## **FAFSA**

#### FREE APPLICATION for FEDERAL STUDENT AID

#### Federal Student Aid

PROUD SPONSOR of the AMERICAN MIND®

Use this form to apply free for federal and state student grants, work-study and loans.

Or apply free online at www.fafsa.gov.

#### **Applying by the Deadlines**

For federal aid, submit your application as early as possible, but no earlier than January 1, 2015. We must receive your application no later than June 30, 2016. Your college must have your correct, complete information by your last day of enrollment in the 2015-2016 school year.

For state or college aid, the deadline may be as early as January 2015. See the table to the right for state deadlines. You may also need to complete additional forms.

Check with your high school guidance counselor or a financial aid administrator at your college about state and college sources of student aid and deadlines.

If you are filing close to one of these deadlines, we recommend you file online at www.fafsa.gov. This is the fastest and easiest way to apply for aid.

#### **Using Your Tax Return**

We recommend that you complete and submit your FAFSA as soon as possible on or after January 1, 2015. If you (or your parents) need to file a 2014 income tax return with the Internal Revenue Service (IRS), and have not done so yet, you can submit your FAFSA now using estimated tax information, and then you must correct that information after **you file** your return.

The easiest way to complete or correct your FAFSA with accurate tax information is by using the IRS Data Retrieval Tool through www.fafsa.gov. In a few simple steps, most students and parents who filed a 2014 tax return can view and transfer their tax return information directly into their FAFSA.

Note: Both parents or both the student and spouse may need to report income information on the FAFSA if they did not file a joint tax return for 2014. For assistance with answering the income information questions in this situation, call 1-800-4-FED-AID (1-800-433-3243).

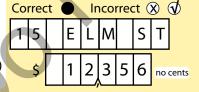

#### Filling Out the FAFSA®

If you or your family experienced significant changes to your financial situation (such as loss of employment), complete this form to the extent you can and submit it as instructed. Consult with the financial aid office at the college(s) you applied to or plan to attend.

For help in filling out the FAFSA, go to www.studentaid.gov/completefafsa or 1-800-433-3243. TTY users (for the hearing impaired) may call 1-800-730-8913.

Your answers on this form will be read electronically. Therefore:

- use black ink and fill in circles completely:
- print clearly in CAPITAL letters and skip a box between words:
- report dollar amounts (such as \$12,356.41) like this:

Yellow is for student information and purple is for parent information.

#### Mailing Your FAFSA®

After you complete this application, make a copy of pages 3 through 8 for your records. Then mail the original of pages 3 through 8 in the attached envelope or send it to:

#### Federal Student Aid Programs, P.O. Box 7001, Mt. Vernon, IL 62864-0071.

After your application is processed, you will receive a summary of your information in your Student Aid Report (SAR). If you provide an e-mail address, your SAR will be sent by e-mail within three to five days. If you do not provide an e-mail address, your SAR will be mailed to you within three weeks. If you would like to check the status of your FAFSA, go to www.fafsa.gov or call 1-800-433-3243.

#### Let's Get Started!

Now go to page 3 of the application form and begin filling it out. Refer to the notes as instructed.

#### Notes for question 8 (page 3)

Enter your Social Security Number (SSN). If you are a resident of the Freely Associated States (i.e., the Republic of Palau, the Republic of the Marshall Islands, or the Federated States of Micronesia) and were issued an identification number beginning with "666" when submitting a FAFSA previously, enter that number here. If you are a first-time applicant from the Freely Associated States, enter "666" in the first three boxes of the SSN field and leave the remaining six positions blank and we will create an identification number to be used for federal student aid purposes.

#### Notes for questions 14 and 15 (page 3)

If you are an eligible noncitizen, write in your eight- or nine-digit Alien Registration Number. Generally, you are an eligible noncitizen if you are (1) a permanent U.S. resident with a Permanent Resident Card (I-551); (2) a conditional permanent resident with a Conditional Green Card (I-551C); (3) the holder of an Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designations: "Refugee," "Asylum Granted," "Parolee" (I-94 confirms that you were paroled for a minimum of one year and status has not expired), T-Visa holder (T-1, T-2, T-3, etc.) or "Cuban-Haitian Entrant;" or (4) the holder of a valid certification or eligibility letter from the Department of Health and Human Services showing a designation of "Victim of human trafficking."

If you are in the U.S. on an F1 or F2 student visa, a J1 or J2 exchange visitor visa, or a G series visa (pertaining to international organizations), select "No, I am not a citizen or eligible noncitizen." You will not be eligible for federal student aid. If you have a Social Security Number but are not a citizen or an eligible noncitizen, you should still complete the FAFSA because you may be eligible for state or college aid.

#### Notes for questions 16 and 17 (page 3)

Report your marital status as of the date you sign your FAFSA. If your marital status changes after you sign your FAFSA, check with the **financial aid office at the college**. Consistent with the Supreme Court decision holding Section 3 of the Defense of Marriage Act (DOMA) unconstitutional, same-sex couples must report their marital status as married if they were legally married in a state or other jurisdiction (foreign country) that permits same-sex marriage, without regard to where the couple resides.

#### Notes for question 22 (page 3)

The Selective Service System, and the registration requirement for young men, preserves America's ability to provide manpower in an emergency to the U.S. Armed Forces (Army, Navy, Air Force, Marines or Coast Guard). Almost all men—ages 18 through 25—must register. For more information about Selective Service, visit www.sss.gov.

## Notes for questions 33 (page 4) and 81 (page 6)

If you filed or will file a foreign tax return, a tax return with Puerto Rico, another U.S. territory (e.g., Guam, American Samoa, the U.S. Virgin Islands, Swain's Island or the Northern Marianas Islands) or one of the Freely Associated States, use the information from that return to fill out this form. If you filed a foreign return, convert all monetary units to U.S. dollars, using the exchange rate that is in effect today. To view the daily exchange rate, go to www.federalreserve.gov/releases/h10/current.

## Notes for questions 35 (page 4) and 83 (page 6)

In general, a person is eligible to file a 1040A or 1040EZ if he or she makes less than \$100,000, does not itemize deductions, does not receive income from his or her own business or farm and does not receive alimony. A person is not eligible to file a 1040A or 1040EZ if he or she makes \$100,000 or more, itemizes deductions, receives income from his or her own business or farm, is self-employed, receives alimony or is required to file Schedule D for capital gains. If you filed a 1040 only to claim the American Opportunity Tax Credit or Lifetime Learning Tax Credit, and you would have otherwise been eligible to file a 1040A or 1040EZ, answer "Yes" to this question. If you filed a 1040 and were not required to file a tax return, answer "Yes" to this question.

#### Notes for questions 38 (page 4)

#### and 87 (page 7) — Notes for those who filed a 1040EZ

On the 1040EZ, if a person didn't check either box on line 5, enter 01 if he or she is single or has never been married, or 02 if he or she is married. If a person checked either the "you" or "spouse" box on line 5, use 1040EZ worksheet line F to determine the number of exemptions (\$3,950 equals one exemption).

## Notes for questions 42 and 43 (page 4), 45j (page 5), and 91 and 92 (page 7)

For small business value, your family includes (1) persons directly related to you, such as a parent, sister or cousin, or (2) persons who are or were related to you by marriage, such as a spouse, stepparent or sister-in-law.

**Investment farm value does not include** the value of a family farm that you (your spouse and/or your parents) live on and operate.

(Health professions students: Your college may require you to complete Step Four even if you answered "Yes" to any Step Three question.) If you believe that you are unable to provide parental information, see Notes page 9.

#### **Step Four (Parent):** Complete this step if you (the student) answered "No" to all questions in Step Three.

Answer all the questions in Step Four even if you do not live with your legal parents (your biological and/or adoptive parents). Grandparents, foster parents, legal guardians, aunts and uncles are not considered parents on this form unless they have legally adopted you. If your legal parents are married to each other or are not married to each other and **live together**, answer the questions about both of them. If your parent was never married or is remarried, divorced, separated or widowed, **see Notes page 9** for additional instructions.

#### Notes for question 53 (page 5)

Answer "Yes" if at any time since you turned age 13:

- You had no living parent (biological or adoptive), even if you are now adopted; or
- You were in foster care, even if you are no longer in foster care today;
   or
- You were a dependent or ward of the court, even if you are no longer
  a dependent or ward of the court today. For federal student aid
  purposes, someone who is incarcerated is not considered a ward of
  the court.

The financial aid administrator at your school may require you to provide proof that you were in foster care or a dependent or ward of the court.

#### Notes for questions 54 and 55 (page 5)

The definition of legal guardianship does not include your parents, even if they were appointed by a court to be your guardians. You are also not considered a legal guardian of yourself.

Answer "Yes" if you can provide a copy of a court's decision that as of today you are an emancipated minor or are in legal guardianship. Also answer "Yes" if you can provide a copy of a court's decision that you were an emancipated minor or were in legal guardianship immediately before you reached the age of being an adult in your state. The court must be located in your state of legal residence at the time the court's decision was issued.

Answer "No" if you are still a minor and the court decision is no longer in effect or the court decision was not in effect at the time you became an adult.

The financial aid administrator at your college may require you to provide proof that you were an emancipated minor or in legal guardianship.

#### Notes for questions 56-58 (page 5)

Answer "Yes" if you received a determination at any time on or after July 1, 2014, that you were an unaccompanied youth who was homeless or at risk of being homeless.

- "Homeless" means lacking fixed, regular and adequate housing. You
  may be homeless if you are living in shelters, parks, motels or cars, or
  are temporarily living with other people because you have nowhere
  else to go. Also, if you are living in any of these situations and fleeing
  an abusive parent you may be considered homeless even if your
  parent would provide support and a place to live.
- "Unaccompanied" means you are not living in the physical custody of your parent or guardian.
- "Youth" means you are 21 years of age or younger or you are still enrolled in high school as of the day you sign this application.

Answer "**No**" if you are not homeless or at risk of being homeless, or do not have a determination. You should contact your financial aid office for assistance if you do not have a determination but believe you are an unaccompanied youth who is homeless or are an unaccompanied youth providing for your own living expenses who is at risk of being homeless.

The financial aid administrator at your college may require you to provide a copy of the determination if you answered "Yes" to any of these questions.

## Notes for students unable to provide parental information on pages 6 and 7

Under very limited circumstances (for example, your parents are incarcerated; you have left home due to an abusive family environment; or you do not know where your parents are and are unable to contact them), you may be able to submit your FAFSA without parental information. If you are unable to provide parental information, skip Steps Four and Five, and go to Step Six. Once you submit your FAFSA without parental data, you must follow up with the financial aid office at the college you plan to attend, in order to complete your FAFSA.

#### Notes for Step Four, questions 59–94 (pages 6 and 7)

Review all instructions below to determine who is considered a parent on this form:

- If your parent was never married and does not live with your other legal parent, or if your parent is widowed or not remarried, answer the questions about that parent.
- If your legal parents (biological and/or adoptive) are not married to each other and live together, select "Unmarried and both parents living together" and provide information about both of them regardless of their gender. Do not include any person who is not married to your parent and who is not a legal or biological parent. Contact 1-800-433-3243 for assistance in completing questions 80-94.
- If your parents are married, select "Married or remarried." Consistent with the Supreme Court decision holding Section 3 of the Defense of Marriage Act (DOMA) unconstitutional, same-sex couples must report their marital status as married if they were legally married in a state or other jurisdiction (foreign country) that permits same-sex marriage, without regard to where the couple resides. If your legal parents are divorced but living together, select "Unmarried and both parents living together." If your legal parents are separated but living together, select "Married or remarried," not "Divorced or separated."
- If your parents are divorced or separated, answer the questions about
  the parent you lived with more during the past 12 months. (If you did
  not live with one parent more than the other, give answers about
  the parent who provided more financial support during the past 12
  months or during the most recent year that you actually received
  support from a parent.) If this parent is remarried as of today, answer
  the questions about that parent and your stepparent.
- If your widowed parent is remarried as of today, answer the questions about that parent and your stepparent.

## Notes for questions 84 (page 6) and 102 (page 8)

In general, a person may be considered a dislocated worker if he or she:

- is receiving unemployment benefits due to being laid off or losing a job and is unlikely to return to a previous occupation;
- has been laid off or received a lay-off notice from a job;
- was self-employed but is now unemployed due to economic conditions or natural disaster; or
- is a displaced homemaker. A displaced homemaker is generally a
  person who previously provided unpaid services to the family (e.g., a
  stay-at-home mom or dad), is no longer supported by the husband or
  wife, is unemployed or underemployed, and is having trouble finding
  or upgrading employment.

If a person quits work, generally he or she is not considered a dislocated worker even if, for example, the person is receiving unemployment benefits.

Answer "**Yes**" to question 84 if your parent is a dislocated worker. Answer "**Yes**" to question 102 if you or your spouse is a dislocated worker.

Answer "**No**" to question 84 if your parent is not a dislocated worker. Answer "**No**" to question 102 if neither you nor your spouse is a dislocated worker.

Answer "**Don't know**" to question 84 if you are not sure whether your parent is a dislocated worker. Answer "**Don't know**" to question 102 if you are not sure whether you or your spouse is a dislocated worker. You can contact your financial aid office for assistance in answering these questions.

The financial aid administrator at your college may require you to provide proof that your parent is a dislocated worker, if you answered "**Yes**" to question 84, or that you or your spouse is a dislocated worker, if you answered "**Yes**" to question 102.

## What is the FAFSA®?

#### Why fill out a FAFSA?

The *Free Application for Federal Student Aid* (FAFSA) is the first step in the financial aid process. You use the FAFSA to apply for federal student aid, such as grants, loans and work-study. In addition, most states and colleges use information from the FAFSA to award nonfederal aid.

#### Why all the questions?

The questions on the FAFSA are required to calculate your Expected Family Contribution (EFC). The EFC measures your family's financial strength and is used to determine your eligibility for federal student aid. Your state and the colleges you list may also use some of your responses. They will determine if you may be eligible for school or state aid, in addition to federal aid.

#### How do I find out what my Expected Family Contribution (EFC) is?

Your EFC will be listed on your *Student Aid Report* (SAR). Your SAR summarizes the information you submitted on your FAFSA. It is important to review your SAR to make sure all of your information is correct and complete. Make corrections or provide additional information, as necessary.

#### How much aid will I receive?

Using the information on your FAFSA and your EFC, the financial aid office at your college will determine the amount of aid you will receive. The college will use your EFC to prepare a financial aid package to help you meet your financial need. Financial need is the difference between your EFC and your college's cost of attendance (which can include living expenses), as determined by the college. If you or your family have unusual circumstances that should be taken into account, contact your college's financial aid office. Some examples of unusual circumstances are: unusual medical or dental expenses or a large change in income from last year to this year.

#### When will I receive the aid?

Any financial aid you are eligible to receive will be paid to you through your college. Typically, your college will first use the aid to pay tuition, fees and room and board (if provided by the college). Any remaining aid is paid to you for your other educational expenses. If you are eligible for a Federal Pell Grant, you may receive it from only one college for the same period of enrollment.

#### How can I have more colleges receive my FAFSA information?

If you are completing a paper FAFSA, you can only list four colleges in the school code step. You may add more colleges by doing one of the following:

- After your FAFSA has been processed, go to FAFSA on the Web at www.fafsa. gov. Click the "Login" button on the home page to log in to FAFSA on the Web, then click "Make FAFSA Corrections."
- 2. Use the Student Aid Report (SAR), which you will receive after your FAFSA is processed. Your Data Release Number (DRN) verifies your identity and will be listed on the first page of your SAR. You can call 1-800-433-3243 and provide your DRN to a customer service representative, who will add more school codes for you.
- 3. Provide your DRN to the financial aid administrator at the college you want added, and he or she can add their school code to your FAFSA.

**Note:** Your FAFSA record can only list up to ten school codes. If there are ten school codes on your record, any new school codes that you add will replace one or more of the school codes listed.

#### Where can I receive more information on student aid?

The best place for information about student financial aid is the financial aid office at the college you plan to attend. The financial aid administrator can tell you about student aid available from your state, the college itself and other sources.

- · You can also visit our web site StudentAid.gov.
- For information by phone you can call our Federal Student Aid Information Center at 1-800-433-3243. TTY users (for the hearing impaired) may call 1-800-730-8913.
- You can also check with your high school counselor, your state aid agency or your local library's reference section.

Information about other nonfederal assistance may be available from foundations, religious organizations, community organizations and civic groups, as well as organizations related to your field of interest, such as the American Medical Association or American Bar Association. Check with your parents' employers or unions to see if they award scholarships or have tuition payment plans.

## Information on the Privacy Act and use of your Social Security Number

We use the information that you provide on this form to determine if you are eligible to receive federal student financial aid and the amount that you are eligible to receive. Sections 483 and 484 of the Higher Education Act of 1965, as amended, give us the authority to ask you and your parents these questions, and to collect the Social Security Numbers of you and your parents. We use your Social Security Number to verify your identity and retrieve your records, and we may request your Social Security Number again for those purposes.

State and institutional student financial aid programs may also use the information that you provide on this form to determine if you are eligible to receive state and institutional aid and the need that you have for such aid. Therefore, we will disclose the information that you provide on this form to each institution you list in questions 103a - 103h, state agencies in your state of legal residence and the state agencies of the states in which the colleges that you list in questions 103a - 103h are located.

If you are applying solely for federal aid, you must answer all of the following questions that apply to you: 1-9, 14-16, 18, 21-23, 26, 28-29, 32-37, 39-59, 61-68, 70, 73-86, 88-102, 104-105. If you do not answer these questions, you will not receive federal aid.

Without your consent, we may disclose information that you provide to entities under a published "routine use." Under such a routine use, we may disclose information to third parties that we have authorized to assist us in administering the above programs; to other federal agencies under computer matching programs, such as those with the Internal Revenue Service, Social Security Administration, Selective Service System, Department of Homeland Security, Department of Justice and Veterans Affairs; to your parents or spouse; and to members of Congress if you ask them to help you with student aid questions.

If the federal government, the U.S. Department of Education, or an employee of the U.S. Department of Education is involved in litigation, we may send information to the Department of Justice, or a court or adjudicative body, if the disclosure is related to financial aid and certain conditions are met. In addition, we may send your information to a foreign, federal, state, or local enforcement agency if the information that you submitted indicates a violation or potential violation of law, for which that agency has jurisdiction for investigation or prosecution. Finally, we may send information regarding a claim that is determined to be valid and overdue to a consumer reporting agency. This information includes identifiers from the record; the amount, status and history of the claim; and the program under which the claim arose.

#### **State Certification**

By submitting this application, you are giving your state financial aid agency permission to verify any statement on this form and to obtain income tax information for all persons required to report income on this form.

#### **The Paperwork Reduction Act of 1995**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1845-0001. Public reporting burden for this collection of information is estimated to average two hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Federal Student Aid Information Center, P.O. Box 84, Washington, D.C. 20044 directly. [Note: Please do not return the completed form to this address.]

We may request additional information from you to process your application more efficiently. We will collect this additional information only as needed and on a voluntary basis.
