatest financial need among qualified students. NES recipients must begin full- or part-time employment as a licensed practical or registered professional nurse, an advanced practice registered nurse, or a nurse educator in Illinois within six months of graduating, and remain employed for a period equivalent to the educational time supported by the scholarship. If recipients terminate studies, or fail to become employed, they are required to repay the full scholarship amount.

Illinois Optometric Education Scholarship Program: The Optometric Education Scholarship Program provides scholarship assistance to encourage eligible students to pursue a graduate degree in optometry. The recipient must practice in Illinois as a licensed optometrist for a period of not less than one year for each year of scholarship assistance received. The recipient must also begin practicing optometry in Illinois within one year following completion of the academic program for which he or she was awarded the scholarship and practice on a continuous basis until the obligation is fully completed. If the requirement to practice optometry in Illinois is not fulfilled, the scholarship converts to a loan and the recipient must repay the entire amount of the scholarship prorated to the fraction of the obligation not completed, plus interest at a rate of 5 percent.

(continued)

Post-Master of Social Work School Social Work Professional Educator License Scholarship Program: The Post-Master of Social Work School Social Work Professional Educator License Scholarship (PMSW-SSWP) Program provides scholarship assistance to licensed social workers with master's degrees in social work who wish to obtain an Illinois Professional Educator License with an Endorsement in School Social Work. The program was designed to encourage students to work as social workers in Illinois schools and gives priority to minority applicants to encourage participation in the field, fostering a profession more reflective of the diversity of Illinois students. Scholarships pay tuition and mandatory fee costs for each continuous academic year (including summer) recipients meet eligibility requirements at Illinois public universities. A total of up to 250 scholarships may be awarded each year.

Community Behavioral Health Care Professional Loan Repayment Program: The Community Behavioral Health Care Professional Loan Repayment Program provides loan repayment assistance to qualified mental health and substance use professionals. The program was designed as incentive for recruitment and retention of those who practice in underserved or rural areas. It seeks to help address the shortage of Illinois community-based behavioral workers that causes disparities in access to critical mental health and substance use services. The amount of the annual award to qualified applicants to repay their student loan debt is based on their position and may be received for up to four years.

Illinois Teachers Loan Repayment Program: This program helps teachers who have served in low-income schools repay their student loans. Through the Illinois Teacher Loan Repayment Program, teachers who qualify for the federal Stafford Loan Cancellation for Teachers Program by teaching in an Illinois low-income school for 5 consecutive years can receive an additional matching grant up to \$5,000 to repay their student loan debt. Table 3.7 contains data on the program.

John R. Justice Student Loan Repayment Program: This federally-funded program through the U. S. Department of Justice, is administered by the Illinois Student Assistance Commission and is used to help prosecutor and public defender offices retain and attract talented attorneys by providing student loan (both Federal Family Education Loan Program [FFELP] and Federal Direct Loans) repayment assistance to state and federal public defenders and state prosecutors who agree to remain in their positions for at least three years. The annual awards to qualified federal public defenders and state prosecutors may be up to \$4,000, with an aggregate total of up to \$60,000, to repay their student loan debt. The number of awards made through this program, as well as the individual dollar amount awarded, are subject to sufficient annual appropriations by the federal government. Recipients must be a U.S. citizen or eligible non-citizen, an Illinois resident, and meet additional program criteria. If the employment commitment is not fulfilled, any amount received must be repaid. Table 3.5 provides summary data on this program.

Nurse Educator Loan Repayment Program: In an effort to address the shortage of nurses and the lack of instructors to staff courses teaching nursing in Illinois, the Nurse Educator Loan Repayment Program encourages longevity and career change opportunities. The program is intended to pay eligible loans to add an incentive to nurse educators in maintaining their teaching careers within Illinois. The annual awards to qualified nurse educators may be up to \$5,000 to repay their student loan debt, and may be received for up to a maximum of four years. Recipients must be a U.S. citizen or eligible non-citizen, an Illinois resident, meet licensing requirements, and work as a nurse instructor in an approved Illinois institution for at least 12 consecutive months prior to the date of application. Table 3.9 provides data for this program.

School and Municipal Social Work Shortage Loan Repayment Program: The School and Municipal Social Work (SMSW) Shortage Loan Repayment Program is intended to encourage Illinois students to work, and to continue to work, as social workers in public school districts and Illinois municipalities. SMSW provides assistance in paying eligible loans as an incentive to participate in the social work field, particularly by minority applicants, who are underrepresented as school and municipal social workers. A one-time award of up to \$6,500 is available.

(continued)

Veterans' Home Medical Providers' Loan Repayment Program: The Veterans' Home Nurse Repayment Program provides for the payment of eligible educational loans as an incentive for nurses to pursue and continue their careers at Illinois veterans' homes. The annual award to qualified registered professional nurses and licensed practical nurses may be up to \$5,000 to repay their student loan debt. This award may be received for up to a maximum of four years. Recipients must be a U.S. citizen or eligible non-citizen, an Illinois resident, and meet licensing requirements. They must have completed the prescribed employment probationary period and be employed in good standing. For each year during which an award is received, the recipient must fulfill a separate 12 month period as a registered professional nurse or licensed practical nurse in an approved Illinois veterans' home. Table 3.4 provides data for this program.

Illinois Special Education Tuition Waiver Program: The Illinois Special Education Teacher Tuition Waiver Program encourages current teachers and academically talented students to pursue careers in any area of special education as public, private, or parochial preschool, elementary or secondary school teachers in Illinois. Recipients must be seeking initial certification in any area of special education as undergraduate or graduate students. For non-teachers, students must be ranked in the upper half of their Illinois high school graduating class. Recipients are exempt from paying tuition and fees at an eligible institution for up to four calendar years. Recipients must fulfill a teaching requirement or repay funds received plus interest. Table 3.8 provides historical recipient data on the waiver program.

State Scholar Program: Each year ISAC selects approximately ten percent of the high school graduates in Illinois to be State Scholars. These high school seniors are chosen based on ACT or SAT scores, the third semester prior to graduation class rank, class size, and unweighted Grade Point Average (GPA). The State Scholar program is a recognition-only program. Table 3.1 gives historical data on this program.

¹ Expenditures, recipients, and average award are State funds only excluding institutional matching. AIM HIGH data provided in Table 6.0.

² The IVG and ING Programs have not been state funded for a number of years. Awards reflect student beneficiaries of tuition waivers at institutions.

³ Recipients are estimated using a \$250 average award.

¹ Data provided in this section is cumulative.

² Students are counted more than once if they attend different schools or are the beneficiary of more than one prepaid tuition contract.

The primary goal of ISAC's outreach efforts is to help families navigate the steps of the college admission and financial aid processes. Staff offers or participates in a number of college fairs, financial aid nights, financial literacy events, and student financial aid application completion workshops throughout the State of Illinois.

ISAC's outreach efforts also include personal one-on-one contact with students to help guide them in their efforts to attend college after high school. In 2009, the Illinois Student Assistance Commission introduced the College Illinois! Corps. In FY2011, the name was changed to the ISACorps. Corps members, who are recent college graduates, are placed in communities throughout Illinois to help high school students navigate the process of applying to and entering college. Corps members also assist in the completion of FAFSAs and help parents and students in preparing for college. Table 5.0 provides a summary of ISAC's outreach activities, and Table 5.1 summarizes the Outreach FAFSA Completion Initiative for FY2019-FY2023.

PART FIVE - ISAC OUTREACH SERVICES

Statewide	62.9%	61.0%	63.4%	67.0%	72.0%

Outreach attendance figures rounded to nearest 500.

The Aspirational Institutional Match Helping Illinois Grow Higher Education (AIM HIGH) Grant Pilot Program was designed to help achieve several State goals, including increasing overall Illinois college student retention, improving Illinois college affordability and reducing student loan debt, and slowing student outmigration, as well as enhancing enrollment (and revenue) at Illinois public universities. Beginning with the 2019-20 academic year, AIM HIGH provides merit-based, means-tested student financial aid to first-time, full-time undergraduate students (including transfer students) attending any of the 12 Illinois public four-year universities.

AIM HIGH contains several statutory components which make this pilot unique among State financial aid programs, including institutional flexibility to customize programs and determine criteria for AIM HIGH recipients within broad guidelines established in law. Institutions are also required to guarantee renewability and predictability for recipients, as well as match AIM HIGH State funds expended each year with new non-loan financial aid above institutional aid distributed above the institution's base (MOE). The new State matching funds are meant to supplement and not supplant existing commitments to financial aid.
