<b>Total</b>	<b><u><u>\$417,346,932</u></u></b>	<b><u><u>182,192</u></u></b>	

Students may participate in more than one program, therefore, recipient totals across programs do not represent total unduplicated students served.

\* Recipients are estimated assuming a \$250 average award.

\*\* In FY2011, the IVG Program was not funded. Recipients reflect student beneficiaries of tuition waivers at institutions.

# Spending includes administrative and indirect costs which preclude calculation of an average award.
