

2021-22
ILLINOIS SPECIAL EDUCATION TEACHER TUITION WAIVER (SETTW) PROGRAM
NOTICE OF UNAVAILABLE WAIVERS

This letter is to notify you that, while the Illinois Student Assistance Commission (ISAC) recognizes that you are a qualified applicant for the 2021-22 SETTW Program, a waiver will not be awarded to you at this time because of limited availability.

A maximum of 250 tuition waivers is awarded to qualified applicants each year. The waivers are allocated between currently licensed teachers, high school graduates from the current academic year and high school graduates from previous academic years.

Only if any students decide not to accept the award, or are determined ineligible through the college certification, will additional awards be announced later this year (anticipated to be fall of 2021).

The 2022-23 SETTW application will be available in December 2021.

For current SETTW processing updates, and to learn more about the financial aid process and available programs, visit our website at isac.org.

If you have any questions you may contact an ISAC Call Center Representative via telephone at 800.899.4722 or via email at isac.studentservices@illinois.gov.
