AGENDA ITEM 4

PROPOSED ADMINISTRATIVE RULES AMENDMENTS

Submitted for: Action

Summary:

The Higher Education Student Assistance Act (110 ILCS 947/40) was amended to expand the eligibility requirements for the Illinois Veteran Grant (IVG) Program to include veterans who, despite not meeting other eligibility requirements, are residents of Illinois at the time of application and, at some point after leaving federal active duty service, were residents of Illinois for 15 consecutive years. The following administrative rules are being amended to be consistent with those statutory amendments:

Ill. Adm. Code 2733 Illinois Veteran Grant (IVG) Program

Emergency Rules Amendments: Public Act 101-334 revised the eligibility requirements for the Illinois Veteran Grant (IVG) Program and was signed into law on August 9, 2019, with an effective date of July 1, 2019. Due to the effective date of the law expanding eligibility beginning this 2019-20 academic year, ISAC staff filed with the Secretary of State emergency administrative rules amendments that became effective upon filing on September 18, 2019, and will expire February 14, 2020, 150 days from the effective date. The amendments reflect the expanded eligibility requirements ensuring that all eligible applicants are able to apply for the program for the current academic year.

Proposed Rules Amendments: As is customary, the proposed (non-emergency) administrative rules amendments were filed simultaneously with the emergency rules amendments. The amended language in both filings is the same, but the proposed rules amendments will not expire and will become effective only after being subject to the entire administrative rules process including, but not limited to, Commission approval, two public comment periods and the Joint Committee on Administrative Rules (JCAR) review.

Text of the foregoing proposed rules amendments was first published in the Illinois Register on October 4, 2019 (43 Ill. Reg. 10789), initiating a 45-day public comment period that ended on November 17, 2019. No public comments were received. The full text and Notices are included in this item.

Following acceptance of the proposed amendments by the Commission, the Executive Director may direct staff to submit the Rules to JCAR for its review, thus initiating a second 45-day review period, followed by final consideration by JCAR.

Action requested:

That the Commission approve the following resolution:
“BE IT RESOLVED that the Commission accepts the proposed program rules amendments cited in this agenda item for submission and consideration by the Joint Committee on Administrative Rules (JCAR); and, barring any material modification, or unresolved objection by JCAR, the Commission authorizes the Executive Director to proceed with adopting the program rules as amended.”
