Section 2730.10 Summary and Purpose

- a) As described in this Part, eligible recipients are entitled to an exemption from payment of tuition and certain fees at State universities and community colleges. If funds appropriated for the Illinois Student Assistance Commission (ISAC) are insufficient to reimburse public postsecondary institutions for all recipients, the obligation to pay is transferred to the institution.
- b) This Part establishes rules which govern the Illinois National Guard Grant Program. Additional rules and definitions are contained in the General Provisions, 23 Ill. Adm. Code 2700.

Section 2730.20 Applicant Eligibility

- a) Students must file an application annually indicating the institution to be attended. No payment will be authorized for any applicant until a current application is on file. The deadline for applications will be October 1 for first term, March 1 for second semester/second and third quarter, and June 15 for the summer term.

- 1) Qualified applicants will receive an eligibility letter from ISAC for each academic year following the filing of the application. This letter must be delivered to the institution at which the student is enrolled. Ineligible applicants will receive written notification from ISAC of their ineligibility to receive program benefits; and
 - 2) ISAC will verify application data in consultation with the Illinois Department of Military Affairs when reviewing an application.
- b) Applicants must be in active status in the Illinois Army or Air National Guard and have served for at least one year in the Illinois National Guard. Eligibility is available to any such enlisted person or company grade officer, including warrant officers, first and second lieutenants, and captains in the Army and Air National Guard, except for those persons who are members of the inactive Illinois National Guard.
 - c) Recipients must maintain an acceptable grade point average as determined by the institution pursuant to a published policy.
 - d) Changes of address, name, status with the Illinois National Guard or institution of attendance must be reported in writing to ISAC.

Section 2730.30 Program Procedures

- a) The recipient is exempt from paying the following:
 - 1) tuition;
 - 2) registration fees;
 - 3) graduation fees; and
 - 4) general activity fees.
- b) The recipient is responsible for payment of other fees, including the following:
 - 1) book rental fees;
 - 2) laboratory and supply fees;
 - 3) air flight fees;
 - 4) hospital and health insurance fees;
 - 5) room and board;
 - 6) parking fees;
 - 7) student union fees;
 - 8) athletic fees; and
 - 9) proficiency or placement exams and other similar fees.
- c) Benefits are applicable to both undergraduate and graduate enrollment. There is no minimum credit-hour enrollment requirement. Benefits are applicable for noncredit courses.
- d) Benefits may be used at Illinois public senior universities and at any Illinois public community college.

- e) Within the constraints of appropriation levels, two semester or three quarter term payments and one summer term payment are made directly to the institution after it officially certifies to ISAC that the applicant has registered and is attending classes. No seminars or other special terms are covered under the grant. Summer term is considered the final term of the academic and fiscal year.
- f) Recipients are entitled to receive benefits for the equivalent of eight semesters/twelve quarters of full-time enrollment.

- 1) To determine the amount of eligibility a recipient has used, credit hours (and noncredit hours for which benefits are used) will be converted to "eligibility units" according to the following chart:

Number of Hours	Semester School	Quarter School
12 or more hours	12 units	8 units
9 - 11.99 hours	9 units	6 units
6 - 8.99 hours	6 units	4 units
3 - 5.99 hours	3 units	2 units
0 - 2.99 hours	1 unit	1 unit

- 2) Recipients may continue to reapply and accumulate up to 96 units, after which point eligibility for program benefits will cease. However, full program benefits may be extended for one additional term if the recipient has accumulated fewer than 96 eligibility units but does not have enough units remaining for the number of hours in which she/he is enrolled for the term.
- 3) If an eligible recipient withdraws from enrollment after the expiration of the tuition refund/withdrawal adjustment period, the recipient shall receive a grant for costs incurred up to the term award provided the institution's tuition refund policy indicates the recipient has incurred charges in the amount of the claim.
- 4) In the event that the recipient withdraws from a course or courses prior to the end of a term, eligibility units will be assessed in proportion to the total dollars that are paid. If the recipient has had any portion of his/her tuition and fees paid, at least one eligibility unit will be charged to the recipient.

Example: A recipient is enrolled for twelve semester hours at a cost of \$600. The recipient withdraws from enrollment and incurs expenses of \$300 in accordance with the institution's tuition refund policy. The recipient would use six eligibility units and would receive \$300 in benefits.

- 5) The eligibility units used for a noncredit course shall be the same as the number of eligibility units used for a credit course having the same number of total faculty contact hours.
- g) If a current year applicant is discharged, transferred to the inactive Illinois National Guard, or has membership extended by the Illinois National Guard, ISAC will send a revised eligibility letter or ineligibility letter to the applicant. In the case of discharge, a copy of the letter will be sent to the institution of record.

- h) If a recipient ceases to be an active status member of the Illinois National Guard during a term, benefits cease, and the student is responsible for the unpaid costs attributed to the remainder of the term. If an applicant becomes eligible during a term, in accordance with Section 2730.20(b), benefits will be prorated for that portion of the term for which the applicant is eligible, provided the application is submitted by the deadlines. Costs are prorated on the basis of the institution's scheduled days of instruction minus institutionally scheduled holidays and examination periods.

Calculation: Total tuition cost) total instructional days = cost per day x days of eligibility = total proration.

- i) Out-of-state residents will receive tuition and applicable fee benefits equivalent to those received by in-state residents at the Illinois institution; recipients attending out-of-district community colleges will receive tuition and applicable fee benefits equivalent to those at the in-district rate. Recipients shall not be responsible for paying the difference between in-state and out-of-state tuition nor will they be responsible for paying the difference between in-district and out-of district tuition.
- j) If a student is eligible for both an Illinois National Guard Grant and a MAP grant, the Illinois National Guard benefits must be used first. A student cannot decline an Illinois National Guard Grant in favor of using MAP.

Section 2730.40 Institutional Procedures

- a) The institution must establish a qualified applicant's initial eligibility before requesting payment from ISAC. A valid Illinois National Guard Grant eligibility letter may be used for this purpose.
- b) When submitting payment requests, the institution shall certify that the recipient meets the requirements of Section 2730.20(c), Applicant Eligibility.
- c) Institutions must report the total number of hours for which payment is being requested (including credit and noncredit hours) so that ISAC can accurately track the recipient's use of eligibility units.
- d) Payment information will be sent each term to the institution no earlier than the application deadline date for that term. Payment claims must be submitted no later than 30 calendar days after payment information has been sent to the institution by ISAC. Supplemental payment claims must be submitted to ISAC no later than 45 calendar days after the original payment information was sent to the institution with the exception of summer term supplements which must be submitted by the same deadline as the original payment claim for summer term. All payment claims received by ISAC after the designated dates will be paid or prorated during the fiscal lapse period (July 1 through August 31) following the conclusion of the fiscal year.
- e) Claims will be paid as follows:
- 1) first semester and first quarter claims received by the designated deadline date will be paid or prorated, if funding is insufficient to pay all claims in full;

- 2) if funds remain after first semester and first quarter claims are paid, then second semester and second and third quarter claims received by the designated deadline date will be paid, or prorated if funds remaining are insufficient to pay all such claims in full;
 - 3) if funds still remain after the preceding claims are paid, summer term claims received by the designated deadline date will be paid, or prorated if remaining funds are insufficient to pay all summer claims in full; and
 - 4) in the event that funds are not exhausted by summer term payments, claims received after the designated deadline dates will be paid or prorated.
 - 5) Timely claims for the difference between in-district/state and out-of-district/state tuition for recipients who do not qualify for chargebacks will be considered for payment at the same time, and in the same priority order, as all other timely claims, in accordance with the provisions of this subsection.
- f) Payments on behalf of a recipient will be made to only one institution per term. For any institution that has a concurrent registration opportunity, the same payment policy will be in effect as that used in the Monetary Award Program. (See: 23 Ill. Adm. Code 2735.40(h).)
- g) Institutions are required to reconcile payments received through this program. Any payments received by the institution that are determined in the reconciliation to be refunds payable to ISAC are to be processed and returned to ISAC no later than 60 days following the end of the academic term. Should the payment arrive after the end of the term, the institution will have 60 days following receipt of payment to complete the reconciliation process and return any refunds to ISAC.
