## An Overview of Program Administration

The Minority Teachers of Illinois (MTI) Scholarship Program, Illinois Special Education Teacher Tuition Waiver (SETTW) Program, and Illinois Optometric Education Scholarship (IOESP) program Enrollment Status Verification and the SETTW Tuition Waiver Conversion (TWC) functions are submitted through the GAP Access portal at <https://isacportal.isac.org>. Each year, colleges are required to verify the enrollment statuses for recipients in the programs with teaching requirements and practice agreements.

**Steps to enter and submit Enrollment Status Verification and the SETTW Tuition Waiver Conversion (TWC) Form in GAP Access.**

### 1. GAP Access Program Privileges

All users need a valid GAP Access ID and password to access the system. ISAC relies on a designated Primary Administrator (usually, the Financial Aid Director) at each institution to authorize users and provide them with the appropriate level of access for each ISAC program.
