College, Career, & Life Ready in Naperville 203

Naperville 203 graduates are prepared to navigate and compete in the ever changing global economy. Students gain a competitive advantage by having well developed **postsecondary plans** and a diverse **set of skills** to help prepare for **academic and career success**. Students understand postsecondary options and the importance of continued education. Students graduate prepared for postsecondary endeavors by engaging in **academic readiness** coursework, **college & career preparation** activities, **experiential learning**, and **social emotional wellness** and **life-ready skills**.

Academic Readiness: Students demonstrate competency in core academics and are eligible to transition into postsecondary credit bearing coursework with proficiency in academic reporting indicators.

College and Career Readiness: Students engage in diversified coursework and authentic learning opportunities to develop knowledge and skills necessary for postsecondary and career success.

Workplace Readiness: Students develop college, career, and life skills; learning beyond the classroom in settings that require independence, mentorship, and career exploration. Students develop college, career, and employability skills through workplace experiences.

Wellness & Life Readiness: Students have opportunities to develop resilience through activities, leadership, and collaboration throughout their educational experiences; building social emotional competence and understanding of wellness for life.

<u>The 4-Year Plan</u>

Comprehensive Counseling Curriculum

203

College & Career Curriculum promotes student academic, social emotional, and postsecondary preparation through utilization of tools, resources, and best practices. The ongoing curriculum spans 6-12th grade and includes goal setting, planning, and developing an individual learning plan for each student. Student plans are updated annually and reflect progressions of learning and personal experiences.

Designing student learning around **careers**, **postsecondary** options, **financial literacy** as it impacts goals. Supporting students with social emotional skill building & ensuring **academic preparation**.

ALL STUDENTS

- will develop self-advocacy skills and utilize resources within the school community in order to transition into adulthood
- · will have the ability to grow in the areas of academic, social/emotional and career

· will have access to the tools they need to achieve balance in their definition of success

2 ALL COUNSELORS

belief statement

domains participate in relevant professional development that promotes individual and departmental growth within the counseling profession

· lead, advocate and collaborate to create equitable access and opportunities for

social/emotional and college & career

every student in the academic,

understand that students have unique ethnic, cultural, racial, academic, and sexual differences that need to be considered in their delivery of service

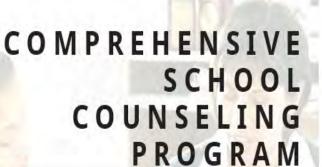

3 THE COUNSELING PROGRAM

belief statement

#3

- · is a comprehensive 6-12 plan which meets all students' academic, social/emotional, and college & career needs
- values the importance of student's social/emotional well-being as well as their academic growth
- · is goal-oriented, data driven, and adaptable to meet the needs of our diverse student

Naperville 203

NAPERVILLE SCHOOL DISTRICT 203

VISION

Every student will acquire the knowledge and skills necessary to achieve personal growth and postsecondary success.

MISSION

Comprehensive counseling services in Naperville 203 provide students with preventative and responsive services that promote academic, social emotional, and college & career skill development in order to advance and empower students to achieve postsecondary success.

Career Pathways High School Program Planning Guide

Building Leadership & Communication

- -> Develop processes to support creation & launch of pathways (data, reporting, marketing)
- → Provide programs of study & diploma endorsements for career pathways in all 7 state defined areas

Counseling

- → Collaborate to support, understand, promote, manage student completion of endorsements while fostering college, career & life readiness
- → Ensure ALL students will graduate with a post-secondary plan & an understanding of the return-on-investment

Curriculum & Programming

→ Develop robust & relevant career pathways that prepare students for: career & college focus, foster development of life skills, create links between school & work, are meaningful & progressive, offer up-to-date & modern curriculum

Work-Based Learning

→ Make available work-based learning opportunities for ALL students who want to participate with systemization of processes to support & invite (*Students completing pathway endorsements will record 60 hours of WBL during their high school tenure)

Early College Credit & Credentials

- → Add additional dual credit courses to menu of offerings with "certified" dual credit staff
- → Increase opportunities for students to earn industry credentials

Logistics & Documentation

→ Technology, systems, and resources are aligned to support preparation of ALL students for college AND career

- Rocking Alheadson X Growth of Pathways with Dual Credit
 - X Work-Based Learning & Partnership Engagement
 - X Junior High "Electives" & Programs (course book)
 - X Competency Based Models
 - X Elementary SEL with Career Education

- X Just Start! (The work is HUGE & never DONE)
- X Engage Stakeholders
- X Take Time to DEFINE your "WHY" & KEEP Focused! (purpose & outcomes)
- X Group Work into Areas & Phases (What is low hanging fruit?)
- Lessons Learned... X Build your Learning & Support Network (Include your team)
- X Don't Forget Supports & Systems
- X Communicate & Celebrate!
