Section 2760.10 Summary and Purpose

- a) The State Scholar Program publicly and personally identifies graduating high school seniors who possess superior academic potential. Each student designated as a State Scholar receives a Certificate of Achievement and statewide recognition in the news media. The Illinois Student Assistance Commission (ISAC) provides the names of State Scholars to Illinois colleges and universities which actively seek State Scholars for admission. No financial assistance is awarded by ISAC through this program.
- b) This Part establishes rules which govern the State Scholar Program. Additional rules and definitions are contained in General Provisions, 23 Ill. Adm. Code 2700.

Section 2760.20 State Scholar Eligibility

- a) To be considered for the State Scholar Program, a high school student shall:
 - 1) demonstrate superior academic potential as measured by test scores and high school records;
 - 2) be a United States citizen or eligible noncitizen;
 - 3) be a resident of Illinois;
 - 4) rank in the upper half of his/her high school class at the end of the third semester prior to graduation from high school (normally the sixth semester); and
 - 5) attend an approved high school.

- b) To be considered for the State Scholar Program, a student must take either the ACT Assessment or the College Board's SAT I: Reasoning Test, during the third or fourth semester prior to graduation from high school (e.g., for a student attending high school for the traditional eight semesters, the exam must be taken during the fifth or sixth semester).
 - 1) A student may take either or both examinations during the designated period.
 - 2) All scores from such tests taken during the designated period must be submitted to ISAC.
 - 3) If a student submits scores from multiple examinations taken during the designated period, ISAC will use the highest score.
 - 4) When a student submits scores to ISAC, the student must report his/her academic level at the time the test was taken.

- c) ISAC will accept supplementary score reports of tests taken during the designated period upon the student's authorization to the test service. Such authorization by the student must be received by ISAC before August 1.

- d) Students who, for any reason, are unable to take a test on a regular testing date should make special arrangements to be tested in accordance with the procedures

of the testing service. Any such special arrangements must take into account the test score submission deadline in subsections (b) and (c) of this Section.

Section 2760.30 Program Procedures

- a) In order for its students to be considered for the State Scholar Program, a high school must calculate and provide to ISAC class ranks as of the third semester prior to graduation of students who desire to be considered for the Program.

- 1) Class ranks are to be calculated so that the class rank for the lowest grade point average (GPA) equals the total number of students being ranked.

Example: Class Rank	GPA
1	99.3
2	98.9
2	98.9
4	98.1
5	97.9
5	97.9
7	97.4

- 2) The equivalent term rank shall be provided for students planning to graduate in other than the traditional four years (see Section 2760.20(b)).

- b) Test scores submitted in accordance with this Part shall be converted to an Illinois Standard Test Score as follows:

- 1) The ACT Assessment Composite Score shall be the Illinois Standard Test Score.
- 2) SAT I verbal and math scores shall be added, and then converted to the Illinois Standard Test Score using the table below.

- d) An Illinois Weighted Selection Score for each student shall be computed by adding the Illinois Standard Test Score to the Illinois Standard Rank Score.
- e) In any academic year, the number of State Scholars is approximately equal to ten percent of the estimated total number of Illinois high school graduates. ISAC annually establishes a minimum Weighted Selection Score to yield this result.
- f) Notwithstanding the previous provisions in this Section, any student nominated by his or her school shall be designated a State Scholar if that student achieves a score at or above the 95th percentile on the ACT Assessment examination, or the equivalent thereof on a comparable examination, regardless of that student's class rank.
- g) A Certificate of Achievement and congratulatory letter are issued for each State Scholar.
- h) A listing of State Scholars shall be available upon request to colleges, members of the General Assembly and to the media.

23 ILLINOIS ADMINISTRATIVE CODE CH. XIX. SEC. 2760.30

Payment must be received by ISAC at the time the mailing labels are ordered. Requestors of labels shall provide written assurance to ISAC that the labels will not be resold or released to others in any manner.
- j) High school officials or student candidates shall have a period of 60 days following the announcement of the State Scholars to appeal a student's status. (See: 23 Ill. Adm. Code 2700.70, Appeal Procedures.)
