

**2022-23 Illinois Special Education Teacher Tuition Waiver (SETTW)
Teaching Agreement/Master Promissory Note/Terms and Conditions**

The SETTW Program provides assistance to teachers and academically talented students pursuing a career in special education who teach Illinois schools that have been approved by the Illinois State Board of Education (ISBE). The waiver may be received for up to four calendar years (provided you have not yet obtained an initial licensure in any area of special education), and covers tuition and mandatory fees (the college determines fees that are considered mandatory).

- M. The award of a waiver through the SETTW Program will be made in accordance with the procedures described in the Illinois Higher Education Student Assistance Act [110 ILCS 947/65.15] or its implementing regulations, found at Ill. 3. Tuition Waiver/Teaching Obligation

I understand that the assistance provided through the Special Education Teacher Tuition Waiver Program ("SETTW" Program) is in the form of an institutional waiver of tuition and mandatory fees assessed as a result of my enrollment in eligible coursework at a qualifying postsecondary institution. The waiver shall be considered to have the monetary value of any and all tuition and mandatory fees that the postsecondary institution would otherwise assess for enrollment in such eligible coursework. The waiver shall be valid for up to four continuous years from the date of issuance unless I have been granted a leave of absence as described in this Note and so long as I pursue an initial special education professional educator license at an approved postsecondary institution. Such tuition waiver will expire upon receipt of my initial Special Education professional educator license. In consideration of this waiver, I agree to teach in a special education discipline on a full-time basis at a nonprofit Illinois public, private or parochial preschool, elementary or secondary school **beginning within one year** and continue teaching for at least two of the five years immediately following graduation or termination of enrollment in a teacher education program. A failure to complete this teaching obligation or to maintain eligibility for the SETTW Program, as described in this Note, shall result in a conversion of the awarded funds into a loan as described herein.

4. Terms of Conversion

- A. Following the award of a tuition waiver to me as a result of my participation in the SETTW Program, I understand and agree during the terms for which I receive a waiver to (i) remain enrolled at an eligible Illinois postsecondary institution approved for participation in the SETTW Program; (ii) register and remain enrolled in a program leading to an initial professional educator license in special education at postsecondary institution **within 10 days after the beginning of the term immediately following receipt of the tuition waiver**; (iii) remain in attendance at the postsecondary institution on a continuous basis during the regular academic year (summer sessions optional) unless otherwise granted a leave of absence as described herein; and (iv) pursue a course of study leading to an initial professional educator license in

special education.

- B. Following graduation from my postsecondary course of study, I agree to (i) to teach on a full-time basis, in the field of Special Education, for at least 2 of the 5 years immediately following graduation; (ii) begin teaching within one year following completion of the postsecondary education degree or professional educator license program for which the award funds were provided; (iii) fulfill the teaching requirement described above at a nonprofit Illinois public, private, or parochial preschool, or elementary or secondary school; and (iv) provide you with evidence of compliance with the program requirements.
- C. If I fail to comply with all the requirements listed in Subsections A and B immediately above, funds awarded as a result of my participation in the SETTW Program shall convert to a Loan under this Note plus interest at a rate equal to five percent (5%) per annum and other costs, including reasonable collection costs and attorneys' fees.
- D. In the event that I begin my teaching requirement, but fail to complete my obligation, the Loan balance shall be determined by first calculating the entire amount of the awards granted plus interest at a rate equal to five percent (5%) per annum and, if applicable, reasonable collection fees, then reducing such amount pro rata by the fraction of the teaching obligation that was fulfilled.
- E. I shall not be considered to have failed to fulfill my commitment to begin teaching following graduation if (i) I serve, for not more than three years, as a member of the United States Armed Forces; or (ii) I am enrolled full-time in a graduate course of study leading to a graduate or postgraduate degree related to the field of teaching at an institution of higher learning; or (iii) I am temporarily totally disabled, for not more than three years, as established by the sworn affidavit of a qualified physician; or (iv) I am actively seeking but unable to find full-time employment as a teacher at a school that satisfies the criteria described above, for one continuous period not to exceed two years and am able to provide evidence of that fact; or (v) I am taking additional courses, on at least a half-time basis, needed to obtain a professional educator license as a teacher in Illinois; or (vi) I am fulfilling teaching requirements associated with other programs administered by you and cannot concurrently fulfill them in a period of time equal to the length of the teaching obligation.
- F. Upon conversion of the monetary value of the tuition and mandatory fees that were waived as a result of my participation in the SETTW Program, I shall enter repayment status on the earliest of the following dates: (i) the first day of the first calendar month after I cease to pursue a course of study leading to an initial professional educator license as a Special Education teacher, but not until six (6) months have elapsed after cessation of at least half-time enrollment in such a course of study; (ii) the date you learn that I do not plan to fulfill, cannot fulfill, or have failed to fulfill the teaching obligation described in Section 3 of this Note; or (iii) the day after the latest date by which I must begin teaching in order to fulfill the teaching obligation described in Section 3 of this Note.
- G. I understand that, during the Repayment Period, you may send me a monthly electronic notice, statement or coupon book. The monthly statements will cover periods beginning on the first day of the Repayment Period and will cover one contractual month based on your billing periods. I will make consecutive monthly payments in the amounts and on the payment due dates shown

on my monthly statement or coupons until I have paid all of the interest and principal or any other charges I may incur under this Note.

- H. I will repay this Loan in equal consecutive monthly installments of principal and interest necessary to amortize the unpaid balance of this Loan (as of the date of calculation) over the number of months remaining in the Repayment Period. If an adjustment to my repayment terms is required because the final payment on this Loan will be a different amount than the preceding monthly payments on this loan, you may, at your option, adjust the terms of my repayment or the amount of my monthly payments.
- I. Upon conversion, interest shall accrue on this loan at the rate of five percent (5%) per annum throughout the Repayment Period until the principal, interest accruing and any other costs incurred on this Loan are paid in full. Interest will be calculated on the basis of a 365 day year for the actual number of days elapsed.
- J. If I make payments after my payment due dates, I will owe additional interest or may be subject to the assessment of late charges. In such cases, I acknowledge that you will increase the amount of my regular monthly payment or increase the last payment to an amount necessary to repay this Loan in full on an amortized basis.
- K. During the Repayment Period, I agree to pay at least a minimum amount of \$50 each month (principal and interest) or the monthly interest charge, whichever is greater.
- L. I will pay a late charge of up to five percent (5%) of my installment payment if I fail to make any part of an installment payment within 15 days after it becomes due. Additional late charges of up to five percent (5%) of my installment payment will be charged for each additional 30 day period when I fail to make any part of an installment payment.
- M. If I am unable to repay this Loan in accordance with the terms of this Note, I may request in writing that you modify these terms. I understand that such modification would be solely at your discretion. I understand that I will remain responsible for payment during any period of deferment. I guarantee that I will accept any new terms for the Loan including any capitalized interest that was the result of forbearances granted.
- N. I understand that, at your sole discretion, my Repayment Period may be extended during periods of deferment, hardship, or while in forbearance. Furthermore, I shall make graduated installments in accordance with a schedule approved by you.
- O. **Except as otherwise provided by law, I will be in default and you have the right to accelerate the total outstanding principal balance, accrued interest, and all other amounts payable to you under the terms of this Note. Default is defined as: (i) I fail to make any monthly payment to you when due; (ii) Any payment has not reached you within 15 days after it is due; (iii) I fail to notify you of a change in any of my personal information as stated in Sections 2D and 2K within 10 days after a change occurs; (iv) I fail to comply with any term, condition, covenant, or agreement contained in this Note; (v) any bankruptcy proceeding is begun by or against me or I assign any of my assets for the benefit of my creditors; or (vi) I make any false written or oral statements in applying for participation in the Illinois Special Education Teacher Tuition**

Waiver Program or this Note.

- P. My failure to receive notice, a coupon book or a monthly statement does not relieve me of my responsibility and obligation of making my required Loan payments in accordance with the terms and conditions of this Note.
- Q. I authorize you or your agents to contact me regarding this Note or the Loan at the telephone number I have provided, which I provide in the future, or which ISAC reasonably believes is my current telephone number, even if the number is a cellular telephone number. I understand that automated telephone number dialing equipment or an artificial pre-recorded message may be used.
- R. My death or permanent disability shall discharge any obligation under the terms of this Note.

5. Leave of Absence

My eligibility to participate in the SETTW Program on the basis of continuous enrollment in a program leading to an initial professional educator license in special education will be maintained if I am granted a leave of absence through the postsecondary institution in which I am enrolled. In order to maintain eligibility, I must apply to the President (or the President's designee) of my postsecondary institution for a leave of absence if I find it necessary to interrupt my studies because of my illness or that of an immediate family member as established by the sworn statement of a licensed physician, to earn funds to defray my educational expenses or to enter into the military service. If a leave of absence is granted, I must complete my course of study within six years. Time served in the Armed Forces of the United States will not be counted as part of that six years.

6. Governing Law

At your option, you will have the right, without further notice, to file suit against me to collect this debt. I understand that you are located in Cook County, Illinois. Your decision on whether to lend me money will be made in Illinois. Consequently, the provisions of this Note will be governed by the Laws of the State of Illinois. I agree that any suit that you bring against me will be brought in a court of competent jurisdiction in the county in which you maintain your principal place of business. In accordance with the terms of this Note, I agree to pay you reasonable costs and expenses to the extent permitted by law, including reasonable attorneys' fees, court and other collection costs, which you incur in enforcing the terms of this Note if I am in default.

7. Additional Agreements

- A. My responsibility for paying this Loan is unaffected by the liability of any other persons or by your failure to notify me that a required payment has not been made. Without losing any of your rights under this Note, you may accept (i) late payments or (ii) partial payments.
- B. I may not assign this Note or any of its benefits or obligations. You may assign this Note at any time.

- C. The terms and conditions set forth in this Note constitute the entire agreement between you and me.
- D. If any provision of this Note is held invalid or unenforceable, that provisions shall be considered omitted from this Note, and such omission shall not affect the validity of enforceability of any other provision of this Note.
- E. Any notice required to be given to me by you will be effective the day it is mailed by you by means of first-class mail to the latest address that I have provided you or you have otherwise learned.
- F. I agree that all amounts due hereunder shall be paid in U.S. currency by draft drawn on a U.S. domiciled bank or foreign bank with a U.S. branch, in either case that shall be a member of the Federal Reserve System.
