DMAIL reported that you are not a current member of the Illinois National Guard, or you have not completed one year in the Guard, and will not be eligible to participate in the ING Grant Program within the **acdYear** academic year.

Your student loan, guaranteed by ISAC, is in default. The financial aid office at the college you plan to attend will not be able to process federal or state student loans, scholarships or grants for you until your defaulted loan is resolved. You have reached the maximum 120 units of eligibility and are not eligible for educational benefits through the ING Grant Program for current or any future enrollment.

You have reached the maximum 180 units of eligibility and are not eligible for educational benefits through the ING Grant Program for current or any future enrollment.

It is your responsibility to contact your Illinois Army National Guard Education Representative or your Illinois Air Guard Retention Office Manager with any questions regarding your member status. Any changes to your National Guard member status must be submitted to ISAC from your respective representative. Contact information is available on ISAC's website at isac.org.

For Guard members with less than 10 years of service, benefits cannot be extended beyond 120 units of eligibility. If you have more than 10 years of active service in the Guard, you must contact your unit and/or DMAIL to update your status.
