- 1) An applicant, spouse or parents of the applicant, as applicable, are required to submit financial information on the application regarding income, asset value and non-taxable income. This information shall be kept confidential.
  - 2) A recipient must report to the institution all additional gift assistance, such as tuition waivers and scholarships.
  - 3) An applicant must file his or her complete application by June 1 prior to the academic year for which assistance is being requested.
- b) Awards are limited to two academic years or 60 credit hours and are not restricted to tuition and mandatory fees.
  - c) The maximum grant available to a qualified applicant is fixed at \$1,000 per year. Students pursuing an undergraduate degree in engineering, mathematics, nursing, teaching or science are eligible for an additional \$1,000 per year.
  - d) The grant will be disbursed in installments depending on the number of terms financed by the grant.
  - e) The grant payment is subject to the availability of funds and the amounts appropriated to ISAC by the General Assembly. If funds are insufficient to pay all claims, grants will be awarded according to the date the completed applications were received, until funds have been expended.
  - f) It is the responsibility of CCTG applicants to gain admission to approved Illinois institutions of higher learning and institutions are not obligated to admit them.

**Section 2740.40 Institutional Procedures**

- a) The institution shall submit eligibility information for qualified applicants in sufficient time for ISAC to make award announcements.
- b) The institution shall submit its request for payment within the time frame requested by ISAC, which shall be no sooner than 30 days unless a more rapid response is necessary to expend appropriated funds prior to the end of the academic year. By submitting a payment request, an institution is certifying that the qualified applicants meet the requirements of Section 2740.20.
- c) Funds shall be remitted by ISAC to institutions on behalf of the recipients.

- d) Upon receipt of grant funds, the institution shall verify the qualified applicant's enrollment status. If enrolled, the institution may credit the grant funds to the student's account for expenses due and payable. The balance of the disbursement shall be released to the recipient.
- e) Upon receipt of the grant, if the qualified applicant has withdrawn from enrollment for the terms for which the award was intended, the institution shall return the amount of the grant payment to ISAC.
- f) Assistance received by a student under CCTG must not be reduced by the receipt of other financial aid from any source. Other aid must be reduced when the total amount of gift assistance received would exceed the cost of attendance used to calculate Title IV aid for that student.
- g) To provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield, all payment requests except for summer term must be received by ISAC no later than July 1. Summer term payment requests must be received no later than July 31.
- h) Payment requests received after those dates for the award year will be processed as time and available funds permit; however, final action may require institutions to go to the Illinois Court of Claims to obtain payment for approved claims. (See the Court of Claims Act [705 ILCS 505].)
