

MTI Scholarship Signed Application E-Mail Acknowledgement

Congratulations. You have successfully completed the application process for the Minority Teachers of Illinois (MTI) Scholarship Program.

You will receive notification of your eligibility status after the priority consideration date has passed.

If you have not yet completed the Free Application for Federal Student Aid (FAFSA®) or Alternative Application for Illinois Financial Aid (Alternative Application) for the same academic year you are applying for the MTI program, you must do so as part of the application process. To determine your eligibility for the scholarship, the [MTI participating Illinois college](#) at which you plan to use the MTI award must be listed on your FAFSA or Alternative Application. Access the online FAFSA at fafsa.gov and the [Alternative Application](#) on ISAC's website.

If you have questions about MTI, or to learn more about the financial aid process and available program, visit us at isac.org, call an ISAC Call Center Representative at 800.899.ISAC (4722), or send an e-mail message to isac.studentservices@illinois.gov.
