

AGENDA ITEM 4.

UNITED STATES DEPARTMENT OF EDUCATION LOAN PURCHASE COMMITMENT PROGRAM AND LOAN PARTICIPATION PURCHASE PROGRAM

Submitted for: Action

Summary: On May 7, 2008, President Bush signed into law the Ensuring Continuing Access to Student Loans Act of 2008 (Act) to address the lack of liquidity in the student loan financial markets that has negatively impacted the Illinois Student Assistance Commission's (ISAC) access to the capital markets and other sources of liquidity necessary to continue to originate and purchase FFELP loans. To effectuate the intent of the Act, on July 1, 2008, the United States Department of Education (ED) announced two new programs aimed at ensuring continued access to student loans by students: the Loan Participation Purchase Program (the "Participation Program") and the Loan Purchase Commitment Program ("Purchase Program," and together with the Participation Program, the "Programs"). The Act does not authorize the Federal Government or ED to make advances or to otherwise "lend" money to FFEL Lenders such as ISAC.

Staff is seeking the Commission's approval to participate in the Programs.

While the Program's intent is to provide liquidity, ISAC must have in place a funding source from which it can initially fund loans pending a sale of the loans or a participation interest therein to ED. Staff is seeking the Commission's approval to continue to seek a funding source, or sources, and to execute a line of credit or other agreement with any such funding source. The Programs provide a source of funds to ensure Illinois students continued access to FFELP Loans originated by ISAC.

Participation Program

Under the Participation Program, ED will purchase a participation interest in eligible FFELP Loans, pursuant to a Master Participation Agreement in the form attached hereto as Exhibit A, ISAC will place such loans in a discrete "participation facility" that is controlled by a nationally or state chartered bank acting as a custodian (the "Custodian"). ISAC can sell ED a Participation Interest in eligible subsidized and unsubsidized Stafford and PLUS Loans originated on or after May 1, 2008 and no later than July 1, 2009.

The Custodian will hold legal title to the loans and will sell participation interests to ED. The participation purchase price paid by ED to the Custodian is 100% of the principal amount of the loans, which will be paid to ISAC or its origination credit facility. The return to ED on the participation facility from ISAC is the ED Commercial Paper Rate plus 50 b.p. or, ISAC can sell loans to ED utilizing the Purchase Program, as more fully described below. All cash flow from the loans (including interest subsidy and SAP payments, borrower payments, cancellations and redemption payments) will be placed into an account in the participation facility. All payments will be used to pay down ED's participation on the deal until retirement of the facility. ISAC will have to fund all expenses related to

participation from outside financing. Participation Interests must be redeemed or sold to ED under the ED Purchase Program by at the latest September 30, 2009. ED will only purchase Participation Interests on a weekly basis, therefore it is necessary to have in place a private funding source in order to participate in the program.

All servicing agreements with respect to loans placed into the participation facility must be terminable upon 30 days notice.

There are also a number of reporting requirements for ISAC and the Custodian, including without limitation a periodic statement of compliance with the agreement, and an agreed upon procedures letter reporting the results of the review of a sample of loans placed into the participation facility. The Custodian must also provide monthly reports and conduct an independent audit 90 days before termination of the participation agreement.

Notably, ISAC is unable to offer Borrower Benefits (other than those benefits fully paid for by ISAC before placing loans into the participation facility and .25% for auto debit).

Purchase Program

Under the Purchase Program, ED shall purchase eligible FFELP loans, pursuant to a Master Loan Sale Agreement in the form attached hereto as Exhibit B, made on or after May 1, 2008 from eligible lenders such as ISAC. ISAC must notify ED no later than August 14, 2009 of its intent to sell loans to ED. However, ISAC may sell loans periodically to ED through at the latest September 30, 2009 on forty-five days advanced notice. ED will pay a purchase price of principal, plus accrued and unpaid interest, plus reimbursement of the 1% loan fee plus \$75.00 for each loan.

ED will purchase the loans directly from ISAC so there is no requirement that the loans be placed into a trust for the benefit of ED. For loans that ISAC sells to ED, ISAC will not be able to repurchase those loans and the loans will lose their guaranty because ED will become the owner of the loans.

As with the Participation Program, ISAC is unable to offer Borrower Benefits (other than those benefits fully paid for by ISAC before the sale of the loan and .25% for auto debit).

Staff continues to explore funding options and as described above also seeks authority to negotiate the terms of, and execute the final form of, a credit facility or other funding source that will enable ISAC to avail itself of the Purchase Program.

Funding Source

Staff is actively seeking funding sources to support either Program or any combination thereof. As Staff has repeatedly reported, liquidity in the student loan industry has been a challenge for ISAC and other not-for-profit lenders. Staff is seeking a delegation of authority to the Chairman, Executive Director and

Chief Financial Officer to negotiate the terms of, and execute the final form of, a credit facility or similar funding source for the sole purpose of providing the financing necessary to participate in the Programs (“Program Financing”) and to issue bonds, notes or other obligations to evidence the obligations incurred thereunder. Such Program Financing shall be in an aggregate principal amount of not more than \$50,000,000 and shall bear interest at a rate not to exceed LIBOR plus 25 b.p plus upfront costs and fees not to exceed 25 b.p. plus legal fees.

MASTER PARTICIPATION AGREEMENT

This is a Master Participation Agreement, dated as of July 25, 2008 (“Master Participation Agreement”), among the United States Department of Education (“Department”), an individual Eligible Lender or the holder of beneficial interests in Loans (such entity, “Sponsor”), and if the latter, the related Eligible Lender Trustee, each made party to this Master Participation Agreement by executing an Adoption Agreement in the form attached hereto as Exhibit A (“Adoption Agreement”), and the Sponsor’s Custodian made party to this Master Participation Agreement by executing the Adoption Agreement (“Custodian”).

WHEREAS, pursuant to Section 459A of the Higher Education Act of 1965, as amended by the Ensuring Continued Access to Student Loans Act of 2008 (Pub. L. No. 110-227) (“Higher Education Act”), the Department has the authority to purchase Stafford Loans and PLUS Loans, on such terms as the Secretary of Education, the Secretary of the Treasury, and the Director of the Office of Management and Budget jointly determine are in the best interest of the United States to encourage Eligible Lenders to provide students and parents access to Stafford Loans and PLUS Loans made under the Federal Family Education Loan Program for the 2008-2009 academic year;

WHEREAS, the Sponsor has an ownership interest in certain Stafford Loans and PLUS Loans guaranteed under the Higher Education Act;

WHEREAS, the Sponsor may desire to sell Participation Interests (as defined below) in such loans from time to time and the Department may desire to purchase such Participation Interests from the Sponsor;

WHEREAS, to the extent that the Department, the Sponsor, the Eligible Lender Trustee (if applicable) and the Custodian enter into an Adoption Agreement, this Master Participation Agreement shall provide for the Sponsor to sell to the Department certain Participation Interests in such loans by transfer to the Custodian as trustee for the benefit of the Department and the Sponsor, as applicable, of all of the Sponsor’s right, title and interest in, to and under such loans (including the right to service such loans) and by the creation and conveyance to the Department and the Sponsor of the Participation Interests, all on the terms and conditions set forth below;

WHEREAS, upon the execution of the Adoption Agreement, the Custodian shall be appointed by the Sponsor and the Department to hold legal title to each such loan and to hold in its physical possession (either directly or through a delegee) the related promissory note and all documents and records related to each such loan and the Custodian shall agree, in its capacity as trustee, to accept the transfer of legal title to such loans from time to time, to hold such loans (including the right to service such loans) and such documents and records in trust for the benefit of the Sponsor or the Department, as applicable, and to issue the Participation Interests in such loans as provided herein; and

WHEREAS, by its execution of an Adoption Agreement to this Master Participation Agreement, and upon each transfer of Participation Interests to the Department hereunder, the Sponsor shall represent to the Department that it or the entities on whose behalf it holds FFELP loans as an aggregator of FFELP loans, shall continue to participate in the Federal Family

Education Loan Program and that at such time as funds become reasonably available to it or to those entities from private sources on affordable terms, it will originate new FFELP loans or acquire FFELP loans made by other lenders after the Department's purchases of Participation Interests in Loans from the Sponsor.

NOW, THEREFORE, in connection with the mutual promises contained herein, the parties hereto agree as follows:

Section 1. Terms. This Master Participation Agreement establishes the terms under which the Sponsor, together with any Eligible Lender Trustee that holds legal title to Eligible Loans on behalf of that Sponsor and that is authorized on behalf of that Sponsor to sell Eligible Loans, may sell, and the Department shall purchase, Participation Interests in the Eligible Loans specified on each Loan Schedule attached to each Participation Purchase Request as the parties may execute from time to time pursuant to this Master Participation Agreement, subject to the terms of this Master Participation Agreement. Each such Participation Purchase Request shall be substantially in the form of Exhibit B, attached hereto, incorporating by reference the terms of this Master Participation Agreement, and shall be a separate agreement among the Sponsor, an Eligible Lender Trustee (if applicable), the Custodian and the Department with respect to the Participation Interests covered by the terms of such Participation Purchase Request and the Eligible Loans underlying such Participation Interests covered by the terms of such Participation Purchase Request for all purposes.

If the terms of a Participation Purchase Request conflict with the terms of this Master Participation Agreement, the terms of this Master Participation Agreement shall supersede and govern except to the extent that such conflict is specifically noted in the Participation Purchase Request and the parties acknowledge and agree that notwithstanding such conflict, the terms of the Participation Purchase Request shall govern.

The Department will not execute an Adoption Agreement to enter into a Master Participation Agreement with any Sponsor after July 1, 2009. Further, in order to sell any Participation Interests pursuant to this Master Participation Agreement, the Sponsor must notify the Department no later than July 1, 2009 that it will sell such Participation Interests, and must exercise the option to sell Participation Interests in Eligible Loans on or before August 1, 2009. The Sponsor may sell a Participation Interest after August 1, 2009 only if that interest is in a Loan that is a Purchased Eligible Loan and the following conditions are met: (a) the first disbursement on the Purchased Eligible Loan was made by July 1, 2009, (b) such Loan became subject to a Participation Interest by August 1, 2009, (c) the final disbursement on such Loan is made no later than September 30, 2009, (d) the Sponsor notifies the Department that the Sponsor intends to redeem the Participation Interest in the fully-disbursed Loan and sell the loan to the Department under the Put Option, and (e) the Sponsor completes the sale of the Participation Interest in the fully-disbursed Loan no later than thirty (30) calendar days after the second disbursement. If a Sponsor fails to meet these deadlines, as applicable, the right to sell Participation Interests hereunder shall terminate and the Department will not honor any commitment to purchase Participation Interests.

No Loan will be eligible to become subject to a Participation Interest for sale hereunder to the Department if the first disbursement was made prior to the date on which the Department

received the Notice of Intent to Participate from the Sponsor, except that, in the event that the Department receives such Notice of Intent to Participate on or before July 31, 2008, the related Eligible Lender shall be permitted to sell to the Department Participation Interests in Eligible Loans that were originated on or after May 1, 2008. In addition, no Loan will be eligible hereunder unless the Sponsor, and, if the Loan was made by a lender other than the Sponsor, that lender, each provided timely and appropriate notice to the Department of its intention to enter into the Master Loan Sale Agreement.

Any Eligible Lender that claims Special Allowance Payments at the rate payable for eligible not-for-profit holders of loans and that seeks to aggregate Eligible Loans to become subject to Participation Interests hereunder must do so through a Sponsor that aggregates only loans that qualify for Special Allowance Payments at that rate.

Section 2. **Commitment to Lend Under the FFEL Program.** By its execution of an Adoption Agreement, and upon each sale hereunder, the Sponsor represents to the Department:

(a) If the Sponsor acts on its own behalf, that it shall continue to participate in the FFELP (either itself or through an Eligible Lender Trustee) and that at such time as funds become reasonably available to it from private sources, it will originate new FFELP loans or acquire FFELP loans made by other lenders after the date of the sale of the Participation Interests to the Department hereunder, and

(b) If the Sponsor acts on behalf of any other entity as an aggregator of FFELP loans, that it is authorized to represent, and has received written assurance from each such entity, which assurance will be provided to the Department upon request, that at such time as funds become reasonably available to them from private sources, each of these entities will continue, as applicable, to originate or finance the origination of FFELP loans, or to acquire or finance the acquisition of FFELP loans made by other lenders, after the date of the sale of the Participation Interests to the Department hereunder.

If the Department agrees that the Participation Purchase Request satisfies the requirements of this Agreement, the Department shall execute such Participation Purchase Request and return a copy to the Sponsor and the Eligible Lender Trustee (if applicable). Any such Participation Purchase Request delivered to the Department pursuant to this Section 4(a) shall be irrevocable and shall bind the Sponsor and the Eligible Lender Trustee (if applicable) to transfer the Eligible Loans set forth on the related Loan Schedule in accordance with Section 4(b) below. As a condition precedent to the Department’s purchase of Participation Interests in Eligible Loans hereunder, both the originating lender and, if different from the related Sponsor, the related Sponsor, must each have provided to the Department timely Notice of Intent to Participate in the Loan Purchase Commitment Program (as referred to therein).

Participation Certificates bearing the manual or facsimile signatures of individuals who were at any time the Responsible Officers of the Custodian shall bind the Custodian, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Participation Certificates or did not hold such offices at the date of issuance of such Participation Certificates.

(d) On the initial Purchase Date, in exchange for the payment of the Purchase Price by the Department, the Custodian shall prepare and deliver to the Department (i) an initial Loan Schedule and Custodial Certification that reflects the Eligible Loans transferred to the Custodian as of such date, which shall be attached to the Class A Participation Certificate, and (ii) a report listing all discrepancies from the Loan Documents that are required to be delivered to the Custodian or its designee with respect to such Eligible Loans (an “Exception Report”). the benefit of holders of the Participation Interests, (iii) with respect to each Loan listed on the Loan Schedule and Custodial Certification, all related Loan Documents have been delivered to and are held by the Custodian or its designee in trust for the holders of the Participation Interests, and (iv) with respect to each Loan listed on the Loan Schedule and Custodial Certification, all Loan Documents delivered to the Custodian have been reviewed by the Custodian and appear on their face to comply in all respects to the requirements of the Agreement and customary custodial procedures with respect to FFELP loans. Notwithstanding the foregoing, if the Custodian has delegated its obligation hereunder to hold and review Loan Documents to another party pursuant to Section 18 hereof, the Custodian shall be protected against its good faith issuance of a Loan Schedule and Custodial Certification, and related Exception Report that is in reliance on a certification from such delegee as to any matters necessary for the Custodian to issue the Loan Schedule and Custodial Certification and the Exception Report; provided that the Custodian is in compliance with Section 18 hereof.

(f) In the event that the Custodian receives evidence satisfactory to it that a Participation Certificate has been lost, mutilated, stolen or destroyed, the Custodian shall issue and authenticate a new Participation Certificate and shall deliver a replacement Participation Certificate of the same class, together with a replacement Loan Schedule and Custodial Certification. Any subsequently delivered Participation Certificate and Loan Schedule and Custodial Certification shall replace any previously delivered Participation Certificate and Loan Schedule and Custodial Certification and any replaced Participation Certificate and Loan Schedule and Custodial Certification shall be automatically cancelled. The applicant for any such new Participation Certificate may be required to pay any taxes and governmental charges and all expenses and charges of the Custodian in connection with the issuance of such Participation Certificate. All Participation Certificates shall be held and owned upon the express condition that, to the extent permitted by law, the foregoing conditions are exclusive with respect to the replacement and payment of mutilated, destroyed, stolen or lost Participation Certificates.

(g) The outstanding principal balance of the Class A Participation Interests evidenced by the Class A Participation Certificate shall be equal to the aggregate Purchase Price paid with respect to the related Purchased Eligible Loans (including the Purchase Price for any related Subsequent Disbursement), reduced by the amount of any Redemption Payments or other payments allocable to principal received with respect to any such Loans that have been applied to the outstanding principal balance of such Class A Participation Interest through the end of the most recent calendar month. Upon the purchase by the Department of additional Class A Participation Interests in Purchased Eligible Loans, the aggregate outstanding principal balance of the Class A Participation Interests evidenced by the Class A Participation Certificate shall be increased by the Purchase Price with respect to each such additional Purchased Eligible Loans, and any Subsequent Disbursements.

first priority security interest in all of their respective rights, title and interest in and to the following property, whether now existing or hereafter acquired: (i) the Purchased Eligible Loans; (ii) Collections and funds to be collected with respect to such Purchased Eligible Loans; (iii) any monies on deposit in accounts established hereunder (including the Collection Account), (iv) all proceeds thereon and related thereto, and (v) all related tangible and intangible rights and security with respect thereto (collectively, “Collateral”). The Department has the right to take all steps necessary to ensure perfection and priority in the Collateral, including filing one or more Uniform Commercial Code financing statements with the applicable filing office.

(b) Each of the Sponsor, the Eligible Lender Trustee (if applicable) and the Custodian hereby authorize the Department, at the Sponsor’s expense, to perform all acts which the Department deems appropriate to protect, preserve and realize upon the Purchased Eligible Loans, including, but not limited to, the right to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due with respect to any Promissory Note, complete blanks in documents, transfer servicing and execute assignments and other instruments on behalf of the Sponsor as its attorney in fact. This power of attorney is coupled with an interest and is irrevocable without Department’s consent.

(c) This Master Participation Agreement creates a valid and continuing interest (as defined in the applicable Uniform Commercial Code) in the Purchased Eligible Loans in favor of the Department, which security interest is prior to all other liens, charges, security interests, mortgages or other encumbrances, and is enforceable as such as against creditors of and purchasers from the Sponsor.

Pursuant to the Higher Education Act, a security interest in student loans is perfected in the same manner as “accounts” within the meaning of the applicable Uniform Commercial Code.

This Master Participation Agreement constitutes a “financing statement” and a “security agreement” under Article 9 of the applicable Uniform Commercial Code.

Section 7. Subsequent Disbursements. To the extent of funds made available by or received from the Sponsor, the Custodian shall make any disbursements that are scheduled and due after the initial disbursement on a Purchased Eligible Loan (each, a “Subsequent Disbursement”), and shall issue to the Sponsor the related Participation Interests in such Subsequent Disbursements. Re: Master Participation Agreement, dated as of July 25, 2008

Ladies and Gentlemen:

I have acted as counsel to [SPONSOR], a _____ (“Sponsor”), in connection with the sale of certain Participation Interests by the Sponsor to the Department of Education (“Department”) pursuant to a Master Participation Agreement, dated as of July 25, 2008, and the related Adoption Agreement dated as of _____, between the Sponsor, [the Eligible Lender Trustee] and the Department (“Agreement”). Capitalized terms not otherwise defined herein have the meanings set forth in the Agreement.

In connection with rendering this opinion letter, I, or attorneys working under my direction, have examined, among other things, originals, certified copies or copies otherwise identified to my satisfaction as being true copies of the following:

- A. The Agreement;
- B. The Sponsor's [Certificate of Incorporation and by-laws][certificate of limited partnership and limited partnership agreement], as amended to date;
- C. Resolutions adopted by the Board of Directors of the Sponsor with specific reference to actions relating to the transactions covered by this opinion (“Board Resolutions”); and
- D. Such other documents, records and papers as we have deemed necessary and relevant as a basis for this opinion.

For the purpose of rendering this opinion, I have made such documentary, factual and legal examinations as I deemed necessary under the circumstances. As to factual matters, I have relied upon statements, certificates and other assurances of public officials and of officers and other representatives of the Sponsor, and upon such other certificates as I deemed appropriate, which factual matters have not been independently established or verified by me. I have also assumed, among other things, the genuineness of all signatures, the legal capacity of all

natural persons, the authenticity of all documents submitted to me as originals, and the conformity to original documents of all documents submitted to me as copies and the authenticity of the originals of such copied documents.

On the basis of and subject to the foregoing examination, and in reliance thereon, and subject to the assumptions, qualifications, exceptions and limitations expressed herein (if any), I am of the opinion that:

1. The Sponsor has been duly [incorporated][formed] and is validly existing and in good standing under the laws of the State of _____ with corporate power and authority to own its properties and conduct its business as presently conducted by it. The Sponsor has the corporate power and authority to service the Loans, and to execute, deliver, and perform its obligations under the Agreement.

2. The Agreement has been duly and validly authorized, executed and delivered by the Sponsor.

3. The Agreement constitutes valid the legal and binding obligation of the Sponsor, enforceable against the Sponsor in accordance with its terms.

4. No consent, approval, authorization or order of any state or federal court or government agency or body is required for the execution, delivery and performance by the Sponsor of the Agreement or the consummation of the transactions contemplated by the Agreement, except for those consents, approvals, authorizations or orders which previously have been obtained.

5. The fulfillment of the terms of or the consummation of any other transactions contemplated in the Agreement will not result in a breach of any term or provision of the [certificate of incorporation or by-laws][certificate of limited partnership or limited partnership agreement] of the Sponsor, or, to the best of my knowledge, will not conflict with, result in a breach or violation of, or constitute a default under, (i) the terms of any indenture or other agreement or instrument known to me to which the Sponsor is a party or by which it is bound, (ii) any State of _____ or federal statute or regulation applicable to the Sponsor, or (iii) any order of any State of _____ or federal court, regulatory body, administrative agency or governmental body having jurisdiction over the Sponsor, except in any such case where the default, breach or violation would not have a material adverse effect on the Sponsor or its ability to perform its obligations under the Agreement.

6. There is no action, suit, proceeding or investigation pending or, to the best of my knowledge, threatened against the Sponsor which, in my judgment, either in any one instance or in the aggregate, would draw into question the validity of the Agreement or which would be likely to impair materially the ability of the Sponsor to perform under the terms of the Agreement.

7. The sale of each Participation Interest as and in the manner contemplated by the Agreement is sufficient fully to transfer to the Department all right, title and interest of the Sponsor thereto as the owner thereof.

8. The Agreement is effective to create, in favor of the Custodian and the Department, a valid security interest under the Uniform Commercial Code in all of the right, title and interest of the Sponsor in, to and under the Collateral. Upon the filing of financing statements on Form UCC-1 naming Sponsor as “Debtor”, Custodian as “Secured Party”, and the Department as “Assignee” describing the Collateral, with the [Secretary of State of _____], the security interests in the Collateral above will constitute fully perfected security interests under the Uniform Commercial Code in all right, title and interest of the Sponsor in, to and under such of the Collateral that can be perfected by filing under the Uniform Commercial Code.

[Assumptions and qualifications, if any]

I am admitted to practice law in the State of _____, and I render no opinion herein as to matters involving the laws of any jurisdiction other than the State of _____ and the Federal laws of the United States of America.

Very truly yours,

MASTER LOAN SALE AGREEMENT

This is a Master Loan Sale Agreement, dated July 25, 2008 (“Master Loan Sale Agreement”), among the United States Department of Education (“Department”) and an individual Eligible Lender (as defined below) or the holder of beneficial interests in Loans (such entity, “Seller”), and if the latter, the related Eligible Lender Trustee, in each case made party to this Master Loan Sale Agreement by executing an Adoption Agreement in the form attached hereto as Exhibit A.

WHEREAS, pursuant to Section 459A of the Higher Education Act of 1965, as amended by the Ensuring Continued Access to Student Loans Act of 2008 (Pub. L. No. 110-227) (“Higher Education Act”), the Department has the authority to purchase Stafford Loans and PLUS Loans, on such terms as the Secretary of Education, the Secretary of the Treasury, and the Director of the Office of Management and Budget jointly determine are in the best interest of the United States to encourage Eligible Lenders to provide students and parents access to Stafford Loans and PLUS Loans made under the Federal Family Education Loan Program for the 2008-2009 academic year;

WHEREAS, the Seller has an ownership interest in certain Stafford Loans and PLUS Loans guaranteed under the Higher Education Act;

WHEREAS, the Seller may desire to sell its interest in such loans from time to time and the Department may desire to purchase such loans from the Seller;

WHEREAS, to the extent that the Department, the Seller and the Eligible Lender Trustee (if applicable) enter into an Adoption Agreement, this Master Loan Sale Agreement shall provide for the Seller to sell to the Department certain of such loans by sale and transfer to the Department of all of the Seller’s and the Eligible Lender Trustee’s (if applicable) right, title and interest in, to and under such loans (including the right to service such loans) as authorized by the Higher Education Act, all on the terms and conditions set forth below; and

WHEREAS, by its execution of an Adoption Agreement to this Master Loan Sale Agreement, and upon each transfer hereunder, the Seller shall represent to the Department that it shall continue to participate in the Federal Family Education Loan Program and that at such time as funds become reasonably available to it from private sources, it will originate new FFELP loans or acquire FFELP loans made by other lenders after the Department’s purchases of Loans from the Seller.

NOW, THEREFORE, in connection with the mutual promises contained herein, the parties hereto agree as follows:

Section 1. Terms. This Master Loan Sale Agreement establishes the terms under which the Seller, together with an Eligible Lender Trustee, if any, which holds legal title to Eligible Loans on behalf of the Seller and which is authorized to sell Eligible Loans on behalf of the Seller, may sell, and the Department shall purchase, the Eligible Loans (and all obligations of the Borrowers thereunder) specified on each Loan Schedule attached to each Bill of Sale as the parties may execute from time to time pursuant to this Master Loan Sale Agreement, subject to the terms of this Master Loan Sale Agreement. Each such Bill of Sale shall be substantially in

the form of Exhibit B, attached hereto, incorporating by reference the terms of this Master Loan Sale Agreement, and shall be a separate agreement among the Seller, the Eligible Lender Trustee (if applicable) and the Department with respect to the Loans covered by the terms of such Bill of Sale for all purposes. If the terms of a Bill of Sale conflict with the terms of this Master Loan Sale Agreement, the terms of this Master Loan Sale Agreement shall supersede and govern except to the extent that such conflict is specifically noted in the Bill of Sale and the parties acknowledge and agree that notwithstanding such conflict, the terms of the Bill of Sale shall govern.

In order to sell any Loans pursuant to this Master Loan Sale Agreement, the Seller must notify the Department that it will sell such Loan(s) no later than August 14, 2009, and must complete the sale on or before September 30, 2009. If an Eligible Lender fails to meet one or both of these dates, the right to sell Loans hereunder shall terminate and the Department will not honor any commitment to purchase loans.

No Loan will be eligible for sale hereunder to the Department if the first disbursement was made prior to the date on which the Department received a completed Notice of Intent to Participate from the Seller, except that, in the event that the Department receives such Notice of Intent to Participate on or before July 31, 2008, such Eligible Lender shall be permitted to sell to the Department Eligible Loans that were first disbursed on or after May 1, 2008.

If an Eligible Lender wishes to sell a Loan to the Department that it did not originate, both the Eligible Lender and the originating Lender must each deliver a completed Notice of Intent to Participate to the Department prior to the date on which it originated or acquired the Loan, as the case may be. In addition, a Loan disbursed on or after May 1, 2008 will be eligible for sale hereunder to the Department from the Eligible Lender that acquired such Loan, if the Department receives the Notice of Intent to Participate from the originating Lender by July 31, 2008.

Section 2. **Commitment to Lend Under the FFELP.** By its execution of an Adoption Agreement, and upon each sale hereunder, the Seller represents to the Department that it shall continue to participate in the FFELP (either itself or through an Eligible Lender Trustee) and that at such time as funds become reasonably available to it from private sources, it will originate new FFELP loans or acquire FFELP loans made by other lenders after the date of the sale of the Loans to the Department hereunder.

Upon the consummation of the initial purchase of Loans hereunder, and on any subsequent dates specified by the Department (but not more often than monthly), the Seller shall deliver an agreed upon procedures letter by an independent public accountant with respect to the Loans proposed to be sold on such Purchase Date, in form acceptable to the Department.

Section 14. Survival of Covenants. All covenants, agreements, representations and warranties made herein and in or pursuant to any Bills of Sale executed pursuant to this Master Loan Sale Agreement shall survive the consummation of the acquisition of the Loans provided for in the related Bill of Sale. All covenants, agreements, representations and warranties made or furnished pursuant hereto by or on behalf of the Seller and the Eligible Lender Trustee (if applicable) shall bind and inure to the benefit of any successors or assigns of the Department and shall survive with respect to each Loan.

Section 20. Governing Law. This Master Loan Sale Agreement and any Bill of Sale and the rights and obligations of the parties thereto shall be governed by and construed in

accordance with Federal law. To the extent there may be no applicable Federal law, the internal laws of the State of New York (without giving regard to conflicts of laws principles other than Sections 5-1401 and 5-1402 of the New York General Obligations Law) shall be deemed reflective of Federal law insofar as to do so would not frustrate the purposes of any provision of this Master Loan Sale Agreement or the transactions governed thereby.

Section 21. Exhibits. The exhibits to this Master Loan Sale Agreement are hereby incorporated and made a part hereof and are an integral part of this Master Loan Sale Agreement.

FORM OF OPINION OF COUNSEL TO THE SELLER

(Date)

United States Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

Re: Master Loan Sale Agreement, dated July 25, 2008

Gentlemen:

I have acted as counsel to [SELLER], a _____ (“Seller”), in connection with the sale of certain Loans by the Seller to the Department of Education (“Department”) pursuant to a Master Loan Sale Agreement, dated July 25, 2008, and the related Adoption Agreement dated as of _____, between the Seller, [the Eligible Lender Trustee] and the Department (“Agreement”). Capitalized terms not otherwise defined herein have the meanings set forth in the Agreement.

In connection with rendering this opinion letter, I, or attorneys working under my direction, have examined, among other things, originals, certified copies or copies otherwise identified to my satisfaction as being true copies of the following:

- A. The Agreement;
- B. The Seller’s [Certificate of Incorporation and by-laws][certificate of limited partnership and limited partnership agreement][certificate of formation and limited liability company operating agreement], as amended to date;
- C. Resolutions adopted by the Board of Directors of the Seller with specific reference to actions relating to the transactions covered by this opinion (“Board Resolutions”); and
- D. Such other documents, records and papers as we have deemed necessary and relevant as a basis for this opinion.

For the purpose of rendering this opinion, I have made such documentary, factual and legal examinations as I deemed necessary under the circumstances. As to factual matters, I have relied upon statements, certificates and other assurances of public officials and of officers and other representatives of the Seller, and upon such other certificates as I deemed appropriate, which factual matters have not been independently established or verified by me. I have also assumed, among other things, the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to me as originals, and the conformity to original documents of all documents submitted to me as copies and the authenticity of the originals of such copied documents.

On the basis of and subject to the foregoing examination, and in reliance thereon, and subject to the assumptions, qualifications, exceptions and limitations expressed herein (if any), I am of the opinion that:

1. The Seller has been duly [incorporated][formed] and is validly existing and in good standing under the laws of the State of _____ with corporate power and authority to own its properties and conduct its business as presently conducted by it. The Seller has the corporate power and authority to service the Loans, and to execute, deliver, and perform its obligations under the Agreement.

2. The Agreement has been duly and validly authorized, executed and delivered by the Seller.

3. The Agreement constitutes valid the legal and binding obligation of the Seller, enforceable against the Seller in accordance with its terms.

4. No consent, approval, authorization or order of any state or federal court or government agency or body is required for the execution, delivery and performance by the Seller of the Agreement or the consummation of the transactions contemplated by the Agreement, except for those consents, approvals, authorizations or orders which previously have been obtained.

5. The fulfillment of the terms of or the consummation of any other transactions contemplated in the Agreement will not result in a breach of any term or provision of the [certificate of incorporation or by-laws][certificate of limited partnership or limited partnership agreement][certificate of formation and limited liability company operating agreement] of the Seller, or, to the best of my knowledge, will not conflict with, result in a breach or violation of, or constitute a default under, (i) the terms of any indenture or other agreement or instrument known to me to which the Seller is a party or by which it is bound, (ii) any State of _____ or federal statute or regulation applicable to the Seller, or (iii) any order of any State of _____ or federal court, regulatory body, administrative agency or governmental body having jurisdiction over the Seller, except in any such case where the default, breach or violation would not have a material adverse effect on the Seller or its ability to perform its obligations under the Agreement.

6. There is no action, suit, proceeding or investigation pending or, to the best of my knowledge, threatened against the Seller which, in my judgment, either in any one instance or in the aggregate, would draw into question the validity of the Agreement or which would be likely to impair materially the ability of the Seller to perform under the terms of the Agreement.

7. The sale of each Loan as and in the manner contemplated by the Agreement is sufficient fully to transfer to the Department all right, title and interest of the Seller thereto as noteholder.

[Assumptions and qualifications, if any]

I am admitted to practice law in the State of _____, and I render no opinion herein as to matters involving the laws of any jurisdiction other than the State of _____ and the Federal laws of the United States of America.

Very truly yours,
