

MAKE COLLEGE A REALITY

for students across Illinois

Illinois Student Assistance Commission (ISAC) works to make education beyond high school more accessible and affordable for all.

Job opening: ISACorps Community Worker

Start date: June 1, 2021

\$30,000 salary with benefits including tuition waiver for IL state universities

DUTIES

- Mentor students facing academic, financial, and social barriers to higher education
- Present to students on the critical steps in the college-going process
- Advise and inform the parents of potentially college-bound students on the college admissions and financial aid processes
- Represent ISAC at college fairs, financial aid nights, conferences, and related events
- Promote programs and services offered by ISAC to communities throughout the state

LOCATION

Our ISACorps near peer mentors work with middle school through high school students and their parents. We have positions open across the state working in both middle and high schools. Generally speaking, employees working with high school students, are assigned to a region and work with multiple high schools. And, in general, employees working with middle school students are assigned to a single school.

REQUIREMENTS

- Bachelor's degree required. As a program of near peer-mentors, we are looking for candidates who graduated high school during or after 2015.
- We ask that selected candidates commit two years to the ISACorps.
- Vehicle required

HOW TO APPLY/SELECTION PROCESS

- To apply, please submit a cover letter and resume to <https://recruiter.isac.org/>
- Unofficial transcripts may be used to apply. Official transcripts will be required upon hire.
- Interviews will be scheduled to take place online and may be held at multiple sites throughout the state, health restrictions permitting.
