

Table 7.1 of the 2016 ISAC Data Book
Outreach FAFSA Completion Initiative
FY2012-FY2016

<u>FAFSA Completion Initiative Participants</u>	^a	<u>FY2012</u>	<u>FY2013</u>	<u>FY2014</u>	<u>FY2015</u>	<u>FY2016</u>
Multi-High-School Districts		5	7	9	10	--
High Schools in Multi-High-School Districts		148	153	194	197	--
Individual High Schools		78	115	145	165	--
Total High Schools	^b	226	268	339	362 ^c	765
FAFSA's Filed by High School Seniors Statewide	^d	94,582	97,256	97,171	95,126 ^e	92,088
Percent of H.S. Seniors Filing FAFSA Statewide	^f	61.3%	62.0%	62.3%	61.2%	60.8%

^a Fiscal year corresponds with year high school students graduate. For example, FY2012 denotes the cycle where seniors graduating in the spring of 2012 were assisted with FAFSA's for the following academic year (2012-13).

^b Denotes schools with data sharing agreements. Not all schools participated fully in match program throughout the year.

^c Beginning in 2016, FAFSA completion data were made available to Illinois High Schools via ISAC's Gift Assistance Program (GAP) Access System. Not all schools participated fully in match program throughout the year

^d Number of seniors filing by June 30 of respective year.

^e Number of FAFSA completions in GAP Access System as of the week ending August 15.

^f Proxy for seniors used in denominator for proportion calculation is based on Illinois juniors who took the ACT or SAT, which is administered to students in all Illinois public high schools as part of the Prairie State Achievement Exam (PSAE).
