3. Recipients attending approved public colleges in Illinois shall receive full payment of tuition and mandatory fees on their behalf. The grant will cover the difference in cost for courses taken at an out-of-district college that are not offered at a recipient's in-district college. Recipients attending approved private colleges in Illinois shall receive payment of tuition and mandatory fees in an amount not to exceed the maximum grant payable to a student enrolled in the most expensive comparable program of study at a public college in Illinois.
4. The grant may be used at any public or private college approved for participation in the Monetary Award Program (MAP). Benefits are limited to the full-time enrollment equivalent of eight semesters or twelve quarters of payment. See [isac.org](http://isac.org) for a listing of approved colleges.
5. The applicant may receive benefits for undergraduate or graduate enrollment.

**APPLICATION PROCEDURES:**

1. Complete applications received by ISAC after the deadline dates (see page 1) will be processed only for subsequent terms, with June 15, 2021 as the final date of acceptance for the summer term of the 2020-21 academic year.
2. The applicant must apply for the educational benefits and must supply all required documentation. In order to receive benefits, **one application must be on file for each academic year**, which begins with the fall term and concludes the following summer term. No payments will be made on behalf of an eligible student unless a current and complete application is on file.
  - a. Section I: Applicant's Information portion must be filed annually for each applicant.
  - b. Section II: Officer's Biographical Information portion of the application needs to be completed only on the initial application. Once eligibility has been established for one member of a family, it is established for all qualified applicants in the family.

The applicant's initial application must be accompanied by the officer's certified death certificate or, for disabled officers, the certified statement of a licensed physician. The physician's statement, on his/her letterhead, must certify that the officer has a mental or physical condition that is reasonably certain to continue throughout the lifetime of the officer, resulting in a 90% to 100% incapacity from performing substantial and material duties previously discharged.

Please note: If the doctor does not state the percentage of disability, the application is incomplete.

Separate documentation must be submitted to prove that the death or permanent disability of the officer occurred in the line of duty (usually from the officer's pension board or employer).
  - c. Section III: Certification Statement must be completed annually.
3. If required by the college, the applicant should present a copy of the eligibility letter to his/her college's financial aid office at the time of enrollment. If the applicant is already enrolled when the eligibility letter is received, the letter should be presented to the college financial aid office **immediately**. Payments are made directly to the college at which the student is enrolled. The college also has deadlines for requesting payment on a student's behalf. Failure to present the eligibility letter and/or to notify ISAC of a college choice change, as required, may result in the loss of benefits.
4. Allow at least four weeks for the processing of this application. Visit the ISAC website at [isac.org](http://isac.org) for processing updates or call ISAC at 800.899.ISAC (4722).

Note: ***Proof that the applicant meets the eligibility requirements (such as a birth certificate, marriage certificate, court documents, etc.) may be required before or after the applicant's initial eligibility is determined.***
