3. Single-click on My Zone.

*While you are in the **IVG** area of My Zone you may encounter security information windows that appear from time to time. The message states you will be displaying both secure and nonsecure items.*

*If you respond **NO**, your screen images will look different; the functionality and data will not be compromised.*

ISAC assures that all data, including social security numbers, names and addresses, is secure.

4. On the My Zone **Log On** screen, enter your assigned user ID and password.
