FAQ's

Q. Where can I find more information about these programs?

A. Contact an ISAC Call Center Representative at 800.899.ISAC (4722) or through e-mail at isac.studentservices@isac.illinois.gov. Also visit isac.org for complete details of these programs and others administered by ISAC.

Q. Where do I get an application?

A. Applications for ISAC's programs are available at isac.org, your college's financial aid office or an Illinois Department of Veterans' Affairs field office (for IVG) or your National Guard unit (for ING grant).

Q. What are the deadlines for filing applications?

A. An IVG application only needs to be filed once to establish eligibility. After that, you'll need to present your Notice of Eligibility to your college as soon as possible, but no later than the last day of classes every term you request benefits.

An ING grant application must be filed each academic year and has different due dates, depending on which term you're attending:

- October 1 - full year
 - March 1 - only 2nd semester (2nd/3rd quarter) and summer
 - June 15 - only summer
- (check with your college for their deadline)

Q. Will I need to submit any additional documentation?

A. To establish eligibility for IVG, you'll have to supply a copy of each DD214, Member 4 form (or equivalent). See above for contact information to obtain a copy.
