(a) PURPOSE.—It is the purpose of this part, to assist in making available the benefits of postsecondary education to eligible students (defined in accordance with section 484) in institutions of higher education by—

- (1) providing Federal Pell Grants to all eligible students;
- (2) providing supplemental educational opportunity grants to those students who demonstrate financial need;

- (5) providing assistance to institutions of higher education.

(b) SECRETARY REQUIRED TO CARRY OUT PURPOSES.—The Secretary shall, in accordance with subparts 1 through 8, carry out programs to achieve the purposes of this part.

### Subpart 1—Federal Pell Grants

#### SEC. 401. [20 U.S.C. 1070a] FEDERAL PELL GRANTS: AMOUNT AND DETERMINATIONS; APPLICATIONS.

(a) PROGRAM AUTHORITY AND METHOD OF DISTRIBUTION.—(1) For each fiscal year through fiscal year 2004, the Secretary shall pay to each eligible institution such sums as may be necessary to pay to each eligible student (defined in accordance with section 484) for each academic year during which that student is in attendance at an institution of higher education, as an undergraduate, a Federal Pell Grant in the amount for which that student is eligible, as determined pursuant to subsection (b). Not less than 85 percent of such sums shall be advanced to eligible institutions prior to the start of each payment period and shall be based upon an amount requested by the institution as needed to pay eligible students until such time as the Secretary determines and publishes in the Federal Register with an opportunity for comment, an alternative payment system that provides payments to institutions in an accurate and

timely manner,<sup>1</sup> except that this sentence shall not be construed to limit the authority of the Secretary to place an institution on a reimbursement system of payment.

(2) Nothing in this section shall be interpreted to prohibit the Secretary from paying directly to students, in advance of the beginning of the academic term, an amount for which they are eligible, in cases where the eligible institution elects not to participate in the disbursement system required by paragraph (1).

(3) Grants made under this subpart shall be known as “Federal Pell Grants”.

(b) PURPOSE AND AMOUNT OF GRANTS.—(1) The purpose of this subpart is to provide a Federal Pell Grant that in combination with reasonable family and student contribution and supplemented by the programs authorized under subparts 3 and 4 of this part, will meet at least 75 percent of a student’s cost of attendance (as defined in section 472), unless the institution determines that a greater amount of assistance would better serve the purposes of section 401.

(2)(A) The amount of the Federal Pell Grant for a student eligible under this part shall be—

- (i) \$4,500 for academic year 1999–2000;
- (ii) \$4,800 for academic year 2000–2001;
- (iii) \$5,100 for academic year 2001–2002;
- (iv) \$5,400 for academic year 2002–2003; and
- (v) \$5,800 for academic year 2003–2004,

less an amount equal to the amount determined to be the expected family contribution with respect to that student for that year.

(B) In any case where a student attends an institution of higher education on less than a full-time basis (including a student who attends an institution of higher education on less than a half-time basis) during any academic year, the amount of the Federal Pell Grant to which that student is entitled shall be reduced in proportion to the degree to which that student is not so attending on a full-time basis, in accordance with a schedule of reductions established by the Secretary for the purposes of this division, computed in accordance with this subpart. Such schedule of reductions shall be established by regulation and published in the Federal Register in accordance with section 482 of this Act.

(3)(A) For any academic year for which an appropriation Act provides a maximum basic grant in an amount in excess of \$2,700, the amount of a student’s basic grant shall equal \$2,700 plus—

- (i) one-half of the amount by which such maximum basic grant exceeds \$2,700; plus
- (ii) the lesser of—

(I) the remaining one-half of such excess; or

(II) the sum of the student’s tuition and, if the student has dependent care expenses (as described in section 472(8)) or disability-related expenses (as described in section 472(9)), an allowance determined by the institution for such expenses.

<sup>1</sup>So in law. Section 401(a)(2) of P.L. 105–244 (112 Stat. 1650) added text in the second sentence after “pay eligible students”. The inserted material should have been added after the comma in “pay eligible students.”.

(B) An institution that charged only fees in lieu of tuition as of October 1, 1998, may include in the institution's determination of tuition charged, fees that would normally constitute tuition.

(4) No Federal Pell Grant under this subpart shall exceed the difference between the expected family contribution for a student and the cost of attendance (as defined in section 472) at the institution at which that student is in attendance. If, with respect to any student, it is determined that the amount of a Federal Pell Grant plus the amount of the expected family contribution for that student exceeds the cost of attendance for that year, the amount of the Federal Pell Grant shall be reduced until the combination of expected family contribution and the amount of the Federal Pell Grant does not exceed the cost of attendance at such institution.

(5) No Federal Pell Grant shall be awarded to a student under this subpart if the amount of that grant for that student as determined under this subsection for any academic year is less than \$400, except that a student who is eligible for a Federal Pell Grant that is equal to or greater than \$200 but less than \$400 shall be awarded a Federal Pell Grant of \$400.

(6)(A) The Secretary may allow, on a case-by-case basis, a student to receive 2 Pell grants during a single award year, if—

(i) the student is enrolled full-time in an associate or baccalaureate degree program of study that is 2 years or longer at an eligible institution that is computed in credit hours; and

(ii) the student completes course work toward completion of an associate or baccalaureate degree that exceeds the requirements for a full academic year as defined by the institution.

(B) The Secretary shall promulgate regulations implementing this paragraph.

(7) Notwithstanding any other provision of this subpart, the Secretary shall allow the amount of the Federal Pell Grant to be exceeded for students participating in a program of study abroad approved for credit by the institution at which the student is enrolled when the reasonable costs of such program are greater than the cost of attendance at the student's home institution, except that the amount of such Federal Pell Grant in any fiscal year shall not exceed the grant level specified in the appropriate Appropriation Act for this subpart for such year. If the preceding sentence applies, the financial aid administrator at the home institution may use the cost of the study abroad program, rather than the home institution's cost, to determine the cost of attendance of the student.

(8) No Federal Pell Grant shall be awarded under this subpart to any individual who is incarcerated in any Federal or State penal institution.

(c) PERIOD OF ELIGIBILITY FOR GRANTS.—(1) The period during which a student may receive Federal Pell Grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student at the institution at which the student is in attendance except that any period during which the student is enrolled in a noncredit or remedial course of study as defined in paragraph (2) shall not be counted for the purpose of this paragraph.

(2) Nothing in this section shall exclude from eligibility courses of study which are noncredit or remedial in nature (including courses in English language instruction) which are determined by the institution to be necessary to help the student be prepared for the pursuit of a first undergraduate baccalaureate degree or certificate or, in the case of courses in English language instruction, to be necessary to enable the student to utilize already existing knowledge, training, or skills. Nothing in this section shall exclude from eligibility programs of study abroad that are approved for credit by the home institution at which the student is enrolled.

(3) No student is entitled to receive Pell Grant payments concurrently from more than one institution or from the Secretary and an institution.

(4) Notwithstanding paragraph (1), the Secretary may allow, on a case-by-case basis, a student to receive a basic grant if the student—

(A) is carrying at least one-half the normal full-time work load for the course of study the student is pursuing, as determined by the institution of higher education; and

(B) is enrolled or accepted for enrollment in a postbaccalaureate program that does not lead to a graduate degree, and in courses required by a State in order for the student to receive a professional certification or licensing credential that is required for employment as a teacher in an elementary school or secondary school in that State,

except that this paragraph shall not apply to a student who is enrolled in an institution of higher education that offers a baccalaureate degree in education.

(d) APPLICATIONS FOR GRANTS.—(1) The Secretary shall from time to time set dates by which students shall file applications for Federal Pell Grants under this subpart.

(2) Each student desiring a Federal Pell Grant for any year shall file an application therefor containing such information and assurances as the Secretary may deem necessary to enable the Secretary to carry out the functions and responsibilities of this subpart.

(e) DISTRIBUTION OF GRANTS TO STUDENTS.—Payments under this section shall be made in accordance with regulations promulgated by the Secretary for such purpose, in such manner as will best accomplish the purpose of this section. Any disbursement allowed to be made by crediting the student's account shall be limited to tuition and fees and, in the case of institutionally owned housing, room and board. The student may elect to have the institution provide other such goods and services by crediting the student's account.

(f) CALCULATION OF ELIGIBILITY.—(1) Each contractor processing applications for awards under this subpart (including a central processor, if any, designated by the Secretary) shall, in a timely manner, furnish to the student financial aid administrator (at each institution of higher education which a student awarded a Federal Pell Grant under this subpart is attending), as a part of its regular output document, the expected family contribution for each such student. Each such student financial aid administrator shall—

(A) examine and assess the data used to calculate the expected family contribution of the student furnished pursuant to this subsection;

(B) recalculate the expected family contribution of the student if there has been a change in circumstances of the student or in the data submitted;

(C) make the award to the student in the correct amount; and

(D) after making such award report the corrected data to such contractor and to a central processor (if any) designated by the Secretary for a confirmation of the correct computation of amount of the expected family contribution for each such student.

(2) Whenever a student receives an award under this subpart that, due to recalculation errors by the institution of higher education, is in excess of the amount which the student is entitled to receive under this subpart, such institution of higher education shall pay to the Secretary the amount of such excess unless such excess can be resolved in a subsequent disbursement to the institution.

(3) Each contractor processing applications for awards under this subpart shall for each academic year after academic year 1986–1987 prepare and submit a report to the Secretary on the correctness of the computations of amount of the expected family contribution, and on the accuracy of the questions on the application form under this subpart for the previous academic year for which the contractor is responsible. The Secretary shall transmit the report, together with the comments and recommendations of the Secretary, to the Committee on Appropriations and the Committee on Labor and Human Resources of the Senate and the Committee on Appropriations and the Committee on Education and the Workforce of the House of Representatives.

(g) INSUFFICIENT APPROPRIATIONS.—If, for any fiscal year, the funds appropriated for payments under this subpart are insufficient to satisfy fully all entitlements, as calculated under subsection (b) (but at the maximum grant level specified in such appropriation), the Secretary shall promptly transmit a notice of such insufficiency to each House of the Congress, and identify in such notice the additional amount that would be required to be appropriated to satisfy fully all entitlements (as so calculated at such maximum grant level).

(h) USE OF EXCESS FUNDS.—(1) If, at the end of a fiscal year, the funds available for making payments under this subpart exceed the amount necessary to make the payments required under this subpart to eligible students by 15 percent or less, then all of the excess funds shall remain available for making payments under this subpart during the next succeeding fiscal year.

(2) If, at the end of a fiscal year, the funds available for making payments under this subpart exceed the amount necessary to make the payments required under this subpart to eligible students by more than 15 percent, then all of such funds shall remain available for making such payments but payments may be made under this paragraph only with respect to entitlements for that fiscal year.

(i) TREATMENT OF INSTITUTIONS AND STUDENTS UNDER OTHER LAWS.—Any institution of higher education which enters into an agreement with the Secretary to disburse to students attending that institution the amounts those students are eligible to receive under this subpart shall not be deemed, by virtue of such agreement, a contractor maintaining a system of records to accomplish a function of the Secretary. Recipients of Pell Grants shall not be considered to be individual grantees for purposes of subtitle D of title V of Public Law 100–690.

(j) INSTITUTIONAL INELIGIBILITY BASED ON DEFAULT RATES.—

(1) IN GENERAL.—No institution of higher education shall be an eligible institution for purposes of this subpart if such institution of higher education is ineligible to participate in a loan program under part B or D as a result of a final default rate determination made by the Secretary under part B or D after the final publication of cohort default rates for fiscal year 1996 or a succeeding fiscal year.

(2) SANCTIONS SUBJECT TO APPEAL OPPORTUNITY.—No institution may be subject to the terms of this subsection unless the institution has had the opportunity to appeal the institution's default rate determination under regulations issued by the Secretary for the loan program authorized under part B or D, as applicable. This subsection shall not apply to an institution that was not participating in the loan program authorized under part B or D on the date of enactment of the Higher Education Amendments of 1998, unless the institution subsequently participates in the loan programs.

(2) PRIOR EXPERIENCE.—In making grants under this chapter, the Secretary shall consider each applicant's prior experience of service delivery under the particular program for which funds are sought. The level of consideration given the factor of prior experience shall not vary from the level of consideration given such factor during fiscal years 1994 through 1997, except that grants made under section 402H shall not be given prior experience consideration.

(3) ORDER OF AWARDS; PROGRAM FRAUD.—(A) Except with respect to grants made under sections 402G and 402H and as provided in subparagraph (B), the Secretary shall award grants and contracts under this chapter in the order of the scores received by the application for such grant or contract in the peer review process required under paragraph (4) and adjusted for prior experience in accordance with paragraph (2) of this subsection.

(B) The Secretary is not required to provide assistance to a program otherwise eligible for assistance under this chapter, if the Secretary has determined that such program has involved the fraudulent use of funds under this chapter.

(6) COORDINATION WITH OTHER PROGRAMS FOR DISADVANTAGED STUDENTS.—The Secretary shall encourage coordination of programs assisted under this chapter with other programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding source of such programs. The Secretary shall not limit an entity's eligibility to receive funds under this chapter because such entity sponsors a program similar to the program to be assisted under this chapter, regardless of the funding source of such program. The Secretary shall permit the Director of a program receiving funds under this chapter to administer one or more additional programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding sources of such programs.

(7) APPLICATION STATUS.—The Secretary shall inform each entity operating programs under this chapter regarding the status of their application for continued funding at least 8 months prior to the expiration of the grant or contract. The Secretary, in the case of an entity that is continuing to operate a successful program under this chapter, shall ensure that the start-up date for a new grant or contract for such program immediately follows the termination of the preceding grant or contract so that no interruption of funding occurs for such successful reapplicants. (d) OUTREACH.—

(1) IN GENERAL.—The Secretary shall conduct outreach activities to ensure that entities eligible for assistance under this chapter submit applications proposing programs that serve geographic areas and eligible populations which have been underserved by the programs assisted under this chapter.

In expending these funds, the Secretary shall give priority to the additional administrative requirements provided in the Higher Education Amendments of 1992, to outreach activities, and to obtaining additional readers. amount determined by the institution, in accordance with the provisions of part F of this title, to be needed by that student to enable the student to pursue a course of study at the institution or in a program of study abroad that is approved for credit by the institution at which the student is enrolled, or (B) \$4,000.

(2) If the amount determined under paragraph (1) with respect to a student for any academic year is less than \$100, no payment shall be made to that student for that year. For a student enrolled for less than a full academic year, the minimum payment required shall be reduced proportionately.

(3) For students participating in study abroad programs, the institution shall consider all reasonable costs associated with such study abroad when determining student eligibility. The amount of grant to be awarded in such cases may exceed the maximum amount of \$4,000 by as much as \$400 if reasonable study abroad costs exceed the cost of attendance at the home institution.

(b) PERIOD FOR RECEIPT OF GRANTS; CONTINUING ELIGIBILITY.—(1) The period during which a student may receive supplemental grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student.

(2) A supplemental grant awarded under this subpart shall entitle the student (to whom it is awarded) to payments pursuant to such grant only if the student meets the requirements of section 484, except as provided in section 413C(c).

(c) DISTRIBUTION OF GRANT DURING ACADEMIC YEAR.—Nothing in this section shall be construed to prohibit an institution from making payments of varying amounts from a supplemental grant to a student during an academic year to cover costs for a period which are not applicable to other periods of such academic year.

**SEC. 413C. [20 U.S.C. 1070b-2] AGREEMENTS WITH INSTITUTIONS; SELECTION OF RECIPIENTS.**

(a) INSTITUTIONAL ELIGIBILITY.—Assistance may be made available under this subpart only to an institution which—

(1) has, in accordance with section 487, an agreement with the Secretary applicable to this subpart;

(2) agrees that the Federal share of awards under this subpart will not exceed 75 percent of such awards, except that the Federal share may be exceeded if the Secretary determines, pursuant to regulations establishing objective criteria for such determinations, that a larger Federal share is required to further the purpose of this subpart; and except that the Federal share may be exceeded if the Secretary determines, pursuant to regulations establishing objective criteria for such determinations, that a larger Federal share is required to further the purpose of this subpart; and

(3) agrees that the non-Federal share of awards made under this subpart shall be made from the institution's own resources, including—

(A) institutional grants and scholarships;

(B) tuition or fee waivers;

(C) State scholarships; and

(D) foundation or other charitable organization funds.

(b) ELIGIBILITY FOR SELECTION.—Awards may be made under this subpart only to a student who—

(1) is an eligible student under section 484; and

(2) makes application at a time and in a manner consistent with the requirements of the Secretary and that institution.

(c) SELECTION OF INDIVIDUALS AND DETERMINATION OF AMOUNT OF AWARDS.—(1) From among individuals who are eligible for supplemental grants for each fiscal year, the institution shall, in accordance with the agreement under section 487, and within the amount allocated to the institution for that purpose for that year under section 413D, select individuals who are to be awarded such grants and determine, in accordance with section 413B, the amounts to be paid to them.

(2)(A) In carrying out paragraph (1) of this subsection, each institution of higher education shall, in the agreement made under section 487, assure that the selection procedures—

(i) will be designed to award supplemental grants under this subpart, first, to students with exceptional need, and

(ii) will give a priority for supplemental grants under this subpart to students who receive Pell Grants and meet the requirements of section 484.

(B) For the purpose of subparagraph (A), the term “students with exceptional need” means students with the lowest expected family contributions at the institution.

(d) USE OF FUNDS FOR LESS-THAN-FULL-TIME STUDENTS.—If the institution’s allocation under this subpart is directly or indirectly based in part on the financial need demonstrated by students who are independent students or attending the institution on less than a full-time basis, then a reasonable proportion of the allocation shall be made available to such students.

(e) USE AND TRANSFER OF FUNDS FOR ADMINISTRATIVE EXPENSES.—An agreement entered into pursuant to this section shall provide that funds granted to an institution of higher education may be used only to make payments to students participating in a grant program authorized under this subpart, except that an institution may use a portion of the sums allocated to it under this subpart to meet administrative expenses in accordance with section 489 of this title.

#### SEC. 413D. [20 U.S.C. 1070b-3] ALLOCATION OF FUNDS.

(a) ALLOCATION BASED ON PREVIOUS ALLOCATION<sup>1</sup>.—(1) From the amount appropriated pursuant to section 413A(b) for each fiscal year, the Secretary shall first allocate to each eligible institution an amount equal to 100 percent of the amount such institution received under subsections (a) and (b) of this section for fiscal year

<sup>1</sup>The allocation provisions of section 413D of the Higher Education Act of 1965 were amended by section 406(c) of the Higher Education Amendments of 1998 (P.L. 105-244; 112 Stat. 1665). Paragraph (3) of that section 406(c) contained the following effective date provision:

(3) EFFECTIVE DATE.—The amendments made by this subsection shall apply with respect to allocations of amounts appropriated pursuant to section 413A(b) of the Higher Education Act of 1965 for fiscal year 2000 or any succeeding fiscal year.

1999 (as such subsections were in effect with respect to allocations for such fiscal year).<sup>2</sup>

(2)(A) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this subpart after fiscal year 1999 but is not a first or second time participant, an amount equal to the greater of—

(i) \$5,000; or

(ii) 90 percent of the amount received and used under this subpart for the first year it participated in the program.

(B) From the amount so appropriated, the Secretary shall next allocate to each eligible institution that began participation in the program under this subpart after fiscal year 1999 and is a first or second time participant, an amount equal to the greatest of—

(i) \$5,000;

(ii) an amount equal to (I) 90 percent of the amount received and used under this subpart in the second preceding fiscal year by eligible institutions offering comparable programs of instruction, divided by (II) the number of students enrolled at such comparable institutions in such fiscal year, multiplied by (III) the number of students enrolled at the applicant institution in such fiscal year; or

(iii) 90 percent of the institution's allocation under this part for the preceding fiscal year.

(C) Notwithstanding subparagraphs (A) and (B) of this paragraph, the Secretary shall allocate to each eligible institution which

(i) was a first-time participant in the program in fiscal year 2000 or any subsequent fiscal year, and

(ii) received a larger amount under this subsection in the second year of participation,

an amount equal to 90 percent of the amount it received under this subsection in its second year of participation.

(3)(A) If the amount appropriated for any fiscal year is less than the amount required to be allocated to all institutions under paragraph (1) of this subsection, then the amount of the allocation to each such institution shall be ratably reduced.

(B) If the amount appropriated for any fiscal year is more than the amount required to be allocated to all institutions under paragraph (1) but less than the amount required to be allocated to all institutions under paragraph (2), then—

(i) the Secretary shall allot the amount required to be allocated to all institutions under paragraph (1), and

(ii) the amount of the allocation to each institution under paragraph (2) shall be ratably reduced.

(C) If additional amounts are appropriated for any such fiscal year, such reduced amounts shall be increased on the same basis as they were reduced (until the amount allocated equals the amount required to be allocated under paragraphs (1) and (2) of this subsection).

<sup>2</sup>Section 406(c)(1)(A) of the Higher Education Amendments of 1998 (P.L. 105-244; 112 Stat. 1665) amended subsection (a)(1) by striking "received and used under this part for fiscal year 1985" and inserting "received under" through "such fiscal year". The amendment, executed to reflect the probable intent of Congress, probably should have been to strike "subpart" not "part".

(4)(A) Notwithstanding any other provision of this section, the Secretary may allocate an amount equal to not more than 10 percent of the amount by which the amount appropriated in any fiscal year to carry out this part exceeds \$700,000,000 among eligible institutions described in subparagraph (B).

(B) In order to receive an allocation pursuant to subparagraph (A) an institution shall be an eligible institution from which 50 percent or more of the Pell Grant recipients attending such eligible institution graduate from or transfer to a 4-year institution of higher education.

(b) ALLOCATION OF EXCESS BASED ON FAIR SHARE.—(1) From the remainder of the amount appropriated pursuant to section 413A(b) for each year (after making the allocations required by subsection (a)), the Secretary shall allocate to each eligible institution which has an excess eligible amount an amount which bears the same ratio to such remainder as such excess eligible amount bears to the sum of the excess eligible amounts of all such eligible institutions (having such excess eligible amounts).

(2) For any eligible institution, the excess eligible amount is the amount, if any, by which—

(A)(i) the amount of that institution's need (as determined under subsection (c)), divided by (ii) the sum of the need of all institutions (as so determined), multiplied by (iii) the amount appropriated pursuant to section 413A(b) of the fiscal year; exceeds

(B) the amount required to be allocated to that institution under subsection (a).

(c) DETERMINATION OF INSTITUTION'S NEED.—(1) The amount of an institution's need is equal to—

(A) the sum of the need of the institution's eligible undergraduate students; minus

(B) the sum of grant aid received by students under subparts 1 and 3 of this part.

(2) To determine the need of an institution's eligible undergraduate students, the Secretary shall—

(A) establish various income categories for dependent and independent undergraduate students;

(B) establish an expected family contribution for each income category of dependent and independent undergraduate students, determined on the basis of the average expected family contribution (computed in accordance with part F of this title) of a representative sample within each income category for the second preceding fiscal year;

(C) compute 75 percent of the average cost of attendance for all undergraduate students;

(D) multiply the number of eligible dependent students in each income category by 75 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C), minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;

(E) add the amounts determined under subparagraph (D) for each income category of dependent students;

(F) multiply the number of eligible independent students in each income category by 75 percent of the average cost of attendance for all undergraduate students determined under subparagraph (C), minus the expected family contribution determined under subparagraph (B) for that income category, except that the amount computed by such subtraction shall not be less than zero;

(G) add the amounts determined under subparagraph (F) for each income category of independent students; and

(H) add the amounts determined under subparagraphs (E) and (G).

(3)(A) For purposes of paragraph (2), the term "average cost of attendance" means the average of the attendance costs for undergraduate students which shall include (i) tuition and fees determined in accordance with subparagraph (B), (ii) standard living expenses determined in accordance with subparagraph (C), and (iii) books and supplies determined in accordance with subparagraph (D).

(B) The average undergraduate tuition and fees described in subparagraph (A)(i) shall be computed on the basis of information reported by the institution to the Secretary, which shall include (i) total revenue received by the institution from undergraduate tuition and fees for the second year preceding the year for which it is applying for an allocation, and (ii) the institution's enrollment for such second preceding year.

(C) The standard living expense described in subparagraph (A)(ii) is equal to 150 percent of the difference between the income protection allowance for a family of five with one in college and the income protection allowance for a family of six with one in college for a single independent student.

(D) The allowance for books and supplies described in subparagraph (A)(iii) is equal to \$450.

(d) REALLOCATION OF EXCESS ALLOCATIONS.—(1) If an institution returns to the Secretary any portion of the sums allocated to such institution under this section for any fiscal year the Secretary shall, in accordance with regulations, reallocate such excess to other institutions.

(2) If under paragraph (1) of this subsection an institution returns more than 10 percent of its allocation, the institution's allocation for the next fiscal year shall be reduced by the amount returned. The Secretary may waive this paragraph for a specific institution if the Secretary finds that enforcing this paragraph would be contrary to the interest of the program.

(e) FILING DEADLINES.—The Secretary shall, from time to time, set dates before which institutions must file applications for allocations under this part.

**SEC. 413E. [20 U.S.C. 1070b-4] CARRYOVER AND CARRYBACK AUTHORITY.**

(a) CARRYOVER AUTHORITY.—Of the sums made available to an eligible institution under this subpart for a fiscal year, not more than 10 percent may, at the discretion of the institution, remain available for expenditure during the succeeding fiscal year to carry out the program under this subpart.

(b) CARRYBACK AUTHORITY.—

(1) IN GENERAL.—Of the sums made available to an eligible institution under this subpart for a fiscal year, not more than 10 percent may, at the discretion of the institution, be used by the institution for expenditure for the fiscal year preceding the fiscal year for which the sums were appropriated.

(2) USE OF CARRIED-BACK FUNDS.—An eligible institution may make grants to students after the end of the academic year, but prior to the beginning of the succeeding fiscal year, from such succeeding fiscal year's appropriations.

SUBPART 4—LEVERAGING EDUCATIONAL ASSISTANCE PARTNERSHIP PROGRAM

**SEC. 415A. [20 U.S.C. 1070c] PURPOSE; APPROPRIATIONS AUTHORIZED.**

(a) PURPOSE OF SUBPART.—It is the purpose of this subpart to make incentive grants available to States to assist States in—

(1) providing grants to—

(A) eligible students attending institutions of higher education or participating in programs of study abroad that are approved for credit by institutions of higher education at which such students are enrolled; and

(B) eligible students for campus-based community service work-study; and

(2) carrying out the activities described in section 415E.

(b) AUTHORIZATION OF APPROPRIATIONS; AVAILABILITY.—

(1) IN GENERAL.—There are authorized to be appropriated \$105,000,000 for fiscal year 1999, and such sums as may be necessary for each of the 4 succeeding fiscal years.

(2) RESERVATION.—For any fiscal year for which the amount appropriated under paragraph (1) exceeds \$30,000,000, the excess shall be available to carry out section 415E.

(3) AVAILABILITY.—Sums appropriated pursuant to the authority of paragraph (1) for any fiscal year shall remain available for payments to States under this subpart until the end of the fiscal year succeeding the fiscal year for which such sums were appropriated.

**SEC. 415B. [20 U.S.C. 1070c-1] ALLOTMENT AMONG STATES.**

(a) ALLOTMENT BASED ON NUMBER OF ELIGIBLE STUDENTS IN ATTENDANCE.—(1) From the sums appropriated pursuant to section 415A(b)(1) and not reserved under section 415A(b)(2) for any fiscal year, the Secretary shall allot to each State an amount which bears the same ratio to such sums as the number of students who are deemed eligible in such State for participation in the grant program authorized by this subpart bears to the total number of such students in all the States, except that no State shall receive less than the State received for fiscal year 1979.

(2) For the purpose of this subsection, the number of students who are deemed eligible in a State for participation in the grant program authorized by this subpart, and the number of such students in all the States, shall be determined for the most recent year for which satisfactory data are available.

(b) REALLOTMENT.—The amount of any State's allotment under subsection (a) for any fiscal year which the Secretary determines

will not be required for such fiscal year for the leveraging educational assistance partnership program of that State shall be available for reallocation from time to time, on such dates during such year as the Secretary may fix, to other States in proportion to the original allotments to such States under such part for such year, but with such proportionate amount for any of such States being reduced to the extent it exceeds the sum the Secretary estimates such State needs and will be able to use for such year for carrying out the State plan. The total of such reductions shall be similarly reallocated among the States whose proportionate amounts were not so reduced. Any amount reallocated to a State under this part during a year from funds appropriated pursuant to section 415A(b)(1) shall be deemed part of its allotment under subsection (a) for such year.

(c) ALLOTMENTS SUBJECT TO CONTINUING COMPLIANCE.—The Secretary shall make payments for continuing incentive grants only to States which continue to meet the requirements of section 415C(b).

**SEC. 415C. [20 U.S.C. 1070c-2] APPLICATIONS FOR LEVERAGING EDUCATIONAL ASSISTANCE PARTNERSHIP PROGRAMS.**

(a) SUBMISSION AND CONTENTS OF APPLICATIONS.—A State which desires to obtain a payment under this subpart for any fiscal year shall submit annually an application therefor through the State agency administering its program under this subpart as of July 1, 1985, unless the Governor of that State so designates, in writing, a different agency to administer the program. The application shall contain such information as may be required by, or pursuant to, regulation for the purpose of enabling the Secretary to make the determinations required under this subpart.

(b) PAYMENT OF FEDERAL SHARE OF GRANTS MADE BY QUALIFIED PROGRAM.—From a State's allotment under this subpart for any fiscal year the Secretary is authorized to make payments to such State for paying up to 50 percent of the amount of student grants pursuant to a State program which—

- (1) is administered by a single State agency;
- (2) provides that such grants will be in amounts not in excess of \$5,000 per academic year (A) for attendance on a full-time basis at an institution of higher education, and (B) for campus-based community service work learning study jobs;
- (3) provides that—
  - (A) not more than 20 percent of the allotment to the State for each fiscal year may be used for the purpose described in paragraph (2)(B);
  - (B) grants for the campus-based community work learning study jobs may be made only to students who are otherwise eligible for assistance under this subpart; and
  - (C) grants for such jobs be made in accordance with the provisions of section 443(b)(1);
- (4) provides for the selection of recipients of such grants or of such State work-study jobs on the basis of substantial financial need determined annually on the basis of criteria established by the State and approved by the Secretary, except that for the purpose of collecting data to make such determination

of financial need, no student or parent shall be charged a fee that is payable to an entity other than such State;

(5) provides that, effective with respect to any academic year beginning on or after October 1, 1978, all nonprofit institutions of higher education in the State are eligible to participate in the State program, except in any State in which participation of nonprofit institutions of higher education is in violation of the constitution of the State or in any State in which participation of nonprofit institutions of higher education is in violation of a statute of the State which was enacted prior to October 1, 1978;

(6) provides for the payment of the non-Federal portion of such grants or of such work-study jobs from funds supplied by such State which represent an additional expenditure for such year by such State for grants or work-study jobs for students attending institutions of higher education over the amount expended by such State for such grants or work-study jobs, if any, during the second fiscal year preceding the fiscal year in which such State initially received funds under this subpart;

(7) provides that if the State's allocation under this subpart is based in part on the financial need demonstrated by students who are independent students or attending the institution less than full time, a reasonable proportion of the State's allocation shall be made available to such students;

(8) provides for State expenditures under such program of an amount not less than the average annual aggregate expenditures for the preceding three fiscal years or the average annual expenditure per full-time equivalent student for such years;

(9) provides (A) for such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement of and accounting for Federal funds paid to the State agency under this subpart, and (B) for the making of such reports, in such form and containing such information, as may be reasonably necessary to enable the Secretary to perform his functions under this subpart; and

(10) for any academic year beginning after June 30, 1987, provides the non-Federal share of the amount of student grants or work-study jobs under this subpart through a direct appropriation of State funds for the program under this subpart.

(c) RESERVATION AND DISBURSEMENT OF ALLOTMENTS AND REALLOTMENTS.—Upon his approval of any application for a payment under this subpart, the Secretary shall reserve from the applicable allotment (including any applicable reallocation) available therefor, the amount of such payment, which (subject to the limits of such allotment or reallocation) shall be equal to the Federal share of the cost of the students' incentive grants or work-study jobs covered by such application. The Secretary shall pay such reserved amount, in advance or by way of reimbursement, and in such installments as the Secretary may determine. The Secretary may amend the reservation of any amount under this section, either upon approval of an amendment of the application or upon revision of the estimated cost of the student grants or work-study jobs with respect to which

such reservation was made. If the Secretary approves an upward revision of such estimated cost, the Secretary may reserve the Federal share of the added cost only from the applicable allotment (or reallocation) available at the time of such approval.

**SEC. 415D. [20 U.S.C. 1070c-3] ADMINISTRATION OF STATE PROGRAMS; JUDICIAL REVIEW.**

(a) DISAPPROVAL OF APPLICATIONS; SUSPENSION OF ELIGIBILITY.—(1) The Secretary shall not finally disapprove any application for a State program submitted under section 415C, or any modification thereof, without first affording the State agency submitting the program reasonable notice and opportunity for a hearing.

(2) Whenever the Secretary, after reasonable notice and opportunity for hearing to the State agency administering a State program approved under this subpart, finds—

(A) that the State program has been so changed that it no longer complies with the provisions of this subpart, or

(B) that in the administration of the program there is a failure to comply substantially with any such provisions, the Secretary shall notify such State agency that the State will not be regarded as eligible to participate in the program under this subpart until he is satisfied that there is no longer any such failure to comply.

(b) REVIEW OF DECISIONS.—(1) If any State is dissatisfied with the Secretary's final action with respect to the approval of its State program submitted under this subpart or with his final action under subsection (a), such State may appeal to the United States court of appeals for the circuit in which such State is located. The summons and notice of appeal may be served at any place in the United States. The Commissioner shall forthwith certify and file in the court the transcript of the proceedings and the record on which he based his action.

(2) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence, and the Secretary may thereupon make new or modified findings of fact and may modify his previous action, and shall certify to the court the transcript and record of further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(3) The court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in title 28, United States Code, section 1254.

### **Subpart 8—Learning Anytime Anywhere Partnerships**

#### **SEC. 420D. [20 U.S.C. 1070f] FINDINGS.**

Congress makes the following findings:

(1) The nature of postsecondary education delivery is changing, and new technology and other related innovations can provide promising education opportunities for individuals who are currently not being served, particularly for individuals without easy access to traditional campus-based postsecondary education or for whom traditional courses are a poor match with education or training needs.

(2) Individuals, including individuals seeking basic or technical skills or their first postsecondary experience, individuals with disabilities, dislocated workers, individuals making the transition from welfare-to-work, and individuals who are limited by time and place constraints can benefit from nontraditional, noncampus-based postsecondary education opportunities and appropriate support services.

(3) The need for high-quality, nontraditional, technology-based education opportunities is great, as is the need for skill competency credentials and other measures of educational progress and attainment that are valid and widely accepted, but neither need is likely to be adequately addressed by the uncoordinated efforts of agencies and institutions acting independently and without assistance.

(4) Partnerships, consisting of institutions of higher education, community organizations, or other public or private agencies or organizations, can coordinate and combine institutional resources—

(A) to provide the needed variety of education options to students; and

(B) to develop new means of ensuring accountability and quality for innovative education methods.

(A) to encourage States and nonprofit private institutions and organizations to establish adequate loan insurance programs for students in eligible institutions (as defined in section 435),

(B) to provide a Federal program of student loan insurance for students or lenders who do not have reasonable access to a State or private nonprofit program of student loan insurance covered by an agreement under section 428(b),

(C) to pay a portion of the interest on loans to qualified students which are insured under this part, and

(D) to guarantee a portion of each loan insured under a program of a State or of a nonprofit private institution or organization which meets the requirements of section 428(a)(1)(B).

(2) **DISCRIMINATION BY CREDITORS PROHIBITED.**—No agency, organization, institution, bank, credit union, corporation, or other lender who regularly extends, renews, or continues credit or provides insurance under this part shall exclude from receipt or deny the benefits of, or discriminate against any borrower or applicant in obtaining, such credit or insurance on the basis of race, national origin, religion, sex, marital status, age, or handicapped status.

(b) **AUTHORIZATION OF APPROPRIATIONS.**—For the purpose of carrying out this part—

(1) there are authorized to be appropriated to the student loan insurance fund (established by section 431) (A) the sum of \$1,000,000, and (B) such further sums, if any, as may become necessary for the adequacy of the student loan insurance fund,

(2) there are authorized to be appropriated, for payments under section 428 with respect to interest on student loans and for payments under section 437, such sums for the fiscal year ending June 30, 1966, and succeeding fiscal years, as may be required therefor,

(c) DESIGNATION.—The program established under this part shall be referred to as the “Robert T. Stafford Federal Student Loan Program”. Loans made pursuant to sections 427 and 428 shall be known as “Federal Stafford Loans”.

**SEC. 422. [20 U.S.C. 1072] ADVANCES FOR RESERVE FUNDS OF STATE AND NONPROFIT PRIVATE LOAN INSURANCE PROGRAMS.**

(a) PURPOSE OF AND AUTHORITY FOR ADVANCES TO RESERVE FUNDS.—

(1) PURPOSE; ELIGIBLE RECIPIENTS.—From sums appropriated pursuant to paragraphs (3) and (4)(A) of section 421(b), the Secretary is authorized to make advances to any State with which the Secretary has made an agreement pursuant to section 428(b) for the purpose of helping to establish or strengthen the reserve fund of the student loan insurance program covered by that agreement. If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances for such year for the same purpose to one or more nonprofit private institutions or organizations with which the Secretary has made an agreement pursuant to section 428(b) in order to enable students in the State to participate in a program of student loan insurance covered by such an agreement. The Secretary may make advances under this subsection both to a State program (with which he has such an agreement) and to one or more nonprofit private institutions or organizations (with which he has such an agreement) in that State if he determines that such advances are necessary in order that students in each eligible institution have access through such institution to a student loan insurance program which meets the requirements of section 428(b)(1).

(2) MATCHING REQUIREMENT.—No advance shall be made after June 30, 1968, unless matched by an equal amount from non-Federal sources. Such equal amount may include the unencumbered non-Federal portion of a reserve fund. As used in the preceding sentence, the term “unencumbered non-Federal portion” means the amount (determined as of the time immediately preceding the making of the advance) of the reserve fund less the greater of—

(A) the sum of—

(i) advances made under this section prior to July 1, 1968;

(ii) an amount equal to twice the amount of advances made under this section after June 30, 1968, and before the advance for purposes of which the determination is made; and

(iii) the proceeds of earnings on advances made under this section; or

(B) any amount which is required to be maintained in such fund pursuant to State law or regulation, or by agreement with lenders, as a reserve against the insurance of outstanding loans.

Except as provided in section 428(c)(9)(E) or (F), such unencumbered non-Federal portion shall not be subject to recall, repayment, or recovery by the Secretary.

(3) TERMS AND CONDITIONS; REPAYMENT.—Advances pursuant to this subsection shall be upon such terms and conditions (including conditions relating to the time or times of payment) consistent with the requirements of section 428(b) as the Secretary determines will best carry out the purpose of this section. Advances made by the Secretary under this subsection shall be repaid within such period as the Secretary may deem to be appropriate in each case in the light of the maturity and solvency of the reserve fund for which the advance was made.

(b) LIMITATIONS ON TOTAL ADVANCES.—

(1) IN GENERAL.—The total of the advances from the sums appropriated pursuant to paragraph (4)(A) of section 421(b) to nonprofit private institutions and organizations for the benefit of students in any State and to such State may not exceed an amount which bears the same ratio to such sums as the population of such State aged 18 to 22, inclusive, bears to the population of all the States aged 18 to 22 inclusive, but such advances may otherwise be in such amounts as the Secretary determines will best achieve the purposes for which they are made. The amount available for advances to any State shall not be less than \$25,000 and any additional funds needed to meet this requirement shall be derived by proportionately reducing (but not below \$25,000) the amount available for advances to each of the remaining States.

(2) CALCULATION OF POPULATION.—For the purpose of this subsection, the population aged 18 to 22, inclusive, of each State and of all the States shall be determined by the Secretary on the basis of the most recent satisfactory data available to him.

(c) ADVANCES FOR INSURANCE OBLIGATIONS.—

(1) USE FOR PAYMENT OF INSURANCE OBLIGATIONS.—From sums appropriated pursuant to section 421(b)(4)(B), the Secretary shall advance to each State which has an agreement with the Secretary under section 428(c) with respect to a student loan insurance program, an amount determined in accordance with paragraph (2) of this subsection to be used for the purpose of making payments under the State's insurance obligations under such program.

(2) AMOUNT OF ADVANCES.—(A) Except as provided in subparagraph (B), the amount to be advanced to each such State shall be equal to 10 percent of the principal amount of loans made by lenders and insured by such agency on those loans on which the first payment of principal became due during the fiscal year immediately preceding the fiscal year in which the advance is made.

(B) The amount of any advance determined according to subparagraph (A) of this paragraph shall be reduced by—

(i) the amount of any advance or advances made to such State pursuant to this subsection at an earlier date; and

(ii) the amount of the unspent balance of the advances made to a State pursuant to subsection (a).

Notwithstanding subparagraph (A) and the preceding sentence of this subparagraph, but subject to subparagraph (D) of this paragraph, the amount of any advance to a State described in paragraph (5)(A) for the first year of its eligibility under such paragraph, and the amount of any advance to any State described in paragraph (5)(B) for each year of its eligibility under such paragraph, shall not be less than \$50,000.

(C) For the purpose of subparagraph (B), the unspent balance of the advances made to a State pursuant to subsection (a) shall be that portion of the balance of the State's reserve fund (remaining at the time of the State's first request for an advance pursuant to this subsection) which bears the same ratio to such balance as the Federal advances made and not returned by such State, pursuant to subsection (a), bears to the total of all past contributions to such reserve funds from all sources (other than interest on investment of any portion of the reserve fund) contributed since the date such State executed an agreement pursuant to section 428(b).

(D) If the sums appropriated for any fiscal year for paying the amounts determined under subparagraphs (A) and (B) are not sufficient to pay such amounts in full, then such amounts shall be reduced—

(i) by ratably reducing that portion of the amount allocated to each State which exceeds \$50,000; and

(ii) if further reduction is required, by equally reducing the \$50,000 minimum allocation of each State.

If additional sums become available for paying such amounts for any fiscal year during which the preceding sentence has been applied, such reduced amounts shall be increased on the same basis as they were reduced.

(3) USE OF EARNINGS FOR INSURANCE OBLIGATIONS.—The earnings, if any, on any investments of advances received pursuant to this subsection must be used for making payments under the State's insurance obligations.

(4) REPAYMENT OF ADVANCES.—Advances made by the Secretary under this subsection shall, subject to subsection (d), be repaid within such period as the Secretary may deem to be appropriate and shall be deposited in the fund established by section 431.

(5) LIMITATION ON NUMBER OF ADVANCES.—Except as provided in paragraph (7), advances pursuant to this subsection shall be made to a State—

(A) in the case of a State which is actively carrying on a program under an agreement pursuant to section 428(b) which was entered into before October 12, 1976, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the 2 succeeding calendar years after the date so requested; and

(B) in the case of a State which enters into an agreement pursuant to section 428(b) on or after October 12, 1976, or which is not actively carrying on a program under an agreement pursuant to such section on such date, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the 4 succeeding calendar years after the date so requested of the advance.

(6) PAYMENT OF ADVANCES WHERE NO STATE PROGRAM.—

(A) If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances pursuant to this subsection for such year for the same purpose to one or more nonprofit private institutions or organizations with which he has made an agreement pursuant to subsection (c), as well as subsection (b), of section 428 and subparagraph (B) of this paragraph in order to enable students in that State to participate in a program of student loan insurance covered by such agreements.

(B) The Secretary may enter into an agreement with a private nonprofit institution or organization for the purpose of this paragraph under which such institution or organization—

(i) agrees to establish within such State at least one office with sufficient staff to handle written, electronic, and telephone inquiries from students, eligible lenders, and other persons in the State, to encourage maximum commercial lender participation within the State, and to conduct periodic visits to at least the major eligible lenders within the State;

(ii) agrees that its insurance will not be denied any student because of his or her choice of eligible institutions; and

(iii) certifies that it is neither an eligible institution, nor has any substantial affiliation with an eligible institution.

(7) EMERGENCY ADVANCES.—The Secretary is authorized to make advances, on terms and conditions satisfactory to the Secretary, to a guaranty agency—

(A) in accordance with section 428(j), in order to ensure that the guaranty agency shall make loans as the lender-of-last-resort; or

(B) if the Secretary is seeking to terminate the guaranty agency's agreement, or assuming the guaranty agency's functions, in accordance with section 428(c)(9)(F)(v), in order to assist the agency in meeting its immediate cash needs, ensure the uninterrupted payment of claims, or ensure that the guaranty agency shall make loans as described in subparagraph (A).

(d) RECOVERY OF ADVANCES DURING FISCAL YEARS 1988 AND 1989.—

(1) AMOUNT AND USE OF RECOVERED FUNDS.—Notwithstanding any other provision of this section, advances made by the Secretary under this section shall be repaid in accordance with this subsection and shall be deposited in the fund established by section 431. The Secretary shall, in accordance with the requirements of paragraph (2), recover (and so deposit) an amount equal to \$75,000,000 during fiscal year 1988 and an amount equal to \$35,000,000 for fiscal year 1989.

(2) DETERMINATION OF GUARANTY AGENCY OBLIGATIONS.—In determining the amount of advances which shall be repaid by a guaranty agency under paragraph (1), the Secretary—

(A) shall consider the solvency and maturity of the reserve and insurance funds of the guaranty agency assisted by such advances, as determined by the Comptroller General taking into account the requirements of State law as in effect on the date of enactment of the Higher Education Amendments of 1986;

(B) shall not seek repayment of such advances from any State described in subsection (c)(5)(B) during any year of its eligibility under such subsection; and

(C) shall not seek repayment of such advances from any State if such repayment encumbers the reserve fund requirement of State law as in effect on such date of enactment.

(e) CORRECTION FOR ERRORS UNDER REDUCTION OF EXCESS CASH RESERVES.—

(1) IN GENERAL.—The Secretary shall pay any guaranty agency the amount of reimbursement of claims under section 428(c)(1), filed between September 1, 1988, and December 31, 1989, which were previously withheld or canceled in order to be applied to satisfy such agency's obligation to eliminate excess cash reserves held by such agency, based on the maximum cash reserve (as described in subsection (e) of this section as in effect on September 1, 1988) permitted at the end of 1986, if such maximum cash reserve was miscalculated because of erroneous financial information provided by such agency to the Secretary and if (A) such erroneous information is verified by an audited financial statement of the reserve fund, signed by a certified public accountant, and (B) such audited financial statement is provided to the Secretary prior to January 1, 1993.

(2) AMOUNT.—The amount of reimbursement for claims shall be equal to the amount of reimbursement for claims withheld or canceled in order to be applied to such agency's obligation to eliminate excess cash reserves which exceeds the

amount of that which would have been withheld or canceled if the maximum excess cash reserves had been accurately calculated.

(f) REFUND OF CASH RESERVE PAYMENTS.—The Secretary shall, within 30 days after the date of enactment of the Higher Education Amendments of 1992, pay the full amount of payments withheld or canceled under paragraph (3) of this subsection to any guaranty agency which—

(1) was required to eliminate excess cash reserves, based on the maximum cash reserve (as described in subsection (e) of this section as in effect on September 1, 1988) permitted at the end of 1986;

(2) appealed the Secretary's demand that such agency should eliminate such excess cash reserves and received a waiver of a portion of the amount of such excess cash reserves to be eliminated;

(3) had payments under section 428(c)(1) or section 428(f) previously withheld or canceled in order to be applied to satisfy such agency's obligation to eliminate excess cash reserves held by such agency, based on the maximum cash reserve (as described in subsection (e) of this section as in effect on September 1, 1988) permitted at the end of 1986; and

(4) according to a Department of Education review that was completed and forwarded to such guaranty agency prior to January 1, 1992, is expected to become insolvent during or before 1996 and the payments withheld or canceled under paragraph (3) of this subsection are a factor in such agency's impending insolvency.

(g) PRESERVATION AND RECOVERY OF GUARANTY AGENCY RESERVES.—

(1) AUTHORITY TO RECOVER FUNDS.—Notwithstanding any other provision of law, the reserve funds of the guaranty agencies, and any assets purchased with such reserve funds, regardless of who holds or controls the reserves or assets, shall be considered to be the property of the United States to be used in the operation of the program authorized by this part. However, the Secretary may not require the return of all reserve funds of a guaranty agency to the Secretary unless the Secretary determines that such return is in the best interest of the operation of the program authorized by this part, or to ensure the proper maintenance of such agency's funds or assets or the orderly termination of the guaranty agency's operations and the liquidation of its assets. The reserves shall be maintained by each guaranty agency to pay program expenses and contingent liabilities, as authorized by the Secretary, except that—

(A) the Secretary may direct a guaranty agency to return to the Secretary a portion of its reserve fund which the Secretary determines is unnecessary to pay the program expenses and contingent liabilities of the guaranty agency;

(B) the Secretary may direct the guaranty agency to require the return, to the guaranty agency or to the Secretary, of any reserve funds or assets held by, or under the

control of, any other entity, which the Secretary determines are necessary to pay the program expenses and contingent liabilities of the guaranty agency, or which are required for the orderly termination of the guaranty agency's operations and the liquidation of its assets;

(C) the Secretary may direct a guaranty agency, or such agency's officers or directors, to cease any activities involving expenditure, use or transfer of the guaranty agency's reserve funds or assets which the Secretary determines is a misapplication, misuse, or improper expenditure of such funds or assets; and

(D) any such determination under subparagraph (A) or (B) shall be based on standards prescribed by regulations that are developed through negotiated rulemaking and that include procedures for administrative due process.

(2) TERMINATION PROVISIONS IN CONTRACTS.—(A) To ensure that the funds and assets of the guaranty agency are preserved, any contract with respect to the administration of a guaranty agency's reserve funds, or the administration of any assets purchased or acquired with the reserve funds of the guaranty agency, that is entered into or extended by the guaranty agency, or any other party on behalf of or with the concurrence of the guaranty agency, after the date of enactment of this subsection shall provide that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that such contract includes an impermissible transfer of the reserve funds or assets, or is otherwise inconsistent with the terms or purposes of this section.

(B) The Secretary may direct a guaranty agency to suspend or cease activities under any contract entered into by or on behalf of such agency after January 1, 1993, if the Secretary determines that the misuse or improper expenditure of such guaranty agency's funds or assets or such contract provides unnecessary or improper benefits to such agency's officers or directors.

(3) PENALTIES.—Violation of any direction issued by the Secretary under this subsection may be subject to the penalties described in section 490 of this Act.

(4) AVAILABILITY OF FUNDS.—Any funds that are returned or otherwise recovered by the Secretary pursuant to this subsection shall be available for expenditure for expenses pursuant to section 458 of this Act.

(h) RECALL OF RESERVES; LIMITATIONS ON USE OF RESERVE FUNDS AND ASSETS.—

(1) IN GENERAL.—Notwithstanding any other provision of law, the Secretary shall, except as otherwise provided in this subsection, recall \$1,000,000,000 from the reserve funds held by guaranty agencies on September 1, 2002.

(2) DEPOSIT.—Funds recalled by the Secretary under this subsection shall be deposited in the Treasury.

(3) REQUIRED SHARE.—The Secretary shall require each guaranty agency to return reserve funds under paragraph (1) based on the agency's required share of recalled reserve funds held by guaranty agencies as of September 30, 1996. For pur-

poses of this paragraph, a guaranty agency's required share of recalled reserve funds shall be determined as follows:

(A) The Secretary shall compute each guaranty agency's reserve ratio by dividing (i) the amount held in the agency's reserve funds as of September 30, 1996 (but reflecting later accounting or auditing adjustments approved by the Secretary), by (ii) the original principal amount of all loans for which the agency has an outstanding insurance obligation as of such date, including amounts of outstanding loans transferred to the agency from another guaranty agency.

(B) If the reserve ratio of any guaranty agency as computed under subparagraph (A) exceeds 2.0 percent, the agency's required share shall include so much of the amounts held in the agency's reserve funds as exceed a reserve ratio of 2.0 percent.

(C) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraph (B)), such additional amount shall be obtained by imposing on each guaranty agency an equal percentage reduction in the amount of the agency's reserve funds remaining after deduction of the amount recalled under subparagraph (B), except that such percentage reduction under this subparagraph shall not result in the agency's reserve ratio being reduced below 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

(i) the additional amount required to be recalled (after deducting the total of the required shares calculated under subparagraph (B)), by

(ii) the total amount of all such agencies' reserve funds remaining (after deduction of the required shares calculated under such subparagraph).

(D) If any additional amount is required to be recalled under paragraph (1) (after deducting the total of the required shares calculated under subparagraphs (B) and (C)), such additional amount shall be obtained by imposing on each guaranty agency with a reserve ratio (after deducting the required shares calculated under such subparagraphs) in excess of 0.58 percent an equal percentage reduction in the amount of the agency's reserve funds remaining (after such deduction) that exceed a reserve ratio of 0.58 percent. The equal percentage reduction shall be the percentage obtained by dividing—

(i) the additional amount to be recalled under paragraph (1) (after deducting the amount recalled under subparagraphs (B) and (C)), by

(ii) the total amount of all such agencies' reserve funds remaining (after deduction of the required shares calculated under such subparagraphs) that exceed a reserve ratio of 0.58 percent.

(4) RESTRICTED ACCOUNTS REQUIRED.—

(A) IN GENERAL.—Within 90 days after the beginning of each of the fiscal years 1998 through 2002, each guar-

anty agency shall transfer a portion of the agency's required share determined under paragraph (3) to a restricted account established by the agency that is of a type selected by the agency with the approval of the Secretary. Funds transferred to such restricted accounts shall be invested in obligations issued or guaranteed by the United States or in other similarly low-risk securities.

(B) REQUIREMENT.—A guaranty agency shall not use the funds in such a restricted account for any purpose without the express written permission of the Secretary, except that a guaranty agency may use the earnings from such restricted account for default reduction activities.

(C) INSTALLMENTS.—In each of fiscal years 1998 through 2002, each guaranty agency shall transfer the agency's required share to such restricted account in 5 equal annual installments, except that—

(i) a guaranty agency that has a reserve ratio (as computed under subparagraph (3)(A)) equal to or less than 1.10 percent may transfer the agency's required share to such account in 4 equal installments beginning in fiscal year 1999; and

(ii) a guaranty agency may transfer such required share to such account in accordance with such other payment schedules as are approved by the Secretary.

(5) SHORTAGE.—If, on September 1, 2002, the total amount in the restricted accounts described in paragraph (4) is less than the amount the Secretary is required to recall under paragraph (1), the Secretary shall require the return of the amount of the shortage from other reserve funds held by guaranty agencies under procedures established by the Secretary. The Secretary shall first attempt to obtain the amount of such shortage from each guaranty agency that failed to transfer the agency's required share to the agency's restricted account in accordance with paragraph (4).

(6) ENFORCEMENT.—

(A) IN GENERAL.—The Secretary may take such reasonable measures, and require such information, as may be necessary to ensure that guaranty agencies comply with the requirements of this subsection.

(B) PROHIBITION.—If the Secretary determines that a guaranty agency has failed to transfer to a restricted account any portion of the agency's required share under this subsection, the agency may not receive any other funds under this part until the Secretary determines that the agency has so transferred the agency's required share.

(C) WAIVER.—The Secretary may waive the requirements of subparagraph (B) for a guaranty agency described in such subparagraph if the Secretary determines that there are extenuating circumstances beyond the control of the agency that justify such waiver.

(7) LIMITATION.—

(A) RESTRICTION ON OTHER AUTHORITY.—The Secretary shall not have any authority to direct a guaranty agency to return reserve funds under subsection (g)(1)(A) during

the period from the date of enactment of the Balanced Budget Act of 1997 through September 30, 2002.

(B) USE OF TERMINATION COLLECTIONS.—Any reserve funds directed by the Secretary to be returned to the Secretary under subsection (g)(1)(B) during such period that do not exceed a guaranty agency's required share of recalled reserve funds under paragraph (3)—

(i) shall be used to satisfy the agency's required share of recalled reserve funds; and

(ii) shall be deposited in the restricted account established by the agency under paragraph (4), without regard to whether such funds exceed the next installment required under such paragraph.

(C) USE OF SANCTIONS COLLECTIONS.—Any reserve funds directed by the Secretary to be returned to the Secretary under subsection (g)(1)(C) during such period that do not exceed a guaranty agency's next installment under paragraph (4)—

(i) shall be used to satisfy the agency's next installment; and

(ii) shall be deposited in the restricted account established by the agency under paragraph (4).

(D) BALANCE AVAILABLE TO SECRETARY.—Any reserve funds directed by the Secretary to be returned to the Secretary under subparagraph (B) or (C) of subsection (g)(1) that remain after satisfaction of the requirements of subparagraphs (B) and (C) of this paragraph shall be deposited in the Treasury.

(8) DEFINITIONS.—For the purposes of this subsection:

(A) DEFAULT REDUCTION ACTIVITIES.—The term "default reduction activities" means activities to reduce student loan defaults that improve, strengthen, and expand default prevention activities, such as—

(i) establishing a program of partial loan cancellation to reward disadvantaged borrowers for good repayment histories with their lenders;

(ii) establishing a financial and debt management counseling program for high-risk borrowers that provides long-term training (beginning prior to the first disbursement of the borrower's first student loan and continuing through the completion of the borrower's program of education or training) in budgeting and other aspects of financial management, including debt management;

(iii) establishing a program of placement counseling to assist high-risk borrowers in identifying employment or additional training opportunities; and

(iv) developing public service announcements that would detail consequences of student loan default and provide information regarding a toll-free telephone number established by the guaranty agency for use by borrowers seeking assistance in avoiding default.

(B) RESERVE FUNDS.—The term "reserve funds" when used with respect to a guaranty agency—

(i) includes any reserve funds in cash or liquid assets held by the guaranty agency, or held by, or under the control of, any other entity; and

(ii) does not include buildings, equipment, or other nonliquid assets.

(i) ADDITIONAL RECALL OF RESERVES.—

(1) IN GENERAL.—Notwithstanding any other provision of law and subject to paragraph (4), the Secretary shall recall, from reserve funds held in the Federal Student Loan Reserve Funds established under section 422A by guaranty agencies—

(A) \$85,000,000 in fiscal year 2002;

(B) \$82,500,000 in fiscal year 2006; and

(C) \$82,500,000 in fiscal year 2007.

(2) DEPOSIT.—Funds recalled by the Secretary under this subsection shall be deposited in the Treasury.

(3) REQUIRED SHARE.—The Secretary shall require each guaranty agency to return reserve funds under paragraph (1) on the basis of the agency's required share. For purposes of this paragraph, a guaranty agency's required share shall be determined as follows:

(A) EQUAL PERCENTAGE.—The Secretary shall require each guaranty agency to return an amount representing an equal percentage reduction in the amount of reserve funds held by the agency on September 30, 1996.

(B) CALCULATION.—The equal percentage reduction shall be the percentage obtained by dividing—

(i) \$250,000,000, by

(ii) the total amount of all guaranty agencies' reserve funds held on September 30, 1996, less any amounts subject to recall under subsection (h).

(C) SPECIAL RULE.—Notwithstanding subparagraphs (A) and (B), the percentage reduction under subparagraph (B) shall not result in the depletion of the reserve funds of any agency which charges the 1.0 percent insurance premium pursuant to section 428(b)(1)(H) below an amount equal to the amount of lender claim payments paid during the 90 days prior to the date of the return under this subsection. If any additional amount is required to be returned after deducting the total of the required shares under subparagraph (B) and as a result of the preceding sentence, such additional amount shall be obtained by imposing on each guaranty agency to which the preceding sentence does not apply, an equal percentage reduction in the amount of the agency's remaining reserve funds.

(4) OFFSET OF REQUIRED SHARES.—If any guaranty agency returns to the Secretary any reserve funds in excess of the amount required under this subsection or subsection (h), the total amount required to be returned under paragraph (1) shall be reduced by the amount of such excess reserve funds returned.

(5)<sup>1</sup> DEFINITION OF RESERVE FUNDS.—The term "reserve funds" when used with respect to a guaranty agency—

<sup>1</sup> Identical definition of reserve funds appears in section 422(h)(8)(B).

(A) includes any reserve funds in cash or liquid assets held by the guaranty agency, or held by, or under the control of, any other entity; and

(B) does not include buildings, equipment, or other nonliquid assets.

**SEC. 422A. [20 U.S.C. 1072a] FEDERAL STUDENT LOAN RESERVE FUND.**

(a) **ESTABLISHMENT.**—Each guaranty agency shall, not later than 60 days after the date of enactment of this section, deposit all funds, securities, and other liquid assets contained in the reserve fund established pursuant to section 422 into a Federal Student Loan Reserve Fund (in this section and section 422B referred to as the “Federal Fund”), which shall be an account of a type selected by the agency, with the approval of the Secretary.

(b) **INVESTMENT OF FUNDS.**—Funds transferred to the Federal Fund shall be invested in obligations issued or guaranteed by the United States or a State, or in other similarly low-risk securities selected by the guaranty agency, with the approval of the Secretary. Earnings from the Federal Fund shall be the sole property of the Federal Government.

(c) **ADDITIONAL DEPOSITS.**—After the establishment of the Federal Fund, a guaranty agency shall deposit into the Federal Fund—

(1) all amounts received from the Secretary as payment of reinsurance on loans pursuant to section 428(c)(1);

(2) from amounts collected on behalf of the obligation of a defaulted borrower, a percentage amount equal to the complement of the reinsurance percentage in effect when payment under the guaranty agreement was made—

(A) with respect to the defaulted loan pursuant to sections 428(c)(6)(A) and 428F(a)(1)(B); and

(B) with respect to a loan that the Secretary has repaid or discharged under section 437;

(3) insurance premiums collected from borrowers pursuant to sections 428(b)(1)(H) and 428H(h);

(4) all amounts received from the Secretary as payment for supplemental preclaims activity performed prior to the date of enactment of this section;

(5) 70 percent of amounts received after such date of enactment from the Secretary as payment for administrative cost allowances for loans upon which insurance was issued prior to such date of enactment; and

(6) other receipts as specified in regulations of the Secretary.

(d) **USES OF FUNDS.**—Subject to subsection (f), the Federal Fund may only be used by a guaranty agency—

(1) to pay lender claims pursuant to sections 428(b)(1)(G), 428(j), 437, and 439(q); and

(2) to pay into the Agency Operating Fund established pursuant to section 422B (in this section and section 422B referred to as the “Operating Fund”) a default aversion fee in accordance with section 428(l).

(e) **OWNERSHIP OF FEDERAL FUND.**—The Federal Fund, and any nonliquid asset (such as a building or equipment) developed or purchased by the guaranty agency in whole or in part with Federal

reserve funds, regardless of who holds or controls the Federal reserve funds or such asset, shall be considered to be the property of the United States, prorated based on the percentage of such asset developed or purchased with Federal reserve funds, which property shall be used in the operation of the program authorized by this part, as provided in subsection (d). The Secretary may restrict or regulate the use of such asset only to the extent necessary to reasonably protect the Secretary's prorated share of the value of such asset. The Secretary may direct a guaranty agency, or such agency's officers or directors, to cease any activity involving expenditures, use, or transfer of the Federal Fund administered by the guaranty agency that the Secretary determines is a misapplication, misuse, or improper expenditure of the Federal Fund or the Secretary's share of such asset.

(f) TRANSITION.—

(1) IN GENERAL.—In order to establish the Operating Fund, each guaranty agency may transfer not more than 180 days' cash expenses for normal operating expenses (not including claim payments) as a working capital reserve as defined in Office of Management and Budget Circular A-87 (Cost Accounting Standards) from the Federal Fund for deposit into the Operating Fund for use in the performance of the guaranty agency's duties under this part. Such transfers may occur during the first 3 years following the establishment of the Operating Fund. However, no agency may transfer in excess of 45 percent of the balance, as of September 30, 1998, of the agency's Federal Fund to the agency's Operating Fund during such 3-year period. In determining the amount that may be transferred, the agency shall ensure that sufficient funds remain in the Federal Fund to pay lender claims within the required time periods and to meet the reserve recall requirements of this section and subsections (h) and (i) of section 422.

(2) SPECIAL RULE.—A limited number of guaranty agencies may transfer interest earned on the Federal Fund to the Operating Fund during the first 3 years after the date of enactment of this section if the guaranty agency demonstrates to the Secretary that—

(A) the cash flow in the Operating Fund will be negative without the transfer of such interest; and

(B) the transfer of such interest will substantially improve the financial circumstances of the guaranty agency.

(3) REPAYMENT PROVISIONS.—Each guaranty agency shall begin repayment of sums transferred pursuant to this subsection not later than the start of the fourth year after the establishment of the Operating Fund, and shall repay all amounts transferred not later than 5 years from the date of the establishment of the Operating Fund. With respect to amounts transferred from the Federal Fund, the guaranty agency shall not be required to repay any interest on the funds transferred and subsequently repaid. The guaranty agency shall provide to the Secretary a reasonable schedule for repayment of the sums transferred and an annual financial analysis demonstrating the agency's ability to comply with the schedule and repay all outstanding sums transferred.

(4) PROHIBITION.—If a guaranty agency transfers funds from the Federal Fund in accordance with this section, and fails to make scheduled repayments to the Federal Fund, the agency may not receive any other funds under this part until the Secretary determines that the agency has made such repayments. The Secretary shall pay to the guaranty agency any funds withheld in accordance with this paragraph immediately upon making the determination that the guaranty agency has made all such repayments.

(5) WAIVER.—The Secretary may—

(A) waive the requirements of paragraph (3), but only with respect to repayment of interest that was transferred in accordance with paragraph (2); and

(B) waive paragraph (4);

for a guaranty agency, if the Secretary determines that there are extenuating circumstances (such as State constitutional prohibitions) beyond the control of the agency that justify such a waiver.

(6) EXTENSION OF REPAYMENT PERIOD FOR INTEREST.—

(A) EXTENSION PERMITTED.—The Secretary shall extend the period for repayment of interest that was transferred in accordance with paragraph (2) from 2 years to 5 years if the Secretary determines that—

(i) the cash flow of the Operating Fund will be negative as a result of repayment as required by paragraph (3);

(ii) the repayment of the interest transferred will substantially diminish the financial circumstances of the guaranty agency; and

(iii) the guaranty agency has demonstrated—

(I) that the agency is able to repay all transferred funds by the end of the 8th year following the date of establishment of the Operating Fund; and

(II) that the agency will be financially sound on the completion of repayment.

(B) REPAYMENT OF INCOME ON TRANSFERRED FUNDS.—

All repayments made to the Federal Fund during the 6th, 7th, and 8th years following the establishment of the Operating Fund of interest that was transferred shall include the sums transferred plus any income earned from the investment of the sums transferred after the 5th year.

(7) INVESTMENT OF FEDERAL FUNDS.—Funds transferred from the Federal Fund to the Operating Fund for operating expenses shall be invested in obligations issued or guaranteed by the United States or a State, or in other similarly low-risk securities selected by the guaranty agency, with the approval of the Secretary.

(8) SPECIAL RULE.—In calculating the minimum reserve level required by section 428(c)(9)(A), the Secretary shall include all amounts owed to the Federal Fund by the guaranty agency in the calculation.

**SEC. 422B. [20 U.S.C. 1072b] AGENCY OPERATING FUND.**

(a) **ESTABLISHMENT.**—Each guaranty agency shall, not later than 60 days after the date of enactment of this section, establish a fund designated as the Operating Fund.

(b) **INVESTMENT OF FUNDS.**—Funds deposited into the Operating Fund shall be invested at the discretion of the guaranty agency in accordance with prudent investor standards.

(c) **ADDITIONAL DEPOSITS.**—After the establishment of the Operating Fund, the guaranty agency shall deposit into the Operating Fund—

(1) the loan processing and issuance fee paid by the Secretary pursuant to section 428(f);

(2) 30 percent of amounts received after the date of enactment of this section from the Secretary as payment for administrative cost allowances for loans upon which insurance was issued prior to such date of enactment;

(3) the account maintenance fee paid by the Secretary in accordance with section 458;

(4) the default aversion fee paid in accordance with section 428(l);

(5) amounts remaining pursuant to section 428(c)(6)(B) from collection on defaulted loans held by the agency, after payment of the Secretary's equitable share, excluding amounts deposited in the Federal Fund pursuant to section 422A(c)(2); and

(6) other receipts as specified in regulations of the Secretary.

(d) **USES OF FUNDS.**—

(1) **IN GENERAL.**—Funds in the Operating Fund shall be used for application processing, loan disbursement, enrollment and repayment status management, default aversion activities (including those described in section 422(h)(8)), default collection activities, school and lender training, financial aid awareness and related outreach activities, compliance monitoring, and other student financial aid related activities, as selected by the guaranty agency.

(2) **SPECIAL RULE.**—The guaranty agency may, in the agency's discretion, transfer funds from the Operating Fund to the Federal Fund for use pursuant to section 422A. Such transfer shall be irrevocable, and any funds so transferred shall become the sole property of the United States.

(3) **DEFINITIONS.**—For purposes of this subsection:

(A) **DEFAULT COLLECTION ACTIVITIES.**—The term “default collection activities” means activities of a guaranty agency that are directly related to the collection of the loan on which a default claim has been paid to the participating lender, including the due diligence activities required pursuant to regulations of the Secretary.

(B) **DEFAULT AVERSION ACTIVITIES.**—The term “default aversion activities” means activities of a guaranty agency that are directly related to providing collection assistance to the lender on a delinquent loan, prior to the loan's being legally in a default status, including due diligence activities required pursuant to regulations of the Secretary.

(C) ENROLLMENT AND REPAYMENT STATUS MANAGEMENT.—The term “enrollment and repayment status management” means activities of a guaranty agency that are directly related to ascertaining the student’s enrollment status, including prompt notification to the lender of such status, an audit of the note or written agreement to determine if the provisions of that note or agreement are consistent with the records of the guaranty agency as to the principal amount of the loan guaranteed, and an examination of the note or agreement to assure that the repayment provisions are consistent with the provisions of this part.

(e) OWNERSHIP AND REGULATION OF OPERATING FUND.—

(1) OWNERSHIP.—The Operating Fund, with the exception of funds transferred from the Federal Fund in accordance with section 422A(f), shall be considered to be the property of the guaranty agency.

(2) REGULATION.—Except as provided in paragraph (3), the Secretary may not regulate the uses or expenditure of moneys in the Operating Fund, but the Secretary may require such necessary reports and audits as provided in section 428(b)(2).

(3) EXCEPTION.—Notwithstanding paragraphs (1) and (2), during any period in which funds are owed to the Federal Fund as a result of transfer under section 422A(f)—

(A) moneys in the Operating Fund may only be used for expenses related to the student loan programs authorized under this part; and

(B) the Secretary may regulate the uses or expenditure of moneys in the Operating Fund.

**SEC. 423. [20 U.S.C. 1073] EFFECTS OF ADEQUATE NON-FEDERAL PROGRAMS.**

(a) FEDERAL INSURANCE BARRED TO LENDERS WITH ACCESS TO STATE OR PRIVATE INSURANCE.—Except as provided in subsection (b), the Secretary shall not issue certificates of insurance under section 429 to lenders in a State if the Secretary determines that every eligible institution has reasonable access in that State to a State or private nonprofit student loan insurance program which is covered by an agreement under section 428(b).

(b) EXCEPTIONS.—The Secretary may issue certificates of insurance under section 429 to a lender in a State—

(1) for insurance of a loan made to a student borrower who does not, by reason of the borrower’s residence, have access to loan insurance under the loan insurance program of such State (or under any private nonprofit loan insurance program which has received an advance under section 422 for the benefit of students in such State);

(2) for insurance of all the loans made to student borrowers by a lender who satisfies the Secretary that, by reason of the residence of such borrowers, such lender will not have access to any single State or nonprofit private loan insurance program which will insure substantially all of the loans such lender intends to make to such student borrowers; or

(3) under such circumstances as may be approved by the guaranty agency in such State, for the insurance of a loan to a borrower for whom such lender previously was issued such

a certificate if the loan covered by such certificate is not yet repaid.

**SEC. 424. [20 U.S.C. 1074] SCOPE AND DURATION OF FEDERAL LOAN INSURANCE PROGRAM.**

Thereafter, Federal loan insurance pursuant to this part may be granted only for loans made (or for loan installments paid pursuant to lines of credit) to enable students, who have obtained prior loans insured under this part, to continue or complete their educational program; but no insurance may be granted for any loan made or installment paid after September 30, 2008.

(b) **APPORTIONMENT OF AMOUNTS.**—The Secretary may, if he or she finds it necessary to do so in order to assure an equitable distribution of the benefits of this part, assign, within the maximum amounts specified in subsection (a), Federal loan insurance quotas applicable to eligible lenders, or to States or areas, and may from time to time reassign unused portions of these quotas.

**SEC. 425. [20 U.S.C. 1075] LIMITATIONS ON INDIVIDUAL FEDERALLY INSURED LOANS AND ON FEDERAL LOAN INSURANCE.**

(a) **ANNUAL AND AGGREGATE LIMITS.**—

(1) **ANNUAL LIMITS.**—(A) The total of loans made to a student in any academic year or its equivalent (as determined by the Secretary) which may be covered by Federal loan insurance under this part may not exceed—

(i) in the case of a student at an eligible institution who has not successfully completed the first year of a program of undergraduate education—

(I) \$2,625, if such student is enrolled in a program whose length is at least one academic year in length (as determined under section 481); and

(II) if such student is enrolled in a program of undergraduate education which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in subclause (I) as the length of such program measured in semester, trimester, quarter, or clock hours bears to one academic year;

(ii) in the case of a student at an eligible institution who has successfully completed such first year but has not successfully completed the remainder of a program of undergraduate education—

(I) \$3,500; or

(II) if such student is enrolled in a program of undergraduate education, the remainder of which is less than one academic year, the maximum annual loan amount that such student may receive may not

exceed the amount that bears the same ratio to the amount specified in subclause (I) as such remainder measured in semester, trimester, quarter, or clock hours bears to one academic year;

(iii) in the case of a student at an eligible institution who has successfully completed the first and second years of a program of undergraduate education but has not successfully completed the remainder of such program—

(I) \$5,500; or

(II) if such student is enrolled in a program of undergraduate education, the remainder of which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in subclause (I) as such remainder measured in semester, trimester, quarter, or clock hours bears to one academic year; and

(iv) in the case of a graduate or professional student (as defined in regulations of the Secretary) at an eligible institution, \$8,500.

(B) The annual insurable limits contained in subparagraph (A) shall not apply in cases where the Secretary determines, pursuant to regulations, that a higher amount is warranted in order to carry out the purpose of this part with respect to students engaged in specialized training requiring exceptionally high costs of education. The annual insurable limit per student shall not be deemed to be exceeded by a line of credit under which actual payments by the lender to the borrower will not be made in any year in excess of the annual limit.

(C) For the purpose of subparagraph (A), the number of years that a student has completed in a program of undergraduate education shall include any prior enrollment in an eligible program of undergraduate education for which the student was awarded an associate or baccalaureate degree, if such degree is required by the institution for admission to the program in which the student is enrolled.

(2) AGGREGATE LIMITS.—(A) The aggregate insured unpaid principal amount for all such insured loans made to any student shall not at any time exceed—

(i) \$23,000, in the case of any student who has not successfully completed a program of undergraduate education, excluding loans made under section 428A or 428B; and

(ii) \$65,500, in the case of any graduate or professional student (as defined by regulations of the Secretary) and (I) including any loans which are insured by the Secretary under this section, or by a guaranty agency, made to such student before the student became a graduate or professional student), but (II) excluding loans made under section 428A or 428B,

except that the Secretary may increase the limit applicable to students who are pursuing programs which the Secretary determines are exceptionally expensive.

(B) The Secretary may increase the aggregate insurable limit applicable to students who are pursuing programs which the Secretary determines are exceptionally expensive.

(b) LEVEL OF INSURANCE COVERAGE BASED ON DEFAULT RATE.—

(1) REDUCTION FOR DEFAULTS IN EXCESS OF 5 OR 9 PERCENT.—(A) Except as provided in subparagraph (B), the insurance liability on any loan insured by the Secretary under this part shall be 100 percent of the unpaid balance of the principal amount of the loan plus interest, except that—

(i) if, for any fiscal year, the total amount of payments under section 430 by the Secretary to any eligible lender as described in section 435(d)(1)(D) exceeds 5 percent of the sum of the loans made by such lender which are insured by the Secretary and which were in repayment at the end of the preceding fiscal year, the insurance liability under this subsection for that portion of such excess which represents loans insured after the applicable date with respect to such loans, as determined under subparagraph (C), shall be equal to 90 percent of the amount of such portion; or

(ii) if, for any fiscal year, the total amount of such payments to such a lender exceeds 9 percent of such sum, the insurance liability under this subsection for that portion of such excess which represents loans insured after the applicable date with respect to such loans, as determined under subparagraph (C), shall be equal to 80 percent of the amount of such portion.

(B) Notwithstanding subparagraph (A), the provisions of clauses (i) and (ii) of such subparagraph shall not apply to an eligible lender as described in section 435(d)(1)(D) for the fiscal year in which such lender begins to carry on a loan program insured by the Secretary, or for any of the 4 succeeding fiscal years.

(C) The applicable date with respect to a loan made by an eligible lender as described in section 435(d)(1)(D) shall be—

(i) the 90th day after the adjournment of the next regular session of the appropriate State legislature which convenes after the date of enactment of the Education Amendments of 1976, or

(ii) if the primary source of lending capital for such lender is derived from the sale of bonds, and the constitution of the appropriate State prohibits a pledge of such State's credit as security against such bonds, the day which is one year after such 90th day.

(2) COMPUTATION OF AMOUNTS IN REPAYMENT.—For the purpose of this subsection, the sum of the loans made by a lender which are insured by the Secretary and which are in repayment shall be the original principal amount of loans made by such lender which are insured by the Secretary reduced by—

(A) the amount the Secretary has been required to pay to discharge his or her insurance obligations under this part;

(B) the original principal amount of loans insured by the Secretary which have been fully repaid;

(C) the original principal amount insured on those loans for which payment of first installment of principal has not become due pursuant to section 427(a)(2)(B) or such first installment need not be paid pursuant to section 427(a)(2)(C); and

(D) the original principal amount of loans repaid by the Secretary under section 437.

(3) PAYMENTS TO ASSIGNEES.—For the purpose of this subsection, payments by the Secretary under section 430 to an assignee of the lender with respect to a loan shall be deemed payments made to such lender.

(A) is made without security and without endorsement;

(B) provides for repayment (except as provided in subsection (c)) of the principal amount of the loan in installments over a period of not less than 5 years (unless sooner repaid or unless the student, during the 6 months preceding the start of the repayment period, specifically requests that repayment be made over a shorter period) nor more than 10 years beginning 6 months after the month in which the student ceases to carry at an eligible institution at least one-half the normal full-time academic workload as determined by the institution, except—

(i) as provided in subparagraph (C);

and provides that any such period shall not be included in determining the 10-year period described in subparagraph (B);

(D) provides for interest on the unpaid principal balance of the loan at a yearly rate, not exceeding the applicable maximum rate prescribed in section 427A, which interest shall be payable in installments over the period of the loan except that, if provided in the note or other written agreement, any interest payable by the student may be deferred until not later than the date upon which repayment of the first installment of principal falls due, in which case interest accrued during that period may be added on that date to the principal;

the Secretary as may be necessary for the purpose of section 437;

(F) entitles the student borrower to accelerate without penalty repayment of the whole or any part of the loan;

(I) contains such other terms and conditions, consistent with the provisions of this part and with the regulations issued by the Secretary pursuant to this part, as may be agreed upon by the parties to such loan, including, if agreed upon, a provision requiring the borrower to pay the lender, in addition to principal and interest, amounts equal to the insurance premiums payable by the lender to the Secretary with respect to such loan;

(3) the funds borrowed by a student are disbursed to the institution by check or other means that is payable to and requires the endorsement or other certification by such student, except—

(A) that nothing in this title shall be interpreted—

(i) to allow the Secretary to require checks to be made copayable to the institution and the borrower; or

(ii) to prohibit the disbursement of loan proceeds by means other than by check; and

(B) in the case of any student who is studying outside the United States in a program of study abroad that is approved for credit by the home institution at which such student is enrolled, the funds shall, at the request of the borrower, be delivered directly to the student and the checks may be endorsed, and fund transfers authorized, pursuant to an authorized power-of-attorney; and

(i) TREATMENT OF EXCESS INTEREST PAYMENTS ON NEW BORROWER ACCOUNTS RESULTING FROM DECLINE IN TREASURY BILL RATES.—

(1) EXCESS INTEREST ON 10 PERCENT LOANS.—If, with respect to a loan for which the applicable interest rate is 10 percent under subsection (d) of this section at the close of any calendar quarter, the sum of the average of the bond equivalent rates of 91-day Treasury bills auctioned for that quarter and 3.25 percent is less than 10 percent, then an adjustment shall be made to a borrower’s account—

(A) by calculating excess interest in the amount computed under paragraph (2) of this subsection; and

(B)(i) during any period in which a student is eligible to have interest payments paid on his or her behalf by the Government pursuant to section 428(a), by crediting the excess interest to the Government; or

(ii) during any other period, by crediting such excess interest to the reduction of principal to the extent provided in paragraph (5) of this subsection.

(2) AMOUNT OF ADJUSTMENT FOR 10 PERCENT LOANS.—The amount of any adjustment of interest on a loan to be made under this subsection for any quarter shall be equal to—

(A) 10 percent minus the sum of (i) the average of the bond equivalent rates of 91-day Treasury bills auctioned for such calendar quarter, and (ii) 3.25 percent; multiplied by

(B) the average daily principal balance of the loan (not including unearned interest added to principal) during such calendar quarter; divided by

(C) four.

(3) EXCESS INTEREST ON LOANS AFTER 1992 AMENDMENTS, TO BORROWERS WITH OUTSTANDING BALANCES.—If, with respect to a loan made on or after the date of enactment of the Higher Education Amendments of 1992 to a borrower, who on the date of entering into the note or other written evidence of the loan, has an outstanding balance of principal or interest on any other loan made, insured, or guaranteed under this part, the sum of the average of the bond equivalent rates of 91-day Treasury bills auctioned for that quarter and 3.1 percent is

less than the applicable interest rate, then an adjustment shall be made—

(A) by calculating excess interest in the amount computed under paragraph (4) of this subsection; and

(B)(i) during any period in which a student is eligible to have interest payments paid on his or her behalf by the Government pursuant to section 428(a), by crediting the excess interest to the Government; or

(ii) during any other period, by crediting such excess interest to the reduction of principal to the extent provided in paragraph (5) of this subsection.

(4) AMOUNT OF ADJUSTMENT.—The amount of any adjustment of interest on a loan to be made under this subsection for any quarter shall be equal to—

(A) the applicable interest rate minus the sum of (i) the average of the bond equivalent rates of 91-day Treasury bills auctioned for such calendar quarter, and (ii) 3.1 percent; multiplied by

(B) the average daily principal balance of the loan (not including unearned interest added to principal) during such calendar quarter; divided by

(C) four.

(5) ANNUAL ADJUSTMENT OF INTEREST AND BORROWER ELIGIBILITY FOR CREDIT.—Any adjustment amount computed pursuant to paragraphs (2) and (4) of this subsection for any quarter shall be credited, by the holder of the loan on the last day of the calendar year in which such quarter falls, to the loan account of the borrower so as to reduce the principal balance of such account. No such credit shall be made to the loan account of a borrower who on the last day of the calendar year is delinquent for more than 30 days in making a required payment on the loan, but the excess interest shall be calculated and credited to the Secretary. Any credit which is to be made to a borrower's account pursuant to this subsection shall be made effective commencing no later than 30 days following the last day of the calendar year in which the quarter falls for which the credit is being made. Nothing in this subsection shall be construed to require refunding any repayment of a loan. At the option of the lender, the amount of such adjustment may be distributed to the borrower either by reduction in the amount of the periodic payment on the loan, by reducing the number of payments that shall be made with respect to the loan, or by reducing the amount of the final payment of the loan. Nothing in this paragraph shall be construed to require the lender to make additional disclosures pursuant to section 433(b).

(6) PUBLICATION OF TREASURY BILL RATE.—For the purpose of enabling holders of loans to make the determinations and adjustments provided for in this subsection, the Secretary shall for each calendar quarter commencing with the quarter beginning on July 1, 1987, publish a notice of the average of the bond equivalent rates of 91-day Treasury bills auctioned for such quarter. Such notice shall be published not later than 7 days after the end of the quarter to which the notice relates.

(7) CONVERSION TO VARIABLE RATE.—(A) Subject to subparagraphs (C) and (D), a lender or holder shall convert the interest rate on a loan that is made pursuant to this part and is subject to the provisions of this subsection to a variable rate. Such conversion shall occur not later than January 1, 1995, and, commencing on the date of conversion, the applicable interest rate for each 12-month period beginning on July 1 and ending on June 30 shall be determined by the Secretary on the June 1 preceding each such 12-month period and be equal to the sum of (i) the bond equivalent rate of the 91-day Treasury bills auctioned at the final auction prior to such June 1; and (ii) 3.25 percent in the case of loans described in paragraph (1), or 3.10 percent in the case of loans described in paragraph (3).

for enrollment, or at which the student is in attendance, which—

(C) For the purpose of subparagraph (B) and this paragraph—

(i) a student's cost of attendance shall be determined under section 472;

(3) AMOUNT OF INTEREST SUBSIDY.—(A)(i) Subject to section 438(c), the portion of the interest on a loan which a student is entitled to have paid, on behalf of and for the account of the student, to the holder of the loan pursuant to paragraph (1) of this subsection shall be equal to the total amount of the interest on the unpaid principal amount of the loan—

(I) which accrues prior to the beginning of the repayment period of the loan, or

(II) which accrues during a period in which principal need not be paid (whether or not such principal is in fact paid) by reason of a provision described in subsection (b)(1)(M) of this section or in section 427(a)(2)(C).

(iv) The Secretary shall pay this portion of the interest to the holder of the loan on behalf of and for the account of the borrower at such times as may be specified in regulations in force when the applicable agreement entered into pursuant to subsection (b) was made, or, if the loan was made by a State or is insured under a program which is not covered by such an agreement, at such times as may be specified in regulations in force at the time the loan was paid to the student.

(v) A lender may not receive interest on a loan for any period that precedes the date that is—

(I) in the case of a loan disbursed by check, 10 days before the first disbursement of the loan; or

(B) If—

(i) a State student loan insurance program is covered by an agreement under subsection (b),

(ii) a statute of such State limits the interest rate on loans insured by such program to a rate which is less than the applicable interest rate under this part, and

(iii) the Secretary determines that subsection (d) does not make such statutory limitation inapplicable and that such statutory limitation threatens to impede the carrying out of the purpose of this part,

then the Secretary may pay an administrative cost allowance to the holder of each loan which is insured under such program

and which is made during the period beginning on the 60th day after the date of enactment of the Higher Education Amendments of 1968 and ending 120 days after the adjournment of such State's first regular legislative session which adjourns after January 1, 1969. (6) ASSESSMENT OF BORROWER'S FINANCIAL CONDITION NOT PROHIBITED OR REQUIRED.—Nothing in this or any other Act shall be construed to prohibit or require, unless otherwise specifically provided by law, a lender to evaluate the total financial situation of a student making application for a loan under this part, or to counsel a student with respect to any such loan, or to make a decision based on such evaluation and counseling with respect to the dollar amount of any such loan.

(7) LOANS THAT HAVE NOT BEEN CONSUMMATED.—Lenders may not charge interest or receive interest subsidies or special allowance payments for loans for which the disbursement checks have not been cashed or for which electronic funds transfers have not been completed.

(1) REQUIREMENTS OF INSURANCE PROGRAM.—Any State or any nonprofit private institution or organization may enter into an agreement with the Secretary for the purpose of entitling students who receive loans which are insured under a student loan insurance program of that State, institution, or organization to have made on their behalf the payments provided for in subsection (a) if the Secretary determines that the student loan insurance program—

(W) provides assurances that the agency will implement all requirements of the Secretary for uniform claims and procedures pursuant to section 432(1);

(X) provides information to the Secretary in accordance with section 428(c)(9) and maintains reserve funds determined by the Secretary to be sufficient in relation to such agency's guarantee obligations; and

(A) provide that the holder of any such loan will be required to submit to the Secretary, at such time or times and in such manner as the Secretary may prescribe, statements containing such information as may be required by or pursuant to regulation for the purpose of enabling the Secretary to determine the amount of the payment which must be made with respect to that loan;

(B) include such other provisions as may be necessary to protect the United States from the risk of unreasonable loss and promote the purpose of this part, including such provisions as may be necessary for the purpose of section 437, and as are agreed to by the Secretary and the guaranty agency, as the case may be;

(E)(i) provide that any guaranty agency may transfer loans which are insured under this part to any other guaranty agency with the approval of the holder of the loan and such other guaranty agency; and

(ii) provide that the lender (or the holder of the loan) shall, not later than 120 days after the borrower has left the eligible institution, notify the borrower of the date on which the repayment period begins; and

(F) provide that, if the sale, other transfer, or assignment of a loan made under this part to another holder will result in a change in the identity of the party to whom the borrower must send subsequent payments or direct any communications concerning the loans, then—

(i) the transferor and the transferee will be required, not later than 45 days from the date the transferee acquires a legally enforceable right to receive payment from the borrower on such loan, either jointly or separately to provide a notice to the borrower of—

(I) the sale or other transfer;

It shall not be a violation of this paragraph for a guaranty agency to provide assistance to institutions of higher education comparable to the kinds of assistance provided to institutions of higher education by the Department of Education.

(4) SPECIAL RULE.—For the purpose of paragraph (1)(M)(i)(III) of this subsection, the Secretary shall approve any course of study at a foreign university that is accepted for the completion of a recognized international fellowship program by the administrator of such a program. Requests for deferment of repayment of loans under this part by students engaged in graduate or postgraduate fellowship-supported study (such as pursuant to a Fulbright grant) outside the United States shall be approved until completion of the period of the fellowship.

(5) GUARANTY AGENCY INFORMATION TRANSFERS.—(A) Until such time as the Secretary has implemented section 485B and is able to provide to guaranty agencies the information required by such section, any guaranty agency may request information regarding loans made after January 1, 1987, to students who are residents of the State for which the agency is the designated guarantor, from any other guaranty agency insuring loans to such students.

(B) Upon a request pursuant to subparagraph (A), a guaranty agency shall provide—

(7) REPAYMENT PERIOD.—(A) In the case of a loan made under section 427 or 428, the repayment period shall exclude any period of authorized deferment or forbearance and shall begin—

(i) the day after 6 months after the date the student ceases to carry at least one-half the normal full-time academic workload (as determined by the institution); or

(B) In the case of a loan made under section 428H, the repayment period shall exclude any period of authorized deferment or forbearance, and shall begin as described in clause (i) or (ii) of subparagraph (A), but interest shall begin to accrue or be paid by the borrower on the day the loan is disbursed.

(C) In the case of a loan made under section 428A, 428B, or 428C, the repayment period shall begin on the day the loan is disbursed, or, if the loan is disbursed in multiple installments, on the day of the last such disbursement, and shall exclude any period of authorized deferment or forbearance.

Such period of exclusion shall include the period necessary to resume enrollment at the borrower's next available regular enrollment period.

(8) MEANS OF DISBURSEMENT OF LOAN PROCEEDS.—Nothing in this title shall be interpreted to prohibit the disbursement of loan proceeds by means other than by check or to allow the Secretary to require checks to be made co-payable to the institution and the borrower.

(9) REPAYMENT PLANS.—

(A) DESIGN AND SELECTION.—In accordance with regulations promulgated by the Secretary, the lender shall offer a borrower of a loan made under this part the plans described in this subparagraph for repayment of such loan, including principal and interest thereon. No plan may require a borrower to repay a loan in less than 5 years unless the borrower, during the 6 months immediately preceding the start of the repayment period, specifically requests that repayment be made over of a shorter period. The borrower may choose from—

(i) a standard repayment plan, with a fixed annual repayment amount paid over a fixed period of time, not to exceed 10 years;

(c) GUARANTY AGREEMENTS FOR REIMBURSING LOSSES.—

(1) AUTHORITY TO ENTER INTO AGREEMENTS.—(A) The Secretary may enter into a guaranty agreement with any guaranty agency, whereby the Secretary shall undertake to reimburse it, under such terms and conditions as the Secretary may establish, with respect to losses (resulting from the default of the student borrower) on the unpaid balance of the principal and accrued interest of any insured loan. The guaranty agency shall, be deemed to have a contractual right against the United States, during the life of such loan, to receive reimbursement according to the provisions of this subsection. Upon receipt of an accurate and complete request by a guaranty agency for reimbursement with respect to such losses, the Secretary shall pay promptly and without administrative delay. Except as provided in subparagraph (B) of this paragraph and in paragraph (7), the amount to be paid a guaranty agency as reimbursement under this subsection shall be equal to 95 percent of the amount expended by it in discharge of its insurance obligation incurred under its loan insurance program. A guaranty agency shall file a claim for reimbursement with respect to losses under this subsection within 45 days after the guaranty agency discharges its insurance obligation on the loan.

(B) Notwithstanding subparagraph (A)—

(i) if, for any fiscal year, the amount of such reimbursement payments by the Secretary under this subsection exceeds 5 percent of the loans which are insured by such guaranty agency under such program and which were in repayment at the end of the preceding fiscal year, the amount to be paid as reimbursement under this subsection

for such excess shall be equal to 85<sup>1</sup> percent of the amount of such excess; and

(ii) if, for any fiscal year, the amount of such reimbursement payments exceeds 9 percent of such loans, the amount to be paid as reimbursement under this subsection for such excess shall be equal to 75<sup>1</sup> percent of the amount of such excess.

(C) For the purpose of this subsection, the amount of loans of a guaranty agency which are in repayment shall be the original principal amount of loans made by a lender which are insured by such a guaranty agency reduced by—

(i) the amount the insurer has been required to pay to discharge its insurance obligations under this part;

(ii) the original principal amount of loans insured by it which have been fully repaid; and

(iii) the original principal amount insured on those loans for which payment of the first installment of principal has not become due pursuant to subsection (b)(1)(E) of this section or such first installment need not be paid pursuant to subsection (b)(1)(M) of this section.

(D) Reimbursements of losses made by the Secretary on loans submitted for claim by an eligible lender, servicer, or guaranty agency designated for exceptional performance under section 428I shall not be subject to additional review by the Secretary or repurchase by the guaranty agency for any reason other than a determination by the Secretary that the eligible lender, servicer, or guaranty agency engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance.

(E) Notwithstanding any other provisions of this section, in the case of a loan made pursuant to a lender-of-last-resort program, the Secretary shall apply the provisions of—

(i) the fourth sentence of subparagraph (A) by substituting “100 percent” for “95 percent”;

(ii) subparagraph (B)(i) by substituting “100 percent” for “85 percent”; and

(iii) subparagraph (B)(ii) by substituting “100 percent” for “75 percent”.

(F)<sup>1</sup> Notwithstanding any other provisions of this section, in the case of an outstanding loan transferred to a guaranty agency from another guaranty agency pursuant to a plan approved by the Secretary in response to the insolvency of the latter such guarantee agency, the Secretary shall apply the provision of—

(i) the fourth sentence of subparagraph (A) by substituting “100 percent” for “95 percent”;

(ii) subparagraph (B)(i) by substituting “90 percent” for “85 percent”; and

(iii) subparagraph (B)(ii) by substituting “80 percent” for “75 percent”.

<sup>1</sup>The amendments made by section 417(c)(1) of P.L. 105-244, changing the reimbursement percentages, apply to loans for which the first disbursement is made on or after October 1, 1998.

<sup>1</sup>See footnote on previous page.

(G)<sup>2</sup> Notwithstanding any other provision of this section, the Secretary shall exclude a loan made pursuant to a lender-of-last-resort program when making reimbursement payment calculations under subparagraphs (B) and (C).

(2) CONTENTS OF GUARANTY AGREEMENTS.—The guaranty agreement—

(A) shall set forth such administrative and fiscal procedures as may be necessary to protect the United States from the risk of unreasonable loss thereunder, to ensure proper and efficient administration of the loan insurance program, and to assure that due diligence will be exercised in the collection of loans insured under the program, including a requirement that each beneficiary of insurance on the loan submit proof that the institution was contacted and other reasonable attempts were made to locate the borrower (when the location of the borrower is unknown) and proof that contact was made with the borrower (when the location is known);

(B) shall provide for making such reports, in such form and containing such information, as the Secretary may reasonably require to carry out the Secretary's functions under this subsection, and for keeping such records and for affording such access thereto as the Secretary may find necessary to assure the correctness and verification of such reports;

(C) shall set forth adequate assurances that, with respect to so much of any loan insured under the loan insurance program as may be guaranteed by the Secretary pursuant to this subsection, the undertaking of the Secretary under the guaranty agreement is acceptable in full satisfaction of State law or regulation requiring the maintenance of a reserve;

(D) shall provide that if, after the Secretary has made payment under the guaranty agreement pursuant to paragraph (1) of this subsection with respect to any loan, any payments are made in discharge of the obligation incurred by the borrower with respect to such loan (including any payments of interest accruing on such loan after such payment by the Secretary), there shall be paid over to the Secretary (for deposit in the fund established by section 431) such proportion of the amounts of such payments as is determined (in accordance with paragraph (6)) to represent his equitable share thereof, but (i) shall provide for subrogation of the United States to the rights of any insurance beneficiary only to the extent required for the purpose of paragraph (8); and (ii) except as the Secretary may otherwise by or pursuant to regulation provide, amounts so paid by a borrower on such a loan shall be first applied in reduction of principal owing on such loan;

(E) shall set forth adequate assurance that an amount equal to each payment made under paragraph (1) will be

<sup>2</sup>Margin so in law.

promptly deposited in or credited to the accounts maintained for the purpose of section 422(c);

(F) set forth adequate assurances that the guaranty agency will not engage in any pattern or practice which results in a denial of a borrower's access to loans under this part because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular eligible institution within the area served by the guaranty agency, length of the borrower's educational program, or the borrower's academic year in school;

(G) shall prohibit the Secretary from making any reimbursement under this subsection to a guaranty agency when a default claim is based on an inability to locate the borrower, unless the guaranty agency, at the time of filing for reimbursement, certifies to the Secretary that diligent attempts, including contact with the institution, have been made to locate the borrower through the use of reasonable skip-tracing techniques in accordance with regulations prescribed by the Secretary; and

(H) set forth assurances that—

(i) upon the request of an eligible institution, the guaranty agency shall, subject to clauses (ii) and (iii), furnish to the institution information with respect to students (including the names and addresses of such students) who received loans made, insured, or guaranteed under this part for attendance at the eligible institution and for whom preclaims assistance activities have been requested under subsection (I);

(ii) the guaranty agency shall not require the payment from the institution of any fee for such information; and

(iii) the guaranty agency will require the institution to use such information only to assist the institution in reminding students of their obligation to repay student loans and shall prohibit the institution from disseminating the information for any other purpose.

(I) may include such other provisions as may be necessary to promote the purpose of this part.

(3) FORBEARANCE.—A guaranty agreement under this subsection—

(A) shall contain provisions providing that—

(i) upon request, a lender shall grant a borrower forbearance, renewable at 12-month intervals, on terms agreed to in writing by the parties to the loan with the approval of the insurer, and otherwise consistent with the regulations of the Secretary, if the borrower—

(I) is serving in a medical or dental internship or residency program, the successful completion of which is required to begin professional practice or service, or is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher

education, a hospital, or a health care facility that offers postgraduate training, provided that if the borrower qualifies for a deferment under section 427(a)(2)(C)(vii) or subsection (b)(1)(M)(vii) of this section as in effect prior to the enactment of the Higher Education Amendments of 1992, or section 427(a)(2)(C) or subsection (b)(1)(M) of this section as amended by such amendments, the borrower has exhausted his or her eligibility for such deferment;

(II) has a debt burden under this title that equals or exceeds 20 percent of income; or

(III) is serving in a national service position for which the borrower receives a national service educational award under the National and Community Service Trust Act of 1993;

(ii) the length of the forbearance granted by the lender—

(I) under clause (i)(I) shall equal the length of time remaining in the borrower's medical or dental internship or residency program, if the borrower is not eligible to receive a deferment described in such clause, or such length of time remaining in the program after the borrower has exhausted the borrower's eligibility for such deferment;

(II) under clause (i)(II) shall not exceed 3 years; or

(III) under clause (i)(III) shall not exceed the period for which the borrower is serving in a position described in such clause; and

(iii) no administrative or other fee may be charged in connection with the granting of a forbearance under clause (i), and no adverse information regarding a borrower may be reported to a credit bureau organization solely because of the granting of such forbearance;

(B) may, to the extent provided in regulations of the Secretary, contain provisions that permit such forbearance for the benefit of the student borrower as may be agreed upon by the parties to an insured loan and approved by the insurer;

(C) shall contain provisions that specify that the form of forbearance granted by the lender for purposes of this paragraph shall be the temporary cessation of payments, unless the borrower selects forbearance in the form of an extension of time for making payments, or smaller payments than were previously scheduled; and

(D) shall contain provisions that specify that—

(i) forbearance for a period not to exceed 60 days may be granted if the lender reasonably determines that such a suspension of collection activity is warranted following a borrower's request for deferment, forbearance, a change in repayment plan, or a request to consolidate loans, in order to collect or process

appropriate supporting documentation related to the request, and

(ii) during such period interest shall accrue but not be capitalized.

Guaranty agencies shall not be precluded from permitting the parties to such a loan from entering into a forbearance agreement solely because the loan is in default. The Secretary shall permit lenders to exercise administrative forbearances that do not require the agreement of the borrower, under conditions authorized by the Secretary. Such forbearances shall include (i) forbearances for borrowers who are delinquent at the time of the granting of an authorized period of deferment under section 428(b)(1)(M) or 427(a)(2)(C), and (ii) if the borrower is less than 60 days delinquent on such loans at the time of sale or transfer, forbearances for borrowers on loans which are sold or transferred.

(4) DEFINITIONS.—For the purpose of this subsection, the terms “insurance beneficiary” and “default” have the meanings assigned to them by section 435.

(5) APPLICABILITY TO EXISTING LOANS.—In the case of any guaranty agreement with a guaranty agency, the Secretary may, in accordance with the terms of this subsection, undertake to guarantee loans described in paragraph (1) which are insured by such guaranty agency and are outstanding on the date of execution of the guaranty agreement, but only with respect to defaults occurring after the execution of such guaranty agreement or, if later, after its effective date.

(6) SECRETARY'S EQUITABLE SHARE.—For the purpose of paragraph (2)(D), the Secretary's equitable share of payments made by the borrower shall be that portion of the payments remaining after the guaranty agency with which the Secretary has an agreement under this subsection has deducted from such payments—

(A) a percentage amount equal to the complement of the reinsurance percentage in effect when payment under the guaranty agreement was made with respect to the loan; and

(B) an amount equal to 24 percent of such payments for use in accordance with section 422B, except that, beginning on October 1, 2003, this subparagraph shall be applied by substituting “23 percent” for “24 percent”.

(7) NEW PROGRAMS ELIGIBLE FOR 100 PERCENT REINSURANCE.—(A) Notwithstanding paragraph (1)(C), the amount to be paid a guaranty agency for any fiscal year—

(i) which begins on or after October 1, 1977 and ends before October 1, 1991; and

(ii) which is either the fiscal year in which such guaranty agency begins to actively carry on a student loan insurance program which is subject to a guaranty agreement under subsection (b) of this section, or is one of the 4 succeeding fiscal years,

shall be 100 percent of the amount expended by such guaranty agency in discharge of its insurance obligation insured under such program.

(B) Notwithstanding the provisions of paragraph (1)(C), the Secretary may pay a guaranty agency 100 percent of the amount expended by such agency in discharge of such agency's insurance obligation for any fiscal year which—

(i) begins on or after October 1, 1991; and

(ii) is the fiscal year in which such guaranty agency begins to actively carry on a student loan insurance program which is subject to a guaranty agreement under subsection (b) or is one of the 4 succeeding fiscal years.

(C) The Secretary shall continuously monitor the operations of those guaranty agencies to which the provisions of subparagraph (A) or (B) are applicable and revoke the application of such subparagraph to any such guaranty agency which the Secretary determines has not exercised reasonable prudence in the administration of such program.

(8) ASSIGNMENT TO PROTECT FEDERAL FISCAL INTEREST.—If the Secretary determines that the protection of the Federal fiscal interest so requires, a guaranty agency shall assign to the Secretary any loan of which it is the holder and for which the Secretary has made a payment pursuant to paragraph (1) of this subsection.

(9) GUARANTY AGENCY RESERVE LEVEL.—(A) Each guaranty agency which has entered into an agreement with the Secretary pursuant to this subsection shall maintain in the agency's Federal Student Loan Reserve Fund established under section 422A a current minimum reserve level of at least 0.25 percent of the total attributable amount of all outstanding loans guaranteed by such agency. For purposes of this paragraph, such total attributable amount does not include amounts of outstanding loans transferred to the guaranty agency from another guaranty agency pursuant to a plan of the Secretary in response to the insolvency of the latter such guaranty agency.

(B) The Secretary shall collect, on an annual basis, information from each guaranty agency having an agreement under this subsection to enable the Secretary to evaluate the financial solvency of each such agency. The information collected shall include the level of such agency's current reserves, cash disbursements and accounts receivable.

(C) If (i) any guaranty agency falls below the required minimum reserve level in any 2 consecutive years, (ii) any guaranty agency's Federal reimbursement payments are reduced to 85 percent pursuant to paragraph (1)(B)(i), or (iii) the Secretary determines that the administrative or financial condition of a guaranty agency jeopardizes such agency's continued ability to perform its responsibilities under its guaranty agreement, then the Secretary shall require the guaranty agency to submit and implement a management plan acceptable to the Secretary within 45 working days of any such event.

(D)(i) If the Secretary is not seeking to terminate the guaranty agency's agreement under subparagraph (E), or assuming the guaranty agency's functions under subparagraph (F), a management plan described in subparagraph (C) shall include the means by which the guaranty agency will improve its

financial and administrative condition to the required level within 18 months.

(ii) If the Secretary is seeking to terminate the guaranty agency's agreement under subparagraph (E), or assuming the guaranty agency's functions under subparagraph (F), a management plan described in subparagraph (C) shall include the means by which the Secretary and the guaranty agency shall work together to ensure the orderly termination of the operations, and liquidation of the assets, of the guaranty agency.

(E) The Secretary may terminate a guaranty agency's agreement in accordance with subparagraph (F) if—

(i) a guaranty agency required to submit a management plan under this paragraph fails to submit a plan that is acceptable to the Secretary;

(ii) the Secretary determines that a guaranty agency has failed to improve substantially its administrative and financial condition;

(iii) the Secretary determines that the guaranty agency is in danger of financial collapse;

(iv) the Secretary determines that such action is necessary to protect the Federal fiscal interest; or

(v) the Secretary determines that such action is necessary to ensure the continued availability of loans to student or parent borrowers.

(F) If a guaranty agency's agreement under this subsection is terminated pursuant to subparagraph (E), then the Secretary shall assume responsibility for all functions of the guaranty agency under the loan insurance program of such agency. In performing such functions the Secretary is authorized to—

(i) permit the transfer of guarantees to another guaranty agency;

(ii) revoke the reinsurance agreement of the guaranty agency at a specified date, so as to require the merger, consolidation, or termination of the guaranty agency;

(iii) transfer guarantees to the Department of Education for the purpose of payment of such claims and process such claims using the claims standards of the guaranty agency, if such standards are determined by the Secretary to be in compliance with this Act;

(iv) design and implement a plan to restore the guaranty agency's viability;

(v) provide the guaranty agency with additional advance funds in accordance with section 422(c)(7), with such restrictions on the use of such funds as is determined appropriate by the Secretary, in order to—

(I) meet the immediate cash needs of the guaranty agency;

(II) ensure the uninterrupted payment of claims;

or

(III) ensure that the guaranty agency will make loans as the lender-of-last-resort, in accordance with subsection (j);

(vi) use all funds and assets of the guaranty agency to assist in the activities undertaken in accordance with this

subparagraph and take appropriate action to require the return, to the guaranty agency or the Secretary, of any funds or assets provided by the guaranty agency, under contract or otherwise, to any person or organization; or

(vii) take any other action the Secretary determines necessary to ensure the continued availability of loans made under this part to residents of the State or States in which the guaranty agency did business, the full honoring of all guarantees issued by the guaranty agency prior to the Secretary's assumption of the functions of such agency, and the proper servicing of loans guaranteed by the guaranty agency prior to the Secretary's assumption of the functions of such agency, and to avoid disruption of the student loan program.

(G) Notwithstanding any other provision of Federal or State law, if the Secretary has terminated or is seeking to terminate a guaranty agency's agreement under subparagraph (E), or has assumed a guaranty agency's functions under subparagraph (F)—

(i) no State court may issue any order affecting the Secretary's actions with respect to such guaranty agency;

(ii) any contract with respect to the administration of a guaranty agency's reserve funds, or the administration of any assets purchased or acquired with the reserve funds of the guaranty agency, that is entered into or extended by the guaranty agency, or any other party on behalf of or with the concurrence of the guaranty agency, after the date of enactment of this subparagraph shall provide that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that such contract includes an impermissible transfer of the reserve funds or assets, or is otherwise inconsistent with the terms or purposes of this section; and

(iii) no provision of State law shall apply to the actions of the Secretary in terminating the operations of a guaranty agency.

(H) Notwithstanding any other provision of law, the Secretary's liability for any outstanding liabilities of a guaranty agency (other than outstanding student loan guarantees under this part), the functions of which the Secretary has assumed, shall not exceed the fair market value of the reserves of the guaranty agency, minus any necessary liquidation or other administrative costs.

(I) The Secretary shall not take any action under subparagraph (E) or (F) without giving the guaranty agency notice and the opportunity for a hearing that, if commenced after September 24, 1998, shall be on the record.

(J) Notwithstanding any other provision of law, the information transmitted to the Secretary pursuant to this paragraph shall be confidential and exempt from disclosure under section 552 of title 5, United States Code, relating to freedom of information, or any other Federal law.

(K) The Secretary, within 3 months after the end of each fiscal year, shall submit to the House Committee on Education

and the Workforce and the Senate Committee on Labor and Human Resources a report specifying the Secretary's assessment of the fiscal soundness of the guaranty agency system.

(d) USURY LAWS INAPPLICABLE.—No provision of any law of the United States (other than this Act) or of any State (other than a statute applicable principally to such State's student loan insurance program) which limits the rate or amount of interest payable on loans shall apply to a loan—

(1) which bears interest (exclusive of any premium for insurance) on the unpaid principal balance at a rate not in excess of the rate specified in this part; and

(2) which is insured (i) by the United States under this part, or (ii) by a guaranty agency under a program covered by an agreement made pursuant to subsection (b) of this section.

(e) NOTICE OF AVAILABILITY OF INCOME-SENSITIVE REPAYMENT OPTION.—At the time of offering a borrower a loan under this part, and at the time of offering the borrower the option of repaying a loan in accordance with this section, the lender shall provide the borrower with a notice that informs the borrower, in a form prescribed by the Secretary by regulation—

(1) that all borrowers are eligible for income-sensitive repayment, including through loan consolidation under section 428C;

(2) the procedures by which the borrower may elect income-sensitive repayment; and

(3) where and how the borrower may obtain additional information concerning income-sensitive repayment.

(f) PAYMENTS OF CERTAIN COSTS.—

(1) PAYMENT FOR CERTAIN ACTIVITIES.—

(A) IN GENERAL.—The Secretary—

(i) for loans originated during fiscal years beginning on or after October 1, 1998, and before October 1, 2003, and in accordance with the provisions of this paragraph, shall, except as provided in subparagraph (C), pay to each guaranty agency, a loan processing and issuance fee equal to 0.65 percent of the total principal amount of the loans on which insurance was issued under this part during such fiscal year by such agency; and

(ii) for loans originated during fiscal years beginning on or after October 1, 2003, and in accordance with the provisions of this paragraph, shall, except as provided in subparagraph (C), pay to each guaranty agency, a loan processing and issuance fee equal to 0.40 percent of the total principal amount of the loans on which insurance was issued under this part during such fiscal year by such agency.

(B) PAYMENT.—The payment required by subparagraph (A) shall be paid on a quarterly basis. The guaranty agency shall be deemed to have a contractual right against the United States to receive payments according to the provisions of this paragraph. Payments shall be made promptly and without administrative delay to any guar-

anty agency submitting an accurate and complete application under this subparagraph.

(C) REQUIREMENT FOR PAYMENT.—No payment may be made under this paragraph for loans for which the disbursement checks have not been cashed or for which electronic funds transfers have not been completed.

(g) ACTION ON INSURANCE PROGRAM AND GUARANTY AGREEMENTS.—If a nonprofit private institution or organization—

(1) applies to enter into an agreement with the Secretary under subsections (b) and (c) with respect to a student loan insurance program to be carried on in a State with which the Secretary does not have an agreement under subsection (b), and

(2) as provided in the application, undertakes to meet the requirements of section 422(c)(6)(B) (i), (ii), and (iii), the Secretary shall consider and act upon such application within 180 days, and shall forthwith notify the Committee on Labor and Human Resources of the Senate and the Committee on Education and the Workforce of the House of Representatives of his actions.

(h) LENDING BY GUARANTY AGENCIES.—

(1) LENDING FROM SALLIE MAE ADVANCES.—From sums advanced by the Association pursuant to section 439(p), each guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) of the Act is authorized to make loans directly to students otherwise unable to obtain loans under this part.

(2) AMOUNT OF ADVANCES.—(A) Each guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) which has an application approved under section 439(p)(2) may receive advances under section 439(p) for each fiscal year in an amount necessary to meet the demand for loans under this section. The amount such agency or lender is eligible to receive may not exceed 25 percent of the average of the loans guaranteed by that agency or lender for the 3 years preceding the fiscal year for which the determination is made. Whenever the determination required by the preceding sentence cannot be made because the agency or lender does not have 3 years previous experience, the amount such agency or lender is eligible to receive may not exceed 25 percent of the loans guaranteed under a program of a State of comparable size.

(B) Each guaranty agency and each eligible lender in a State described in section 435(d)(1) (D) or (F) shall repay advances made under section 439(p) in accordance with agreements entered into between the Association and such agency or lender.

(3) LOAN TERM, CONDITIONS, AND BENEFITS.—Loans made pursuant to this subsection shall have the same terms, conditions, and benefits as all other loans made under this part.

(i) MULTIPLE DISBURSEMENT OF LOANS.—

(1) ESCROW ACCOUNTS ADMINISTERED BY ESCROW AGENT.—Any guaranty agency or eligible lender (hereafter in this subsection referred to as the “escrow agent”) may enter into an agreement with any other eligible lender that is not an eligible

institution or an agency or instrumentality of the State (hereafter in this subsection referred to as the "lender") for the purpose of authorizing disbursements of the proceeds of a loan to a student. Such agreement shall provide that the lender will pay the proceeds of such loans into an escrow account to be administered by the escrow agent in accordance with the provisions of paragraph (2) of this subsection. Such agreement may allow the lender to make payments into the escrow account in amounts that do not exceed the sum of the amounts required for disbursement of initial or subsequent installments to borrowers and to make such payments not more than 21 days prior to the date of the disbursement of such installment to such borrowers. Such agreement shall require the lender to notify promptly the eligible institution when funds are escrowed under this subsection for a student at such institution.

(2) AUTHORITY OF ESCROW AGENT.—Each escrow agent entering into an agreement under paragraph (1) of this subsection is authorized to—

(A) make the disbursements in accordance with the note evidencing the loan;

(B) commingle the proceeds of all loans paid to the escrow agent pursuant to the escrow agreement entered into under such paragraph (1);

(C) invest the proceeds of such loans in obligations of the Federal Government or obligations which are insured or guaranteed by the Federal Government;

(D) retain interest or other earnings on such investment; and

(E) return to the lender undisbursed funds when the student ceases to carry at an eligible institution at least one-half of the normal full-time academic workload as determined by the institution.

(j) LENDERS-OF-LAST-RESORT.—

(1) GENERAL REQUIREMENT.—In each State, the guaranty agency or an eligible lender in the State described in section 435(d)(1)(D) of this Act shall make loans directly, or through an agreement with an eligible lender or lenders, to students eligible to receive interest benefits paid on their behalf under subsection (a) of this section who are otherwise unable to obtain loans under this part. Loans made under this subsection shall not exceed the amount of the need of the borrower, as determined under subsection (a)(2)(B), nor be less than \$200. The guaranty agency shall consider the request of any eligible lender, as defined under section 435(d)(1)(A) of this Act, to serve as the lender-of-last-resort pursuant to this subsection.

(2) RULES AND OPERATING PROCEDURES.—The guaranty agency shall develop rules and operating procedures for the lender-of-last-resort program designed to ensure that—

(A) the program establishes operating hours and methods of application designed to facilitate application by students and ensure a response within 60 days after the student's original complete application is filed under this subsection;

(B) consistent with standards established by the Secretary, students applying for loans under this subsection shall not be subject to additional eligibility requirements or requests for additional information beyond what is required under this title in order to receive a loan under this part from an eligible lender, nor be required to receive more than two rejections from eligible lenders in order to obtain a loan under this subsection;

(C) information about the availability of loans under the program is made available to institutions of higher education in the State;

(D) appropriate steps are taken to ensure that borrowers receiving loans under the program are appropriately counseled on their loan obligation; and

(E) the guaranty agency notifies the Secretary when the guaranty agency believes or has reason to believe that the Secretary may need to exercise the Secretary's authority under section 439(q).

(3) ADVANCES TO GUARANTY AGENCIES FOR LENDER-OF-LAST-RESORT SERVICES.—(A) In order to ensure the availability of loan capital, the Secretary is authorized to provide a guaranty agency designated for a State with additional advance funds in accordance with subparagraph (C) and section 422(c)(7), with such restrictions on the use of such funds as are determined appropriate by the Secretary, in order to ensure that the guaranty agency will make loans as the lender-of-last-resort. Such agency shall make such loans in accordance with this subsection and the requirements of the Secretary.

(B) Notwithstanding any other provision in this part, a guaranty agency serving as a lender-of-last-resort under this paragraph shall be paid a fee, established by the Secretary, for making such loans in lieu of interest and special allowance subsidies, and shall be required to assign such loans to the Secretary on demand. Upon such assignment, the portion of the advance represented by the loans assigned shall be considered repaid by such guaranty agency.

(C) The Secretary shall exercise the authority described in subparagraph (A) only if the Secretary determines that eligible borrowers are seeking and are unable to obtain loans under this part, and that the guaranty agency designated for that State has the capability to provide lender-of-last-resort loans in a timely manner, in accordance with the guaranty agency's obligations under paragraph (1), but cannot do so without advances provided by the Secretary under this paragraph. If the Secretary makes the determinations described in the preceding sentence and determines that it would be cost-effective to do so, the Secretary may provide advances under this paragraph to such guaranty agency. If the Secretary determines that such guaranty agency does not have such capability, or will not provide such loans in a timely fashion, the Secretary may provide such advances to enable another guaranty agency, that the Secretary determines to have such capability, to make lender-of-last-resort loans to eligible borrowers in that State who are experiencing loan access problems.

(k) INFORMATION ON DEFAULTS.—

(1) PROVISION OF INFORMATION TO ELIGIBLE INSTITUTIONS.—Notwithstanding any other provision of law, in order to notify eligible institutions of former students who are in default of their continuing obligation to repay student loans, each guaranty agency shall, upon the request of an eligible institution, furnish information with respect to students who were enrolled at the eligible institution and who are in default on the repayment of any loan made, insured, or guaranteed under this part. The information authorized to be furnished under this subsection shall include the names and addresses of such students.

(2) PUBLIC DISSEMINATION NOT AUTHORIZED.—Nothing in paragraph (1) of this subsection shall be construed to authorize public dissemination of the information described in paragraph (1).

(3) BORROWER LOCATION INFORMATION.—Any information provided by the institution relating to borrower location shall be used by the guaranty agency in conducting required skip-tracing activities.

(l) DEFAULT AVERSION ASSISTANCE.—

(1) ASSISTANCE REQUIRED.—Upon receipt of a complete request from a lender received not earlier than the 60th day of delinquency, a guaranty agency having an agreement with the Secretary under subsection (c) shall engage in default aversion activities designed to prevent the default by a borrower on a loan covered by such agreement.

(2) REIMBURSEMENT.—

(A) IN GENERAL.—A guaranty agency, in accordance with the provisions of this paragraph, may transfer from the Federal Student Loan Reserve Fund under section 422A to the Agency Operating Fund under section 422B a default aversion fee. Such fee shall be paid for any loan on which a claim for default has not been paid as a result of the loan being brought into current repayment status by the guaranty agency on or before the 300th day after the loan becomes 60 days delinquent.

(B) AMOUNT.—The default aversion fee shall be equal to 1 percent of the total unpaid principal and accrued interest on the loan at the time the request is submitted by the lender. A guaranty agency may transfer such fees earned under this subsection not more frequently than monthly. Such a fee shall not be paid more than once on any loan for which the guaranty agency averts the default unless—

(i) at least 18 months has elapsed between the date the borrower entered current repayment status and the date the lender filed a subsequent default aversion assistance request; and

(ii) during the period between such dates, the borrower was not more than 30 days past due on any payment of principal and interest on the loan.

(C) DEFINITION.—For the purpose of earning the default aversion fee, the term “current repayment status”

means that the borrower is not delinquent in the payment of any principal or interest on the loan.

(m) INCOME CONTINGENT REPAYMENT.—

(1) AUTHORITY OF SECRETARY TO REQUIRE.—The Secretary may require borrowers who have defaulted on loans made under this part that are assigned to the Secretary under subsection (c)(8) to repay those loans under an income contingent repayment plan, the terms and conditions of which shall be established by the Secretary and the same as, or similar to, an income contingent repayment plan established for purposes of part D of this title.

(2) LOANS FOR WHICH INCOME CONTINGENT REPAYMENT MAY BE REQUIRED.—A loan made under this part may be required to be repaid under this subsection if the note or other evidence of the loan has been assigned to the Secretary pursuant to subsection (c)(8).

(n) BLANKET CERTIFICATE OF LOAN GUARANTY.—

(1) IN GENERAL.—Subject to paragraph (3), any guaranty agency that has entered into or enters into any insurance program agreement with the Secretary under this part may—

(A) offer eligible lenders participating in the agency's guaranty program a blanket certificate of loan guaranty that permits the lender to make loans without receiving prior approval from the guaranty agency of individual loans for eligible borrowers enrolled in eligible programs at eligible institutions; and

(B) provide eligible lenders with the ability to transmit electronically data to the agency concerning loans the lender has elected to make under the agency's insurance program via standard reporting formats, with such reporting to occur at reasonable and standard intervals.

(2) LIMITATIONS ON BLANKET CERTIFICATE OF GUARANTY.—

(A) An eligible lender may not make a loan to a borrower under this section after such lender receives a notification from the guaranty agency that the borrower is not an eligible borrower.

(B) A guaranty agency may establish limitations or restrictions on the number or volume of loans issued by a lender under the blanket certificate of guaranty.

(3) PARTICIPATION LEVEL.—During fiscal years 1999 and 2000, the Secretary may permit, on a pilot basis, a limited number of guaranty agencies to offer blanket certificates of guaranty under this subsection. Beginning in fiscal year 2001, any guaranty agency that has an insurance program agreement with the Secretary may offer blanket certificates of guaranty under this subsection.

(4) REPORT REQUIRED.—The Secretary shall, at the conclusion of the pilot program under paragraph (3), provide a report to the Committee on Education and the Workforce of the House of Representatives and the Committee on Labor and Human Resources of the Senate on the impact of the blanket certificates of guaranty on program efficiency and integrity.

The Secretary may waive or modify any requirement under such subsections, except that the Secretary may not waive—

(A) any statutory requirement pertaining to the terms and conditions attached to student loans or default claim payments made to lenders; or

(B) the prohibitions on inducements contained in section 428(b)(3) unless the Secretary determines that such a waiver is consistent with the purposes of this section and is limited to activities of the guaranty agency within the State or States for which the guaranty agency serves as the designated guarantor.

(A) the parents do not have an adverse credit history as determined pursuant to regulations promulgated by the Secretary; and

(B) the parents meet such other eligibility criteria as the Secretary may establish by regulation, after consultation with guaranty agencies, eligible lenders, and other organizations involved in student financial assistance.

(2) **TERMS, CONDITIONS, AND BENEFITS.**—Except as provided in subsections (c), (d), and (e), loans made under this section shall have the same terms, conditions, and benefits as all other loans made under this part.

(3) **SPECIAL RULE.**—Whenever necessary to carry out the provisions of this section, the terms 'student' and 'borrower' as used in this part shall include a parent borrower under this section.

(b) **LIMITATION BASED ON NEED.**—Any loan under this section may be counted as part of the expected family contribution in the determination of need under this title, but no loan may be made to any parent under this section for any academic year in excess of (A) the student's estimated cost of attendance, minus (B) other financial aid as certified by the eligible institution under section 428(a)(2)(A). The annual insurable limit on account of any student shall not be deemed to be exceeded by a line of credit under which actual payments to the borrower will not be made in any year in excess of the annual limit.

(c) **PLUS LOAN DISBURSEMENT.**—All loans made under this section shall be disbursed in accordance with the requirements of section 428G and shall be disbursed by—

(1) an electronic transfer of funds from the lender to the eligible institution; or

(2) a check copayable to the eligible institution and the parent borrower.

(d) **PAYMENT OF PRINCIPAL AND INTEREST.**—

(1) **COMMENCEMENT OF REPAYMENT.**—Repayment of principal on loans made under this section shall commence not later than 60 days after the date such loan is disbursed by the lender, subject to deferral during any period during which the parent meets the conditions required for a deferral under section 427(a)(2)(C) or 428(b)(1)(M).

(2) **CAPITALIZATION OF INTEREST.**—Interest on loans made under this section for which payments of principal are deferred

pursuant to paragraph (1) of this subsection shall, if agreed upon by the borrower and the lender (A) be paid monthly or quarterly, or (B) be added to the principal amount of the loan not more frequently than quarterly by the lender. Such capitalization of interest shall not be deemed to exceed the annual insurable limit on account of the borrower.

(3) SUBSIDIES PROHIBITED.—No payments to reduce interest costs shall be paid pursuant to section 428(a) of this part on loans made pursuant to this section.

(4) APPLICABLE RATES OF INTEREST.—Interest on loans made pursuant to this section shall be at the applicable rate of interest provided in section 427A for loans made under this section.<sup>1</sup>

(5) AMORTIZATION.—The amount of the periodic payment and the repayment schedule for any loan made pursuant to this section shall be established by assuming an interest rate equal to the applicable rate of interest at the time the repayment of the principal amount of the loan commences. At the option of the lender, the note or other written evidence of the loan may require that—

(A) the amount of the periodic payment will be adjusted annually, or

(B) the period of repayment of principal will be lengthened or shortened,

in order to reflect adjustments in interest rates occurring as a consequence of section 427A(c)(4).

(e) REFINANCING.—

(1) REFINANCING TO SECURE COMBINED PAYMENT.—An eligible lender may at any time consolidate loans held by it which are made under this section to a borrower, including loans which were made under section 428B as in effect prior to the enactment of the Higher Education Amendments of 1986, under a single repayment schedule which provides for a single principal payment and a single payment of interest, and shall calculate the repayment period for each included loan from the date of the commencement of repayment of the most recent included loan. Unless the consolidated loan is obtained by a borrower who is electing to obtain variable interest under paragraph (2) or (3), such consolidated loan shall bear interest at the weighted average of the rates of all included loans. The extension of any repayment period of an included loan pursuant to this paragraph shall be reported (if required by them) to the Secretary or guaranty agency insuring the loan, as the case may be, but no additional insurance premiums shall be payable with respect to any such extension. The extension of the repayment period of any included loan shall not require the formal extension of the promissory note evidencing the included loan or the execution of a new promissory note, but shall be treated as an administrative forbearance of the repayment terms of the included loan.

<sup>1</sup>Section 416(a)(2) of the Higher Education Amendments of 1998 (P.L. 105-244; 112 Stat. 1680) contained an amendment that could not be executed and was redundant because of an earlier amendment in section 8301(a)(2) of the Transportation Equity Act for the 21st Century (P.L. 105-178; 112 Stat. 497).

(2) REFINANCING TO SECURE VARIABLE INTEREST RATE.—An eligible lender may reissue a loan which was made under this section before July 1, 1987, or under section 428B as in effect prior to the enactment of the Higher Education Amendments of 1986 in order to permit the borrower to obtain the interest rate provided under section 427A(c)(4). A lender offering to reissue a loan or loans for such purpose may charge a borrower an amount not to exceed \$100 to cover the administrative costs of reissuing such loan or loans, not more than one-half of which shall be paid to the guarantor of the loan being reissued to cover costs of reissuance. Reissuance of a loan under this paragraph shall not affect any insurance applicable with respect to the loan, and no additional insurance fee may be charged to the borrower with respect to the loan.

(3) REFINANCING BY DISCHARGE OF PREVIOUS LOAN.—A borrower who has applied to an original lender for reissuance of a loan under paragraph (2) and who is denied such reissuance may obtain a loan from another lender for the purpose of discharging the loan from such original lender. A loan made for such purpose—

(B) shall not result in the extension of the duration of the note (other than as permitted under subsection (c)(5)(B));

(C) may be subject to an additional insurance fee but shall not be subject to the administrative cost charge permitted by paragraph (2) of this subsection; and

(D) shall be applied to discharge the borrower from any remaining obligation to the original lender with respect to the original loan.

(4) CERTIFICATION IN LIEU OF PROMISSORY NOTE PRESENTATION.—Each new lender may accept certification from the original lender of the borrower's original loan in lieu of presentation of the original promissory note.

(5) NOTIFICATION TO BORROWERS OF AVAILABILITY OF REFINANCING OPTIONS.—Each holder of a loan made under this section or under section 428B as in effect prior to the date of enactment of this Act shall, not later than October 1, 1987, in the case of loans made before the date of enactment of this Act, notify the borrower of such loan—

(A) of the refinancing options for which the borrower is eligible under this subsection;

(B) of those options which will be made available by the holder and of the practical consequences of such options in terms of interest rates and monthly and total payments for a set of loan examples; and

(1) immigration status in the same manner as immigration status is verified for students under section 484(g); and

(2) social security number in the same manner as social security numbers are verified for students under section 484(p).

tion, except that this clause shall not apply in the case of a borrower with multiple holders of loans under this part, or (ii) the borrower certifies that the borrower has sought and has been unable to obtain a consolidation loan with income-sensitive repayment terms from the holders of the outstanding loans of that borrower (which are so selected for consolidation);

(B) that each consolidation loan made by the lender will bear interest, and be subject to repayment, in accordance with subsection (c);

(C) that each consolidation loan will be made, notwithstanding any other provision of this part limiting the annual or aggregate principal amount for all insured loans made to a borrower, in an amount (i) which is not less than the minimum amount required for eligibility of the borrower under subsection (a)(3), and (ii) which is equal to the sum of the unpaid principal and accrued unpaid interest and late charges of all eligible student loans received by the eligible borrower which are selected by the borrower for consolidation;

(D) that the proceeds of each consolidation loan will be paid by the lender to the holder or holders of the loans so selected to discharge the liability on such loans;

(E) that the lender shall offer an income-sensitive repayment schedule, established by the lender in accordance with the regulations promulgated by the Secretary, to the borrower of any consolidation loan made by the lender on or after July 1, 1994; and

(F) such other terms and conditions as the Secretary or the guaranty agency may specifically require of the lender to carry out this section.

(2) ISSUANCE OF CERTIFICATE OF COMPREHENSIVE INSURANCE COVERAGE.—The Secretary shall issue a certificate of comprehensive insurance coverage under section 429(b) to a lender which has entered into an agreement with the Secretary under paragraph (1) of this subsection. The guaranty agency may issue a certificate of comprehensive insurance coverage to a lender with which it has an agreement under such paragraph. The Secretary shall not issue a certificate to a lender described in subparagraph (B) or (C) of subsection (a)(1) unless the Secretary determines that such lender has first applied to, and has been denied a certificate of insurance by, the guaranty agency which insures the preponderance of its loans (by value).

(3) CONTENTS OF CERTIFICATE.—A certificate issued under paragraph (2) shall, at a minimum, provide—

(A) that all consolidation loans made by such lender in conformity with the requirements of this section will be insured by the Secretary or the guaranty agency (whichever is applicable) against loss of principal and interest;

(B) that a consolidation loan will not be insured unless the lender has determined to its satisfaction, in accordance with reasonable and prudent business practices, for each loan being consolidated—

(i) that the loan is a legal, valid, and binding obligation of the borrower;

(ii) that each such loan was made and serviced in compliance with applicable laws and regulations; and

(iii) in the case of loans under this part, that the insurance on such loan is in full force and effect;

(C) the effective date and expiration date of the certificate;

(D) the aggregate amount to which the certificate applies;

(E) the reporting requirements of the Secretary on the lender and an identification of the office of the Department of Education or of the guaranty agency which will process claims and perform other related administrative functions;

(F) the alternative repayment terms which will be offered to borrowers by the lender;

(G) that, if the lender prior to the expiration of the certificate no longer proposes to make consolidation loans, the lender will so notify the issuer of the certificate in order that the certificate may be terminated (without affecting the insurance on any consolidation loan made prior to such termination); and

(H) the terms upon which the issuer of the certificate may limit, suspend, or terminate the lender's authority to make consolidation loans under the certificate (without affecting the insurance on any consolidation loan made prior to such limitation, suspension, or termination).

(4) TERMS AND CONDITIONS OF LOANS.—A consolidation loan made pursuant to this section shall be insurable by the Secretary or a guaranty agency pursuant to paragraph (2) only if the loan is made to an eligible borrower who has agreed to notify the holder of the loan promptly concerning any change of address and the loan is evidenced by a note or other written agreement which—

(A) is made without security and without endorsement, except that if the borrower is a minor and such note or other written agreement executed by him or her would not, under applicable law, create a binding obligation, endorsement may be required;

(B) provides for the payment of interest and the repayment of principal in accordance with subsection (c) of this section;

(C)(i) provides that periodic installments of principal need not be paid, but interest shall accrue and be paid in accordance with clause (ii), during any period for which the borrower would be eligible for a deferral under section 428(b)(1)(M), and that any such period shall not be included in determining the repayment schedule pursuant to subsection (c)(2) of this section; and

(ii) provides that interest shall accrue and be paid during any such period—

(I) by the Secretary, in the case of a consolidation loan for which the application is received by an eligible lender before the date of enactment of the Emer-

gency Student Loan Consolidation Act of 1997 that consolidated only Federal Stafford Loans for which the student borrower received an interest subsidy under section 428;

(II) by the Secretary, in the case of a consolidation loan for which the application is received by an eligible lender on or after the date of enactment of the Emergency Student Loan Consolidation Act of 1997 except that the Secretary shall pay such interest only on that portion of the loan that repays Federal Stafford Loans for which the student borrower received an interest subsidy under section 428 or Federal Direct Stafford Loans for which the borrower received an interest subsidy under section 455; or

(III) by the borrower, or capitalized, in the case of a consolidation loan other than a loan described in subclause (I) or (II);

(D) entitles the borrower to accelerate without penalty repayment of the whole or any part of the loan; and

(E)(i) contains a notice of the system of disclosure concerning such loan to credit bureau organizations under section 430A, and (ii) provides that the lender on request of the borrower will provide information on the repayment status of the note to such organizations.

(5) DIRECT LOANS.—In the event that a borrower is unable to obtain a consolidation loan from a lender with an agreement under subsection (a)(1), or is unable to obtain a consolidation loan with income-sensitive repayment terms acceptable to the borrower from such a lender, the Secretary shall offer any such borrower who applies for it, a direct consolidation loan. Such direct consolidation loan shall, as requested by the borrower, be repaid either pursuant to income contingent repayment under part D of this title or pursuant to any other repayment provision under this section. The Secretary shall not offer such loans if, in the Secretary's judgment, the Department of Education does not have the necessary origination and servicing arrangements in place for such loans.

(6) NONDISCRIMINATION IN LOAN CONSOLIDATION.—An eligible lender that makes consolidation loans under this section shall not discriminate against any borrower seeking such a loan—

(A) based on the number or type of eligible student loans the borrower seeks to consolidate, except that a lender is not required to consolidate loans described in subparagraph (D) or (E) of subsection (a)(4) or subsection (d)(1)(C)(ii);

(B) based on the type or category of institution of higher education that the borrower attended;

(C) based on the interest rate to be charged to the borrower with respect to the consolidation loan; or

(D) with respect to the types of repayment schedules offered to such borrower.

(c) PAYMENT OF PRINCIPAL AND INTEREST.—

(1) INTEREST RATE.—(A) Notwithstanding subparagraphs (B) and (C), with respect to any loan made under this section for which the application is received by an eligible lender—

(i) on or after October 1, 1998, and before July 1, 2006, the applicable interest rate shall be determined under section 427A(k)(4); or

(ii) on or after July 1, 2006, the applicable interest rate shall be determined under section 427A(l)(3).

(B) A consolidation loan made before July 1, 1994, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the greater of—

(i) the weighted average of the interest rates on the loans consolidated, rounded to the nearest whole percent; or

(ii) 9 percent.

(C) A consolidation loan made on or after July 1, 1994, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the weighted average of the interest rates on the loans consolidated, rounded upward to the nearest whole percent.

(D) A consolidation loan for which the application is received by an eligible lender on or after the date of enactment of the Emergency Student Loan Consolidation Act of 1997 and before October 1, 1998, shall bear interest at an annual rate on the unpaid principal balance of the loan that is equal to the rate specified in section 427A(f), except that the eligible lender may continue to calculate interest on such a loan at the rate previously in effect and defer, until not later than April 1, 1998, the recalculation of the interest on such a loan at the rate required by this subparagraph if the recalculation is applied retroactively to the date on which the loan is made.

(2) REPAYMENT SCHEDULES.—(A) Notwithstanding any other provision of this part, to the extent authorized by its certificate of insurance under subsection (b)(2)(F) and approved by the issuer of such certificate, the lender of a consolidation loan shall establish repayment terms as will promote the objectives of this section, which shall include the establishment of graduated or income-sensitive repayment schedules, established by the lender in accordance with the regulations of the Secretary. Except as required by such income-sensitive repayment schedules, or by the terms of repayment pursuant to income contingent repayment offered by the Secretary under subsection (b)(5), such repayment terms shall require that if the sum of the consolidation loan and the amount outstanding on other student loans to the individual—

(i) is less than \$7,500, then such consolidation loan shall be repaid in not more than 10 years;

(ii) is equal to or greater than \$7,500 but less than \$10,000, then such consolidation loan shall be repaid in not more than 12 years;

(iii) is equal to or greater than \$10,000 but less than \$20,000, then such consolidation loan shall be repaid in not more than 15 years;

(iv) is equal to or greater than \$20,000 but less than \$40,000, then such consolidation loan shall be repaid in not more than 20 years;

(v) is equal to or greater than \$40,000 but less than \$60,000, then such consolidation loan shall be repaid in not more than 25 years; or

(vi) is equal to or greater than \$60,000, then such consolidation loan shall be repaid in not more than 30 years.

(B) The amount outstanding on other student loans which may be counted for the purpose of subparagraph (A) may not exceed the amount of the consolidation loan.

(3) ADDITIONAL REPAYMENT REQUIREMENTS.—Notwithstanding paragraph (2)—

(A) a repayment schedule established with respect to a consolidation loan shall require that the minimum installment payment be an amount equal to not less than the accrued unpaid interest; and

(B) except as required by the terms of repayment pursuant to income contingent repayment offered by the Secretary under subsection (b)(5), the lender of a consolidation loan may, with respect to repayment on the loan, when the amount of a monthly or other similar payment on the loan is not a multiple of \$5, round the payment to the next highest whole dollar amount that is a multiple of \$5.

(4) COMMENCEMENT OF REPAYMENT.—Repayment of a consolidation loan shall commence within 60 days after all holders have, pursuant to subsection (b)(1)(D), discharged the liability of the borrower on the loans selected for consolidation.

(5) INSURANCE PREMIUMS PROHIBITED.—No insurance premium shall be charged to the borrower on any consolidation loan, and no insurance premium shall be payable by the lender to the Secretary with respect to any such loan, but a fee may be payable by the lender to the guaranty agency to cover the costs of increased or extended liability with respect to such loan.

Such loan shall not be sold to an eligible lender who has been found by the guaranty agency or the Secretary to have substantially failed to exercise the due diligence required of lenders under this part. Neither the guaranty agency nor the Secretary shall demand from a borrower as monthly payment amounts referred to in this paragraph more than is reasonable and affordable based upon the borrower's total financial circumstances.

(B) An agreement between the guaranty agency and the Secretary for purposes of this paragraph shall provide—

(i) for the repayment by the agency to the Secretary of 81.5 percent of the amount of the principal balance outstanding at the time of such sale, multiplied by the reinsurance percentage in effect when payment under the guaranty agreement was made with respect to the loan; and

(ii) for the reinstatement by the Secretary (I) of the obligation to reimburse such agency for the amount expended by it in discharge of its insurance obligation under its loan insurance program, and (II) of the obligation to pay to the holder of such loan a special allowance pursuant to section 438.

(C) A loan which does not meet the requirements of subparagraph (A) may also be eligible for sale under this paragraph upon a determination that the loan was in default due to clerical or data processing error and would not, in the absence of such error, be in a delinquent status.

(2) USE OF PROCEEDS OF SALES.—Amounts received by the Secretary pursuant to the sale of such loans by a guaranty agency under paragraph (1) of this subsection shall be deducted from the calculations of the amount of reimbursement for which the agency is eligible under paragraph (1)(B)(ii) of this subsection for the fiscal year in which the amount was received, notwithstanding the fact that the default occurred in a prior fiscal year.

(3) BORROWER ELIGIBILITY.—Any borrower whose loan is sold under paragraph (2) shall not be precluded by section 484 from receiving additional loans or grants under this title (for which he or she is otherwise eligible) on the basis of defaulting on the loan prior to such loan sale.

A borrower may only obtain the benefit of this subsection with respect to renewed eligibility once.

(3)<sup>1</sup> SPECIAL RULE.—An institution whose cohort default rate (as determined under section 435(m)) for each of the 3 most recent fiscal years for which data are available is less than 10 percent may disburse any loan made, insured, or guaranteed under this part in a single installment for any period of enrollment that is not more than 1 semester, 1 trimester, 1 quarter, or 4 months.

(b) DISBURSEMENT AND ENDORSEMENT REQUIREMENTS.—

(1) FIRST YEAR STUDENTS.—The first installment of the proceeds of any loan made, insured, or guaranteed under this part that is made to a student borrower who is entering the first year of a program of undergraduate education, and who has not previously obtained a loan under this part, shall not (regardless of the amount of such loan or the duration of the period of enrollment) be presented by the institution to the student for endorsement until 30 days after the borrower begins a course of study, but may be delivered to the eligible institution prior to the end of that 30-day period. An institution whose cohort default rate (as determined under section 435(m)) for each of the three most recent fiscal years for which data are available is less than 10 percent shall be exempt from the requirements of this paragraph.<sup>1</sup>

(1) determined and documented the student's need for the loan based on the student's estimated cost of attendance (as determined under section 472) and the student's estimated financial assistance, including a loan which qualifies for interest subsidy payments under section 428; and

(2) provided the lender a statement—

(A) certifying the eligibility of the student to receive a loan under this section and the amount of the loan for which such student is eligible, in accordance with subsection (c); and

(B) setting forth a schedule for disbursement of the proceeds of the loan in installments, consistent with the requirements of section 428G.

(c) DETERMINATION OF AMOUNT OF LOAN.—The determination of the amount of a loan by an eligible institution under subsection (b) shall be calculated by subtracting from the estimated cost of attendance at the eligible institution any estimated financial assistance reasonably available to such student. An eligible institution may not, in carrying out the provisions of subsection (b) of this section, provide a statement which certifies the eligibility of any student to receive any loan under this section in excess of the amount calculated under the preceding sentence.

(d) LOAN LIMITS.—

(1) IN GENERAL.—Except as provided in paragraphs (2) and (3), the annual and aggregate limits for loans under this section shall be the same as those established under section 428(b)(1), less any amount received by such student pursuant to the subsidized loan program established under section 428.

(2) ANNUAL LIMITS FOR INDEPENDENT, GRADUATE, AND PROFESSIONAL STUDENTS.—The maximum annual amount of loans under this section an independent student (or a student whose parents are unable to borrow under section 428B or the Federal Direct PLUS Loan Program) may borrow in any academic year (as defined in section 481(a)(2)) or its equivalent shall be the amount determined under paragraph (1), plus—

(A) in the case of such a student attending an eligible institution who has not completed such student's first 2 years of undergraduate study—

(i) \$4,000, if such student is enrolled in a program whose length is at least one academic year in length; and

(ii) if such student is enrolled in a program of undergraduate education which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in clause (i) as the length of such program measured in

semester, trimester, quarter, or clock hours bears to one academic year;

(B) in the case of a student at an eligible institution who has successfully completed such first and second years but has not successfully completed the remainder of a program of undergraduate education—

(i) \$5,000; or

(ii) if such student is enrolled in a program of undergraduate education, the remainder of which is less than one academic year, the maximum annual loan amount that such student may receive may not exceed the amount that bears the same ratio to the amount specified in subclause (I) as such remainder measured in semester, trimester, quarter, or clock hours bears to one academic year;

(C) in the case of such a student who is a graduate or professional student attending an eligible institution, \$10,000; and

(D) in the case of a student enrolled in coursework specified in sections 484(b)(3)(B) and 484(b)(4)(B)—

(i) \$4,000 for coursework necessary for enrollment in an undergraduate degree or certificate program, and, in the case of a student who has obtained a baccalaureate degree, \$5,000 for coursework necessary for enrollment in a graduate or professional program; and

(ii) in the case of a student who has obtained a baccalaureate degree, \$5,000 for coursework necessary for a professional credential or certification from a State required for employment as a teacher in an elementary or secondary school;

<sup>1</sup>except in cases where the Secretary determines, that a higher amount is warranted in order to carry out the purpose of this part with respect to students engaged in specialized training requiring exceptionally high costs of education, but the annual insurable limit per student shall not be deemed to be exceeded by a line of credit under which actual payments by the lender to the borrower will not be made in any years in excess of the annual limit.

(3) AGGREGATE LIMITS FOR INDEPENDENT, GRADUATE, AND PROFESSIONAL STUDENTS.—The maximum aggregate amount of loans under this section a student described in paragraph (2) may borrow shall be the amount described in paragraph (1), adjusted to reflect the increased annual limits described in paragraph (2), as prescribed by the Secretary by regulation. Interest capitalized shall not be deemed to exceed such maximum aggregate amount.

(e) PAYMENT OF PRINCIPAL AND INTEREST.—

(1) COMMENCEMENT OF REPAYMENT.—Repayment of principal on loans made under this section shall begin at the beginning of the repayment period described in section 428(b)(7). (i) be paid monthly or quarterly; or

(ii) be added to the principal amount of the loan by the lender only—

(I) when the loan enters repayment;

(II) at the expiration of a grace period, in the case of a loan that qualifies for a grace period;

(III) at the expiration of a period of deferment or forbearance; or

(IV) when the borrower defaults.

(B) The capitalization of interest described in subparagraph (A) shall not be deemed to exceed the annual insurable limit on account of the student.

(3) SUBSIDIES PROHIBITED.—No payments to reduce interest costs shall be paid pursuant to section 428(a) of this part on loans made pursuant to this section.

(4) APPLICABLE RATES OF INTEREST.—Interest on loans made pursuant to this section shall be at the applicable rate of interest provided in section 427A.

(5) AMORTIZATION.—The amount of the periodic payment and the repayment schedule for any loan made pursuant to this section shall be established by assuming an interest rate equal to the applicable rate of interest at the time the repayment of the principal amount of the loan commences. At the option of the lender, the note or other written evidence of the loan may require that—

(A) the amount of the periodic payment will be adjusted annually; or

(B) the period of repayment of principal will be lengthened or shortened,

in order to reflect adjustments in interest rates occurring as a consequence of section 427A(c)(4).

(6) REPAYMENT PERIOD.—For purposes of calculating the repayment period under section 428(b)(9), such period shall commence at the time the first payment of principal is due from the borrower.

(7) QUALIFICATION FOR FORBEARANCE.—A lender may grant the borrower of a loan under this section a forbearance for a period not to exceed 60 days if the lender reasonably determines that such a forbearance from collection activity is warranted following a borrower's request for forbearance, deferment, or a change in repayment plan, or a request to consolidate loans in order to collect or process appropriate supporting documentation related to the request. **SEC. 428I. [20 U.S.C. 1078-9] SPECIAL INSURANCE AND REINSURANCE RULES.**

(a) DESIGNATION OF LENDERS, SERVICERS, AND GUARANTY AGENCIES.—

(1) AUTHORITY.—Whenever the Secretary determines that an eligible lender, servicer, or guaranty agency has a compliance performance rating that equals or exceeds 97 percent, the Secretary shall designate the eligible lender, servicer, or guaranty agency, as the case may be, for exceptional performance. The Secretary shall notify each appropriate guaranty agency of the eligible lenders and servicers designated under this section.

(2) COMPLIANCE PERFORMANCE RATING.—For purposes of paragraph (1), a compliance performance rating is determined with respect to compliance with due diligence in the collection of loans under this part for each year for which the determination is made. Such rating is equal to the percent of all due diligence requirements applicable to each loan, on average, as established by the Secretary by regulation, with respect to—

(A) loans serviced during the period by the eligible lender or servicer; or

(B) loans on which loan collection was attempted by the guaranty agency.

(b) PAYMENT TO LENDERS AND SERVICERS.—

(1) 100 PERCENT PAYMENT RULE.—Each guaranty agency shall pay each eligible lender or servicer (as agent for an eligible lender) designated under subsection (a) 100 percent of the unpaid principal and interest of all loans for which claims are submitted for payment by that eligible lender or servicer for the one-year period following the receipt by the guaranty agency of the notification of designation under this section or until the guaranty agency receives notice from the Secretary that the designation of the lender or servicer under subsection (a) has been revoked.

(2) REVOCATION AUTHORITY.—The Secretary shall revoke the designation of a lender or servicer under subsection (a) if any quarterly audit required under subsection (c)(5) is not received by the Secretary by the date established by the Secretary or if the audit indicates the lender or servicer failed to maintain 97 percent or higher compliance with program regulations, as reflected in the performance of not less than 97 percent of all due diligence requirements applicable to each loan, on average, as established by the Secretary for the purpose of

this section, for 2 consecutive months or 90 percent for 1 month.

(3) DOCUMENTATION.—Nothing in this section shall restrict or limit the authority of guaranty agencies to require the submission of claims documentation evidencing servicing performed on loans, except that the guaranty agency may not require greater documentation than that required for lenders and servicers not designated under subsection (a).

(4) PAYMENTS TO GUARANTY AGENCIES.—The Secretary shall pay to each guaranty agency designated under subsection (a) the appropriate percentage under this subsection for the 1-year period following the receipt by the guaranty agency of the notification of designation under subsection (a).

(c) SUPERVISION OF DESIGNATED LENDERS AND SERVICERS.—

(1) AUDITS FOR LENDERS AND SERVICERS.—Each eligible lender or servicer desiring a designation under subsection (a) shall have a financial and compliance audit of the loan portfolio of such eligible lender or servicer conducted annually by a qualified independent organization from a list of qualified organizations promulgated by the Secretary in accordance with standards established by the Comptroller General and the Secretary. The standards shall measure the lender's or servicer's compliance with the due diligence standards and shall include a defined statistical sampling technique designed to measure the performance rating of the eligible lender or servicer for the purpose of this section. Each eligible lender or servicer shall submit the audit required by this section to the Secretary and to each appropriate guaranty agency.

(2) ADDITIONAL INFORMATION ON LENDERS AND SERVICERS.—Each appropriate guaranty agency shall provide the Secretary with such other information in its possession regarding an eligible lender or servicer desiring designation as may relate to the Secretary's determination under subsection (a), including but not limited to any information suggesting that the application of a lender or servicer for designation under subsection (a) should not be approved.

(3) SECRETARY'S DETERMINATIONS.—The Secretary shall make the determination under subsection (a) based upon the audits submitted under this section, such other information as provided by any guaranty agency under paragraph (2), and any information in the possession of the Secretary or submitted by any other agency or office of the Federal Government. If the results of the audit are not persuasively rebutted by such other information, the Secretary shall inform the eligible lender or servicer and the appropriate guaranty agency that its application for designation as an exceptional lender or servicer has been approved.

(4) COST OF AUDIT.—Each eligible lender or servicer shall pay for all the costs of the audits required under this section.

(5) COMPLIANCE AUDIT.—In order to maintain its status as an exceptional eligible lender or servicer, the lender or servicer shall undergo a quarterly compliance audit at the end of each quarter (other than the quarter in which status as an exceptional lender or servicer is established through a financial and

compliance audit, as described in subsection (c)(1)), and submit the results of such audit to the Secretary and such appropriate guaranty agency. The compliance audit will review compliance with due diligence requirements for the period since the last audit.

(6) LOSS OF DESIGNATION.—If the audit performed pursuant to paragraph (5) fails to meet the standards for designation as an exceptional lender or servicer under subsection (a)(1), the lender or servicer shall lose its designation as an exceptional lender or servicer. A lender or servicer receiving a compliance audit not meeting the standard for designation as an exceptional lender or servicer may reapply for designation under subsection (a) at any time.

(7) DUE DILIGENCE STANDARDS.—Due diligence standards used for determining compliance under paragraph (5) shall be promulgated by the Secretary after consultation with lenders, guaranty agencies and servicers and shall consist of a list of specific elements for the Federal regulations selected to provide an indication of systems degradation.

(8) ADDITIONAL REVOCATION AUTHORITY.—Notwithstanding any other provision of this section, designation under subsection (a) may be revoked at any time by the Secretary if the Secretary determines that the eligible lender or servicer has failed to maintain an overall level of regulatory compliance consistent with the audit submitted by the eligible lender or servicer under this section or if the Secretary believes the lender or servicer may have engaged in fraud in securing designation under subsection (a) or is failing to service loans in accordance with program regulations.

(d) SUPERVISION OF DESIGNATED GUARANTY AGENCIES.—

(1) AUDIT OF GUARANTY AGENCIES.—Each guaranty agency desiring a designation under subsection (a) shall have a financial and compliance audit of the defaulted loan portfolio of such guaranty agency conducted annually by a qualified independent organization or person from a list of qualified organizations or persons promulgated by the Secretary in accordance with standards established by the Comptroller General and the Secretary. The standards shall include defined statistical sampling techniques designed to measure the performance rating of the guaranty agency for the purpose of this section. Each guaranty agency shall submit the audit required by this paragraph to the Secretary.

(2) QUARTERLY SAMPLE AUDITS.—The Secretary may require quarterly sample audits as a means of determining continued qualification of the guaranty agency for designation as an exceptional guaranty agency.

(3) SECRETARY'S DETERMINATIONS.—The Secretary shall make the determination under subsection (a) based upon the audits submitted under this section and other information in his possession. If the results of the audit are not persuasively rebutted by such other information, the Secretary shall inform the guaranty agency that its application for designation as an exceptional guaranty agency has been approved.

(4) COSTS OF AUDITS.—Each guaranty agency shall pay for all of the costs of the audits regulated by this section.

(5) REVOCATION FOR FRAUD.—The Secretary may revoke the designation of a guaranty agency under subsection (a) at any time if the Secretary has reason to believe the guaranty agency secured its designation under subsection (a) through fraud or fails to comply with applicable regulations.

(6) REVOCATION BASED ON PERFORMANCE.—Designation as an exceptional guaranty agency may be revoked at any time by the Secretary upon 30 days notice and an opportunity for a hearing before the Secretary upon a finding by the Secretary that the guaranty agency has failed to maintain an acceptable overall level of regulatory compliance.

(e) SPECIAL RULE.—Reimbursements made by the Secretary on loans submitted for claim by an eligible lender or loan servicer designated for exceptional performance under this section shall not be subject to additional review by the Secretary or repurchase by the guaranty agency for any reason other than a determination by the Secretary that the eligible lender, loan servicer, or guaranty agency engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance.

(f) LIMITATION.—Nothing in this section shall be construed to affect the processing of claims on student loans of eligible lenders not subject to this paragraph.

(g) CLAIMS.—A lender, servicer, or guaranty agency designated under subsection (a) failing to service loans or otherwise comply with applicable program regulations shall be considered in violation of section 3729 of title 31, United States Code,<sup>1</sup>

(1) The effectiveness of due diligence performed by lenders and servicers receiving designation as exceptional lenders or servicers from the perspective of securing maximum collections from borrowers.

(2) A quantification of the dollar volume of claims that were paid to exceptional lenders and servicers that would not have been paid under applicable program provisions prior to the enactment of this section.

(3) An assessment of the impact of this section on the financial condition of guaranty agencies.

(4) An assessment of the savings to lenders, servicers, and guaranty agencies resulting from designation as exceptional performance.

(5) An identification of specific administration steps that lenders, servicers, and guaranty agencies do not have to perform as a result of designation as exceptional lenders, servicers, or guaranty agencies.

<sup>1</sup>So in law. The comma probably should be deleted. Section 2(c)(46) of the Higher Education Technical Amendments of 1993 struck “the Federal False Claims Act” and inserted “section 3729 of title 31, United States Code.”

**SEC. 429. [20 U.S.C. 1079] CERTIFICATE OF FEDERAL LOAN INSURANCE—EFFECTIVE DATE OF INSURANCE.**

(a) LOAN-BY-LOAN INSURANCE.—

(1) AUTHORITY TO ISSUE CERTIFICATES ON APPLICATION.—If, upon application by an eligible lender, made upon such form, containing such information, and supported by such evidence as the Secretary may require, and otherwise in conformity with this section, the Secretary finds that the applicant has made a loan to an eligible student which is insurable under the provisions of this part, he may issue to the applicant a certificate of insurance covering the loan and setting forth the amount and terms of the insurance.

(2) EFFECTIVENESS OF CERTIFICATE.—Insurance evidenced by a certificate of insurance pursuant to subsection (a)(1) shall become effective upon the date of issuance of the certificate, except that the Secretary is authorized, in accordance with regulations, to issue commitments with respect to proposed loans, or with respect to lines (or proposed lines) of credit, submitted

by eligible lenders, and in that event, upon compliance with subsection (a)(1) by the lender, the certificate of insurance may be issued effective as of the date when any loan, or any payment by the lender pursuant to a line of credit, to be covered by such insurance was made. Such insurance shall cease to be effective upon 60 days' default by the lender in the payment of any installment of the premiums payable pursuant to subsection (c).

(3) CONTENTS OF APPLICATIONS.—An application submitted pursuant to subsection (a)(1) shall contain (A) an agreement by the applicant to pay, in accordance with regulations, the premiums fixed by the Secretary pursuant to subsection (c), and (B) an agreement by the applicant that if the loan is covered by insurance the applicant will submit such supplementary reports and statement during the effective period of the loan agreement, upon such forms, at such times, and containing such information as the Secretary may prescribe by or pursuant to regulation.

(b) COMPREHENSIVE INSURANCE COVERAGE CERTIFICATE.—

(1) ESTABLISHMENT OF SYSTEM BY REGULATION.—In lieu of requiring a separate insurance application and issuing a separate certificate of insurance for each student loan made by an eligible lender as provided in subsection (a), the Secretary may, in accordance with regulations consistent with section 424, issue to any eligible lender applying therefor a certificate of comprehensive insurance coverage which shall, without further action by the Secretary, insure all insurable loans made by that lender, on or after the date of the certificate and before a specified cutoff date, within the limits of an aggregate maximum amount stated in the certificate. Such regulations may provide for conditioning such insurance, with respect to any loan, upon compliance by the lender with such requirements (to be stated or incorporated by reference in the certificate) as in the Secretary's judgment will best achieve the purpose of this subsection while protecting the United States from the risk of unreasonable loss and promoting the objectives of this part, including (but not limited to) provisions as to the reporting of such loans and information relevant thereto to the Secretary and as to the payment of initial and other premiums and the effect of default therein, and including provision for confirmation by the Secretary from time to time (through endorsement of the certificate) of the coverage of specific new loans by such certificate, which confirmation shall be incontestable by the Secretary in the absence of fraud or misrepresentation of fact or patent error.

(2) UNCOVERED LOANS.—If the holder of a certificate of comprehensive insurance coverage issued under this subsection grants to a student a line of credit extending beyond the cutoff date specified in that certificate, loans or payments thereon made by the holder after that date pursuant to the line of credit shall not be deemed to be included in the coverage of that certificate except as may be specifically provided therein; but, subject to the limitations of section 424, the Secretary may, in accordance with regulations, make commitments to in-

sure such future loans or payments, and such commitments may be honored either as provided in subsection (a) or by inclusion of such insurance on comprehensive coverage under the subsection for the period or periods in which such future loans or payments are made.

(c) CHARGES FOR FEDERAL INSURANCE.—The Secretary shall, pursuant to regulations, charge for insurance on each loan under this part a premium in an amount not to exceed one-fourth of 1 percent per year of the unpaid principal amount of such loan (excluding interest added to principal), payable in advance, at such times and in such manner as may be prescribed by the Secretary. Such regulations may provide that such premium shall not be payable, or if paid shall be refundable, with respect to any period after default in the payment of principal or interest or after the borrower has died or becomes totally and permanently disabled, if (1) notice of such default or other event has been duly given, and (2) requests for payment of the loss insured against has been made or the Secretary has made such payment on his own motion pursuant to section 430(a).

(d) ASSIGNABILITY OF INSURANCE.—The rights of an eligible lender arising under insurance evidenced by a certificate of insurance issued to it under this section may be assigned as security by such lender only to another eligible lender, and subject to regulation by the Secretary.

(e) CONSOLIDATION NOT TO AFFECT INSURANCE.—The consolidation of the obligations of two or more federally insured loans obtained by a student borrower in any fiscal year into a single obligation evidenced by a single instrument of indebtedness shall not affect the insurance by the United States. If the loans thus consolidated are covered by separate certificates of insurance issued under subsection (a), the Secretary may upon surrender of the original certificates issue a new certificate of insurance in accordance with that subsection upon the consolidated obligation; if they are covered by a single comprehensive certificate issued under subsection (b), the Secretary may amend that certificate accordingly.

**SEC. 430. [20 U.S.C. 1080] DEFAULT OF STUDENT UNDER FEDERAL LOAN INSURANCE PROGRAM.**

(a) NOTICE TO SECRETARY AND PAYMENT OF LOSS.—Upon default by the student borrower on any loan covered by Federal loan insurance pursuant to this part, and prior to the commencement of suit or other enforcement proceedings upon security for that loan, the insurance beneficiary shall promptly notify the Secretary, and the Secretary shall if requested (at that time or after further collection efforts) by the beneficiary, or may on the Secretary's own motion, if the insurance is still in effect, pay to the beneficiary the amount of the loss sustained by the insured upon that loan as soon as that amount has been determined. The "amount of the loss" on any loan shall, for the purposes of this subsection and subsection (b), be deemed to be an amount equal to the unpaid balance of the principal amount and accrued interest, including interest accruing from the date of submission of a valid default claim (as determined by the Secretary) to the date on which payment is authorized by the Secretary, reduced to the extent required by section 425(b).

Such beneficiary shall be required to meet the standards of due diligence in the collection of the loan and shall be required to submit proof that the institution was contacted and other reasonable attempts were made to locate the borrower (when the location of the borrower is unknown) and proof that contact was made with the borrower (when the location is known). The Secretary shall make the determination required to carry out the provisions of this section not later than 90 days after the notification by the insurance beneficiary and shall make payment in full on the amount of the beneficiary's loss pending completion of the due diligence investigation.

(b) EFFECT OF PAYMENT OF LOSS.—Upon payment of the amount of the loss pursuant to subsection (a), the United States shall be subrogated for all of the rights of the holder of the obligation upon the insured loan and shall be entitled to an assignment of the note or other evidence of the insured loan by the insurance beneficiary. If the net recovery made by the Secretary on a loan after deduction of the cost of that recovery (including reasonable administrative costs and collection costs, to the extent set forth in regulations issued by the Secretary) exceeds the amount of the loss, the excess shall be paid over to the insured. The Secretary may, in attempting to make recovery on such loans, contract with private business concerns, State student loan insurance agencies, or State guaranty agencies, for payment for services rendered by such concerns or agencies in assisting the Secretary in making such recovery. Any contract under this subsection entered into by the Secretary shall provide that attempts to make recovery on such loans shall be fair and reasonable, and do not involve harassment, intimidation, false or misleading representations, or unnecessary communications concerning the existence of any such loan to persons other than the student borrower.

(c) FORBEARANCE NOT PRECLUDED.—Nothing in this section or in this part shall be construed to preclude any forbearance for the benefit of the student borrower which may be agreed upon by the parties to the insured loan and approved by the Secretary, or to preclude forbearance by the Secretary in the enforcement of the insured obligation after payment on that insurance. Any forbearance which is approved by the Secretary under this subsection with respect to the repayment of a loan, including a forbearance during default, shall not be considered as indicating that a holder of a federally insured loan has failed to exercise reasonable care and due diligence in the collection of the loan.

(d) CARE AND DILIGENCE REQUIRED OF HOLDERS.—Nothing in this section or in this part shall be construed to excuse the holder of a federally insured loan from exercising reasonable care and diligence in the making and collection of loans under the provisions of this part. If the Secretary, after a reasonable notice and opportunity for hearing to an eligible lender, finds that it has substantially failed to exercise such care and diligence or to make the reports and statements required under section 428(a)(4) and section 429(a)(3), or to pay the required Federal loan insurance premiums, the Secretary shall disqualify that lender for further Federal insurance on loans granted pursuant to this part until the Secretary is satisfied that its failure has ceased and finds that there is reason-

able assurance that the lender will in the future exercise necessary care and diligence or comply with such requirements, as the case may be.

(e) **DEFAULT RATE OF LENDERS, HOLDERS, AND GUARANTY AGENCIES.**—

(1) **IN GENERAL.**—The Secretary shall annually publish a list indicating the cohort default rate (determined in accordance with section 435(m)) for each originating lender, subsequent holder, and guaranty agency participating in the program assisted under this part and an average cohort default rate for all institutions of higher education within each State.

(2) **REGULATIONS.**—The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a cohort default rate through the use of such measures as branching, consolidation, change of ownership or control, or any similar device.

(3) **RATE ESTABLISHMENT AND CORRECTION.**—The Secretary shall establish a cohort default rate for lenders, holders, and guaranty agencies (determined consistent with section 435(m)), except that the rate for lenders, holders, and guaranty agencies shall not reflect any loans issued in accordance with section 428(j). The Secretary shall allow institutions, lenders, holders, and guaranty agencies the opportunity to correct such cohort default rate information.

**SEC. 430A. [20 U.S.C. 1080a] REPORTS TO CREDIT BUREAUS AND INSTITUTIONS OF HIGHER EDUCATION.**

(a) **AGREEMENTS TO EXCHANGE INFORMATION.**—For the purpose of promoting responsible repayment of loans covered by Federal loan insurance pursuant to this part or covered by a guaranty agreement pursuant to section 428, the Secretary, each guaranty agency, eligible lender, and subsequent holder shall enter into agreements with credit bureau organizations to exchange information concerning student borrowers, in accordance with the requirements of this section. For the purpose of assisting such organizations in complying with the Fair Credit Reporting Act, such agreements may provide for timely response by the Secretary (concerning loans covered by Federal loan insurance), by a guaranty agency, eligible lender, or subsequent holder (concerning loans covered by a guaranty agreement), or to requests from such organizations for responses to objections raised by borrowers. Subject to the requirements of subsection (c), such agreements shall require the Secretary, the guaranty agency, eligible lender, or subsequent holder, as appropriate, to disclose to such organizations, with respect to any loan under this part that has not been repaid by the borrower—

(1) the total amount of loans made to any borrower under this part and the remaining balance of the loans;

(2) information concerning the date of any default on the loan and the collection of the loan, including information concerning the repayment status of any defaulted loan on which the Secretary has made a payment pursuant to section 430(a) or the guaranty agency has made a payment to the previous holder of the loan; and

(c) CONTENTS OF AGREEMENTS.—Agreements entered into pursuant to this section shall contain such provisions as may be necessary to ensure that—

**SEC. 431. [20 U.S.C. 1081] INSURANCE FUND.**

(a) ESTABLISHMENT.—There is hereby established a student loan insurance fund (hereinafter in this section called the "fund") which shall be available without fiscal year limitation to the Secretary for making payments in connection with the default of loans insured by the Secretary under this part, or in connection with payments under a guaranty agreement under section 428(c). All amounts received by the Secretary as premium charges for insurance and as receipts, earnings, or proceeds derived from any claim or other assets acquired by the Secretary in connection with operations under this part, any excess advances under section 422, and any other moneys, property, or assets derived by the Secretary from operations in connection with this section, shall be deposited in the fund. All payments in connection with the default of loans insured by the Secretary under this part, or in connection with such guaranty agreements shall be paid from the fund. Moneys in the fund not needed for current operations under this section may be invested in bonds or other obligations guaranteed as to principal and interest by the United States.

Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of the

notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired under this subsection. (B) The reports specified in subparagraph (A) of this paragraph shall include a separate report for each insurer under this part including the Secretary, and where an insurer insures

loans for lenders in more than one State, such insurer's report shall list all data separately for each State.

(3) INSTITUTIONAL, PUBLIC, OR NONPROFIT LENDERS.—For purposes of clarity in communications, the Secretary shall separately identify loans made by the lenders referred to in clause (i) and loans made by the lenders referred to in clause (ii) of paragraph (1)(B) of this subsection.

(d) DELEGATION.—

(f) AUDIT OF FINANCIAL TRANSACTIONS.—

(1) COMPTROLLER GENERAL AND INSPECTOR GENERAL AUTHORITY.—The Comptroller General and the Inspector General of the Department of Education shall each have the authority to conduct an audit of the financial transactions of—

(A) any guaranty agency operating under an agreement with the Secretary pursuant to section 428(b);

(B) any eligible lender as defined in section 435(d)(1); and

(C) a representative sample of eligible lenders under this part, upon the request of the Committee on Education and the Workforce of the House of Representatives or the Committee on Labor and Human Resources of the Senate, with respect to the payment of the special allowance under

section 438 in order to evaluate the program authorized by this part.

(2) ACCESS TO RECORDS.—For the purpose of carrying out this subsection, the records of any entity described in subparagraph (A), (B), (C), or (D) of paragraph (1) shall be available to the Comptroller General and the Inspector General of the Department of Education. For the purpose of section 716(c) of title 31, United States Code, such records shall be considered to be records to which the Comptroller General has access by law, and for the purpose of section 6(a)(4) of the Inspector General Act of 1978, such records shall be considered to be records necessary in the performance of functions assigned by that Act to the Inspector General.

(3) DEFINITION OF RECORDS.—For the purpose of this subsection, the term “record” includes any information, document, report, answer, account, paper, or other data or documentary evidence.

(4) AUDIT PROCEDURES.—In conducting audits pursuant to this subsection, the Comptroller General and the Inspector General of the Department of Education shall audit the records to determine the extent to which they, at a minimum, comply with Federal statutes, and rules and regulations prescribed by the Secretary, in effect at the time that the record was made, and in no case shall the Comptroller General or the Inspector General apply subsequently determined standards, procedures, or regulations to the records of such agency, lender, or Authority.

(g) CIVIL PENALTIES.—

(1) AUTHORITY TO IMPOSE PENALTIES.—Upon determination, after reasonable notice and opportunity for a hearing, that a lender or a guaranty agency—

(A) has violated or failed to carry out any provision of this part or any regulation prescribed under this part, or

(B) has engaged in substantial misrepresentation of the nature of its financial charges,  
the Secretary may impose a civil penalty upon such lender or agency of not to exceed \$25,000 for each violation, failure, or misrepresentation.

(2) LIMITATIONS.—No civil penalty may be imposed under paragraph (1) of this subsection unless the Secretary determines that—

(A) the violation, failure, or substantial misrepresentation referred to in that paragraph resulted from a violation, failure, or misrepresentation that is material; and

(B) the lender or guaranty agency knew or should have known that its actions violated or failed to carry out the provisions of this part or the regulations thereunder.

(3) CORRECTION OF FAILURE.—A lender or guaranty agency has no liability under paragraph (1) of this subsection if, prior to the notification by the Secretary under that paragraph, the lender or guaranty agency cures or corrects the violation or failure or notifies the person who received the substantial misrepresentation of the actual nature of the financial charges involved.

(4) CONSIDERATION AS SINGLE VIOLATION.—For the purpose of paragraph (1) of this subsection, violations, failures, or substantial misrepresentations arising from a specific practice of a lender or guaranty agency, and occurring prior to notification by the Secretary under that paragraph, shall be deemed to be a single violation, failure, or substantial misrepresentation even if the violation, failure, or substantial misrepresentation affects more than one loan or more than one borrower, or both. The Secretary may only impose a single civil penalty for each such violation, failure, or substantial misrepresentation.

(5) ASSIGNEES NOT LIABLE FOR VIOLATIONS BY OTHERS.—If a loan affected by a violation, failure, or substantial misrepresentation is assigned to another holder, the lender or guaranty agency responsible for the violation, failure, or substantial misrepresentation shall remain liable for any civil money penalty provided for under paragraph (1) of this subsection, but the assignee shall not be liable for any such civil money penalty.

(6) COMPROMISE.—Until a matter is referred to the Attorney General, any civil penalty under paragraph (1) of this subsection may be compromised by the Secretary. In determining the amount of such penalty, or the amount agreed upon in compromise, the Secretary shall consider the appropriateness of the penalty to the resources of the lender or guaranty agency subject to the determination; the gravity of the violation, failure, or substantial misrepresentation; the frequency and persistence of the violation, failure, or substantial misrepresentation; and the amount of any losses resulting from the violation, failure, or substantial misrepresentation. The amount of such penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the United States to the lender or agency charged, unless the lender or agency has, in the case of a final agency determination, commenced proceedings for judicial review within 90 days of the determination, in which case the deduction may not be made during the pendency of the proceeding.

(h) AUTHORITY OF THE SECRETARY TO IMPOSE AND ENFORCE LIMITATIONS, SUSPENSIONS, AND TERMINATIONS.—

(1) IMPOSITION OF SANCTIONS.—(A) If the Secretary, after a reasonable notice and opportunity for hearing to an eligible lender, finds that the eligible lender—

(II) to make the reports or statements under section 428(a)(4), or

(III) to pay the required loan insurance premiums to any guaranty agency, or

(I) fraudulent or misleading advertising or in solicitations that have resulted in the making of loans insured or guaranteed under this part to borrowers who are ineligible; or

(II) the practice of making loans that violate the certification for eligibility provided in section 428, the Secretary shall limit, suspend, or terminate that lender from participation in the insurance programs operated by guaranty agencies under this part.

(B) The Secretary shall not lift any such limitation, suspension, or termination until the Secretary is satisfied that the lender's failure under subparagraph (A)(i) of this paragraph or practice under subparagraph (A)(ii) of this paragraph has ceased and finds that there are reasonable assurances that the lender will—

- (i) exercise the necessary care and diligence,
  - (ii) comply with the requirements described in subparagraph (A)(i), or
  - (iii) cease to engage in the practices described in subparagraph (A)(ii),
- as the case may be.

(2) REVIEW OF SANCTIONS ON LENDERS.—(A) The Secretary shall review each limitation, suspension, or termination imposed by any guaranty agency pursuant to section 428(b)(1)(U) within 60 days after receipt by the Secretary of a notice from the guaranty agency of the imposition of such limitation, suspension, or termination, unless the right to such review is waived in writing by the lender. The Secretary shall uphold the imposition of such limitation, suspension, or termination in the student loan insurance program of each of the guaranty agencies under this part, and shall notify such guaranty agencies of such sanction—

- (i) if such review is waived; or
- (ii) if such review is not waived, unless the Secretary determines that the limitation, suspension, or termination was not imposed in accordance with requirements of such section.

(B) The Secretary's review under this paragraph of the limitation, suspension, or termination imposed by a guaranty agency pursuant to section 428(b)(1)(U) shall be limited to—

- (i) a review of the written record of the proceedings in which the guaranty agency imposed such sanctions; and
- (ii) a determination as to whether the guaranty agency complied with section 428(b)(1)(U) and any notice and hearing requirements prescribed in regulations of the Secretary under this part.

(C) The Secretary shall not lift any such sanction until the Secretary is satisfied that the lender has corrected the failures which led to the limitation, suspension, or termination, and finds that there are reasonable assurances that the lender will, in the future, comply with the requirements of this part. The Secretary shall notify each guaranty agency of the lifting of any such sanction.

(3) REVIEW OF SANCTIONS ON ELIGIBLE INSTITUTIONS.—(A) The Secretary shall review each limitation, suspension, or termination imposed by any guaranty agency pursuant to section 428(b)(1)(T) within 60 days after receipt by the Secretary of a notice from the guaranty of the imposition of such limitation,

suspension, or termination, unless the right to such review is waived in writing by the institution. The Secretary shall uphold the imposition of such limitation, suspension, or termination in the student loan insurance program of each of the guaranty agencies under this part, and shall notify such guaranty agencies of such sanctions—

(i) if such review is waived; or

(ii) if such review is not waived, unless the Secretary determines that the limitation, suspension, or termination was not imposed in accordance with requirements of such section.

(B) The Secretary's review under this paragraph of the limitation, suspension, or termination imposed by a guaranty agency pursuant to section 428(b)(1)(T) shall be limited to—

(i) a review of the written record of the proceedings in which the guaranty agency imposed such sanctions; and

(ii) a determination as to whether the guaranty agency complied with section 428(b)(1)(T) and any notice and hearing requirements prescribed in regulations of the Secretary under this part.

(C) The Secretary shall not lift any such sanction until the Secretary is satisfied that the institution has corrected the failures which led to the limitation, suspension, or termination, and finds that there are reasonable assurances that the institution will, in the future, comply with the requirements of this part. The Secretary shall notify each guaranty agency of the lifting of any such sanction.

(i) **AUTHORITY TO SELL DEFAULTED LOANS.**—In the event that all other collection efforts have failed, the Secretary is authorized to sell defaulted student loans assigned to the United States under this part to collection agencies, eligible lenders, guaranty agencies, or other qualified purchaser on such terms as the Secretary determines are in the best financial interests of the United States. A loan may not be sold pursuant to this subsection if such loan is in repayment status.

(j) **AUTHORITY OF THE SECRETARY TO TAKE EMERGENCY ACTIONS AGAINST LENDERS.**—

(1) **IMPOSITION OF SANCTIONS.**—If the Secretary—

(A) receives information, determined by the Secretary to be reliable, that a lender is violating any provision of this title, any regulation prescribed under this title, or any applicable special arrangement, agreement, or limitation;

(B) determines that immediate action is necessary to prevent misuse of Federal funds; and

(C) determines that the likelihood of loss outweighs the importance of following the limitation, suspension, or termination procedures authorized in subsection (h);

the Secretary shall, effective on the date on which a notice and statement of the basis of the action is mailed to the lender (by registered mail, return receipt requested), take emergency action to stop the issuance of guarantee commitments and the payment of interest benefits and special allowance to the lender.

(2) LENGTH OF EMERGENCY ACTION.—An emergency action under this subsection may not exceed 30 days unless a limitation, suspension, or termination proceeding is initiated against the lender under subsection (h) before the expiration of that period.

(3) OPPORTUNITY TO SHOW CAUSE.—The Secretary shall provide the lender, if it so requests, an opportunity to show cause that the emergency action is unwarranted.

(k) PROGRAM OF ASSISTANCE FOR BORROWERS.—

(1) IN GENERAL.—The Secretary shall undertake a program to encourage corporations and other private and public employers, including the Federal Government, to assist borrowers in repaying loans received under this title, including providing employers with options for payroll deduction of loan payments and offering loan repayment matching provisions as part of employee benefit packages.

(2) PUBLICATION.—The Secretary shall publicize models for providing the repayment assistance described in paragraph (1) and each year select entities that deserve recognition, through means devised by the Secretary, for the development of innovative plans for providing such assistance to employees.

(B) Nothing in this paragraph shall be construed to limit the development of electronic forms and procedures.

(3) SIMPLIFICATION REQUIREMENTS.—Such regulations shall include—

(A) standardization of computer formats, forms design, and guaranty agency procedures relating to the origination, servicing, and collection of loans made under this part;

(B) authorization of alternate means of document retention, including the use of microfilm, microfiche, laser disc, compact disc, and other methods allowing the production of a facsimile of the original documents;

(4) ADDITIONAL RECOMMENDATIONS.—The Secretary shall review regulations prescribed pursuant to paragraph (1) and seek additional recommendations from guaranty agencies, lenders, institutions of higher education, students, secondary markets, third party servicers and other organizations involved in providing loans under this part, not less frequently than annually, for additional methods of simplifying and standardizing the administration of the programs authorized by this part.

(E) PERFECTION OF SECURITY INTERESTS IN STUDENT LOANS.—

(i) IN GENERAL.—Notwithstanding the provisions of any State law to the contrary, including the Uniform Commercial Code as in effect in any State, a security interest in loans made under this part, on behalf of any eligible lender (as defined in section 435(d)) shall attach, be perfected, and be assigned priority in the manner provided by the applicable State's law for perfection of security interests in accounts, as such law may be amended from time to time (including applicable transition provisions). If any such State's law provides for a statutory lien to be created in such loans, such statutory lien may be created by the entity or entities governed by such State law in accordance with the applicable statutory provisions that created such a statutory lien.

(ii) COLLATERAL DESCRIPTION.—In addition to any other method for describing collateral in a legally sufficient manner permitted under the laws of the State, the description of collateral in any financing statement filed pursuant to this subparagraph shall be deemed legally sufficient if it lists such loans, or refers to records (identifying such loans) retained by the secured party or any designee of the secured party identified in such financing statement, including the debtor or any loan servicer.

Such arrangements shall continue until the Secretary is satisfied that the insurance obligations have been transferred to another guarantor who can meet those obligations or a successor will assume the outstanding insurance obligations.

(p) REPORTING REQUIREMENT.—All officers and directors, and those employees and paid consultants of eligible institutions, eligible lenders, guaranty agencies, loan servicing agencies, accrediting agencies or associations, State licensing agencies or boards, and entities acting as secondary markets (including the Student Loan Marketing Association), who are engaged in making decisions as to the administration of any program or funds under this title or as to the eligibility of any entity or individual to participate under this title, shall report to the Secretary, in such manner and at such time as the Secretary shall require, on any financial interest which such individual may hold in any other entity participating in any program assisted under this title.

**SEC. 433. [20 U.S.C. 1083] STUDENT LOAN INFORMATION BY ELIGIBLE LENDERS.**

(a) REQUIRED DISCLOSURE BEFORE DISBURSEMENT.—Each eligible lender, at or prior to the time such lender disburses a loan that is insured or guaranteed under this part (other than a loan made under section 428C), shall provide thorough and accurate loan information on such loan to the borrower in simple and understandable terms. Any disclosure required by this subsection may be made by an eligible lender by written or electronic means, including as part of the application material provided to the borrower, as part of the promissory note evidencing the loan, or on a separate written form provided to the borrower. Each lender shall provide to each borrower a telephone number, and may provide an electronic address, through which additional loan information can be obtained. The disclosure shall include—

(1) a statement prominently and clearly displayed and in bold print that the borrower is receiving a loan that must be repaid;

(2) the name of the eligible lender, and the address to which communications and payments should be sent;

- (3) the principal amount of the loan;
- (4) the amount of any charges, such as the origination fee and insurance premium, collected by the lender at or prior to the disbursement of the loan and whether such charges are deducted from the proceeds of the loan or paid separately by the borrower;
- (5) the stated interest rate on the loan;
- (6) the yearly and cumulative maximum amounts that may be borrowed;
- (7) an explanation of when repayment of the loan will be required and when the borrower will be obligated to pay interest that accrues on the loan;
- (8) a statement as to the minimum and maximum repayment term which the lender may impose, and the minimum annual payment required by law;
- (9) a statement of the total cumulative balance, including the loan applied for, owed by the student to that lender, and an estimate of the projected monthly payment, given such cumulative balance;
- (10) an explanation of any special options the borrower may have for loan consolidation or other refinancing of the loan;
- (11) a statement that the borrower has the right to prepay all or part of the loan, at any time, without penalty, a statement summarizing circumstances in which repayment of the loan or interest that accrues on the loan may be deferred, and a brief notice of the program for repayment of loans, on the basis of military service, pursuant to section 902 of the Department of Defense Authorization Act, 1981 (10 U.S.C. 2141, note);
- (12) a definition of default and the consequences to the borrower if the borrower defaults, including a statement that the default will be reported to a credit bureau or credit reporting agency;
- (13) to the extent practicable, the effect of accepting the loan on the eligibility of the borrower for other forms of student assistance; and
- (14) an explanation of any cost the borrower may incur in the making or collection of the loan.

(b) **REQUIRED DISCLOSURE BEFORE REPAYMENT.**—Each eligible lender shall, at or prior to the start of the repayment period of the student borrower on loans made, insured, or guaranteed under this part, disclose to the borrower by written or electronic means the information required under this subsection in simple and understandable terms. Each eligible lender shall provide to each borrower a telephone number, and may provide an electronic address, through which additional loan information can be obtained. For any loan made, insured, or guaranteed under this part, other than a loan made under section 428B or 428C, such disclosure required by this subsection shall be made not less than 30 days nor more than 240 days before the first payment on the loan is due from the borrower. The disclosure shall include—

- (1) the name of the eligible lender, and the address to which communications and payments should be sent;

(2) the scheduled date upon which the repayment period is to begin;

(3) the estimated balance owed by the borrower on the loan or loans covered by the disclosure as of the scheduled date on which the repayment period is to begin (including, if applicable, the estimated amount of interest to be capitalized);

(4) the stated interest rate on the loan or loans, or the combined interest rate of loans with different stated interest rates;

(5) the nature of any fees which may accrue or be charged to the borrower during the repayment period;

(6) the repayment schedule for all loans covered by the disclosure including the date the first installment is due, and the number, amount, and frequency of required payments;

(7) an explanation of any special options the borrower may have for loan consolidation or other refinancing of the loan and of the availability and terms of such other options, except that such explanation is not required when the loan being made is a consolidation loan under section 428C;

(8) except as provided in subsection (e), the projected total of interest charges which the borrower will pay on the loan or loans, assuming that the borrower makes payments exactly in accordance with the repayment schedule; and

(9) a statement that the borrower has the right to prepay all or part of the loan or loans covered by the disclosure at any time without penalty.

(c) **COST OF DISCLOSURE AND CONSEQUENCES OF NONDISCLOSURE.**—Such information shall be available without cost to the borrower. The failure of an eligible lender to provide information as required by this section shall not (1) relieve a borrower of the obligation to repay a loan in accordance with its terms, (2) provide a basis for a claim for civil damages, or (3) be deemed to abrogate the obligation of the Secretary under a contract of insurance or reinsurance, or the obligation of a guaranty agency under a contract of guaranty. Nothing in this section shall be construed as subjecting the lender to the Truth in Lending Act with regard to loans made under this part. The Secretary may limit, suspend, or terminate the continued participation of an eligible lender in making loans under this part for failure by that lender to comply with this section.

(d) **SEPARATE STATEMENT.**—Each eligible lender shall, at the time such lender notifies a borrower of approval of a loan which is insured or guaranteed under this part, provide the borrower with a separate paper which summarizes (in plain English) the rights and responsibilities of the borrower with respect to the loan, including a statement of the consequences of defaulting on the loan and a statement that each borrower who defaults will be reported to a credit bureau. The requirement of this subsection shall be in addition to the information required by subsection (a) of this section.

(e) **SPECIAL DISCLOSURE RULES ON SLS LOANS AND PLUS LOANS AND UNSUBSIDIZED LOANS.**—Loans made under sections 428A, 428B, and 428H shall not be subject to the disclosure of projected monthly payment amounts required under subsection (b)(8)

if the lender, in lieu of such disclosure, provides the borrower with sample projections of monthly repayment amounts assuming different levels of borrowing and interest accruals resulting from capitalization of interest while the borrower is in school. Such sample projections shall disclose the cost to the student of capitalizing—

- (1) principal and interest; and
- (2) interest only.

**SEC. 434. [20 U.S.C. 1084] PARTICIPATION BY FEDERAL CREDIT UNIONS IN FEDERAL, STATE, AND PRIVATE STUDENT LOAN INSURANCE PROGRAMS.**

Notwithstanding any other provision of law, Federal credit unions shall, pursuant to regulations of the National Credit Union Administration, have power to make insured loans to student members in accordance with the provisions of this part relating to federally insured loans, or in accordance with the provisions of any State or nonprofit private student loan insurance program which meets the requirements of section 428(a)(1)(B).

**SEC. 435. [20 U.S.C. 1085] DEFINITIONS FOR STUDENT LOAN INSURANCE PROGRAM.**

As used in this part:

(a) **ELIGIBLE INSTITUTION.**—

(1) **IN GENERAL.**—Except as provided in paragraph (2), the term “eligible institution” means an institution of higher education, as defined in section 102, except that, for the purposes of sections 427(a)(2)(C)(i) and 428(b)(1)(M)(i), an eligible institution includes any institution that is within this definition without regard to whether such institution is participating in any program under this title and includes any institution ineligible for participation in any program under this part pursuant to paragraph (2) of this subsection.

(2) **INELIGIBILITY BASED ON HIGH DEFAULT RATES.**—(A) An institution whose cohort default rate is equal to or greater than the threshold percentage specified in subparagraph (B) for each of the three most recent fiscal years for which data are available shall not be eligible to participate in a program under this part for the fiscal year for which the determination is made and for the two succeeding fiscal years, unless, within 30 days of receiving notification from the Secretary of the loss of eligibility under this paragraph, the institution appeals the loss of its eligibility to the Secretary. The Secretary shall issue a decision on any such appeal within 45 days after its submission. Such decision may permit the institution to continue to participate in a program under this part if—

(i) the institution demonstrates to the satisfaction of the Secretary that the Secretary’s calculation of its cohort default rate is not accurate, and that recalculation would reduce its cohort default rate for any of the three fiscal years below the threshold percentage specified in subparagraph (B);

(ii) there are exceptional mitigating circumstances within the meaning of paragraph (4); or

(iii) there are, in the judgment of the Secretary, other exceptional mitigating circumstances that would make the application of this paragraph inequitable.

If an institution continues to participate in a program under this part, and the institution's appeal of the loss of eligibility is unsuccessful, the institution shall be required to pay to the Secretary an amount equal to the amount of interest, special allowance, reinsurance, and any related payments made by the Secretary (or which the Secretary is obligated to make) with respect to loans made under this part to students attending, or planning to attend, that institution during the pendency of such appeal. During such appeal, the Secretary may permit the institution to continue to participate in a program under this part.

(B) For purposes of determinations under subparagraph (A), the threshold percentage is—

- (i) 35 percent for fiscal year 1991 and 1992;
- (ii) 30 percent for fiscal year 1993; and
- (iii) 25 percent for any succeeding fiscal year.

(C) Until July 1, 1999, this paragraph shall not apply to any institution that is—

- (i) a part B institution within the meaning of section 322(2) of this Act;
- (ii) a tribally controlled community college within the meaning of section 2(a)(4) of the Tribally Controlled Community College Assistance Act of 1978; or
- (iii) a Navajo Community College under the Navajo Community College Act.

(D)<sup>1</sup> Notwithstanding the first sentence of subparagraph (A), the Secretary shall restore the eligibility to participate in a program under subpart 1 of part A, part B, or part D of an institution that did not appeal its loss of eligibility within 30 days of receiving notification if the Secretary determines, on a case-by-case basis, that the institution's failure to appeal was substantially justified under the circumstances, and that—

- (i) the institution made a timely request that the appropriate guaranty agency correct errors in the draft data used to calculate the institution's cohort default rate;
- (ii) the guaranty agency did not correct the erroneous data in a timely fashion; and
- (iii) the institution would have been eligible if the erroneous data had been corrected by the guaranty agency.

(3) APPEALS BASED UPON ALLEGATIONS OF IMPROPER LOAN SERVICING.—An institution that—

(A) is subject to loss of eligibility for the Federal Family Education Loan Program pursuant to paragraph (2)(A) of this subsection;

(B) is subject to loss of eligibility for the Federal Supplemental Loans for Students pursuant to section 428A(a)(2); or

<sup>1</sup>Margin so in law.

(C) is an institution whose cohort default rate equals or exceeds 20 percent for the most recent year for which data are available;

may include in its appeal of such loss or rate a defense based on improper loan servicing (in addition to other defenses). In any such appeal, the Secretary shall take whatever steps are necessary to ensure that such institution has access for a reasonable period of time, not to exceed 30 days, to a representative sample (as determined by the Secretary) of the relevant loan servicing and collection records used by a guaranty agency in determining whether to pay a claim on a defaulted loan or by the Department in determining an institution's default rate in the loan program under part D of this title. The Secretary shall reduce the institution's cohort default rate to reflect the percentage of defaulted loans in the representative sample that are required to be excluded pursuant to subsection (m)(1)(B).

(4) DEFINITION OF MITIGATING CIRCUMSTANCES.—(A) For purposes of paragraph (2)(A)(ii), an institution of higher education shall be treated as having exceptional mitigating circumstances that make application of that paragraph inequitable if such institution, in the opinion of an independent auditor, meets the following criteria:

(i) For a 12-month period that ended during the 6 months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution's cohort default rate is determined, at least two-thirds of the students enrolled on at least a half-time basis at the institution—

(I) are eligible to receive a Federal Pell Grant award that is at least equal to one-half the maximum Federal Pell Grant award for which a student would be eligible based on the student's enrollment status; or

(II) have an adjusted gross income that when added with the adjusted gross income of the student's parents (unless the student is an independent student), of less than the poverty level, as determined by the Department of Health and Human Services.

(ii) In the case of an institution of higher education that offers an associate, baccalaureate, graduate or professional degree, 70 percent or more of the institution's regular students who were initially enrolled on a full-time basis and were scheduled to complete their programs during the same 12-month period described in clause (i)—

(I) completed the educational programs in which the students were enrolled;

(II) transferred from the institution to a higher level educational program;

(III) at the end of the 12-month period, remained enrolled and making satisfactory progress toward completion of the student's educational programs; or

(IV) entered active duty in the Armed Forces of the United States.

(iii)(I) In the case of an institution of higher education that does not award a degree described in clause (ii), had

a placement rate of 44 percent or more with respect to the institution's former regular students who—

(aa) remained in the program beyond the point the students would have received a 100 percent tuition refund from the institution;

(bb) were initially enrolled on at least a half-time basis; and

(cc) were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period described in clause (i).

(II) The placement rate shall not include students who are still enrolled and making satisfactory progress in the educational programs in which the students were originally enrolled on the date following 12 months after the date of the student's last date of attendance at the institution.

(III) The placement rate is calculated by determining the percentage of all those former regular students who—

(aa) are employed, in an occupation for which the institution provided training, on the date following 12 months after the date of their last day of attendance at the institution;

(bb) were employed, in an occupation for which the institution provided training, for at least 13 weeks before the date following 12 months after the date of their last day of attendance at the institution; or

(cc) entered active duty in the Armed Forces of the United States.

(IV) The placement rate shall not include as placements a student or former student for whom the institution is the employer.

(B) For purposes of determining a rate of completion and a placement rate under this paragraph, a student is originally scheduled, at the time of enrollment, to complete the educational program on the date when the student will have been enrolled in the program for the amount of time normally required to complete the program. The amount of time normally required to complete the program for a student who is initially enrolled full-time is the period of time specified in the institution's enrollment contract, catalog, or other materials, for completion of the program by a full-time student. For a student who is initially enrolled less than full-time, the period is the amount of time it would take the student to complete the program if the student remained enrolled at that level of enrollment throughout the program.

(5) REDUCTION OF DEFAULT RATES AT CERTAIN MINORITY INSTITUTIONS.—

(A) BENEFICIARIES OF EXCEPTION REQUIRED TO ESTABLISH MANAGEMENT PLAN.—After July 1, 1999, any institution that has a cohort default rate that equals or exceeds 25 percent for each of the three most recent fiscal years for which data are available and that relies on the exception

in subparagraph (B) to continue to be an eligible institution shall—

(i) submit to the Secretary a default management plan which the Secretary, in the Secretary's discretion, after consideration of the institution's history, resources, dollars in default, and targets for default reduction, determines is acceptable and provides reasonable assurance that the institution will, by July 1, 2004, have a cohort default rate that is less than 25 percent;

(ii) engage an independent third party (which may be paid with funds received under section 317 or part B of title III) to provide technical assistance in implementing such default management plan; and

(iii) provide to the Secretary, on an annual basis or at such other intervals as the Secretary may require, evidence of cohort default rate improvement and successful implementation of such default management plan.

(B) DISCRETIONARY ELIGIBILITY CONDITIONED ON IMPROVEMENT.—Notwithstanding the expiration of the exception in paragraph (2)(C), the Secretary may, in the Secretary's discretion, continue to treat an institution described in subparagraph (A) of this paragraph as an eligible institution for each of the 1-year periods beginning on July 1 of 1999 through 2003, only if the institution submits by the beginning of such period evidence satisfactory to the Secretary that—

(i) such institution has complied and is continuing to comply with the requirements of subparagraph (A); and

(ii) such institution has made substantial improvement, during each of the preceding 1-year periods, in the institution's cohort default rate.

(6) PARTICIPATION RATE INDEX.—

(A) IN GENERAL.—An institution that demonstrates to the Secretary that the institution's participation rate index is equal to or less than 0.0375 for any of the 3 most recent fiscal years for which data is available shall not be subject to paragraph (2). The participation rate index shall be determined by multiplying the institution's cohort default rate for loans under part B or D, or weighted average cohort default rate for loans under parts B and D, by the percentage of the institution's regular students, enrolled on at least a half-time basis, who received a loan made under part B or D for a 12-month period ending during the 6 months immediately preceding the fiscal year for which the cohort of borrowers used to calculate the institution's cohort default rate is determined.

(B) DATA.—An institution shall provide the Secretary with sufficient data to determine the institution's participation rate index within 30 days after receiving an initial notification of the institution's draft cohort default rate.

(C) NOTIFICATION.—Prior to publication of a final cohort default rate for an institution that provides the data described in subparagraph (B), the Secretary shall notify the institution of the institution's compliance or non-compliance with subparagraph (A).

(d)<sup>1</sup> ELIGIBLE LENDER.—

(1) IN GENERAL.—Except as provided in paragraphs (2) through (6), the term “eligible lender” means—

(A) a National or State chartered bank, a mutual savings bank, a savings and loan association, a stock savings bank, or a credit union which—

(i) is subject to examination and supervision by an agency of the United States or of the State in which its principal place of operation is established, and

(ii) does not have as its primary consumer credit function the making or holding of loans made to students under this part unless (I) it is a bank which is wholly owned by a State, or a bank which is subject to examination and supervision by an agency of the United States, makes student loans as a trustee pursuant to an express trust, operated as a lender under this part prior to January 1, 1975, and which meets the requirements of this provision prior to the enactment of the Higher Education Amendments of 1992, (II) it is a single wholly owned subsidiary of a bank holding company which does not have as its primary consumer credit function the making or holding of loans made to students under this part, or (III) it is a bank (as defined in section 3(a)(1) of the Federal Deposit Insurance Act (12 U.S.C. 1813(a)(1)) that is a wholly owned subsidiary of a nonprofit foundation, the foundation is described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from taxation under section 501(1) of such Code, and the bank makes loans under this part only to undergraduate students who are age 22 or younger and has a portfolio of such loans that is not more than \$5,000,000;

(B) a pension fund as defined in the Employee Retirement Income Security Act;

(C) an insurance company which is subject to examination and supervision by an agency of the United States or a State;

(D) in any State, a single agency of the State or a single nonprofit private agency designated by the State;

(E) an eligible institution which meets the requirements of paragraphs (2) through (5) of this subsection;

(F) for purposes only of purchasing and holding loans made by other lenders under this part, the Student Loan Marketing Association or the Holding Company of the Student Loan Marketing Association, including any subsidiary of the Holding Company, created pursuant to section 440,

<sup>1</sup> Subsections (b) and (c) were repealed by P.L. 102-325, sec. 427(b)(1) and (2), 106 Stat. 549.

or an agency of any State functioning as a secondary market;

(G) for purposes of making loans under sections 428A(d), 428B(d), 428C, and 439(q), the Student Loan Marketing Association or the Holding Company of the Student Loan Marketing Association, including any subsidiary of the Holding Company, created pursuant to section 440;

(H) for purposes of making loans under sections 428(h) and 428(j), a guaranty agency;

(I) a Rural Rehabilitation Corporation, or its successor agency, which has received Federal funds under Public Law 499, Eighty-first Congress (64 Stat. 98 (1950));

(J) for purpose of making loans under section 428C, any nonprofit private agency functioning in any State as a secondary market; and

(K) a consumer finance company subsidiary of a national bank which, as of the date of enactment of this subparagraph, through one or more subsidiaries: (i) acts as a small business lending company, as determined under regulations of the Small Business Administration under section 120.470 of title 13, Code of Federal Regulations (as such section is in effect on the date of enactment of this subparagraph); and (ii) participates in the program authorized by this part pursuant to subparagraph (C), provided the national bank and all of the bank's direct and indirect subsidiaries taken together as a whole, do not have, as their primary consumer credit function, the making or holding of loans made to students under this part.

(2) ADDITIONAL REQUIREMENTS OF ELIGIBLE INSTITUTIONS.—To be an eligible lender under this part, an eligible institution—

(A) shall employ at least one person whose full-time responsibilities are limited to the administration of programs of financial aid for students attending such institution;

(B) shall not be a home study school;

(C) shall make loans to not more than 50 percent of the undergraduate students at the institution;

(D) shall not make a loan, other than a loan to a graduate or professional student, unless the borrower has previously received a loan from the school or has been denied a loan by an eligible lender;

(E) shall not have a cohort default rate (as defined in section 435(m)) greater than 15 percent; and

(F) shall use the proceeds from special allowance payments and interest payments from borrowers for need-based grant programs, except for reasonable reimbursement for direct administrative expenses;

except that the requirements of subparagraphs (C) and (D) shall not apply with respect to loans made, and loan commitments made, after the date of enactment of the Higher Education Amendments of 1986 and prior to July 1, 1987.

(3) DISQUALIFICATION FOR HIGH DEFAULT RATES.—The term “eligible lender” does not include any eligible institution in any

fiscal year immediately after the fiscal year in which the Secretary determines, after notice and opportunity for a hearing, that for each of 2 consecutive years, 15 percent or more of the total amount of such loans as are described in section 428(a)(1) made by the institution with respect to students at that institution and repayable in each such year, are in default, as defined in section 435(m).

(4) WAIVER OF DISQUALIFICATION.—Whenever the Secretary determines that—

(A) there is reasonable possibility that an eligible institution may, within 1 year after a determination is made under paragraph (3), improve the collection of loans described in section 428(a)(1), so that the application of paragraph (3) would be a hardship to that institution, or

(B) the termination of the lender's status under paragraph (3) would be a hardship to the present or for prospective students of the eligible institution, after considering the management of that institution, the ability of that institution to improve the collection of loans, the opportunities that institution offers to economically disadvantaged students, and other related factors,

the Secretary shall waive the provisions of paragraph (3) with respect to that institution. Any determination required under this paragraph shall be made by the Secretary prior to the termination of an eligible institution as a lender under the exception of paragraph (3). Whenever the Secretary grants a waiver pursuant to this paragraph, the Secretary shall provide technical assistance to the institution concerned in order to improve the collection rate of such loans.

(5) DISQUALIFICATION FOR USE OF CERTAIN INCENTIVES.—The term "eligible lender" does not include any lender that the Secretary determines, after notice and opportunity for a hearing, has after the date of enactment of this paragraph—

(A) offered, directly or indirectly, points, premiums, payments, or other inducements, to any educational institution or individual in order to secure applicants for loans under this part;

(B) conducted unsolicited mailings to students of student loan application forms, except to students who have previously received loans under this part from such lender;

(C) offered, directly or indirectly, loans under this part as an inducement to a prospective borrower to purchase a policy of insurance or other product; or

(D) engaged in fraudulent or misleading advertising.

It shall not be a violation of this paragraph for a lender to provide assistance to institutions of higher education comparable to the kinds of assistance provided to institutions of higher education by the Department of Education.

(6) REBATE FEE REQUIREMENT.—To be an eligible lender under this part, an eligible lender shall pay rebate fees in accordance with section 428C(f).

(e) LINE OF CREDIT.—The term "line of credit" means an arrangement or agreement between the lender and the borrower whereby a loan is paid out by the lender to the borrower in annual

installments, or whereby the lender agrees to make, in addition to the initial loan, additional loans in subsequent years.

(f) DUE DILIGENCE.—The term “due diligence” requires the utilization by a lender, in the servicing and collection of loans insured under this part, of servicing and collection practices at least as extensive and forceful as those generally practiced by financial institutions for the collection of consumer loans.

(i)<sup>1</sup> HOLDER.—The term “holder” means an eligible lender who owns a loan.

(j) GUARANTY AGENCY.—The term “guaranty agency” means any State or nonprofit private institution or organization with which the Secretary has an agreement under section 428(b).

(k) INSURANCE BENEFICIARY.—The term “insurance beneficiary” means the insured or its authorized representative assigned in accordance with section 429(d).

(l) DEFAULT.—Except as provided in subsection (m), the term “default” includes only such defaults as have existed for (1) 270 days in the case of a loan which is repayable in monthly installments, or (2) 330 days in the case of a loan which is repayable in less frequent installments.<sup>2</sup>

(m) COHORT DEFAULT RATE.—

(1) IN GENERAL.—(A) Except as provided in paragraph (2), the term “cohort default rate” means, for any fiscal year in which 30 or more current and former students at the institution enter repayment on loans under section 428, 428A, or 428H, received for attendance at the institution, the percentage of those current and former students who enter repayment on such loans (or on the portion of a loan made under section 428C that is used to repay any such loans) received for attendance at that institution in that fiscal year who default before the end of the following fiscal year. The Secretary shall require that each guaranty agency that has insured loans for current or former students of the institution afford such institution a reasonable opportunity (as specified by the Secretary) to review and correct errors in the information required to be provided to the Secretary by the guaranty agency for the purposes of calculating a cohort default rate for such institution, prior to the calculation of such rate.

(B) In determining the number of students who default before the end of such fiscal year, the Secretary shall include only loans for which the Secretary or a guaranty agency has paid claims for insurance. In considering appeals with respect to cohort default rates pursuant to subsection (a)(3), the Secretary shall exclude, from the calculation of the number of students who entered repayment and from the calculation of the number of students who default, any loans which, due to improper servicing or collection, would, as demonstrated by the evidence submitted in support of the institution’s timely appeal

<sup>1</sup> Section 427(f) of the Higher Education Amendments of 1992 (P.L. 102–325; 106 Stat. 550) amended section 435 of the Higher Education Act of 1965 by striking subsections (g), (h), and (n), but did not to redesignate remaining subsections.

<sup>2</sup> Section 429(c)(2) of the Higher Education Amendments of 1998 (P.L. 105–244; 112 Stat. 1708) amended subsection (l) of the Higher Education Act of 1965 by striking “180 days” and “240 days” and inserting “270 days” and “330 days”, respectively, with respect to loans for which the first day of delinquency occurred on or after the date of enactment of that Act.

to the Secretary, result in an inaccurate or incomplete calculation of such cohort default rate.

(C) For any fiscal year in which fewer than 30 of the institution's current and former students enter repayment, the term "cohort default rate" means the percentage of such current and former students who entered repayment on such loans (or on the portion of a loan made under section 428C that is used to repay any such loans) in any of the three most recent fiscal years, who default before the end of the fiscal year immediately following the year in which they entered repayment.

(2) SPECIAL RULES.—(A) In the case of a student who has attended and borrowed at more than one school, the student (and such student's subsequent repayment or default) is attributed to each school for attendance at which the student received a loan that entered repayment in the fiscal year.

(B) A loan on which a payment is made by the school, such school's owner, agent, contractor, employee, or any other entity or individual affiliated with such school, in order to avoid default by the borrower, is considered as in default for purposes of this subsection.

(C) Any loan which has been rehabilitated before the end of such following fiscal year is not considered as in default for the purposes of this subsection. The Secretary may require guaranty agencies to collect data with respect to defaulted loans in a manner that will permit the identification of any defaulted loan for which (i) the borrower is currently making payments and has made not less than 6 consecutive on-time payments by the end of such following fiscal year, and (ii) a guaranty agency has renewed the borrower's title IV eligibility as provided in section 428F(b).

(D) For the purposes of this subsection, a loan made in accordance with section 428A (or the portion of a loan made under section 428C that is used to repay a loan made under section 428A) shall not be considered to enter repayment until after the borrower has ceased to be enrolled in a course of study leading to a degree or certificate at an eligible institution on at least a half-time basis (as determined by the institution) and ceased to be in a period of forbearance based on such enrollment. Each eligible lender of a loan made under section 428A (or a loan made under section 428C a portion of which is used to repay a loan made under section 428A) shall provide the guaranty agency with the information necessary to determine when the loan entered repayment for purposes of this subsection, and the guaranty agency shall provide such information to the Secretary.

(3) REGULATIONS TO PREVENT EVASIONS.—The Secretary shall prescribe regulations designed to prevent an institution from evading the application to that institution of a default rate determination under this subsection through the use of such measures as branching, consolidation, change of ownership or control, or any similar device.

(4) COLLECTION AND REPORTING OF COHORT DEFAULT RATES.—(A) The Secretary shall collect data from all insurers

under this part and shall publish not less often than once every fiscal year a report showing default data for each category of institution, including (i) 4-year public institutions, (ii) 4-year private institutions, (iii) 2-year public institutions, (iv) 2-year private institutions, (v) 4-year proprietary institutions, (vi) 2-year proprietary institutions, and (vii) less than 2-year proprietary institutions.

**SEC. 438. [20 U.S.C. 1087-1] SPECIAL ALLOWANCES.**

(a) FINDINGS.—In order to assure (1) that the limitation on interest payments or other conditions (or both) on loans made or insured under this part, do not impede or threaten to impede the carrying out of the purposes of this part or do not cause the return to holders of loans to be less than equitable, (2) that incentive payments on such loans are paid promptly to eligible lenders, and (3) that appropriate consideration of relative administrative costs and money market conditions is made in setting the quarterly rate of such payments, the Congress finds it necessary to establish an improved method for the determination of the quarterly rate of the special allowances on such loans, and to provide for a thorough, expeditious, and objective examination of alternative methods for the determination of the quarterly rate of such allowances.

(b) COMPUTATION AND PAYMENT.—

(1) QUARTERLY PAYMENT BASED ON UNPAID BALANCE.—A special allowance shall be paid for each of the 3-month periods ending March 31, June 30, September 30, and December 31 of every year and the amount of such allowance paid to any holder with respect to any 3-month period shall be a percentage of the average unpaid balance of principal (not including unearned interest added to principal) of all eligible loans held by such holder during such period.

(2) RATE OF SPECIAL ALLOWANCE.—(A) Subject to subparagraphs (B), (C), (D), (E), (F), (G), (H), and (I) and paragraph (4), the special allowance paid pursuant to this subsection on loans shall be computed (i) by determining the average of the bond equivalent rates of 91-day Treasury bills auctioned for such 3-month period, (ii) by subtracting the applicable interest rate on such loans from such average, (iii) by adding 3.10 percent to the resultant percent, and (iv) by dividing the resultant percent by 4. If such computation produces a number less than zero, such loans shall be subject to section 427A(f).<sup>1</sup>

(B)(i) The quarterly rate of the special allowance for holders of loans which were made or purchased with funds obtained by the holder from the issuance of obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1954 shall be one-half the quarterly rate of the special allowance established under subparagraph (A), except that, in determining the rate for the purpose of this division, subparagraph (A)(iii) shall be applied by substituting “3.5 percent” for “3.10 percent”. Such rate shall also apply to holders of loans which were made or purchased with funds obtained by the holder from collections or default reimbursements on, or interests or other income pertaining to, eligible loans made or purchased with funds described in the preceding sentence of this subparagraph or from income on the investment of such funds. This subparagraph shall not apply to loans which were made or insured prior to October 1, 1980.

(ii) The quarterly rate of the special allowance set under division (i) of this subparagraph shall not be less than 9.5 percent minus the applicable interest rate on such loans, divided by 4.

(iii) No special allowance may be paid under this subparagraph unless the issuer of such obligations complies with subsection (d) of this section.

(iv) Notwithstanding clauses (i) and (ii), the quarterly rate of the special allowance for holders of loans which are financed with funds obtained by the holder from the issuance of obligations originally issued on or after October 1, 1993, the income from which is excluded from gross income under the Internal Revenue Code of 1986, shall be the quarterly rate of the special allowance established under subparagraph (A), (E), (F), (G), (H), or (I) as the case may be. Such rate shall also apply to holders of loans which were made or purchased with funds obtained by the holder from collections or default reimbursements on, or interest or other income pertaining to, eligible loans made or purchased with funds described in the preceding sentence of this subparagraph or from income on the investment of such funds.

(C)(i) In the case of loans made before October 1, 1992, pursuant to section 428A or 428B for which the interest rate is determined under section 427A(c)(4), a special allowance shall not be paid unless the rate determined for any 12-month

<sup>1</sup> So in law. Should refer to section 427A(i).

period under subparagraph (B) of such section exceeds 12 percent.

(ii) Subject to subparagraphs (G), (H), and (I), in the case of loans disbursed on or after October 1, 1992, pursuant to section 428A or 428B for which the interest rate is determined under section 427A(c)(4), a special allowance shall not be paid unless the rate determined for any 12-month period under section 427A(c)(4)(B) exceeds—

(I) 11 percent in the case of a loan under section 428A;

or

(II) 10 percent in the case of a loan under section 428B.

(D)(i) In the case of loans made or purchased directly from funds loaned or advanced pursuant to a qualified State obligation, subparagraph (A)(iii) shall be applied by substituting “3.5 percent” for “3.10 percent”.

(ii) For the purpose of division (i) of this subparagraph, the term “qualified State obligation” means—

(I) an obligation of the Maine Educational Loan Marketing Corporation to the Student Loan Marketing Association pursuant to an agreement entered into on January 31, 1984; or

(II) an obligation of the South Carolina Student Loan Corporation to the South Carolina National Bank pursuant to an agreement entered into on July 30, 1986.

(E) In the case of any loan for which the applicable rate of interest is described in section 427A(g)(2), subparagraph (A)(iii) shall be applied by substituting “2.5 percent” for “3.10 percent”.

(F) Subject to paragraph (4), the special allowance paid pursuant to this subsection on loans for which the applicable rate of interest is determined under section 427A(h) shall be computed (i) by determining the applicable bond equivalent rate of the security with a comparable maturity, as established by the Secretary, (ii) by subtracting the applicable interest rates on such loans from such applicable bond equivalent rate, (iii) by adding 1.0 percent to the resultant percent, and (iv) by dividing the resultant percent by 4. If such computation produces a number less than zero, such loans shall be subject to section 427A(f).<sup>1</sup>

(7) USE OF AVERAGE QUARTERLY BALANCE.—The Secretary shall permit lenders to calculate interest benefits and special allowance through the use of the average quarterly balance method until July 1, 1988.

(c) ORIGINATION FEES FROM STUDENTS.—

(1) DEDUCTION FROM INTEREST AND SPECIAL ALLOWANCE SUBSIDIES.—(A) Notwithstanding subsection (b), the Secretary shall collect the amount the lender is authorized to charge as an origination fee in accordance with paragraph (2) of this subsection—

<sup>1</sup>Indentation so in law.

(i) by reducing the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, to any holder; or

(ii) directly from the holder of the loan, if the lender fails or is not required to bill the Secretary for interest and special allowance or withdraws from the program with unpaid loan origination fees.

(B) If the Secretary collects the origination fee under this subsection through the reduction of interest and special allowance, and the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, is less than the amount the lender was authorized to charge borrowers for origination fees in that quarter, the Secretary shall deduct the excess amount from the subsequent quarters' payments until the total amount has been deducted.

(2) AMOUNT OF ORIGINATION FEES.—Subject to paragraph (6) of this subsection, with respect to any loan (including loans made under section 428H, but excluding loans made under sections 428C and 439(o)) for which a completed note or other written evidence of the loan was sent or delivered to the borrower for signing on or after 10 days after the date of enactment of the Postsecondary Student Assistance Amendments of 1981, each eligible lender under this part is authorized to charge the borrower an origination fee in an amount not to exceed 3.0 percent of the principal amount of the loan, to be deducted proportionately from each installment payment of the proceeds of the loan prior to payment to the borrower. Except as provided in paragraph (8), a lender that charges an origination fee under this paragraph shall assess the same fee to all student borrowers.

(3) RELATION TO APPLICABLE INTEREST.—Such origination fee shall not be taken into account for purposes of determining compliance with section 427A.

(4) DISCLOSURE REQUIRED.—The lender shall disclose to the borrower the amount and method of calculating the origination fee.

(5) PROHIBITION ON DEPARTMENT COMPELLING ORIGINATION FEE COLLECTIONS BY LENDERS.—Nothing in this subsection shall be construed to permit the Secretary to require any lender that is making loans that are insured or guaranteed under this part, but for which no amount will be payable for interest under section 428(a)(3)(A) or for special allowances under subsection (b) of this section, to collect any origination fee or to submit the sums collected as origination fees to the United States. The Secretary shall, not later than January 1, 1987, return to any such lender any such sums collected before the enactment of this paragraph, together with interest thereon.

(6) SLS AND PLUS LOANS.—With respect to any loans made under section 428A or 428B on or after October 1, 1992, each eligible lender under this part shall charge the borrower an origination fee of 3.0 percent of the principal amount of the loan, to be deducted proportionately from each installment pay-

ment of the proceeds of the loan prior to payments to the borrower.

(7) DISTRIBUTION OF ORIGINATION FEES.—All origination fees collected pursuant to this section on loans authorized under section 428A or 428B shall be paid to the Secretary by the lender and deposited in the fund authorized under section 431 of this part.

(8) EXCEPTION.—Notwithstanding paragraph (2), a lender may assess a lesser origination fee for a borrower demonstrating greater financial need as determined by such borrower's adjusted gross family income.

(d) LOAN FEES FROM LENDERS.—

(1) DEDUCTION FROM INTEREST AND SPECIAL ALLOWANCE SUBSIDIES.—

(A) IN GENERAL.—Notwithstanding subsection (b), the Secretary shall collect a loan fee in an amount determined in accordance with paragraph (2)—

(i) by reducing the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b), respectively, to any holder of a loan; or

(ii) directly from the holder of the loan, if the lender—

(I) fails or is not required to bill the Secretary for interest and special allowance payments; or

(II) withdraws from the program with unpaid loan fees.

(B) SPECIAL RULE.—If the Secretary collects loan fees under this subsection through the reduction of interest and special allowance payments, and the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b), respectively, is less than the amount of such loan fees, then the Secretary shall deduct the amount of the loan fee balance from the amount of interest and special allowance payments that would otherwise be payable, in subsequent quarterly increments until the balance has been deducted.

(2) AMOUNT OF LOAN FEES.—With respect to any loan under this part for which the first disbursement was made on or after October 1, 1993, the amount of the loan fee which shall be deducted under paragraph (1) shall be equal to 0.50 percent of the principal amount of the loan.

(3) DISTRIBUTION OF LOAN FEES.—The Secretary shall deposit all fees collected pursuant to paragraph (3) into the insurance fund established in section 431.

(e) NONDISCRIMINATION.—In order for the holders of loans which were made or purchased with funds obtained by the holder from an Authority issuing obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1986, to be eligible to receive a special allowance under subsection (b)(2) on any such loans, the Authority shall not engage in any pattern or practice which results in a denial of a borrower's access to loans under this part because of the borrower's race, sex, color, religion, national origin, age, disability status, income, attendance at a par-

particular eligible institution within the area served by the Authority, length of the borrower's educational program, or the borrower's academic year in school.

(f) REGULATIONS TO PREVENT DENIAL OF LOANS TO ELIGIBLE STUDENTS.—The Secretary shall adopt or amend appropriate regulations pertaining to programs carried out under this part to prevent, where practicable, any practices which the Secretary finds have denied loans to a substantial number of eligible students.

(d) AUTHORITY OF ASSOCIATION.—

(1) IN GENERAL.—The Association is authorized, subject to the provisions of this section—

(A) pursuant to commitments or otherwise to make advances on the security of, purchase, or repurchase, service, sell or resell, offer participations, or pooled interests or otherwise deal in, at prices and on terms and conditions determined by the Association, student loans which are insured by the Secretary under this part or by a guaranty agency;

(B) to buy, sell, hold, underwrite, and otherwise deal in obligations, if such obligations are issued, for the purpose of making or purchasing insured loans, by a guaranty agency or by an eligible lender in a State described in section 435(d)(1) (D) or (F);

(C) to buy, sell, hold, insure, underwrite, and otherwise deal in obligations issued for the purpose of financing or refinancing the construction, reconstruction, renovation, improvement, or purchase at institutions of higher education of any of the following facilities (including the underlying property) and materials (including related equipment, instrumentation, and furnishings) at an eligible institution of higher education:

(i) educational and training facilities;

(ii) housing for students and faculties, dining halls, student unions, and facilities specifically designed to promote fitness and health for students, faculty, and staff or for physical education courses; and

(iii) library facilities, including the acquisition of library materials at institutions of higher education; except that not more than 30 percent of the value of transactions entered into under this subparagraph shall involve transactions of the types described in clause (ii);

(D) to undertake a program of loan insurance pursuant to agreements with the Secretary under section 428, and except with respect to loans under subsection (o) of this section or under section 428C, the Secretary may enter into an agreement with the Association for such purpose only if the Secretary determines that (i) eligible borrowers are seeking and unable to obtain loans under this part, and (ii) no guaranty agency is capable of or willing to provide a program of loan insurance for such borrowers; and

(E) to undertake any other activity which the Board of Directors of the Association determines to be in furtherance of the programs of insured student loans authorized under this part or will otherwise support the credit needs of students, except that—

(i) in carrying out all such activities the purpose shall always be to provide secondary market and other support for lending programs offered by other organizations and not to replace or compete with such other programs;

(ii) nothing in this subparagraph (E) shall be deemed to authorize the Association to acquire, own, operate, or control any bank, savings and loan association, savings bank or credit union; and

(iii) not later than 30 days prior to the initial implementation of a program undertaken pursuant to this subparagraph (E), the Association shall advise the Chairman and the Ranking Member on the Committee on Labor and Human Resources of the Senate and the Chairman and the Ranking Member of the Committee on Education and Labor of the House of Representatives in writing of its plans to offer such program and shall provide information relating to the general terms and conditions of such program.

The Association is further authorized to undertake any activity with regard to student loans which are not insured or guaranteed as provided for in this subsection as it may undertake with regard to insured or guaranteed student loans. Any warehousing advance made on the security of such loans shall be subject to the provisions of paragraph (3) of this subsection to the same extent as a warehousing advance made on the security of insured loans.

(2) WAREHOUSING ADVANCES.—Any warehousing advance made under paragraph (1)(A) of this subsection shall be made on the security of (A) insured loans, (B) marketable obligations and securities issued, guaranteed, or insured by, the United States, or for which the full faith and credit of the United States is pledged for the repayment of principal and interest thereof, or (C) marketable obligations issued, guaranteed, or insured by any agency, instrumentality, or corporation of the United States for which the credit of such agency, instrumentality, or corporation is pledged for the repayment of principal and interest thereof, in an amount equal to the amount of such advance. The proceeds of any such advance secured by insured loans shall either be invested in additional insured loans or the lender shall provide assurances to the Association that during the period of the borrowing it will maintain a level of insured loans in its portfolio not less than the aggregate outstanding balance of such loans held at the time of the borrowing. The proceeds from any such advance secured by collateral described in clauses (B) and (C) shall be invested in additional insured student loans.

(3) PERFECTION OF SECURITY INTERESTS IN STUDENT LOANS.—Notwithstanding the provisions of any State law to

the contrary, including the Uniform Commercial Code as in effect in any State, a security interest in insured student loans created on behalf of the Association or any eligible lender as defined in section 435(a) may be perfected either through the taking of possession of such loans or by the filing of notice of such security interest in such loans in the manner provided by such State law for perfection of security interests in accounts.

(4) FORM OF SECURITIES.—Securities issued pursuant to the offering of participations or pooled interests under paragraph (1) of this subsection may be in the form of debt obligations, or trust certificates of beneficial ownership, or both. Student loans set aside pursuant to the offering of participations or pooled interests shall at all times be adequate to ensure the timely principal and interest payments on such securities.

(5) RESTRICTIONS ON FACILITIES AND HOUSING ACTIVITIES.—Not less than 75 percent of the aggregate dollar amount of obligations bought, sold, held, insured, underwritten, and otherwise supported in accordance with the authority contained in paragraph (1)(C) shall be obligations which are listed by a nationally recognized statistical rating organization at a rating below the second highest rating of such organization.

(e) ADVANCES TO LENDERS THAT DO NOT DISCRIMINATE.—The Association, pursuant to such criteria as the Board of Directors may prescribe, shall make advances on security or purchase student loans pursuant to subsection (d) only after the Association is assured that the lender (1) does not discriminate by pattern or practice against any particular class or category of students by requiring that, as a condition to the receipt of a loan, the student or his family maintain a business relationship with the lender, except that this clause shall not apply in the case of a loan made by a credit union, savings and loan association, mutual savings bank, institution of higher education, or any other lender with less than \$75,000,000 in deposits, and (2) does not discriminate on the basis of race, sex, color, creed, or national origin.

(f) STOCK OF THE ASSOCIATION.—

(1) VOTING COMMON STOCK.—The Association shall have voting common stock having such par value as may be fixed by its Board of Directors from time to time. Each share of voting common stock shall be entitled to one vote with rights of cumulative voting at all elections of directors.

(2) NUMBER OF SHARES; TRANSFERABILITY.—The maximum number of shares of voting common stock that the Association may issue and have outstanding at any one time shall be fixed by the Board of Directors from time to time. Any voting common stock issued shall be fully transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(3) DIVIDENDS.—To the extent that net income is earned and realized, subject to subsection (g)(2), dividends may be declared on voting common stock by the Board of Directors. Such dividends as may be declared by the Board of Directors shall be paid to the holders of outstanding shares of voting common stock, except that no such dividends shall be payable with re-

spect to any share which has been called for redemption past the effective date of such call.

(4) SINGLE CLASS OF VOTING COMMON STOCK.—As of the effective date of the Higher Education Amendments of 1992, all of the previously authorized shares of voting common stock and nonvoting common stock of the Association shall be converted to shares of a single class of voting common stock on a share-for-share basis, without any further action on the part of the Association or any holder. Each outstanding certificate for voting or nonvoting common stock shall evidence ownership of the same number of shares of voting stock into which it is converted. All preexisting rights and obligations with respect to any class of common stock of the Association shall be deemed to be rights and obligations with respect to such converted shares.

(g) PREFERRED STOCK.—

(1) AUTHORITY OF BOARD.—The Association is authorized to issue nonvoting preferred stock having such par value as may be fixed by its Board of Directors from time to time. Any preferred share issued shall be freely transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(2) RIGHTS OF PREFERRED STOCK.—The holders of the preferred shares shall be entitled to such rate of cumulative dividends and such shares shall be subject to such redemption or other conversion provisions as may be provided for at the time of issuance. No dividends shall be payable on any share of common stock at any time when any dividend is due on any share of preferred stock and has not been paid.

(3) PREFERENCE ON TERMINATION OF BUSINESS.—In the event of any liquidation, dissolution, or winding up of the Association's business, the holders of the preferred shares shall be paid in full at par value thereof, plus all accrued dividends, before the holders of the common shares receive any payment.

(h) DEBT OBLIGATIONS.—

(1) APPROVAL BY SECRETARIES OF EDUCATION AND THE TREASURY.—The Association is authorized with the approval of the Secretary of Education and the Secretary of the Treasury to issue and have outstanding obligations having such maturities and bearing such rate or rates of interest as may be determined by the Association. The authority of the Secretary of Education to approve the issuance of such obligations is limited to obligations issued by the Association and guaranteed by the Secretary pursuant to paragraph (2) of this subsection. Such obligations may be redeemable at the option of the Association before maturity in such manner as may be stipulated therein. The Secretary of the Treasury may not direct as a condition of his approval that any such issuance of obligations by the Association be made or sold to the Federal Financing Bank. To the extent that the average outstanding amount of the obligations owned by the Association pursuant to the authority contained in subsection (d)(1) (B) and (C) of this section and as to which the income is exempt from taxation under the Internal Revenue Code of 1986 does not exceed the average

stockholders' equity of the Association, the interest on obligations issued under this paragraph shall not be deemed to be interest on indebtedness incurred or continued to purchase or carry obligations for the purpose of section 265 of the Internal Revenue Code of 1986.

(2) **GUARANTEE OF DEBT.**—The Secretary is authorized, prior to October 1, 1984, to guarantee payment when due of principal and interest on obligations issued by the Association in an aggregate amount determined by the Secretary in consultation with the Secretary of the Treasury. Nothing in this section shall be construed so as to authorize the Secretary of Education or the Secretary of the Treasury to limit, control, or constrain programs of the Association or support of the Guaranteed Student Loan Program by the Association.

(3) **BORROWING AUTHORITY TO MEET GUARANTEE OBLIGATIONS.**—To enable the Secretary to discharge his responsibilities under guarantees issued by him, he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the months preceding the issuance of the notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. There is authorized to be appropriated to the Secretary such sums as may be necessary to pay the principal and interest on the notes or obligations issued by him to the Secretary of the Treasury.

(4) **ACTION ON REQUEST FOR GUARANTEES.**—Upon receipt of a request from the Association under this subsection requiring approvals by the Secretary of Education or the Secretary of the Treasury, the Secretary of Education or the Secretary of the Treasury shall act promptly either to grant approval or to advise the Association of the reasons for withholding approval. In no case shall such an approval be withheld for a period longer than 60 days unless, prior to the end of such period, the Secretary of Education and the Secretary of the Treasury submit to the Congress a detailed explanation of reasons for doing so.

(5) **AUTHORITY OF TREASURY TO PURCHASE DEBT.**—The Secretary of the Treasury is authorized to purchase any obliga-

tions issued by the Association pursuant to this subsection as now or hereafter in force, and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities hereafter issued under the Second Liberty Bond Act, as now or hereafter in force, and the purposes for which securities may be issued under the Second Liberty Bond Act, as now or hereafter in force are extended to include such purchases. The Secretary of the Treasury shall not at any time purchase any obligations under this subsection if such purchase would increase the aggregate principal amount of his then outstanding holdings of such obligations under this subsection to an amount greater than \$1,000,000,000. Each purchase of obligations by the Secretary of the Treasury under this subsection shall be upon such terms and conditions as to yield a return at a rate determined by the Secretary of the Treasury, taking into consideration the current average rate on outstanding marketable obligations of the United States of comparable maturities as of the last day of the month preceding the making of such purchase. The Secretary of the Treasury may, at any time, sell, upon such terms and conditions and at such price or prices as he shall determine, any of the obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such obligations under this subsection shall be treated as public debt transactions of the United States.

(6) SALE OF DEBT TO FEDERAL FINANCING BANK.—Notwithstanding any other provision of law the Association is authorized to sell or issue obligations on the security of student loans, the payment of interest or principal of which has at any time been guaranteed under section 428 or 429 of this part, to the Federal Financing Bank.

(7) OFFSET FEE.—(A) The Association shall pay to the Secretary, on a monthly basis, an offset fee calculated on an annual basis in an amount equal to 0.30 percent of the principal amount of each loan made, insured or guaranteed under this part that the Association holds (except for loans made pursuant to sections 428C, 439(o), or 439(q)) and that was acquired on or after the date of enactment of this paragraph.

(B) If the Secretary determines that the Association has substantially failed to comply with subsection (q), subparagraph (A) shall be applied by substituting “1.0 percent” for “0.3 percent”.

(C) The Secretary shall deposit all fees collected pursuant to this paragraph into the insurance fund established in section 431.

(i) GENERAL CORPORATE POWERS.—The Association shall have power—

(1) to sue and be sued, complain and defend, in its corporate name and through its own counsel;

(2) to adopt, alter, and use the corporate seal, which shall be judicially noticed;

(3) to adopt, amend, and repeal by its Board of Directors, bylaws, rules, and regulations as may be necessary for the conduct of its business;

(4) to conduct its business, carry on its operations, and have officers and exercise the power granted by this section in any State without regard to any qualification or similar statute in any State;

(5) to lease, purchase, or otherwise acquire, own, hold, improve, use, or otherwise deal in and with any property, real, personal, or mixed, or any interest therein, wherever situated;

(6) to accept gifts or donations of services, or of property, real, personal, or mixed, tangible or intangible, in aid of any of the purposes of the Association;

(7) to sell, convey, mortgage, pledge, lease, exchange, and otherwise dispose of its property and assets;

(8) to appoint such officers, attorneys, employees, and agents as may be required, to determine their qualifications, to define their duties, to fix their salaries, require bonds for them, and fix the penalty thereof; and

(9) to enter into contracts, to execute instruments, to incur liabilities, and to do all things as are necessary or incidental to the proper management of its affairs and the proper conduct of its business.

(j) ACCOUNTING, AUDITING, AND REPORTING.—The accounts of the Association shall be audited annually. Such audits shall be conducted in accordance with generally accepted auditing standards by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States, except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who, although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest standards prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975. A report of each such audit shall be furnished to the Secretary of the Treasury. The audit shall be conducted at the place or places where the accounts are normally kept. The representatives of the Secretary shall have access to all books, accounts, financial records, reports, files, and all other papers, things, or property belonging to or in use by the Association and necessary to facilitate the audit, and they shall be afforded full facilities for verifying transactions with the balances or securities held by depositaries, fiscal agents, and custodians.

(k) REPORT ON AUDITS BY TREASURY.—A report of each such audit for a fiscal year shall be made by the Secretary of the Treasury to the President and to the Congress not later than 6 months following the close of such fiscal year. The report shall set forth the scope of the audit and shall include a statement (showing intercorporate relations) of assets and liabilities, capital and surplus or deficit; a statement of surplus or deficit analysis; a statement of in-

come and expense; a statement of sources and application of funds; and such comments and information as may be deemed necessary to keep the President and the Congress informed of the operations and financial condition of the Association, together with such recommendations with respect thereto as the Secretary may deem advisable, including a report of any impairment of capital or lack of sufficient capital noted in the audit. A copy of each report shall be furnished to the Secretary, and to the Association.

(l) **LAWFUL INVESTMENT INSTRUMENTS; EFFECT OF AND EXEMPTIONS FROM OTHER LAWS.**—All obligations issued by the Association including those made under subsection (d)(4) shall be lawful investments, and may be accepted as security for all fiduciary, trust, and public funds, the investment or deposit of which shall be under authority or control of the United States or of any officer or officers thereof. All stock and obligations issued by the Association pursuant to this section shall be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission, to the same extent as securities which are direct obligations of, or obligations guaranteed as to principal or interest by, the United States. The Association shall, for the purposes of section 14(b)(2) of the Federal Reserve Act, be deemed to be an agency of the United States. The obligations of the Association shall be deemed to be obligations of the United States for the purpose of section 3124 of title 31, United States Code. For the purpose of the distribution of its property pursuant to section 726 of title 11, United States Code, the Association shall be deemed a person within the meaning of such title. The priority established in favor of the United States by section 3713 of title 31, United States Code, shall not establish a priority over the indebtedness of the Association issued or incurred on or before September 30, 1992. The Federal Reserve Banks are authorized to act as depositories, custodians, or fiscal agents, or a combination thereof, for the Association in the general performance of its powers under this section.

(m) **PREPARATION OF OBLIGATIONS.**—In order to furnish obligations for delivery by the Association, the Secretary of the Treasury is authorized to prepare such obligations in such form as the Board of Directors may approve, such obligations when prepared to be held in the Treasury subject to delivery upon order by the Association. The engraved plates, dies, bed pieces, and so forth, executed in connection therewith shall remain in the custody of the Secretary of the Treasury. The Association shall reimburse the Secretary of the Treasury for any expenditures made in the preparation, custody, and delivery of such obligations. The Secretary of the Treasury is authorized to promulgate regulations on behalf of the Association so that the Association may utilize the book-entry system of the Federal Reserve Banks.

(n) **REPORT ON OPERATIONS AND ACTIVITIES.**—The Association shall, as soon as practicable after the end of each fiscal year, transmit to the President and the Congress a report of the Association's operations and activities, including a report with respect to all facilities transactions, during each year.

(o) **LOAN CONSOLIDATIONS.**—

(1) IN GENERAL.—The Association or its designated agent may, upon request of a borrower, consolidate loans received under this title in accordance with section 428C.

(2) USE OF EXISTING AGENCIES AS AGENT.—The Association in making loans pursuant to this subsection in any State served by a guaranty agency or an eligible lender in a State described in section 435(d)(1) (D) or (F) may designate as its agent such agency or lender to perform such functions as the Association determines appropriate. Any agreements made pursuant to this subparagraph shall be on such terms and conditions as agreed upon by the Association and such agency or lender.

(p) ADVANCES FOR DIRECT LOANS BY GUARANTY AGENCIES.—

(1) IN GENERAL.—The Association shall make advances in each fiscal year from amounts available to it to each guaranty agency and eligible lender described in subsection 428(h)(1) which has an agreement with the Association which sets forth that advances are necessary to enable such agency or lender to make student loans in accordance with section 428(h) and that such advances will be repaid to the Association in accordance with such terms and conditions as may be set forth in the agreement and agreed to by the Association and such agency or lender. Advances made under this subsection shall not be subject to subsection (d)(2) of this section.

(2) LIMITATION.—No advance may be made under this subsection unless the guaranty agency or lender makes an application to the Association, which shall be accompanied by such information as the Association determines to be reasonably necessary.

(q) LENDER-OF-LAST-RESORT.—

(1) ACTION AT REQUEST OF SECRETARY.—(A) Whenever the Secretary determines that eligible borrowers are seeking and are unable to obtain loans under this part, the Association or its designated agent shall, not later than 90 days after the date of enactment of the Student Loan Reform Act of 1993, begin making loans to such eligible borrowers in accordance with this subsection at the request of the Secretary. The Secretary may request that the Association make loans to borrowers within a geographic area or for the benefit of students attending institutions of higher education that certify, in accordance with standards established by the Secretary, that their students are seeking and unable to obtain loans.

(B) Loans made pursuant to this subsection shall be insurable by the Secretary under section 429 with a certificate of comprehensive insurance coverage provided for under section 429(b)(1) or by a guaranty agency under paragraph (2)(A) of this subsection.

(2) ISSUANCE AND COVERAGE OF LOANS.—(A) Whenever the Secretary, after consultation with, and with the agreement of, representatives of the guaranty agency in a State, or an eligible lender in a State described in section 435(d)(1)(D), determines that a substantial portion of eligible borrowers in such State or within an area of such State are seeking and are unable to obtain loans under this part, the Association or its des-

ignated agent shall begin making such loans to borrowers in such State or within an area of such State in accordance with this subsection at the request of the Secretary.

(B) Loans made pursuant to this subsection shall be insurable by the agency identified in subparagraph (A) having an agreement pursuant to section 428(b). For loans insured by such agency, the agency shall provide the Association with a certificate of comprehensive insurance coverage, if the Association and the agency have mutually agreed upon a means to determine that the agency has not already guaranteed a loan under this part to a student which would cause a subsequent loan made by the Association to be in violation of any provision under this part.

(3) TERMINATION OF LENDING.—The Association or its designated agent shall cease making loans under this subsection at such time as the Secretary determines that the conditions which caused the implementation of this subsection have ceased to exist.

(r) SAFETY AND SOUNDNESS OF ASSOCIATION.—

(1) REPORTS BY THE ASSOCIATION.—The Association shall promptly furnish to the Secretary of Education and Secretary of the Treasury copies of all—

(A) periodic financial reports publicly distributed by the Association;

(B) reports concerning the Association that are received by the Association and prepared by nationally recognized statistical rating organizations; and

(C)(i) financial statements of the Association within 45 days of the end of each fiscal quarter; and

(ii) reports setting forth the calculation of the capital ratio of the Association within 45 days of the end of each fiscal quarter.

(2) AUDIT BY SECRETARY OF THE TREASURY.—(A) The Secretary of the Treasury may—

(i) appoint and fix the compensation of such auditors and examiners as may be necessary<sup>1</sup> to conduct audits of the Association from time to time to determine the condition of the Association for the purpose of assessing the Association's financial safety and soundness and to determine whether the requirements of this section and section 440 are being met; and

(ii) obtain the services of such experts as the Secretary of the Treasury determines necessary and appropriate, as authorized by section 3109 of title 5, United States Code, to assist in determining the condition of the Association for the purpose of assessing the Association's financial safety and soundness, and to determine whether the requirements of this section and section 440 are being met.

<sup>1</sup>Section 309(1) of the Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2001 (114 Stat. 2763A-45), as enacted into law by section 1(a)(1) of Public Law 106-554, amended this clause by striking "auditors and examiners" and inserting "and fix the compensation of such auditors and examiners as may be necessary". The amendment probably should have been to strike "auditors or examiners", but was executed to reflect the probable intent of Congress.

(B) Each auditor appointed under this paragraph shall conduct an audit of the Association to the extent requested by the Secretary of the Treasury and shall prepare and submit a report to the Secretary of the Treasury concerning the results of such audit. A copy of such report shall be furnished to the Association and the Secretary of Education on the date on which it is delivered to the Secretary of the Treasury.

(C) The Association shall provide full and prompt access to the Secretary of the Treasury to its books and records and other information requested by the Secretary of the Treasury.

(D) ANNUAL ASSESSMENT.—

(i) IN GENERAL.—For each fiscal year beginning on or after October 1, 1996, the Secretary of the Treasury may establish and collect from the Association an assessment (or assessments) in amounts sufficient to provide for reasonable costs and expenses of carrying out the duties of the Secretary of the Treasury under this section and section 440 during such fiscal year. In no event may the total amount so assessed exceed, for any fiscal year, \$800,000, adjusted for each fiscal year ending after September 30, 1997, by the ratio of the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) for the final month of the fiscal year preceding the fiscal year for which the assessment is made to the Consumer Price Index for All Urban Consumers for September 1997.

(ii) DEPOSIT.—Amounts collected from assessments under this subparagraph shall be deposited in an account within the Treasury of the United States as designated by the Secretary of the Treasury for that purpose. The Secretary of the Treasury is authorized and directed to pay out of any funds available in such account the reasonable costs and expenses of carrying out the duties of the Secretary of the Treasury under this section and section 440. None of the funds deposited into such account shall be available for any purpose other than making payments for such costs and expenses.

(E) OBLIGATION TO OBTAIN, MAINTAIN, AND REPORT INFORMATION.—

(i) IN GENERAL.—The Association shall obtain such information and make and keep such records as the Secretary of the Treasury may from time to time prescribe concerning—

(I) the financial risk to the Association resulting from the activities of any associated person, to the extent such activities are reasonably likely to have a material impact on the financial condition of the Association, including the Association's capital ratio, the Association's liquidity, or the Association's ability to conduct and finance the Association's operations; and

(II) the Association's policies, procedures, and systems for monitoring and controlling any such financial risk.

(ii) SUMMARY REPORTS.—The Secretary of the Treasury may require summary reports of such information to be filed no more frequently than quarterly. If, as a result of adverse market conditions or based on reports provided pursuant to this subparagraph or other available information, the Secretary of the Treasury has concerns regarding the financial or operational condition of the Association, the Secretary of the Treasury may, notwithstanding the preceding sentence and clause (i), require the Association to make reports concerning the activities of any associated person, whose business activities are reasonably likely to have a material impact on the financial or operational condition of the Association.

(iii) DEFINITION.—For purposes of this subparagraph, the term “associated person” means any person, other than a natural person, directly or indirectly controlling, controlled by, or under common control with the Association.

(F)<sup>1</sup> COMPENSATION OF AUDITORS AND EXAMINERS.—

(i) RATES OF PAY.—Rates of basic pay for all auditors and examiners appointed pursuant to subparagraph (A) may be set and adjusted by the Secretary of the Treasury without regard to the provisions of chapter 51 or subchapter III of chapter 53 of title 5, United States Code.

(ii) COMPARABILITY.—

(I) IN GENERAL.—Subject to section 5373 of title 5, United States Code, the Secretary of the Treasury may provide additional compensation and benefits to auditors and examiners appointed pursuant to subparagraph (A) if the same type of compensation or benefits are then being provided by any agency referred to in section 1206 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833b) or, if not then being provided, could be provided by such an agency under applicable provisions of law, rule, or regulation.

(II) CONSULTATION.—In setting and adjusting the total amount of compensation and benefits for auditors and examiners appointed pursuant to subparagraph (A), the Secretary of the Treasury shall consult with, and seek to maintain comparability with, the agencies referred to in section 1206 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1833b).

(3) MONITORING OF SAFETY AND SOUNDNESS.—The Secretary of the Treasury shall conduct such studies as may be necessary to monitor the financial safety and soundness of the Association. In the event that the Secretary of the Treasury determines that the financial safety and soundness of the Association is at risk, the Secretary of the Treasury shall inform

<sup>1</sup> Margins so in law.

the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate, the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives, and the Secretary of Education of such determination and identify any corrective actions that should be taken to ensure the safety and soundness of the Association.

(4) CAPITAL STANDARD.—If the capital ratio is less than 2 percent and is greater than or equal to 1.75 percent at the end of the Association's most recent calendar quarter the Association shall, within 60 days of such occurrence, submit to the Secretary of the Treasury a capital restoration plan, in reasonable detail, that the Association believes is adequate to cause the capital ratio to equal or exceed 2 percent within 36 months.

(5) CAPITAL RESTORATION PLAN.—

(A) SUBMISSION, APPROVAL, AND IMPLEMENTATION.—

The Secretary of the Treasury and the Association shall consult with respect to any capital restoration plan submitted pursuant to paragraph (4) and the Secretary of the Treasury shall approve such plan (or a modification thereof accepted by the Association) or disapprove such plan within 30 days after such plan is first submitted to the Secretary of the Treasury by the Association, unless the Association and Secretary of the Treasury mutually agree to a longer consideration period. If the Secretary of the Treasury approves a capital restoration plan (including a modification of a plan accepted by the Association), the Association shall forthwith proceed with diligence to implement such plan to the best of its ability.

(B) DISAPPROVAL.—If the Secretary of the Treasury does not approve a capital restoration plan as provided in subparagraph (A), then not later than the earlier of the date the Secretary of the Treasury disapproves of such plan by written notice to the Association or the expiration of the 30-day consideration period referred to in subparagraph (A) (as such period may have been extended by mutual agreement), the Secretary of the Treasury shall submit the Association's capital restoration plan, in the form most recently proposed to the Secretary of the Treasury by the Association, together with a report on the Secretary of the Treasury's reasons for disapproval of such plan and an alternative capital restoration plan, to the Chairman and ranking minority member of the Senate Committee on Labor and Human Resources and to the Chairman and ranking minority member of the House Committee on Education and Labor. A copy of such submission simultaneously shall be sent to the Association and the Secretary of Education by the Secretary of the Treasury.

(C) ASSOCIATION IMPLEMENTATION AND RESPONSE.—

Upon receipt of the submission by the Association, the Association shall forthwith proceed with diligence to implement the most recently proposed capital restoration plan of the Association. The Association, within 30 days after receipt from the Secretary of the Treasury of such submis-

sion, shall submit to such Chairmen and ranking minority members a written response to such submission, setting out fully the nature and extent of the Association's agreement or the disagreement with the Secretary of the Treasury with respect to the capital restoration plan submitted to the Secretary of the Treasury and any findings of the Secretary of the Treasury.

(6) SUBSTANTIAL CAPITAL RATIO REDUCTION.—

(A) ADDITIONAL PLAN REQUIRED.—If the capital ratio is less than 1.75 percent and is greater than or equal to 1 percent at the end of the Association's most recent calendar quarter, the Association shall submit to the Secretary of the Treasury within 60 days after such occurrence a capital restoration plan (or an appropriate modification of any plan previously submitted or approved under paragraph (4)) to increase promptly its capital ratio to equal or exceed 1.75 percent. The Secretary of the Treasury and the Association shall consult with respect to any plan or modified plan submitted pursuant to this paragraph. The Secretary of the Treasury shall approve such plan or modified plan (or a modification thereof accepted by the Association) or disapprove such plan or modified plan within 30 days after such plan or modified plan is first submitted to the Secretary of the Treasury by the Association, unless the Association and Secretary of the Treasury mutually agree to a longer consideration period. If the Secretary of the Treasury approves a plan or modified plan (including a modification of a plan accepted by the Association), the Association shall forthwith proceed with diligence to implement such plan or modified plan to the best of the Association's ability.

(B) DISAPPROVAL.—If the Secretary of the Treasury disapproves a capital restoration plan or modified plan submitted pursuant to subparagraph (A), then, not later than the earlier of the date the Secretary of the Treasury disapproves of such plan or modified plan (by written notice to the Association) or the expiration of the 30-day consideration period described in subparagraph (A) (as such period may have been extended by mutual agreement), the Secretary of the Treasury shall prepare and submit an alternative capital restoration plan, together with a report on his reasons for disapproval of the Association's plan or modified plan, to the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate and to the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives. A copy of such submission simultaneously shall be sent to the Association and the Secretary of Education by the Secretary of the Treasury. The Association, within 5 days after receipt from the Secretary of the Treasury of such submission, shall submit to the Chairmen and ranking minority members of such Committees, and the Secretary of the Treasury, a written response to such submission, setting out fully the nature and extent

of the Association's agreement or disagreement with the Secretary of the Treasury with respect to the disapproved plan and the alternative plan of the Secretary of the Treasury and any findings of the Secretary of the Treasury.

(C) REVIEW BY CONGRESS; ASSOCIATION IMPLEMENTATION.—Congress shall have 60 legislative days after the date on which Congress receives the alternative plan under subparagraph (B) from the Secretary of the Treasury to review such plan. If Congress does not take statutory action with respect to any such plan within such 60-day period, the Association shall immediately proceed with diligence to implement the alternative capital restoration plan of the Secretary of the Treasury under subparagraph (B). If Congress is out of session when any such alternative plan is received, such 60-day period shall begin on the first day of the next session of Congress.

(7) ACTIONS BY SECRETARY OF THE TREASURY.—If the capital ratio of the Association does not equal or exceed 1.75 percent at the end of the Association's most recent calendar quarter, the Secretary of the Treasury may, until the capital ratio equals or exceeds 1.75 percent, take any one or more of the following actions:

(A) LIMIT INCREASE IN LIABILITIES.—Limit any increase in, or order the reduction of, any liabilities of the Association, except as necessary to fund student loan purchases and warehousing advances.

(B) RESTRICT GROWTH.—Restrict or eliminate growth of the Association's assets, other than student loans purchases and warehousing advances.

(C) RESTRICT DISTRIBUTIONS.—Restrict the Association from making any capital distribution.

(D) REQUIRE ISSUANCE OF NEW CAPITAL.—Require the Association to issue new capital in any form and in any amount sufficient to restore at least a 1.75 percent capital ratio.

(E) LIMIT EXECUTIVE COMPENSATION.—Prohibit the Association from increasing for any executive officer any compensation including bonuses at a rate exceeding that officer's average rate of compensation during the previous 12 calendar months and prohibiting the Board from adopting any new employment severance contracts.

(8) CRITICAL CAPITAL STANDARD.—(A) If the capital ratio is less than 1 percent at the end of the Association's most recent calendar quarter and the Association has already submitted a capital restoration plan to the Secretary of the Treasury pursuant to paragraph (4) or (6)(A), the Association shall forthwith proceed with diligence to implement the most recently proposed plan with such modifications as the Secretary of the Treasury determines are necessary to cause the capital ratio to equal or exceed 2 percent within 60 months.

(B) If the capital ratio is less than 1 percent at the end of the Association's most recent calendar quarter and the Association has not submitted a capital restoration plan to the Sec-

retary of the Treasury pursuant to paragraph (4) or (6)(A), the Association shall—

(i) within 14 days of such occurrence submit a capital restoration plan to the Secretary of the Treasury which the Association believes is adequate to cause the capital ratio to equal or exceed 2 percent within 60 months; and

(ii) forthwith proceed with diligence to implement such plan with such modifications as the Secretary of the Treasury determines are necessary to cause the capital ratio to equal or exceed 2 percent within 60 months.

(C) Immediately upon a determination under subparagraph (A) or (B) to implement a capital restoration plan, the Secretary of the Treasury shall submit the capital restoration plan to be implemented to the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate, the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives, and the Secretary of Education.

(9) ADDITIONAL REPORTS TO COMMITTEES.—The Association shall submit a copy of its capital restoration plan, modifications proposed to the Secretary of the Treasury, and proposed modifications received from the Secretary of the Treasury to the Congressional Budget Office and General Accounting Office upon their submission to the Secretary of the Treasury or receipt from the Secretary of the Treasury. Notwithstanding any other provision of law, the Congressional Budget Office and General Accounting Office shall maintain the confidentiality of information received pursuant to the previous sentence. In the event that the Secretary of the Treasury does not approve a capital restoration plan as provided in paragraph (5)(A) or (6)(A), or in the event that a capital restoration plan is modified by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8), the Congressional Budget Office and General Accounting Office shall each submit a report within 30 days of the Secretary of the Treasury's submission to the Chairmen and ranking minority members as required in paragraphs (5)(B), (6)(B), and (8)(C) to such Chairmen and ranking members—

(A) analyzing the financial condition of the Association;

(B) analyzing the capital restoration plan and reasons for disapproval of the plan contained in the Secretary of the Treasury's submission made pursuant to paragraph (5)(B), or the capital restoration plan proposed by the Association and the modifications made by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8);

(C) analyzing the impact of the capital restoration plan and reasons for disapproval of the plan contained in the Secretary of the Treasury's submission made pursuant to paragraph (5)(B), or the impact of the capital restoration plan proposed by the Association and the modifications made by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8), and analyzing the impact of the rec-

ommendations made pursuant to subparagraph (D) of this paragraph, on—

(i) the ability of the Association to fulfill its purpose and authorized activities as provided in this section, and

(ii) the operation of the student loan programs; and

(D) recommending steps which the Association should take to increase its capital ratio without impairing its ability to perform its purpose and authorized activities as provided in this section.

(10) REVIEW BY SECRETARY OF EDUCATION.—The Secretary of Education shall review the Secretary of the Treasury's submission required pursuant to paragraph (5)(B), (6)(B), or (8) and shall submit a report within 30 days to the Chairman and ranking minority member of the Senate Committee on Labor and Human Resources and to the Chairman and ranking minority member of the House Committee on Education and Labor—

(A) describing any administrative or legislative provisions governing the student loan programs which contributed to the decline in the Association's capital ratio; and

(B) recommending administrative and legislative changes in the student loan programs to maintain the orderly operation of such programs and to enable the Association to fulfill its purpose and authorized activities consistent with the capital ratio specified in paragraph (4).

(11) SAFE HARBOR.—The Association shall be deemed in compliance with the capital ratios described in paragraphs (4) and (6)(A) if the Association is rated in 1 of the 2 highest full rating categories (such categories to be determined without regard to designations within categories) by 2 nationally recognized statistical rating organizations, determined without regard to the Association's status as a federally chartered corporation.

(12) TREATMENT OF CONFIDENTIAL INFORMATION.—Notwithstanding any other provision of law, the Secretary of the Treasury, the Secretary of Education, the Congressional Budget Office, and the General Accounting Office shall not disclose any information treated as confidential by the Association or the Association's associated persons and obtained pursuant to this subsection. Nothing in this paragraph shall authorize the Secretary of the Treasury, the Secretary of Education, the Congressional Budget Office, and the General Accounting Office to withhold information from Congress, or prevent the Secretary of Education, the Congressional Budget Office, and the General Accounting Office from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States. For purposes of section 552 of title 5, United States Code, this paragraph shall be considered a statute described in subsection (b)(3) of such section 552.

(13) ENFORCEMENT OF SAFETY AND SOUNDNESS REQUIREMENTS.—The Secretary of Education or the Secretary of the Treasury, as appropriate, may request that the Attorney General bring an action in the United States District Court for the District of Columbia for the enforcement of any provision of this section, or may, under the direction or control of the Attorney General, bring such an action. Such court shall have jurisdiction and power to order and require compliance with this section.

(14) ACTIONS BY SECRETARY.—

(A) IN GENERAL.—For any fiscal quarter ending after January 1, 2000, the Association shall have a capital ratio of at least 2.25 percent. The Secretary of the Treasury may, whenever such capital ratio is not met, take any one or more of the actions described in paragraph (7), except that—

(i) the capital ratio to be restored pursuant to paragraph (7)(D) shall be 2.25 percent; and

(ii) if the relevant capital ratio is in excess of or equal to 2 percent for such quarter, the Secretary of the Treasury shall defer taking any of the actions set forth in paragraph (7) until the next succeeding quarter and may then proceed with any such action only if the capital ratio of the Association remains below 2.25 percent.

(B) APPLICABILITY.—The provisions of paragraphs (4), (5), (6), (8), (9), (10), and (11) shall be of no further application to the Association for any period after January 1, 2000.

(15) DEFINITIONS.—As used in this subsection:

(A) The term “nationally recognized statistical rating organization” means any entity recognized as such by the Securities and Exchange Commission.

(B) The term “capital ratio” means the ratio of total stockholders’ equity, as shown on the Association’s most recent quarterly consolidated balance sheet prepared in the ordinary course of its business, to the sum of—

(i) the total assets of the Association, as shown on the balance sheet prepared in the ordinary course of its business; and

(ii) 50 percent of the credit equivalent amount of the following off-balance sheet items of the Association as of the date of such balance sheet—

(I) all financial standby letters of credit and other irrevocable guarantees of the repayment of financial obligations of others; and

(II) all interest rate contracts and exchange rate contracts, including interest exchange agreements, floor, cap, and collar agreements and similar arrangements.

For purposes of this subparagraph, the calculation of the credit equivalent amount of the items set forth in clause (ii) of this subparagraph, the netting of such items and eliminations for the purpose of avoidance of double-count-

ing of such items shall be made in accordance with the measures for computing credit conversion factors for off-balance sheet items for capital maintenance purposes established for commercial banks from time to time by the Federal Reserve Board, but without regard to any risk weighting provisions in such measures.

(C) The term “legislative days” means only days on which either House of Congress is in session.

(16) DIVIDENDS.—The Association may pay dividends in the form of cash or noncash distributions so long as at the time of the declaration of such dividends, after giving effect to the payment of such dividends as of the date of such declaration by the Board of Directors of the Association, the Association’s capital would be in compliance with the capital standards set forth in this section.

(17) CERTIFICATION PRIOR TO PAYMENT OF DIVIDEND.—Prior to the payment of any dividend under paragraph (16), the Association shall certify to the Secretary of the Treasury that the payment of the dividend will be made in compliance with paragraph (16) and shall provide copies of all calculations needed to make such certification.

(s) CHARTER SUNSET.—

(1) APPLICATION OF PROVISIONS.—This subsection applies beginning 18 months and one day after the date of enactment of this subsection if no reorganization of the Association occurs in accordance with the provisions of section 440.

(2) SUNSET PLAN.—

(A) PLAN SUBMISSION BY THE ASSOCIATION.—Not later than July 1, 2007, the Association shall submit to the Secretary of the Treasury and to the Chairman and Ranking Member of the Committee on Labor and Human Resources of the Senate and the Chairman and Ranking Member of the Committee on Economic and Educational Opportunities of the House of Representatives, a detailed plan for the orderly winding up, by July 1, 2013, of business activities conducted pursuant to the charter set forth in this section. Such plan shall—

(i) ensure that the Association will have adequate assets to transfer to a trust, as provided in this subsection, to ensure full payment of remaining obligations of the Association in accordance with the terms of such obligations;

(ii) provide that all assets not used to pay liabilities shall be distributed to shareholders as provided in this subsection; and

(iii) provide that the operations of the Association shall remain separate and distinct from that of any entity to which the assets of the Association are transferred.

(B) AMENDMENT OF THE PLAN BY THE ASSOCIATION.—The Association shall from time to time amend such plan to reflect changed circumstances, and submit such amendments to the Secretary of the Treasury and to the Chairman and Ranking Minority Member of the Committee on

Labor and Human Resources of the Senate and Chairman and Ranking Minority Member of the Committee on Economic and Educational Opportunities of the House of Representatives. In no case may any amendment extend the date for full implementation of the plan beyond the dissolution date provided in paragraph (3).

(C) PLAN MONITORING.—The Secretary of the Treasury shall monitor the Association's compliance with the plan and shall continue to review the plan (including any amendments thereto).

(D) AMENDMENT OF THE PLAN BY THE SECRETARY OF THE TREASURY.—The Secretary of the Treasury may require the Association to amend the plan (including any amendments to the plan), if the Secretary of the Treasury deems such amendments necessary to ensure full payment of all obligations of the Association.

(E) IMPLEMENTATION BY THE ASSOCIATION.—The Association shall promptly implement the plan (including any amendments to the plan, whether such amendments are made by the Association or are required to be made by the Secretary of the Treasury).

(3) DISSOLUTION OF THE ASSOCIATION.—The Association shall dissolve and the Association's separate existence shall terminate on July 1, 2013, after discharge of all outstanding debt obligations and liquidation pursuant to this subsection. The Association may dissolve pursuant to this subsection prior to such date by notifying the Secretary of Education and the Secretary of the Treasury of the Association's intention to dissolve, unless within 60 days of receipt of such notice the Secretary of Education notifies the Association that the Association continues to be needed to serve as a lender of last resort pursuant to subsection (q) or continues to be needed to purchase loans under an agreement with the Secretary described in paragraph (4)(A). On the dissolution date, the Association shall take the following actions:

(A) ESTABLISHMENT OF A TRUST.—The Association shall, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Secretary of the Treasury, the Association, and the appointed trustee, irrevocably transfer all remaining obligations of the Association to a trust and irrevocably deposit or cause to be deposited into such trust, to be held as trust funds solely for the benefit of holders of the remaining obligations, money or direct noncallable obligations of the United States or any agency thereof for which payment the full faith and credit of the United States is pledged, maturing as to principal and interest in such amounts and at such times as are determined by the Secretary of the Treasury to be sufficient, without consideration of any significant reinvestment of such interest, to pay the principal of, and interest on, the remaining obligations in accordance with their terms.

(B) USE OF TRUST ASSETS.—All money, obligations, or financial assets deposited into the trust pursuant to this

subsection shall be applied by the trustee to the payment of the remaining obligations assumed by the trust. Upon the fulfillment of the trustee's duties under the trust, any remaining assets of the trust shall be transferred to the persons who, at the time of the dissolution, were the shareholders of the Association, or to the legal successors or assigns of such persons.

(C) OBLIGATIONS NOT TRANSFERRED TO THE TRUST.—

The Association shall make proper provision for all other obligations of the Association, including the repurchase or redemption, or the making of proper provision for the repurchase or redemption, of any preferred stock of the Association outstanding.

(D) TRANSFER OF REMAINING ASSETS.—After compliance with subparagraphs (A) and (C), the Association shall transfer to the shareholders of the Association any remaining assets of the Association.

(4) RESTRICTIONS RELATING TO WINDING UP.—

(A) RESTRICTIONS ON NEW BUSINESS ACTIVITY OR ACQUISITION OF ASSETS BY THE ASSOCIATION.—

(i) IN GENERAL.—Beginning on July 1, 2009, the Association shall not engage in any new business activities or acquire any additional program assets (including acquiring assets pursuant to contractual commitments) described in subsection (d) other than in connection with the Association—

(I) serving as a lender of last resort pursuant to subsection (q); and

(II) purchasing loans insured under this part, if the Secretary, with the approval of the Secretary of the Treasury, enters into an agreement with the Association for the continuation or resumption of the Association's secondary market purchase program because the Secretary determines there is inadequate liquidity for loans made under this part.

(ii) AGREEMENT.—The Secretary is authorized to enter into an agreement described in subclause (II) of clause (i) with the Association covering such secondary market activities. Any agreement entered into under such subclause shall cover a period of 12 months, but may be renewed if the Secretary determines that liquidity remains inadequate. The fee provided under subsection (h)(7) shall not apply to loans acquired under any such agreement with the Secretary.

(B) ISSUANCE OF DEBT OBLIGATIONS DURING THE WIND UP PERIOD; ATTRIBUTES OF DEBT OBLIGATIONS.—The Association shall not issue debt obligations which mature later than July 1, 2013, except in connection with serving as a lender of last resort pursuant to subsection (q) or with purchasing loans under an agreement with the Secretary as described in subparagraph (A). Nothing in this subsection shall modify the attributes accorded the debt obligations of the Association by this section, regardless of whether such

debt obligations are transferred to a trust in accordance with paragraph (3).

(C) USE OF ASSOCIATION NAME.—The Association may not transfer or permit the use of the name “Student Loan Marketing Association”, “Sallie Mae”, or any variation thereof, to or by any entity other than a subsidiary of the Association.

**SEC. 440.<sup>1</sup> REORGANIZATION OF THE STUDENT LOAN MARKETING ASSOCIATION THROUGH THE FORMATION OF A HOLDING COMPANY.**

(a) ACTIONS BY THE ASSOCIATION’S BOARD OF DIRECTORS.—The Board of Directors of the Association shall take or cause to be taken all such action as the Board of Directors deems necessary or appropriate to effect, upon the shareholder approval described in subsection (b), a restructuring of the common stock ownership of the Association, as set forth in a plan of reorganization adopted by the Board of Directors (the terms of which shall be consistent with this section) so that all of the outstanding common shares of the Association shall be directly owned by a Holding Company. Such actions may include, in the Board of Director’s discretion, a merger of a wholly owned subsidiary of the Holding Company with and into the Association, which would have the effect provided in the plan of reorganization and the law of the jurisdiction in which such subsidiary is incorporated. As part of the restructuring, the Board of Directors may cause—

(1) the common shares of the Association to be converted, on the reorganization effective date, to common shares of the Holding Company on a one for one basis, consistent with applicable State or District of Columbia law; and

(2) Holding Company common shares to be registered with the Securities and Exchange Commission.

(b) SHAREHOLDER APPROVAL.—The plan of reorganization adopted by the Board of Directors pursuant to subsection (a) shall be submitted to common shareholders of the Association for their approval. The reorganization shall occur on the reorganization effective date, provided that the plan of reorganization has been approved by the affirmative votes, cast in person or by proxy, of the holders of a majority of the issued and outstanding shares of the Association common stock.

(c) TRANSITION.—In the event the shareholders of the Association approve the plan of reorganization under subsection (b), the following provisions shall apply beginning on the reorganization effective date:

(1) IN GENERAL.—Except as specifically provided in this section, until the dissolution date the Association shall continue to have all of the rights, privileges and obligations set forth in, and shall be subject to all of the limitations and restrictions of, section 439, and the Association shall continue to carry out the purposes of such section. The Holding Company and any subsidiary of the Holding Company (other than the Association) shall not be entitled to any of the rights, privileges, and obligations, and shall not be subject to the limita-

<sup>1</sup> See footnote for section 439 above.

tions and restrictions, applicable to the Association under section 439, except as specifically provided in this section. The Holding Company and any subsidiary of the Holding Company (other than the Association or a subsidiary of the Association) shall not purchase loans insured under this Act until such time as the Association ceases acquiring such loans, except that the Holding Company may purchase such loans if the Association is merely continuing to acquire loans as a lender of last resort pursuant to section 439(q) or under an agreement with the Secretary described in paragraph (6).

(2) TRANSFER OF CERTAIN PROPERTY.—

(A) IN GENERAL.—Except as provided in this section, on the reorganization effective date or as soon as practicable thereafter, the Association shall use the Association's best efforts to transfer to the Holding Company or any subsidiary of the Holding Company (or both), as directed by the Holding Company, all real and personal property of the Association (both tangible and intangible) other than the remaining property. Subject to the preceding sentence, such transferred property shall include all right, title, and interest in—

(i) direct or indirect subsidiaries of the Association (excluding special purpose funding companies in existence on the date of enactment of this section and any interest in any government-sponsored enterprise);

(ii) contracts, leases, and other agreements of the Association;

(iii) licenses and other intellectual property of the Association; and

(iv) any other property of the Association.

(B) CONSTRUCTION.—Nothing in this paragraph shall be construed to prohibit the Association from transferring remaining property from time to time to the Holding Company or any subsidiary of the Holding Company, subject to the provisions of paragraph (4).

(3) TRANSFER OF PERSONNEL.—On the reorganization effective date, employees of the Association shall become employees of the Holding Company (or any subsidiary of the Holding Company), and the Holding Company (or any subsidiary of the Holding Company) shall provide all necessary and appropriate management and operational support (including loan servicing) to the Association, as requested by the Association. The Association, however, may obtain such management and operational support from persons or entities not associated with the Holding Company.

(4) DIVIDENDS.—The Association may pay dividends in the form of cash or noncash distributions so long as at the time of the declaration of such dividends, after giving effect to the payment of such dividends as of the date of such declaration by the Board of Directors of the Association, the Association's capital would be in compliance with the capital standards and requirements set forth in section 439(r). If, at any time after the reorganization effective date, the Association fails to comply with such capital standards, the Holding Company shall trans-

fer with due diligence to the Association additional capital in such amounts as are necessary to ensure that the Association again complies with the capital standards.

(5) CERTIFICATION PRIOR TO DIVIDEND.—Prior to the payment of any dividend under paragraph (4), the Association shall certify to the Secretary of the Treasury that the payment of the dividend will be made in compliance with paragraph (4) and shall provide copies of all calculations needed to make such certification.

(6) RESTRICTIONS ON NEW BUSINESS ACTIVITY OR ACQUISITION OF ASSETS BY ASSOCIATION.—

(A) IN GENERAL.—After the reorganization effective date, the Association shall not engage in any new business activities or acquire any additional program assets described in section 439(d) other than in connection with—

(i) student loan purchases through September 30, 2007;

(ii) contractual commitments for future warehousing advances, or pursuant to letters of credit or standby bond purchase agreements, which are outstanding as of the reorganization effective date;

(iii) the Association serving as a lender-of-last-resort pursuant to section 439(q); and

(iv) the Association's purchase of loans insured under this part, if the Secretary, with the approval of the Secretary of the Treasury, enters into an agreement with the Association for the continuation or resumption of the Association's secondary market purchase program because the Secretary determines there is inadequate liquidity for loans made under this part.

(B) AGREEMENT.—The Secretary is authorized to enter into an agreement described in clause (iv) of subparagraph (A) with the Association covering such secondary market activities. Any agreement entered into under such clause shall cover a period of 12 months, but may be renewed if the Secretary determines that liquidity remains inadequate. The fee provided under section 439(h)(7) shall not apply to loans acquired under any such agreement with the Secretary.

(7) ISSUANCE OF DEBT OBLIGATIONS DURING THE TRANSITION PERIOD; ATTRIBUTES OF DEBT OBLIGATIONS.—After the reorganization effective date, the Association shall not issue debt obligations which mature later than September 30, 2008, except in connection with serving as a lender-of-last-resort pursuant to section 439(q) or with purchasing loans under an agreement with the Secretary as described in paragraph (6). Nothing in this section shall modify the attributes accorded the debt obligations of the Association by section 439, regardless of whether such debt obligations are incurred prior to, or at any time following, the reorganization effective date or are transferred to a trust in accordance with subsection (d).

(8) MONITORING OF SAFETY AND SOUNDNESS.—

(A) OBLIGATION TO OBTAIN, MAINTAIN, AND REPORT INFORMATION.—The Association shall obtain such informa-

tion and make and keep such records as the Secretary of the Treasury may from time to time prescribe concerning—

(i) the financial risk to the Association resulting from the activities of any associated person, to the extent such activities are reasonably likely to have a material impact on the financial condition of the Association, including the Association's capital ratio, the Association's liquidity, or the Association's ability to conduct and finance the Association's operations; and

(ii) the Association's policies, procedures, and systems for monitoring and controlling any such financial risk.

(B) SUMMARY REPORTS.—The Secretary of the Treasury may require summary reports of the information described in subparagraph (A) to be filed no more frequently than quarterly. If, as a result of adverse market conditions or based on reports provided pursuant to this subparagraph or other available information, the Secretary of the Treasury has concerns regarding the financial or operational condition of the Association, the Secretary of the Treasury may, notwithstanding the preceding sentence and subparagraph (A), require the Association to make reports concerning the activities of any associated person whose business activities are reasonably likely to have a material impact on the financial or operational condition of the Association.

(C) SEPARATE OPERATION OF CORPORATIONS.—
