

2023-24 Monetary Award Program (MAP) Rights & Responsibilities

The information you reported on the *Free Application for Federal Student Aid* (FAFSA®)* for the 2023-24 academic year serves as your application for the need-based Monetary Award Program (MAP) grant through the State of Illinois. MAP grants help Illinois students pay for tuition and mandatory fees at Illinois MAP-approved colleges**. The MAP grant award amount is an estimate made by the college's financial aid office and is identified as a "State of Illinois MAP Grant (Est)" in your financial aid package. Please be aware that the number of available MAP grants is limited by funding levels approved by the Illinois General Assembly and the governor, and reductions to estimated or actual MAP grants are possible. The MAP grant is not a loan, so it does not have to be repaid. Your rights and responsibilities are outlined on this form. Use of this grant means that you understand and agree to maintain all eligibility requirements. If you fail to do so, you may no longer receive grant funds.

TRACKING MAP USAGE

Eligibility for a MAP grant is tracked by the equivalent number of semester credit hours of MAP benefits paid on your behalf. This is called MAP Paid Credit Hours. If you are attending a quarter college, your quarter credit hours will be converted to semester MAP Paid Credit Hours. Please contact your financial aid advisor if you have questions regarding the quarter college conversion. You may access a record of your MAP Paid Credit Hours through the ISAC Student Portal at <https://studentportal.isac.org/MPCH>.

Limit for Each Term: Payment for each term is made according to the equivalent number of credit hours eligible for MAP payment, with a minimum of 3 and a maximum of 15 MAP Paid Credit Hours. If you are enrolled for the equivalent of 15 or more credit hours, the number of MAP Paid Credit Hours assessed to you will be 15.

Total Limit: The maximum number of MAP Paid Credit Hours is 135.

4. provide correct information. Your full name and Social Security number, if applicable, as they appear on your Social Security card, and your date of birth, will be matched against Social Security Administration records and should be corrected if necessary. If you purposely give false or misleading information, you will be denied assistance from all ISAC programs.

9. apply each year, and you are urged to **reapply early** for the 2024-25 academic year (as soon as possible on or after October 1, 2023). Please be aware that awards are made in the order that FAFSAs are received, until funding is depleted. ISAC will continue to accept 2023-24 FAFSA data through the academic year; however, once funds are depleted, further awards will not be announced unless additional funds become available. Returning MAP recipients (i.e., students who received MAP funds during the prior academic year and continue to meet all eligibility requirements) who submit their FAFSA by the priority deadline date will receive priority access to the appropriated MAP funds. The priority deadline date will be published no later than October 1 each year at isac.org.
10. ask questions about anything you do not understand regarding your MAP grant. Keep a record of the name of the person with whom you spoke and the date of the conversation.
11. know about ISAC appeal procedures. See Item 2 under "Student Rights" on the reverse for additional details.

PRIORITY CLAIM DATES

ISAC will establish priority payment claim dates for each term, by which the college must submit MAP payment claims. Payment claims received after these term dates will be held until after the third quarter term priority payment claim date for the year. If funds remain, late claims will be processed in date-received order until all funds are expended. Late payment requests will result in delayed processing of payments.
