- g) Benefits are limited to the equivalent of four academic years of full-time enrollment, which is measured in eligibility units. Recipients may accumulate up to 120 eligibility units.

- 3) Full program benefits may be extended for one additional term if the recipient has accumulated fewer than 120 eligibility units but does not have enough units remaining for the number of hours in which he or she is enrolled for the term.

Section 2733.40 Institutional Procedures

- a) If a student is eligible for both an IVG and a Monetary Award Program (MAP) grant, the IVG benefits must be used first. A student cannot decline IVG benefits in favor of using MAP.

23 ILLINOIS ADMINISTRATIVE CODE CH. XIX, SEC. 2733.40
ILLINOIS VETERAN GRANT (IVG) PROGRAM

- b) If a student is eligible for, and has indicated to the institution that he/she has elected to receive educational assistance through, the Post-9/11 GI Bill, and that assistance is an amount described at 38 USC 3313(c)(2), (c)(3), (c)(4), (c)(5), (c)(6) or (c)(7) (net cost of tuition and fees), the institution must first apply Post-9/11 GI Bill benefits to the student's financial aid award. IVG benefits can then be used to cover the remaining IVG eligible tuition and mandatory fees.
- c) A notice of eligibility from ISAC must be used by the institution to establish a qualified applicant's initial eligibility.
- d) Institutions shall submit a payment request to ISAC.
- e) Institutions must report the total number of hours for which payment is being requested (including credit and noncredit hours) so that ISAC can accurately track the recipient's use of eligibility units.
- f) ISAC will annually establish priority claim dates for the submission of payment requests and inform institutions of the required priority dates. For the summer term, the priority claim date will be during the month of September; for the fall term, the priority claim date will be during the month of December; for the spring term, the priority claim date will be during the last two weeks of March or the first two weeks of April.
- g) The reimbursement to institutions for Illinois Veteran Grants is contingent upon available funding. Should General Assembly appropriations be insufficient to pay all claims, institutions will be reimbursed in accordance with this subsection:
 - 1) summer term claims received by the deadline date designated in subsection (f) will be paid, or prorated if funding is insufficient to pay all claims in full;
 - 2) if funds remain after summer term claims are paid, first semester and first quarter claims received by the designated deadline date will be paid, or prorated if funding is insufficient to pay all claims in full;
 - 3) if funds remain after first semester and first quarter claims are paid, then second semester/second and third quarter claims received by the designated deadline date will be paid, or prorated if funds remaining are insufficient to pay all such claims in full;
 - 4) if funds remain after second semester/second and third quarter claims are paid, claims received by ISAC after the designated deadline dates will be paid or prorated; and

23 ILLINOIS ADMINISTRATIVE CODE CH. XIX, SEC. 2733.40
ILLINOIS VETERAN GRANT (IVG) PROGRAM

- 5) timely claims for the difference between in-district/state and out-of-district/state tuition for recipients who do not qualify for chargebacks will be considered for payment at the same time, and in the same priority order, as all other timely claims, in accordance with the provisions of this subsection (g).
- h) Institutions are required to reconcile payments, both payment data and actual funds, received through IVG and, as applicable, submit all necessary corrections to student records on a timely basis.
- 1) Within 30 days after and including the date of receiving payment of any IVG funds claimed pursuant to this Section, the institution shall credit the IVG funds against the recipient's tuition and mandatory fee charges for the appropriate term.
 - 2) Within 30 days after the end of an academic term during which IVG funds are credited to recipient's tuition and mandatory fee charges, institutions must reconcile data received from ISAC as a result of payment claim processing against the eligibility status throughout that term for each student for whom payment claims were made. In reconciling the data with student eligibility, an institution must determine whether:
 - A) The amount of the claim applied to a student's tuition and mandatory fee charges exceeded the amount that the student was eligible to receive for any reason, including as a result of billing errors or retroactive withdrawals; or
 - B) The amount of the claim applied to a student's tuition and mandatory fee charges was less than the amount that the student was eligible to receive for any reason, including as a result of billing errors or retroactive withdrawals; or
 - C) The amount of the claim applied to a student's tuition and mandatory fee charges equaled the amount that the student was eligible to receive.
 - 3) Any institution that determines that the amount of a claim applied to a student's tuition and mandatory fee charges either exceeded the amount that the student was eligible to receive, or was less than that amount, must submit an accounting of all such adjustments to ISAC within 30 days following the end of the applicable term.
 - 4) For any claims determined to exceed the amount that the student was eligible

23 ILLINOIS ADMINISTRATIVE CODE CH. XIX, SEC. 2733.40
ILLINOIS VETERAN GRANT (IVG) PROGRAM

to receive, the amount in excess paid for the claims shall be remitted to ISAC within 45 days after the end of the applicable term unless the payment is received after the end of the applicable term. If the payment of claims is made after the end of the applicable term, the institution shall have 60 days following receipt of the payment to complete reconciliation and remit any funds due to ISAC.

- 5) Award payments made in the name of one recipient cannot be applied to another recipient at the same institution. A refund of the payment made must be submitted to ISAC, and a supplemental request for payment must be processed for the proper recipient.
