The award will be paid directly to the above-named college. Please review the information for accuracy and immediately notify our office, in writing, of any corrections needed.

Your college will determine the final award amount and the number of disbursements. The amount of the scholarship plus other financial aid you receive cannot exceed the total cost of education at the college. If you fail to meet any of the eligibility requirements during the academic year, the entire scholarship or a portion of the scholarship funds may be forfeited.

By receiving any or all of this scholarship, you agree to fulfill the teaching commitment that is outlined on the application/promissory note. If this teaching commitment is not fulfilled within the required time for the program, the amount awarded converts to a loan that must be repaid with interest. You are also obligated to report any changes to your name, address or enrollment status to ISAC within ten days of the change.

ISAC administers other scholarship and grant programs that can provide financial assistance to help you pay for college.
