The Monetary Award Program (MAP) provides direct grant assistance to eligible students. MAP grants are apportioned among otherwise eligible applicants on the
basis of relative financial resources and available funds. Recipients must enroll at approved Illinois institutions in order to use MAP grants.

b) This Part establishes rules which govern the Monetary Award Program. Additional rules and definitions are contained in General Provisions, Part at 23 Ill. Adm. Code 2700.

(Source: Amended at 22 Ill. Reg. 11149, effective July 1, 1998)

Section 2735.20 Applicant Eligibility

a) A qualified applicant shall be:

1) a citizen or eligible noncitizen;

2) a resident of Illinois;

3) maintaining satisfactory academic progress as determined by the institution;

4) enrolled in an eligible degree or certificate program (34 CFR 668.8) for a minimum of three credit hours, for either a semester or quarter term, throughout the institution's tuition refund/withdrawal adjustment period; and

5) enrolled at an ISAC-approved institution of higher learning.

b) MAP grant eligibility is based on the relative financial eligibility at an ISAC-approved institution of higher learning of the applicant's choice, and is reevaluated if the student's choice of institution changes.

c) Eligibility is restricted to undergraduate students.

1) MAP recipients must not have received a baccalaureate degree.

2) Graduate students are not eligible for MAP assistance. For purposes of this Part, an institution of higher learning shall classify as a "graduate student" any student who:

   A) is enrolled in an academic program or course above the baccalaureate level which leads to any degree above the baccalaureate level; and
B) is not eligible to receive federal financial assistance (34 CFR 674.2, 675.2, 676.2) as an undergraduate student; and

C) has completed the equivalent of at least three years of full-time postsecondary study, either prior to entrance into the academic program or as part of the academic program itself.

(Source: Amended at 29 Ill. Reg. 9920, effective July 1, 2005)

Section 2735.30 Program Procedures

a) An application for a MAP grant must be submitted annually. An applicant uses the form which the United States Department of Education (ED) designates as an application form for federal student financial aid. (See Section 483 of the Higher Education Act of 1965, as amended (20 USCA 1070a).)

b) Applicants, spouses and the parents of applicants are required to submit financial information on the application which will be kept confidential, regarding income, asset value and non-taxable income (e.g., Temporary Assistance for Needy Families, public aid, veterans' or Social Security benefits).

c) Priority Consideration Dates

In order to receive priority consideration for a full year award, an application from a student who had applied for a MAP grant for the previous regular school year must have a FAFSA receipt date of no later than August 15 of, or immediately prior to, the regular school year for which the application is being made. In order to receive priority consideration for a full year award, an application from a student who had not applied for a MAP grant for the previous regular school year must have a FAFSA receipt date of no later than September 30 of the regular school year for which the application is being made.

d) Priority Processing Guidelines

1) Students who file applications will be considered for full or partial year MAP awards based on available funds and the following:

A) For applications with a FAFSA receipt date of no later than August 15 of or preceding the regular school year for which assistance is being requested, students who had not applied for a MAP award the previous regular school year and students who did apply for a MAP award the previous regular school year will both be
considered for full year awards;

B) For applications with a FAFSA receipt date of August 16 or later, but no later than September 30, students who had not applied for MAP awards the previous regular school year will be considered for full year awards; while students who did apply for a MAP award the previous regular school year will be considered for second semester or second and third quarter awards only;

C) For applications with a FAFSA receipt date of October 1 or later, and until the date of final suspension of award announcements for that regular school year, all students will be considered for second semester/second and third quarter awards only.

2) During the time periods referenced above, awards will be announced concurrently, both to students who had not applied for a MAP award the previous regular school year and to students who did apply for a MAP award during the previous regular school year. Award announcements will be made concurrently through the date of suspension of award announcements.

3) If it becomes necessary to suspend the processing of award announcements in order to remain within appropriated funding levels, the suspension will be applied concurrently to students who had not applied for a MAP award for the previous regular school year and to students who did apply for a MAP award the previous regular school year.

4) Corrections to applications received prior to the final suspension of award announcements will be processed and announced up to two months after the final suspension date or until the completion of the processing cycle, whichever comes first.

e) Students eligible for second semester/second and third quarter awards who have a FAFSA receipt date of August 16 or later and who are graduating mid-year may request that their second semester/second or third quarter award be used for first semester/quarter.

f) To the extent necessary to administer the program within the limits of the MAP appropriation, the Commission may adjust the priority consideration dates and the priority processing guidelines established by this Section.
g) When an application is incomplete, a notice will be sent to the applicant. The applicant then has an opportunity to furnish the missing information; however, depending on processing schedules, the applicant may be considered only for subsequent term awards.

h) Applicants are informed that they are MAP recipients on the basis of application data supplied to ISAC. ISAC will recalculate awards for those applicants whose applications are not in basic agreement with their financial records, after receipt of corrected data. All announced MAP recipients are subject to verification.

i) The Commission shall annually establish and publicize guidelines for the release of or increase in MAP awards as additional funds become available.

j) MAP grants are applicable only toward tuition and mandatory fees. MAP grants may not exceed the:

1) maximum award specified at 110 ILCS 947/35(c); or

2) institution's tuition and mandatory fee charges on file with ISAC.

k) The maximum MAP grant available to a recipient attending a public community college is limited to the in-district tuition and mandatory fees. It is the recipient's responsibility to make arrangements to pay the additional costs incurred as an out-of-district student.

l) For each credit hour of MAP benefits paid on behalf of the recipient, the recipient will be assessed one MAP paid credit hour toward his or her maximum usage. For each credit hour used, payment will be made to the school on behalf of the recipient in an amount equal to $1/15 of the student's calculated term award amount, with a minimum of three hours and a maximum of 15 hours paid per term.

m) A recipient may receive the equivalent of 135 semester credit hours of MAP benefits paid. Eligibility may be extended for one additional term if the recipient has accumulated fewer than 135 MAP paid credit hours but does not have enough credit hours of payment remaining for the number of hours for which he or she is enrolled for the term.

n) A recipient may use no more than 75 MAP paid credit hours while enrolled at the freshman or sophomore level. Eligibility may be extended for one additional term at the freshman or sophomore level if the recipient has accumulated fewer than 75 MAP paid credit hours, but does not have enough credit hours of payment remaining for the number of hours for which he or she is enrolled for the term.
Upon progressing to the junior level or above, the recipient may use the remaining balance of MAP paid credit hours, up to the 135 credit hour maximum.

o) The MAP grant shall not pay for academic programs intended to prepare a student for the General Educational Development (GED) test or for a high school diploma. (See, e.g., 23 Ill. Adm. Code 215.)

p) The MAP grant shall not pay for audit courses, credit-by-examination and/or life experience, or noncredit course offerings (except qualifying remedial courses). Remedial courses shall be eligible for MAP payment provided the student has been accepted into an eligible degree/certificate program and is taking the remedial courses as part of that program. Payment shall not be made for more than the equivalent of one year of remedial course work (i.e., 30 semester hours or 45 quarter hours). Repeat courses shall be eligible for MAP payment.

q) If a recipient withdraws from enrollment after the expiration of the tuition refund/withdrawal adjustment period, the recipient shall receive MAP grant payment for tuition and mandatory fee costs incurred up to the term award provided the institution's tuition refund policy indicates the recipient has incurred charges in the amount of the claim.

r) MAP paid credit hours are assessed to a recipient whenever MAP funds are disbursed on behalf of the recipient.

s) MAP grant payment is subject to the limits of dollars appropriated to ISAC by the General Assembly.

t) It is the responsibility of MAP recipients to gain admission to approved Illinois institutions of higher learning. Illinois institutions of higher learning are not obligated to admit MAP recipients. The institution is obligated to provide MAP recipients the same facilities and instruction, on the same terms, as are provided to other students.

u) If a recipient's academic program involves out-of-state and/or foreign study, enrollment must be in accordance with subsection (j) and the following provisions:

1) The recipient must be enrolled at the ISAC-approved institution of higher learning, and the out-of-state/foreign study must be applicable to the student's degree or certificate program at the student's institution of record.
2) The ISAC-approved institution of higher learning must record the course credits on the official academic transcript as institutionally earned credit and not as transfer credit.

3) An institution shall not request more than two semesters/three quarters of MAP assistance for any one qualified applicant enrolled on a full-time basis, or four semesters/six quarters of MAP for an applicant-enrolled on a half-time basis.

(Source: Amended at 28 Ill. Reg. 10043, effective July 15, 2004)

Section 2735.40 Institutional Procedures

a) MAP recipients must report to the institution all additional gift assistance that applies toward tuition and mandatory fees, such as tuition waivers and scholarships.

b) If a MAP recipient receives other assistance targeted specifically for tuition and fees, the combined assistance shall not exceed the total tuition and fee expenses incurred.

c) If an applicant is eligible for assistance under the Illinois National Guard (ING) Grant Program or the Illinois Veteran Grant (IVG) Program (23 Ill. Adm. Code 2730 and 2733), the applicant is not eligible for a full MAP grant because ING and IVG must be factored into the financial aid packaging prior to awarding MAP gift assistance. The institution may request payment of a partial MAP grant to finance fee expenses not covered by the above-referenced programs.

d) If an applicant is eligible to receive tuition or fee benefits through a prepaid or reimbursable tuition plan other than the Illinois Prepaid Tuition Program, College Illinois! (23 Ill. Adm. Code 2775), or through a payment to the institution of higher learning by the applicant's employer, the institution of higher learning shall request MAP payment in accordance with this subsection:

1) A prepaid tuition plan is any program which exempts a student from tuition charges because of a payment to the institution at a time prior to the student's enrollment. A reimbursable tuition plan is a program which reimburses a student for tuition costs after satisfactory completion of course work.

2) The institution of higher learning shall recalculate the applicant's MAP eligibility by decreasing the applicant's tuition and fee charges by the
amount of benefits the applicant is eligible to receive from the sources in subsection (d)(1) of this Section. The institution of higher learning shall report the applicant's reduced grant award on the payment request.

e) The provisions of this Section shall not apply to benefits derived from the Baccalaureate Savings Act [110 ILCS 920] and 23 Ill. Adm. Code 2771.

f) Notwithstanding the provisions of other ISAC-administered programs, the total amount of a student's gift assistance may not exceed the cost of attendance used to calculate Title IV aid for that student. Any excess gift assistance is considered an overaward and the institution of higher learning is required to reduce the MAP award and/or other gift assistance to prevent such an overaward. For the purposes of this calculation, federal veterans benefits are not counted as gift assistance.

g) Institutions of higher learning shall submit payment requests to ISAC. By submitting a payment request, an institution is certifying that the qualified applicants meet the requirements of Section 2735.20, Applicant Eligibility.

h) For any institution of higher learning which has concurrent registration opportunities, the following policy pertains:

1) The recipient must indicate his/her institution of record on the MAP application.

2) The payment of the term award by ISAC will require the institution of record to receive MAP payment on behalf of any other institutions and the institution of record shall distribute the appropriate share of the award to the other institutions. Payment by ISAC will not be made to more than one institution.

3) The amount paid cannot exceed the maximum term award for students at the institution of record, or the tuition and mandatory fee costs at the institution of record if the costs are less than the maximum term award.

4) Concurrent registration is limited to ISAC-approved institutions of higher learning.

5) The recipient's academic records at the institution of record must document the total number of credit hours for which the student is enrolled.
If an Illinois institution operates an out-of-state center, residents of Illinois enrolled in classes at the out-of-state center may receive MAP benefits in accordance with Section 2735.30(u).

If an announced recipient's credit hour enrollment decreases, the institution shall only request payment up to the amount of actual tuition and mandatory fee expenses incurred.

Upon receipt of a payment request from the institution of record, ISAC remits MAP grant funds to the institution of record on behalf of the recipient. The institution of record shall credit these funds to the recipient's account.

MAP grants are paid directly to the approved institution of record that certifies to ISAC that the applicant is an eligible recipient.

1) ISAC will annually establish priority claim dates for the submission of payment requests and inform schools of the required priority dates.

2) Late payment requests will result in delayed processing of payments. Payment requests are processed in the sequence of receipt by ISAC and as funds are available.

3) Institutions may submit their payment requests beginning ten days prior to the start of classes for the term for which they are requesting payment.

Institutional Processing of Payments

1) Within 30 days after and including the date of receiving payment of any MAP funds claimed or advanced pursuant to this Section, the institution shall credit the MAP funds against the recipients' tuition and mandatory fee charges for the appropriate term.

2) Institutions are required to reconcile payments received through MAP and, as applicable, submit all necessary corrections to student records on a timely basis. Any payments received by the institution that are determined in the reconciliation to be refunds payable to ISAC are to be processed and returned to ISAC no later than 60 days following the end of the academic term unless ISAC has already deducted outstanding refunds from institutional payment requests during the applicable fiscal year. Refunds may be caused by billing errors, retroactive withdrawals and other miscellaneous reasons. Refunds showing as owed to ISAC must be remitted within 30 days after the end of the institution's regular school...
year. Should the payment arrive after the end of the regular school year, the institution will have 60 days following receipt of payment to complete the reconciliation process and return any refunds due.

3) Award payments made in the name of one recipient cannot be applied to another recipient at the same institution. A refund of the payment made must be submitted to ISAC, and a supplemental request for payment must be processed for the proper recipient.

4) To provide sufficient time for processing and vouchering through the State Comptroller's Office in Springfield, all payment requests except for summer term must be received by ISAC no later than July 1. Summer term payment requests must be received no later than July 31.

5) Payment requests received after August 1 for the prior academic year will be processed as time and available funds permit; however, final action may require institutions to go to the Illinois Court of Claims to obtain payment for approved claims. (See the Court of Claims Act [705 ILCS 505].)

Section 2735.50 Advance Payment Option

a) ISAC-approved institutions of higher learning may request consideration for the advance payment option. To be eligible, the institution must have received MAP payments for each of the last five academic years, and ISAC must have completed an audit of the institution's performance during that five year period. Institutions with provisional eligibility shall not receive advance payments. (See 23 Ill. Adm. Code 2700.30(i)(6).)

b) Subject to the availability of funds, payments may be advanced on a term-by-term basis. If advanced, payments will be made in an amount not to exceed 75 percent of a term's announced recipients, adjusted for attrition as determined by subsection (c)(2). The formula by which ISAC computes an institution's advance payment is illustrated in Appendix A of this Part.

c) For purposes of computing an institution's advance payment, ISAC uses the lowest retention rate resulting from the following three formulae:

1) Dollar value of the previous fiscal year's claimed awards divided by the dollar value of the previous fiscal year's announced awards;
2) Number of claimed awards for the previous fiscal year divided by the number of awards announced during the previous fiscal year; or

3) Using the formula in subsection (c)(2), compute the retention rate for the previous five fiscal years. Add the five retention rates and divide by five to produce the five year average retention rate.

d) If an institution receives advance payment pursuant to this Section, the balance of payment due for the current term will be paid to the institution after ISAC receives a payment request.

e) If an advance payment received by an institution exceeds the total grant payments for which that institution's students are eligible, the institution shall submit the appropriate refund to ISAC prior to the end of the academic year.
