

## Budgeting

**Splitwise app** <https://www.splitwise.com>

SplitWise keeps track of shared expenses and comes in handy when you live with roommates or are going on trips with friends. SplitWise splits the expenses you input, and then you can pay your friends via Venmo or PayPal.

## Time Management

**My Study Life app** <https://mystudylife.com>

My Study Life is the perfect online replacement for the notebook planner you've been carrying in your backpack. The calendar function was made for students and can help you balance your academic and social life. With their task manager, My Study Life solves the problem of trying to find that specific date you might have forgotten to write in your paper planner. Instead, pop an assignment's due date or an upcoming exam into My Study Life, and the app's dashboard will automatically remind you of upcoming tasks and events.

**Habitica:** <https://habitica.com/static/home>

Habitica is a free habit-building and productivity app that treats your real life like a game. With in-game rewards and punishments to motivate you and a strong social network to inspire you, it can help you achieve your goals in completing all of your tasks. This is a fun and more relaxing app to use to track your habits, daily tasks, and to-do list.

## Studying

**Quizlet flashcard app** <https://quizlet.com/features/flashcards>

The Quizlet flashcard app is a quick and easy mobile study tool that will help you prepare for the next big test, examination, or presentation. With the Quizlet flashcard app, you can create customizable flashcards - helping you remember the key pieces of information you need to ace your classes! You can also browse the library to find a deck of flashcards in your subject area and add them to your daily study routine!

**I-Share Catalog and Library** <https://i-share.carli.illinois.edu>
