

The Monetary Award Program (MAP) provides grants to students to help pay for tuition and mandatory fees at Illinois colleges and universities and certain degree-granting institutions. Illinois is one of the largest providers of state need-based aid in the nation. To receive a MAP grant, a student must demonstrate financial need, be enrolled as an undergraduate for at least three credit hours per term at an ISAC-approved Illinois institution, be a resident of Illinois, and meet several other requirements. The maximum award level is dependent on legislative action and available funding in any given year. The award amount could increase or decrease throughout the academic year. Students apply using the *Free Application for Federal Student Aid* (FAFSA). In FY2018, 301,005 students were eligible to receive MAP grants. Of these, 97,546 could not claim awards because they applied after the suspension date. Of those eligible students who were not suspended, 129,517 enrolled and claimed their awards. There were 73,942 eligible students who either did not enroll in a MAP school, or did not enroll at all.
