**Fall 2023 – Summer 2024 Illinois National Guard (ING) Grant Program
Notice of Eligibility**

This notice is in response to your request to change your college choice. The Illinois Student Assistance Commission (ISAC) has determined that you are eligible for the 2023-24 Illinois National Guard (ING) Grant Program for a portion of the academic year. As a reminder, you must file an application annually indicating your college choice. Benefits will not be administered until a current application is on file. Effective with the 2023-24 academic year, there will no longer be priority consideration dates by which ING Grant applications must be submitted each term. Rather, ING Grant applications must be received by ISAC in time for eligibility to be determined and the applicant to then notify the college about their eligibility *no later than the last scheduled day of classes for the first term for which benefits have been requested.*

The information below details your current eligibility status and the college(s) you indicated you plan to attend, based on your application and/or information provided by the Department of Military Affairs Illinois (DMAIL), Education and Incentives Office. Any updates to your Guard status must be submitted to ISAC by DMAIL.

Your eligibility is restricted or limited to a portion of the academic year due to your Guard status. Your college will prorate your eligibility and you are responsible for the remaining costs.
